**Item 1.01. Entry into a Material Definitive Agreement.
Merger Agreement**

On March 13, 2013, MISCOR Group, Ltd., an Indiana corporation (MISCOR), and Integrated Electrical Services, Inc., a Delaware corporation (IES), announced that they have entered into a definitive agreement pursuant to which IES will acquire 100% of the common stock of MISCOR in a stock and cash transaction. IES, MISCOR and IES Subsidiary Holdings, Inc., a Delaware corporation and a wholly-owned subsidiary of IES (Merger Sub), have entered into an Agreement and Plan of Merger, dated March 13, 2013 (the Merger Agreement), pursuant to which MISCOR will be merged with and into Merger Sub, with Merger Sub surviving as a wholly-owned subsidiary of IES (the Merger).

On the terms and subject to the conditions set forth in the Merger Agreement, upon effectiveness of the Merger, each issued and outstanding share of MISCOR common stock, no par value (MISCOR Common Stock), will convert into the right to receive (the Merger Consideration), at the election of the holder, either:

a per share dollar amount, which amount shall not be less than \$1.415 per share (the Cash Consideration), equal to the quotient obtained by dividing (x) the difference between \$24.0 million and the amount of MISCOR's Net Debt (as defined in the Merger Agreement) by (y) the number of shares of MISCOR Common Stock outstanding as of the fifteenth business day prior to the closing date; or

a number of shares (the Stock Consideration) of IES common stock, par value \$0.01 per share (the IES Common Stock), equal to a fraction, the numerator of which is the Cash Consideration and the denominator of which is the volume-weighted average of the sale prices per share of IES Common Stock (the VWAP) for the 60 consecutive trading days ending with the fifteenth business day prior to the closing date, with a collar limiting the range of IES Common Stock prices to 20% above and 20% below the 60-day VWAP ending with the second complete trading day prior to the date of the Merger Agreement.

MISCOR stockholders have the right to elect to receive all Cash Consideration, all Stock Consideration or a mix of Cash Consideration and Stock Consideration, *provided, however*, that the aggregate Cash Consideration to be paid in connection with the Merger shall not exceed a threshold (the Maximum Cash Amount) equal to the product obtained by multiplying (x) the Cash Consideration by (y) 50% of the number of shares of MISCOR Common Stock outstanding immediately prior to the effective time of the Merger. If the aggregate amount of cash that would be paid upon conversion of the shares of MISCOR Common Stock for which MISCOR stockholders elect to receive Cash Consideration (the Cash Election Shares) is greater than the Maximum Cash Amount, then the exchange agent shall select from among the Cash Election Shares, by a pro rata selection process, a sufficient number of shares (the Stock Designation Shares) such that the aggregate amount of cash that will be paid in the Merger in respect of the Cash Election Shares that are not Stock Designation Shares equals as closely as practicable the Maximum Cash Amount, and the Stock Designation Shares shall be converted

into the right to receive the Stock Consideration. Any MISCOR stockholder that does not make an election with respect to such holder's MISCOR Common Stock shall be deemed to have elected to receive the Stock Consideration.

Pursuant to the Merger Agreement, immediately prior to the effective time of the Merger, each outstanding share of MISCOR restricted stock will automatically vest and the holder thereof shall be entitled to receive the Merger Consideration. Additionally, all options to purchase MISCOR Common Stock, whether vested or unvested, will be exercisable in full for a period of time prior to the Merger at their exercise price. Any such options not exercised within the prescribed period will be cancelled and the holder thereof will not be eligible to receive the Merger Consideration.

MISCOR stockholders who are dissatisfied with the Merger Consideration and vote against adoption of the Merger Agreement and the Merger will be able to seek appraisal of the fair value of their shares of MISCOR Common Stock under the Indiana Business Corporation Law and will receive payment of the fair value for their shares in lieu of the Merger Consideration.

The Merger Agreement and the Merger have been unanimously approved by the boards of directors of IES and MISCOR. Completion of the Merger is subject to certain conditions, including, but not limited to: (1) approval by IES stockholders of the issuance of IES Common Stock as consideration for the Merger; (2) adoption of the Merger Agreement by the MISCOR stockholders; (3) the holders of fifty percent (50%) or more of all of the issued and outstanding shares of MISCOR Common Stock entitled to vote, and not held by certain affiliates of MISCOR (as described in the Merger Agreement), not having voted against adoption of the Merger Agreement (the MISCOR Minority Approval); (4) the holders of fifty percent (50%) or more of all of the issued and outstanding shares of IES Common Stock entitled to vote, and not held by certain affiliates of IES (as described in the Merger Agreement), not having voted against adoption of the Merger Agreement (the IES Minority Approval); (5) no person (subject to certain exceptions set forth in the Merger Agreement) shall, in the reasonable determination of the IES Board, become an Acquiring Person (as defined in that certain Tax Benefit Protection Plan Agreement, dated as of January 28, 2013, between IES and American Stock Transfer & Trust Company, LLC, as Rights Agent) as a result of the merger; (6) effectiveness of a registration statement on Form S-4 relating to the IES Common Stock to be issued as consideration for the Merger and approval of the listing of such shares on The Nasdaq Stock Market; (7) the holders of not more than 5% of the shares of MISCOR Common Stock having sought appraisal; (8) the parties having agreed to the calculation of Net Debt; (9) MISCOR having received an opinion from its tax counsel as to the effect that, for United States federal income tax purposes, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code; (10) the absence of legal impediments prohibiting the transaction; (11) receipt of applicable regulatory approvals; and (12) other customary closing conditions.

The parties have made certain customary representations, warranties and covenants in the Merger Agreement. Each of IES and MISCOR is required, among other things, subject to certain

exceptions, to conduct its business in the ordinary course in all material respects and not to engage in certain activities during the interim period between the execution of the Merger Agreement and the consummation of the Merger. In addition, the Merger Agreement contains covenants that require each of IES and MISCOR to call and hold special stockholder meetings and, subject to certain exceptions, requires the board of directors of IES to recommend to the IES stockholders the approval of the issuance of IES Common Stock as consideration for the Merger and requires the board of directors of MISCOR to recommend to the MISCOR stockholders the adoption of the Merger Agreement.

Subject to certain conditions and limitations, during the period beginning on the date of the execution of the Merger Agreement and continuing until 12:01 a.m. (EST) on the thirty-first day thereafter (the Solicitation Period End Date), MISCOR may solicit alternative transactions and participate in discussions or negotiations regarding, and provide information in connection with, alternative transactions. Following the Solicitation Period End Date, MISCOR may not solicit alternative transactions and, subject to certain exceptions, may not participate in discussions or negotiations regarding alternative transactions.

The Merger Agreement contains certain termination rights for both IES and MISCOR, including, among others, if the Merger is not consummated on or before August 31, 2012 (which date is subject to extension under certain conditions as described in the Merger Agreement), if the approval of either the IES stockholders or the MISCOR stockholders is not obtained, if the MISCOR Minority Approval or the IES Minority Approval is not obtained, if MISCOR breaches the solicitation provisions of the Merger Agreement or if MISCOR, subject to the conditions and limitations set forth in the Merger Agreement, changes its recommendation with respect to the Merger or recommends or enters into an agreement with respect to an alternative transaction. In the event of a termination of the Merger Agreement under certain circumstances specified in the Merger Agreement, MISCOR will be required to pay IES termination fees that range from \$250,000 to \$750,000. In the event of a termination of the Merger Agreement as a result of IES's failure to obtain its required stockholder votes, IES will be required to reimburse MISCOR for its out-of-pocket and documented expenses incurred in connection with the transaction, in an amount not to exceed \$250,000.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the provisions of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated by reference into this Item 1.01. The Merger Agreement is filed herewith to provide investors with information regarding its terms and is not intended to provide any other factual information about IES or MISCOR.

The representations and warranties that the parties have made to each other in the Merger Agreement are as of specific dates. Except for its status as a contractual document that establishes and governs the legal relations among the parties to the Merger Agreement, the Merger Agreement is not intended to be a source of factual, business or operational information about any of the parties thereto. The representations and warranties contained in the Merger Agreement were made only for purposes of such Merger Agreement, are solely for the benefit of the parties to such Merger Agreement, and may be subject to limitations agreed between those

parties, including being qualified by disclosures between those parties. The representations and warranties in the Merger Agreement may have been made to allocate risks among the parties thereto, including where the parties do not have complete knowledge of all facts, instead of establishing matters as facts. Furthermore, those representations and warranties may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. The assertions embodied in such representations and warranties are qualified by information contained in disclosure letters to the Merger Agreement that the parties exchanged in connection with the signing of the Merger Agreement. Accordingly, investors and security holders should not rely on such representations and warranties as characterizations of the actual state of facts or circumstances. Moreover, information concerning the subject matter of such representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in the IES's or MISCOR's public disclosures. Accordingly, investors and security holders should read the representations and warranties in the Merger Agreement not in isolation but only in conjunction with the other information about IES, MISCOR and their respective subsidiaries that the respective companies include in reports, statements and other filings that they make with the Securities and Exchange Commission.
