PLEASE SIGN, DATE AND MAIL THE ENCLOSED WHITE CONSENT CARD TODAY

This Consent Statement and the enclosed WHITE consent card are being furnished by Corvex Management LP and Related Fund Management, LLC (collectively, we, us, our or the Proposing Shareholders) in connection with our solicitation of written consents (the Consent Solicitation) from the holders of common shares of beneficial interest, par value \$0.01 per share (the Shares), of CommonWealth REIT, a Maryland real estate investment trust (the Company), to remove without cause Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, and Frederick N. Zeytoonjian as trustees of the Company and any other person or persons elected or appointed to the Board of Trustees of the Company (the Board) prior to the effective time of this Consent Solicitation (the Removal Proposal). The participants in this Consent Solicitation include the Proposing Shareholders, Related Real Estate Recovery Fund GP-A, LLC, Related Real Estate Recovery Fund GP, L.P., Related Real Estate Recovery Fund, L.P., RRERF Acquisition, LLC, Keith Meister, Jeff T. Blau and Richard O Toole (collectively, the Participants).

A consent solicitation such as this allows shareholders (or their agents) to act by submitting written consents to proposed shareholder actions in lieu of voting in person or by proxy at an annual or special meeting of shareholders. To be adopted by written consent, the Removal Proposal must be approved by the holders of two-thirds of the outstanding Shares on the record date for the Consent Solicitation.

THIS CONSENT SOLICITATION IS BEING MADE BY THE PARTICIPANTS AND NOT BY OR ON BEHALF OF THE COMPANY. WE ARE ASKING THE SHAREHOLDERS OF THE COMPANY TO ACT BY WRITTEN CONSENT WITH RESPECT TO THE REMOVAL PROPOSAL ON THE ACCOMPANYING WHITE CONSENT CARD.

This Consent Statement is first being sent to shareholders, along with the enclosed WHITE consent card, on or about April 10, 2013.

We urge you to vote in favor of the Removal Proposal by signing, dating and returning the enclosed WHITE consent card. The failure to sign and return a consent will have the same effect as voting against the Removal Proposal.

If you have any questions regarding your **WHITE** consent card or need assistance in executing your consent, please contact:

The filing of this Consent Statement with the Securities and Exchange Commission (the "SEC"), whether in preliminary or definitive form, shall not be deemed to be a request by the Proposing Shareholders or any other shareholder of the Company for the Company's Board of Trustees to set a record date for the Consent Solicitation.

QUESTIONS AND ANSWERS ABOUT THIS CONSENT SOLICITATION

The following are some of the questions you, as a shareholder, may have about the Consent Solicitation and answers to those questions. The following is not meant to be a substitute for the information contained in the remainder of this Consent Statement, and the information contained below is qualified by the more detailed descriptions and explanations contained elsewhere in this document. We urge you to read this entire document carefully prior to making any decision on whether to grant any consent hereunder.

Q: What are you asking that the shareholders consent to?

A: We are asking the shareholders of the Company to act by written consent to remove without cause Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, and Frederick N. Zeytoonjian as trustees of the Company and any other person or persons elected or appointed to the Board of the Company prior to the effective time of this Consent Solicitation (the Removal Proposal).

Q: Who can act by written consent with respect to the Removal Proposal?

A: Holders of Shares as of the close of business on the record date for the solicitation (the Consent Record Date), are entitled to act by written consent on the Removal Proposal. Only shareholders as of the close of business on that date are eligible to give written consent. Please see the section entitled Consent Procedure Record Date beginning on page 15 for additional information regarding the Consent Record Date.

Q: How many consents must be received by the Company in order to adopt the Removal Proposal?

A: The Removal Proposal will be adopted and become effective when unrevoked written consents are signed and dated by the holders of two-thirds of the Shares outstanding on the Consent Record Date. The actual number of Shares necessary to approve the Removal Proposal will depend on the number of Shares outstanding on the Consent Record Date.

Q: Are you soliciting consents for the election of trustees?

A: No. This Consent Solicitation is solely for the removal of the Board of Trustees. If we obtain and deliver enough written consents to approve the Removal Proposal, we expect that, as required by the Company's Declaration of Trust, the officers of the Company will immediately call a special meeting of shareholders to elect successor trustees among nominations that may be submitted by shareholders at that time. **We are currently not soliciting proxies for the election of successor trustees at such special meeting.** We may determine to propose one or more candidates for election as Trustees at such special meeting, or may support candidates that may be made by other Company shareholders at that time. Pursuant to the Company's existing Amended and Restated Bylaws (the Bylaws), only shareholders who hold at least 3% of the Company's Shares and have held such Shares continuously for at least three years are entitled to nominate trustees for election to the Board. We believe such restriction (which would restrict the Proposing Shareholders' ability to make nominations prior to the removal of the existing Board) is inconsistent with Maryland law. In any event, we believe any such restrictions would not be applicable following the removal of the entire Board.

Q: What if I do not return my WHITE consent card?

A: If you are a record holder of Shares and do not sign, date and return a WHITE consent card, you will effectively be voting against the Removal Proposal. If you hold your Shares in street name and do not contact your bank, broker firm, dealer, trust company or other nominee to ensure that a WHITE consent

card is submitted on your behalf, you will effectively be voting against the Removal Proposal. The adoption of the Removal Proposal requires the written consent of two-thirds of the outstanding Shares; the failure to return a written consent, abstentions and broker non-votes, if any, will have the effect of a vote AGAINST the Removal Proposal.

Q: What should I do if I decide to revoke my consent?

A: An executed consent card may be revoked at any time before the action authorized by the previously executed consent becomes effective by marking, dating, signing and delivering a written revocation. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a completed, later dated consent card will revoke any earlier dated consent. The revocation may be delivered either to the Company or to the Proposing Shareholders, c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005. We will promptly deliver any revocations we receive to the Company. Although a revocation is effective if delivered to the Company, we request that either the original or a copy of all revocations of consents be mailed or delivered to D.F. King & Co., Inc. at the address set forth above so that we will be aware of all revocations and can more accurately determine if and when valid consents of two-thirds of the outstanding Shares to the Removal Proposal have been received in connection with this Consent Solicitation.

The Proposing Shareholders recommend that you NOT return any Revocation of Consent card that may be sent to you by the Company.

Q: Whom should I call if I have questions about the solicitation?

A: If you have any questions, please contact:

BACKGROUND OF THE CONSENT SOLICITATION

In January 2013, representatives of Corvex and Related Management met to discuss, among other things, a potential investment in the Company.

On January 29, 2013, Corvex and Related Recovery Fund entered into the Corvex/Related Agreement, pursuant to which, among other things, Corvex agreed to cause the acquisition and/or sale of Shares in an aggregate amount mutually agreed by Corvex and Related Recovery Fund from time to time, which amount may not result in the beneficial ownership by Corvex and Related Recovery Fund of more than 9.8% in the aggregate (and as to each of Corvex and Related Recovery Fund, 4.9%) of the total number of outstanding Shares.

On February 25, 2013, the Company announced that it had commenced a tender offer to purchase for cash up to \$450.0 million of its outstanding 5.75% Senior Notes due February 15, 2014, 6.40% Senior Notes due February 15, 2015, 5.75% Senior Notes due November 1, 2015 and 6.25% Senior Notes due August 15, 2016, subject to the terms and conditions set forth in the offer to purchase and letter of transmittal related to the tender offer. Also on February 25, 2013, the Company announced that it had commenced a public offering of up to 31,050,000 Shares (the Equity Offering).

During the course of the same day, the Proposing Shareholders made various requests, through calls to the Company and its advisors, to meet with the Board and the Company's management but were told that the Company did not wish to meet with the Proposing Shareholders.

On February 26, 2013, Corvex and Related Management issued an open letter to the Board demanding that the Company immediately cease the Equity Offering and debt repurchase, and enter into discussions with Corvex and Related Management regarding maximizing long-term value for all shareholders. Corvex and Related Management also stated that if the Board failed to adequately respond, Corvex and Related Management would be prepared to seek the removal of the Board through an action by written consent. In addition, Corvex and Related Management also stated that they would be prepared to acquire all of the outstanding Shares.

Also on February 26, 2013, Corvex and Related Management issued a press release that included an open letter to the Board reiterating their demand that the Company immediately cease its proposed Equity Offering and debt repurchase, and enter into discussions with Corvex and Related Management regarding maximizing long-term value for all shareholders. Corvex and Related Management noted that they would initially be prepared to acquire all the outstanding Shares at a price of \$25.00 per share (a 58% premium to the closing price of \$15.85 per share on February 25, 2013), with the opportunity to meaningfully increase this proposed offer after completing due diligence. Corvex and Related Management also noted that if the Company proceeded with the proposed Equity Offering, however, their proposed valuation would be significantly negatively impacted.

On February 27, 2013, Corvex and Related Management issued a press release that included an open letter to the Board providing additional details regarding their proposal to acquire all of the outstanding Shares at a price of \$25.00 per share, with the opportunity to meaningfully increase this offer after completing confirmatory due diligence.

Also on February 27, 2013, Corvex and Related Management issued an open letter to the Board again reiterating its demand that the Company immediately cease its proposed Equity Offering and debt repurchase. Corvex and Related Management specified that they would be prepared to increase their initial offer to acquire all the outstanding Shares to a price of \$27.00 per share, with the opportunity to meaningfully increase this proposed offer after completing due diligence. This increased proposal was conditioned on the Board immediately cancelling the Equity Offering and engaging in good faith discussions with Corvex and Related Management within 48 hours. Such discussions did not occur.

On March 1, 2013, the Company announced that on February 27, 2013 it had priced the Equity Offering for 30,000,000 Shares and granted the underwriters an option to purchase up to an additional 4,500,000 Shares.

On March 5, 2013, the Company announced that its previously announced Equity Offering of 34,500,000 Shares had closed that morning and that the Company received net proceeds, after the underwriting discount, of approximately \$627.6 million.

On March 12, 2013, Corvex and Related sent a letter to the independent trustees of the Company reiterating their request to meet with the Company. Corvex and Related further requested that the independent trustees form a special committee and cease any plans to enter into any extraordinary transactions that could further erode shareholder value, including any related-party transactions.

On March 25, 2013, the Company announced that, at the Company's request, Select Income REIT (SIR) had filed a registration statement with the SEC to permit the Company to make a public offering for some or all of the approximately 56% of SIR common shares owned by the Company.

Later that same day, Corvex and Related Management sent a letter to the Board demanding that the Board conduct a thorough and independent exploration of all available options to seek the highest price available to the Company for the sale of its controlling stake in SIR.

On March 26, 2013, representatives of Corvex and Related Management met with trustees Barry and Adam Portnoy. No agreements were achieved at this meeting.

On March 28, 2013, Corvex and Related Management delivered to the Board a proposal to acquire up to 100% of the outstanding Shares at a price of \$24.50 per share, as compared to \$27.00 per share on February 27, 2013, due to the mathematical impact of the highly dilutive Equity Offering. We note that the \$1.25 billion facility discussed below in the section entitled Financing beginning on page 11 is intended to replace the Company's existing term loan agreement and revolving credit agreement in the event the entire Board is removed pursuant to the Removal Proposal, and is currently not intended to be used to acquire additional Shares. Corvex and Related Management intend to work with Deutsche Bank Securities Inc. on any further required financing.

In its March 28, 2013 letter, Corvex and Related Management also indicated to the Board that they would be prepared to buy the Company's controlling stake in SIR at a premium to market value if the current SIR trustees resign and SIR's management agreement with RMR is terminated.

Later on March 28, 2013, the Company issued a press release confirming that it had received the Proposing Shareholders' proposal and that the Board was reviewing such proposal.

On March 29, 2013, Adam Portnoy sent a letter to representatives of Corvex and Related Management stating that the Board had received the Proposing Shareholders' proposal of March 28, 2013 and that the Board would discuss such proposal at a meeting in the near term.

On April 9, 2013, representatives of Corvex and Related Management met with Barry Portnoy, Adam Portnoy and Joseph Morea, each a member of the Board, as well as Jennifer Clark, secretary of the Company. No agreements were achieved at this meeting.

REASONS FOR OUR SOLICITATION

We believe that the Company's collection of hard assets are undervalued due to, among other things, the Company's externally advised management structure. In that regard, we note that the Company's day-to-day operations are conducted by REIT Management & Research LLC (RMR). According to the Company's public filings, RMR originates and presents investment and divestment opportunities to the Board and provides management and administrative services to the Company. RMR is a Delaware limited liability company beneficially owned by Barry M. Portnoy and Adam D. Portnoy, two of the Company's five trustees.

We also believe the current Board has implemented policies which have resulted in destruction of shareholder value, including:

the implementation of a portfolio strategy of purchasing properties at a high valuation in order to maximize RMR's management fees, which are based, in part, on the volume of the Company's acquisitions, regardless of their impact on shareholder value. In that regard, we note that rather than returning value to shareholders, the Company has spent \$2.7 billion on net acquisitions and capital expenditures since 2007, growing its gross real estate assets by 27.2%. Given that RMR's fees are driven by the historical cost of the Company's properties, such fees grow with every new acquisition completed by management and, in fact, RMR's annual fees have grown from \$59.7 million in 2007 to \$77.3 million in 2012, an increase of 29.5%. In contrast to the remuneration paid out to RMR, the total return (including dividends) to a shareholder who has held the Company's Shares from January 1, 2007 through January 15, 2013 is a loss of 38.4%, and the Company's stock price has declined 67.5% over this same period; and

consummation of dilutive equity offerings. For example, the Equity Offering was completed at a time when the Shares were trading at a 57% discount from the Company's book value as of December 31, 2012, in order to repay debt trading at prices ranging from 102% to 111% of par.

We believe that shareholder value can be created by, among other things:

internalization of management structure (meaning that the Company should transition to having its own management team and employees instead of relying on the services of RMR or another external manager), adoption of a market cost structure (meaning that the Company's operating expenses as a percentage of revenues should in our view be reduced), and alignment of management compensation with shareholder returns (meaning that management compensation should not be based on the historical cost of managed properties, but instead primarily on shareholder returns in order to, among other things, avoid incentivizing management to complete acquisitions at high valuations that would increase management fees even though they might not increase shareholder value, and that management compensation should be structured through management owning shares of the Company alongside its shareholders, rather than paying out fees to an external manager);

amendment of the Company's existing Declaration of Trust and Bylaws to conform to ISS and Glass Lewis best practices;

cessation of all asset sales to entities affiliated with, or managed by, RMR;

cessation of all acquisition and development activity until the Company's market value exceeds its net asset value (NAV); and

use of excess cash flow and proceeds from asset sales to buy back shares or de-lever until the Company's market value exceeds its NAV.

We believe the Company's existing Board is not prepared to independently evaluate or undertake the steps outlined above. We believe that the Removal Proposal as a first step, if supported by shareholders, will send a clear and unequivocal message to the Board that the time has come for them to be held accountable to the true owners of the Company. This process also presents a clean path for all shareholders to fairly participate in the process of electing replacement trustees without the oversight of an interested Board. We expect such replacement trustees will be prepared to undertake an independent evaluation of some or all of the steps outlined above and undertake such steps, if deemed appropriate and consistent with the exercise of their fiduciary duties. We note that, unless the entire Board is removed, any remaining trustees will have the ability to fill vacancies created by the removal of individual trustees.

FINANCING

A successful removal of the Board will constitute a change of control and an event of default under each of the Company's Credit Agreement, dated August 9, 2010 (the Revolving Credit Agreement), as amended and the Company's Term Loan Agreement, dated December 16, 2010, as amended (the Term Loan Agreement and collectively, the Financing Agreements). As a result, the lenders under the Financing Agreements would have the right to immediately accelerate all amounts due and payable under each of the Financing Agreements. We expect that the Board, in accordance with its fiduciary duties, will engage with us and its lenders in a discussion to secure appropriate waivers in the event that shareholders elect to remove the existing trustees pursuant to this Consent Solicitation. In addition, we intend to arrange backstop commitments by requesting that Deutsche Bank Securities Inc. (Deutsche Bank) attempt to arrange third party debt financing for a new revolving credit facility and a new term loan facility that will be available to repay, in full, amounts due and payable under the Financing Agreements in the event that such waivers are not obtained (the Transaction).

Deutsche Bank has delivered a highly confident letter to the Proposing Shareholders to the effect that, subject to the assumptions, terms and conditions described therein, Deutsche Bank is highly confident of its ability to arrange such third party debt financing. The highly confident letter (which is not a commitment to provide, arrange, place, underwrite or participate in, in each case, directly or through an affiliate thereof, any such financing) is subject to customary terms and conditions, including, but not limited to, the following: (i) no material adverse change in the condition (financial or otherwise), results of operations, business, assets, property, liabilities or prospects of the Company and its subsidiaries; (ii) the terms and structure of the third party debt financing being acceptable to Deutsche Bank; (iii) the negotiation, execution and delivery of documentation for the third party debt financing satisfactory to Deutsche Bank; (iv) completion of business and legal due diligence with respect to the Company and its subsidiaries and the Transaction; (v) the availability of consolidated financial statements and pro forma financial statements (giving effect to the Transaction) of the Company and its subsidiaries; (vi) the existing indebtedness of the Company and its subsidiaries, other than the Financing Agreements, remaining outstanding and in full force and effect, with no default or event of default existing thereunder and no requirement to offer to purchase the same as a result of a change of control or otherwise; (vii) there being no incremental debt (other than the third party debt financing) to be incurred in connection with the Transaction; (viii) there being a detailed plan satisfactory to Deutsche Bank with respect to the replacement of RMR, the changes to the Board effected as part of the Transaction, and with the status of any related litigation; (ix) there not having been any disruption or material adverse change in the syndication market for credit facilities or the financial or capital markets in general; (x) Deutsche Bank having a reasonable time to arrange and market the third party debt financing; and (xi) satisfaction of all other conditions Deutsche Bank would require to be fulfilled.

LITIGATION

Maryland Action

On February 27, 2013, Corvex and Related Management filed a Complaint for Injunctive and Declaratory Relief and Rescission in the Circuit Court for Baltimore City, Maryland styled *Corvex Management LP, et al. v. Commonwealth REIT, et al.*, Case No. 24-C-13-00111 (the Maryland Action) against the Company, its Board, including Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin and Frederick N. Zeytoonjian, and its external manager, RMR. The Maryland Action alleges, among other things, that the trustees, aided and abetted by RMR, have breached their fiduciary duties to the Company's shareholders. Corvex and Related Management requested that the Court, among other things: enjoin the Company and its Board from taking actions to implement the proposed Equity Offering; rescind the Equity Offering should it be completed; and enjoin the Company and its Board from taking further actions in violation of their fiduciary duties.

On March 15, 2013, Corvex and Related Management filed an Amended Complaint in the Maryland Action. The Amended Complaint, among other things, added claims seeking a declaratory judgment that Bylaw amendments adopted by the Board that restrict the ability of shareholders to seek a record date to act by written consent to those shareholders that have held 3% of the Company's Shares continuously for at least three years shall be declared null and void. On the same day, Corvex and Related Management filed a motion for partial summary judgment in connection with this relief. The Court in the Maryland Action has set a hearing for May 3, 2013 to hear arguments on, among other things, such motion for partial summary judgment.

Federal Action

On March 1, 2013, Corvex and Related Management filed a complaint in the United States District Court for the District of Massachusetts *Corvex Management LP, et al. v. Commonwealth REIT, et al.*, Case No. 13-CV-10475(DJC) (the Massachusetts Action) against the Company and the trustees, including Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin and Frederick N. Zeytoonjian. The Massachusetts Action seeks that the Court declare the defendants in violation of anti-fraud provisions of the Exchange Act. The Massachusetts Action alleges, among other things, that the members of the Board violated Section 10(b) of the Exchange Act and SEC Rule 10b-5 by disseminating or approving materially false and misleading statements and by employing devices, schemes, and artifices to defraud the Company's shareholders. As part of the Massachusetts Action, Corvex and Related Management asked that the Court grant a temporary restraining order to prevent completion of the Equity Offering. On March 4, 2013, the Court held a hearing on the request for a temporary restraining order and related matters. Later that day, the Court issued a ruling denying the request for a temporary restraining order. The Court has not yet reached a final decision on aspects of the Massachusetts Action beyond the request for the temporary restraining order.

REMOVAL PROPOSAL

Shareholders are being asked to act by written consent to remove without cause Barry M. Portnoy, Adam D. Portnoy, Joseph L. Morea, William A. Lamkin, and Frederick N. Zeytoonjian as trustees of the Company and any other person or persons elected or appointed to the Board prior to the effective time of this Consent Solicitation, whether to fill any newly-created trusteeship or to fill any vacancy on the Board or for any other reason. The language relating to any other person or persons elected or appointed to the Board is intended to address the possibility that the current trustees might try to add trustees to the Board prior to the effectiveness of this Consent Solicitation.

A shareholder may consent to the removal of only certain existing trustees by designating the names of one or more trustees who the shareholder does not wish to be removed in the indicated space on the consent card. The removal of each individual trustee must be consented to by two-thirds of the Shares outstanding and entitled to vote on the Consent Record Date. If some, but not all, of the trustees receive votes for removal from two-thirds of the outstanding Shares, only those trustees will be removed as of the effective time of the Removal Proposal, and the other trustees will remain on the Board. Any remaining trustees will be able to fill any vacancies created by the removal of the other trustees.

Section 2.3 of the Declaration of Trust authorizes the removal of the Board at any time without cause by a vote of two-thirds of the Shares outstanding and entitled to vote. Section 6.9 of the Declaration of Trust permits this action to be taken by written consents signed by the holders of two-thirds of the Shares outstanding and entitled to vote. We believe these provisions provide the authority through which the current Board can be removed pursuant to this Consent Solicitation.

WE URGE YOU TO CONSENT TO THE REMOVAL PROPOSAL BY PROMPTLY SIGNING, DATING AND RETURNING YOUR WHITE CONSENT CARD IN THE ENCLOSED POST-PAID ENVELOPE.

VOTING SECURITIES

The Shares constitute the voting securities of the Company for purposes of this Consent Solicitation. Based upon information provided in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012, filed with the SEC on February 25, 2013, and the Current Report on Form 8-K filed on March 5, 2013 (which announced the completion of the Equity Offering), the Company had 118,304,068 Shares outstanding as of March 5, 2013. Cumulative voting is not permitted.

APPRAISAL RIGHTS

Shareholders are not entitled to appraisal or dissenters' rights under Maryland law in connection with the Removal Proposal or this Consent Statement.

SOLICITATION OF CONSENTS

The members and agents of the Corvex Persons or the Related Persons may solicit consents. Consents will be solicited by mail, advertisement, telephone, facsimile, other electronic means and in person. None of those persons will receive additional compensation for their solicitation efforts.

In addition, we have retained D.F. King & Co., Inc. (D.F. King) to assist in this Consent Solicitation, for which services D.F. King will be paid a fee not to exceed \$200,000. D.F. King will also be reimbursed for its reasonable out-of-pocket expenses. We have also agreed to indemnify D.F. King against certain liabilities and expenses, including certain liabilities and expenses under the federal securities laws. It is anticipated that approximately 75 persons will be employed by D.F. King to solicit shareholders in connection with the Consent Solicitation. D.F. King does not believe that any of its directors, officers, employees, affiliates or controlling persons, if any, is a participant in this Consent Solicitation.

We have engaged Deutsche Bank to act as our financial advisor in connection with our investment in the Company. We expect Deutsche Bank will be paid customary compensation in connection with its engagement. Deutsche Bank will also be reimbursed for its reasonable out-of-pocket expenses. We have also agreed to indemnify Deutsche Bank against certain liabilities and expenses, including certain liabilities and expenses under the federal securities laws. Deutsche Bank does not believe that any of its directors, officers, employees, affiliates or controlling persons, if any, is a participant in this Consent Solicitation.

We will request that banks, broker firms, dealers, trust companies and other nominees forward solicitation materials to beneficial owners of Shares. We will reimburse such banks, broker firms, dealers, trust companies and other nominees for their reasonable expenses for sending solicitation material to the beneficial owners.

Our estimate of the total cost to be incurred in connection with this Consent Solicitation for printing, mailing, advertising, attorneys (excluding litigation costs) and our proxy solicitor is \$2,250,000. To date, \$775,000 of expenses have been incurred in connection with this Consent Solicitation. We will bear the costs of this Consent Solicitation. To the extent legally permissible, if successful in the adoption of the Removal Proposal, we currently intend to seek reimbursement from the Company for the costs of this Consent Solicitation. We do not currently intend to submit the question of such reimbursement to a vote of the shareholders of the Company.

CONSENT PROCEDURE

Section 6.9 of the Company's Declaration of Trust provides that, subject to certain exceptions set forth therein which are not applicable to this Consent Solicitation, whenever shareholders are required or permitted to take action, such action may be taken without a meeting by written consents setting forth the action so taken signed by the holders of a majority (or such higher percentage as may be specified in the Declaration of Trust) of the total number of votes authorized to be cast by Shares then outstanding and entitled to vote thereon. Section 2.3 of the Declaration of Trust authorizes the removal of the Board at any time without cause by vote or consent of two-thirds of the Shares outstanding and entitled to vote.

Record Date

Amendments to the Bylaws adopted by the Board on March 1, 2013, following the announcement of our ownership stake in the Company (the March 1 Amendments), purport to require that any person seeking to take action to remove trustees must comply with the requirements of the Bylaws with respect to the nomination of trustees. Therefore, the March 1 Amendments purport to require that only shareholders who hold at least 3% of the Company's Shares and have held such Shares continuously for at least three years be entitled to request a record date in connection with a solicitation of written consents to remove trustees. We believe such Bylaw provisions are inconsistent with the Company's Declaration of Trust and Maryland law, as they effectively eviscerate the right all Company shareholders have to act by written consent. We have initiated litigation in Maryland State Court as described in the section entitled "Litigation" beginning on page 11 requesting, among other things, that the Court declare such Bylaw provisions null and void. We may request that the Company fix the Consent Record Date prior to the resolution of this lawsuit. We believe that any participant in the Consent Solicitation is entitled to request the Consent Record Date and that the Company should fix such record date regardless of whether or not the shareholder requesting the record date has held 3% of the Company's Shares continuously for at least three years. If any of the participants makes a request for a Consent Record Date prior to the resolution of the litigation in Maryland State Court, we will promptly disseminate such information in an appropriate manner, including by issuing a press release.

In addition, pursuant to the March 1 Amendments, the Bylaws purport to permit the Board a period of up to 90 days to fix a record date following a shareholder request therefor. Specifically, Section 2.15(a) of the Bylaws purports to provide the Board with a period of 30 days following a request for a record date in order to take action to fix a record date, which record date must be within 60 days following such Board action. The Bylaws further purport to provide that if the Board fails to take action to fix a record date within 30 days, the record date will be the 60th day following receipt of a request for a record date. Prior to the March 1 Amendments, the Bylaws provided that the Board had a period of up to 20 days to fix a record date (comprised of up to 10 days for the Board to take action to fix a record date, which record date must be within 10 days following such Board action). Furthermore, prior to the March 1 Amendments, the Bylaws provided that if the Board failed to take action to fix a record date within 10 days, the record date would be the 10th day following receipt of a request for a record date. We believe that the March 1 Amendments to the Bylaws described above are invalid as they impermissibly restrict shareholders' ability to act by written consent.

Consent Process

Section 2.15(b) of the Bylaws purports to require that written consents be delivered to the Company authorizing the requested action within 30 days after the Consent Record Date. In addition, Section 2.15(c) of the Bylaws purports to mandate a 90 day review period to permit independent inspectors of elections appointed by the Company to review and certify the written consent if necessary or appropriate in the Board's discretion. We believe that both such Bylaw provisions are inconsistent with the Declaration of Trust and Maryland law and, as such, are not enforceable.

In particular, we do not believe the 30-day period provided for in Section 2.15(b) of the Bylaws to deliver written consents is a sufficient length of time to complete a consent solicitation of a public company. We believe a Maryland court would consider, among other things, Section 2-505 of the Maryland General Corporate Law, which provides that shareholders have 60 days to deliver consents to the company in order to act by written consent. In addition, we do not believe a 90-day period as provided in Section 2.15(c) to review and certify written consents is reasonable and that any such review can be completed in less than one week. We believe such Bylaw provisions restrict and eviscerate the rights of shareholders to act by written consent are thus in violation of the Company's Declaration of Trust, which expressly provides for the ability of shareholders to act by written consent. We believe that shareholders will have at least 60 days from the time the first signed written consent is dated to deliver written consents approving the Consent Proposal, and that any review period prior to the certification of results would not be longer than one week.

The failure to sign and return a consent will have the same effect as voting AGAINST the Removal Proposal. The adoption of the Removal Proposal requires the written consent of two-thirds of the outstanding Shares; the failure to return a written consent, abstentions and broker non-votes, if any, will have the effect of a vote AGAINST the Removal Proposal.

If you have any questions or require any assistance in executing your consent, please call: D.F. King at (800) 714-3313. Banks and brokers may call collect at (212) 269-5550.

The results of our Consent Solicitation will be communicated to you by the issuance of a press release.

THE PROPOSING SHAREHOLDERS RECOMMEND THAT ALL OF THE COMPANY'S SHAREHOLDERS CONSENT TO THE REMOVAL PROPOSAL.

ELECTION OF NEW TRUSTEES

Section 2.4 of the Company's Declaration of Trust provides that if at any time there shall be no trustees in office, successor trustees shall be elected by shareholders as provided in Section 6.9 of the Declaration of Trust. Section 6.9 of the Declaration of Trust states that if there shall be no trustees, the officers of the Company shall promptly call a special meeting of the shareholders entitled to vote for the election of successor trustees. Therefore, if we obtain enough written consents to approve the Removal Proposal, we expect the officers of the Company immediately to call a special meeting of shareholders to elect successor trustees among nominations that may be submitted by shareholders at that time. **We are currently not soliciting proxies for the election of successor trustees at such special meeting.** We may determine to propose one or more candidates for election as trustees at such special meeting, or may support candidates that may be made by other Company shareholders at that time. Pursuant to the Company's existing Bylaws, only shareholders who hold at least 3% of the Company's Shares and have held such Shares continuously for at least three years are entitled to nominate trustees for election to the Board. We believe such restriction (which would restrict the Proposing Shareholders' ability to make nominations prior to the removal of the existing Board) is inconsistent with Maryland law. In any event, we believe any such restrictions would not be applicable following the removal of the entire Board.

REVOCATION PROCEDURE

An executed consent card may be revoked at any time before the time that the action authorized by the previously executed consent becomes effective by marking, dating, signing and delivering a written revocation. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a completed, later dated consent card will revoke any earlier dated consent. The revocation may be delivered either to the Company or to the Proposing Shareholders, c/o D.F. King & Co., Inc. at 48 Wall Street, New York, NY 10005. We will promptly deliver any revocations we receive to the Company. Although a revocation is effective if delivered to the Company, we request that either the original or a copy of all revocations of consents be mailed or delivered to D.F. King & Co., Inc. at the address set forth above, so that we will be aware of all revocations and can more accurately determine if and when valid consents of two-thirds of the outstanding Shares to the Removal Proposal have been received in connection with this Consent Solicitation.

SPECIAL INSTRUCTIONS

If you were a holder of record of the Shares on the Consent Record Date, you may elect to consent to, vote against or abstain with respect to the Removal Proposal by marking the **CONSENT to Removal Proposal**, **AGAINST Removal Proposal** or **ABSTAIN** box, as applicable, underneath the Removal Proposal on the accompanying **WHITE** consent card and signing, dating and returning it promptly in the enclosed post-paid envelope. In addition, you may withhold consent to the removal of any individual trustee, or to the removal of any other person or persons elected or appointed to the board of trustees of the Company following the date hereof and prior to the effective time of the Removal Proposal, by writing (1) that person's name on the consent card, and/or (2) do not consent to removal of future trustees, in the space indicated. To the extent you sell your Shares before the Consent Record Date, you will not have the right to consent to the Removal Proposal.

If a shareholder executes and delivers a WHITE consent card, but does not check a box marked **CONSENT to Removal Proposal, **AGAINST Removal Proposal** or **ABSTAIN** for the Removal Proposal, that shareholder will be deemed to have consented to the Removal Proposal, except that the shareholder will not be deemed to consent to the removal of any trustee whose name is written in the space the application instruction to the Removal Proposal provides on the consent card.**

Your consent is important. Please sign, date and return the enclosed WHITE consent card in the postage-paid envelope provided. If you fail to return a WHITE consent card or to instruct your bank,

broker firm, dealer, trust company or other nominee to submit a WHITE consent card on your behalf, you will effectively be voting AGAINST the Removal Proposal. YOU MUST SIGN AND DATE THE WHITE CONSENT CARD IN ORDER FOR IT TO BE VALID.

If your Shares are held in the name of a bank, broker firm, dealer, trust company or other nominee, only that nominee can exercise the right to consent with respect to the Shares that you beneficially own through such nominee, and only upon receipt of your specific instructions. Accordingly, it is critical that you promptly give instructions to your bank, broker firm, dealer, trust company or other nominee to execute a consent in favor of the proposal set forth herein. Please follow the instructions to consent provided on the enclosed **WHITE** consent card. If your bank, broker firm, dealer, trust company or other nominee provides for consent instructions to be delivered to them by telephone or internet, instructions will be included on the enclosed **WHITE** consent card. We urge you to confirm in writing your instructions to the person responsible for your account and provide a copy of those instructions to the Proposing Shareholders, c/o D.F. King & Co., Inc., 48 Wall Street, 22nd Floor, New York, New York 10005, so that we will be aware of all instructions given and can attempt to ensure that such instructions are followed.
