FOR IMMEDIATE RELEASE

Agrium to nominate directors to CF Board; challenges CF to drop poison pill

December 2, 2009 ALL AMOUNTS ARE STATED IN U.S.\$

CALGARY, Alberta Agrium Inc. (TSX and NYSE: AGU) today has announced that it intends to nominate a slate of directors to stand for election at CF Industries Holdings, Inc. (CF) 2010 annual stockholder meeting. As per the letter to CF's Board attached below, Agrium has also challenged CF to remove their poison pill to allow CF stockholders to decide whether to accept Agrium's offer.

To: CF Board Members

Messrs. Wilson, Arzbaecher, Creek, Davisson, Furbacher, Harvey, Johnson and Schmitt

Re: Agrium to Nominate Directors to CF Board; Challenges CF to Drop Poison Pill

Agrium has repeatedly sought the engagement of CF. Most recently, on November 30, 2009, our efforts to open discussion involved a call by me to Steve Wilson, a call by Agrium's Board Chairman, Mr. Proto, to CF's lead independent director, and a letter from me to each of you. Unfortunately, to date, CF has declined all opportunities to engage directly with Agrium or its advisors.

In statements to the general public, you have claimed overwhelming support for your Terra bid even though holders of only 38% of Terra's outstanding shares (excluding CF) supported your nominees to Terra's board. At the same time, you have stated publicly that you do not believe that the tender results reflect stockholder support for the terms of Agrium's offer. Your statement simply is not credible given that holders of 60% of your stock (excluding Agrium) supported our unambiguous offer of \$45.00 and 1.0 Agrium common share per CF share (a combination valued at \$100.54 on November 17th, the last trading day before CF stockholders tendered in support of the Agrium offer).

Given the repeatedly strong support from your stockholders for the Agrium offer, and the amount of time and opportunity you have had to put forward your opposition and maximize shareholder value, your continued reliance on a poison pill and Section 203 of the Delaware General Corporation Law to block a transaction desired by your stockholders is unreasonable. The time is overdue for you to remove these preclusive barriers and let your stockholders decide for themselves whether to accept Agrium's offer.

Agrium remains open to discussing with you how best to proceed with this transaction, including possible modifications to the structure of our offer. By talking, we might each learn something that would help us proceed in a positive manner.

We continue to have confidence in the compelling nature of a combination of our two companies, and intend to continue our efforts to achieve that combination which would benefit the stockholders of both our companies. To advance that outcome, Agrium will be nominating a slate of directors to stand for election at your 2010 annual stockholder meeting.

Sincerely,

Michael M. Wilson

President and Chief Executive Officer

Agrium Inc.
