PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The following documents previously filed with the Commission are hereby incorporated by reference into this Registration Statement:

1. The Registrant's Annual Report on Form 10-K for the year ended December 31, 2011, filed February 27, 2012;
2. The Registrant's Quarterly Report on Form 10-Q for the quarter ended March 31, 2012, filed on May 4, 2012;

4. The description of the Common Stock set forth under the caption "Description of Registrant's Securities to be Registered" in the Registrant's Registration Statement on Form 8-A dated August 7, 1997, as amended on July 27, 1999, together with any amendment or report filed with the Commission for the purpose of updating such description.

All reports and other documents that the Registrant files with the Commission pursuant to Sections 13(a), 13(c), 14, or 15(d) of the Exchange Act after the date of this Registration Statement and prior to the filing of a post-effective amendment indicating that the Company has sold all of the securities offered under this Registration Statement or that deregisters the distribution of all such securities then remaining unsold shall be deemed to be incorporated by reference into this Registration Statement from the date that the Company files such report or document. Any statement contained in this Registration Statement or any report or document incorporated into this Registration Statement by reference, however, shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained in a subsequently dated report or document that is also considered part of this Registration Statement, or in any amendment to this Registration Statement, modifies or supersedes such prior statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Certain legal matters with respect to the validity of the Common Stock registered hereby have been passed upon for the Registrant by Laurent Lutz, Executive Vice President, General Counsel and Corporate Secretary of the Registrant. Mr. Lutz is employed by the Registrant and is eligible to participate from time to time in the 2012 Omnibus Incentive Plan and the Amended and Restated Employee Stock Purchase Plan.

Item 6. Indemnification of Directors and Officers.

As permitted by Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL"), the Registrant's certificate of incorporation provides that none of the Registrant's directors will be personally liable to the Registrant or its stockholders for monetary damages for breaches of fiduciary duty, except for liability (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit. Any repeal or modification of the Registrant's certificate of incorporation by the Registrant's stockholders will not adversely affect any right of a director existing at the time of such repeal or modification with respect to any act or omission occurring prior to such repeal or modification.

Under Section 145 of the DGCL, a corporation has the power to indemnify directors and officers under certain prescribed circumstances and subject to certain limitations against certain costs and expenses, including attorneys' fees actually and reasonably incurred in connection with any action, suit or proceeding, whether civil, criminal, administrative or investigative, to which any of them is a party by reason of being a director or officer of the corporation if it is determined that the director or officer acted in accordance with the applicable standard of conduct set forth in such statutory provision. Article VIII of the Registrant's By-laws provides that the Registrant will indemnify any person who was or is party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that he or she is or was a director or officer of the Registrant, or is or was a director or officer of the Registrant serving at the request of the Registrant as a director, officer, employee or agent of another entity, against certain liabilities, costs and expenses. Article VIII of the

Registrant's By-laws also provides for the advancement of expenses to an indemnified party upon receipt of an undertaking by the party to repay those amounts if it is ultimately determined that he or she is not entitled to be indemnified by the Registrant. Any repeal or modification of the provisions of Article VIII of the Registrant's By-laws will be prospective only and will not in any way adversely affect any right of a director or officer in effect at the time with respect to any act or omission occurring prior to such repeal or modification.

The Registrant has also entered into indemnification agreements (the Indemnification Agreements) with its independent directors (individually, an Indemnitee). The Indemnification Agreements, among other things, provide for the maximum indemnity permitted for directors under Section 145 of the DGCL and the Registrant's By-laws, as well as additional procedural protections. The Indemnification Agreements require the Registrant to indemnify the relevant Indemnitee against liability that may arise by reason of his or her status or service as director of the Registrant if the Indemnitee acted in good faith, for a purpose which he or she reasonably believed to be in or not opposed to the best interests of the Registrant, and in the case of a criminal proceeding, in addition, had no reasonable cause to believe that his or her conduct was unlawful. The Indemnification Agreements require the Registrant to advance any expenses incurred by the relevant Indemnitee as a result of any proceeding against him or her, so long as the Indemnitee provides an undertaking that the Indemnitee will repay the advances to the extent that it ultimately is determined that the Indemnitee is not entitled to be indemnified by the Registrant, the expenses have not been paid for under any insurance policy, the underlying claim giving rise to the expenses is not for violation of Section 16(b) of the Exchange Act of 1934, and the claim was not initiated by the Indemnitee.

The Company maintains a director and officer insurance policy which insures the directors and officers of the Company and its subsidiaries, within certain limits and subject to certain limitations, against certain expenses in connection with the defense of actions, suits or proceedings, and certain liabilities that might be imposed as a result of such actions, suits or proceedings in which they are parties by reason of being or having been directors or officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth herein. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
