Explanatory Note

This Form 10-K/A is being filed to correct an administrative error in the table included under Item 6, *Selected Financial Data* in the Annual Report on Form 10-K of Hyatt Hotels Corporation (the *Company*) for the year ended December 31, 2012 (the *Form 10-K*) related to the selected financial data for the consolidated statements of income (loss) data for the years 2008 and 2009 and for the consolidated balance sheet data for the years 2008, 2009 and 2010. Specifically, the columns in the consolidated statements of income (loss) data table for the years ended December 31, 2009 and 2008 inadvertently presented the data for 2008 and 2007, respectively, and the columns in the consolidated balance sheet data table for the periods as of December 31, 2010, 2009 and 2008 inadvertently presented the data for 2009, 2008 and 2007, respectively. These amounts previously were reported correctly in all prior Annual Reports on Form 10-K of the Company for 2009 through 2011, where applicable.

No changes have been made to any other amounts previously reported under Item 6 or to any other financial information included in the original Form 10-K. Except as identified in the immediately preceding paragraph, no other items included in the original Form 10-K have been amended. Additionally, this Amendment on Form 10-K/A is presented as of the date of the original Form 10-K and does not purport otherwise to update the original Form 10-K or to discuss any developments subsequent to the filing of the original Form 10-K.

Item 6 of the Form 10-K is amended to read in its entirety as follows:

**Item 6. *Selected Financial Data***

We derived the selected consolidated statements of income data for the years ended December 31, 2012, 2011 and 2010 and the selected consolidated balance sheet data as of December 31, 2012 and December 31, 2011 from our audited consolidated financial statements included in this annual report. We derived the selected consolidated statements of income (loss) data for the years ended December 31, 2009 and 2008 and the selected consolidated balance sheet data as of December 31, 2010, 2009 and 2008 from our previously audited consolidated financial statements which are not included in this annual report. Our historical results are not necessarily indicative of the results expected for any future period.

You should read the selected historical financial data together with the consolidated financial statements and related notes appearing in this annual report, as well as Part II, Item 7, *Management's Discussion and Analysis of Financial Condition and Results of Operations* and the other financial information included elsewhere in this annual report.

- (1) Represents revenues that we receive from third-party property owners who reimburse us for costs that we incur on their behalf, with no added margin. These costs relate primarily to payroll at managed properties where we are the employer. As a result, these revenues have no effect on our profit, although they do increase our total revenues and the corresponding costs increase our total expenses. See Part II, Item 7, Management's Discussion and Analysis of Financial Condition and Results of Operations - Principal Factors Affecting Our Results of Operations - Revenues.
- (2) All per share amounts reflect a one-for-two reverse split of our common stock effected on October 14, 2009.
