CNOOC LIMITED

We are an upstream company specializing in the exploration, development and production of oil and natural gas. We are the dominant oil and natural gas producer in offshore China and, in terms of reserves and production, we are also one of the largest independent oil and natural gas exploration and production companies in the world.

We were incorporated with limited liability on August 20, 1999 in Hong Kong under the Hong Kong Companies Ordinance. The PRC government established CNOOC, our controlling shareholder, as a state-owned offshore petroleum company in 1982 under the Regulation of the PRC on the Exploitation of Offshore Petroleum Resources in Cooperation with Foreign Enterprises. CNOOC assumed certain responsibility for the administration and development of PRC offshore petroleum operations with foreign oil and gas companies. Prior to CNOOC's reorganization in 1999, CNOOC and its various affiliates performed both commercial and administrative functions relating to oil and natural gas exploration and development in offshore China. In 1999, CNOOC transferred all of its then current operational and commercial interests in its offshore petroleum business, including the related assets and liabilities, to us. As a result, we and our subsidiaries are the only vehicles through which CNOOC engages in oil and gas exploration, development, production and sales activities both in and outside the PRC.

Our registered office is located at 65th Floor, Bank of China Tower, One Garden Road Central, Hong Kong, and our telephone number is +852 2213-2500. We maintain a website at www.cnooltd.com where general information about us is available. We are not incorporating the contents of the website into this prospectus.

THE ISSUER

CNOOC Finance (2013) Limited is our wholly-owned subsidiary and was incorporated as a BVI business company with limited liability on April 23, 2013 in the British Virgin Islands under the BVI Business Companies Act (as amended) of the British Virgin Islands. It has no material assets and will conduct no business except in connection with the issuance of debt securities and the advance of proceeds from such issuance to us or a company controlled by us. So long as the applicable series of debt securities are outstanding, CNOOC Finance (2013) Limited will limit its permitted activities as described under Description of Debt Securities and Guarantees Certain Covenants Limitation on Issuer's Activities. Its registered office is located at the offices of its registered agent, Intertrust Corporate Services (BVI) Limited, at 171 Main Street, Road Town, Tortola VG1 110, British Virgin Islands. The telephone number of its registered agent is +1 284 394-9100.

CNOOC Finance (2013) Limited will elect to be treated as a disregarded entity for U.S. federal income tax purposes.

Edgar Filing: CNOOC LTD - Form F-3ASR

These statements are based on assumptions and analysis made by us in light of our experience and our perception of historical trends, current conditions and expected future developments, as well as other factors we believe are appropriate under the circumstances. However, whether actual results and developments will meet our expectations and predictions depend on a number of risks and uncertainties which could cause our actual results, performance and financial condition to differ materially from our expectations, including those associated with fluctuations in crude oil and natural gas prices, our exploration or development activities, our capital expenditure requirements, our business strategy, whether the transactions entered into by us can complete on schedule pursuant to the timetable or at all, greater than expected costs and expenses in relation to the integration of acquisitions, risks of unexpected consequences resulting from acquisitions, the highly competitive nature of the oil and natural gas industry, our foreign operations, environmental liabilities and compliance requirements, and economic and political conditions in the PRC and overseas. For a description of these and other risks and uncertainties, see the risk factors described under **Risk Factors** and other cautionary statements appearing in this prospectus and the documents incorporated by reference.

Consequently, all of the forward-looking statements made in this prospectus and the documents incorporated by reference are qualified by these cautionary statements. Form, Exchange and Transfer

The debt securities will be issued, unless otherwise indicated in the applicable prospectus supplement, in fully registered form without interest coupons and in minimum denominations of US\$2,000 and integral multiples of US\$1,000 in excess thereof.

Table of Contents

You may exchange or transfer your registered debt securities at the office of the trustee. The trustee acts as the agent of the Issuer for registering debt securities in the names of holders and transferring registered debt securities. The entity performing the role of maintaining the list of registered holders is called the registrar. It will also register transfers of the registered debt securities. The Issuer may also arrange for additional registrars, and may change registrars. The Issuer may also choose to act as its own registrar.

You will not be required to pay a service charge for any registration of transfer or exchange of debt securities, but you may be required to pay any tax or other governmental charge associated with the registration of transfer or exchange. The registration of transfer or exchange of a registered debt security will only be made if you have duly endorsed the debt security or provided the registrar with a written instrument of transfer satisfactory in form to the registrar.

Guarantees

Under the indenture, the Company will irrevocably and unconditionally guarantee the due and punctual payment of the principal of and interest on, and all other amounts payable under (including any Additional Amounts payable in respect of), the debt securities when and as the same shall become due and payable, whether on the stated maturity, upon acceleration, by call for redemption or otherwise. The Company has (i) agreed that its obligations under the guarantees will be as if it were principal obligor and not merely surety, and will be enforceable irrespective of any invalidity, irregularity or unenforceability of the debt securities or the indenture (other than in respect of the guarantees) and (ii) waived its right to require the trustee to pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising the trustee's rights under the guarantees. The guarantees will not be discharged with respect to any debt security except by payment in full of the principal thereof, interest thereon and all other amounts payable thereunder (including any Additional Amounts payable in respect thereof). Moreover, if at any time any amount paid under a debt security is rescinded or must otherwise be restored, the rights of the holder of the debt security under the guarantee will be reinstated with respect to such payment as though such payment had not been made. All payments under the guarantees will be made in U.S. dollars.

Additional Amounts

All payments of principal and interest in respect of the debt securities of each series and/or the guarantees will be made free and clear of, and without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (Taxes) imposed, levied, collected, withheld or assessed by or on behalf of the British Virgin Islands, Hong Kong, the PRC or any other jurisdiction in which the Company or the Issuer (or any successor to the Company or the Issuer) is tax resident, in each case including any political subdivision, territory or possession thereof, any authority therein having power to tax or any area subject to its jurisdiction or any jurisdiction from or through which any payment is made by or on behalf of the Issuer or the Company (each, a Relevant Taxing Jurisdiction) unless such Taxes are required by law to be withheld or deducted. If any deduction or withholding for any present or future Taxes of the applicable Relevant Taxing Jurisdiction shall at any time be so required, the Company or the Issuer, as the case may be, shall pay such additional amounts (Additional Amounts) as will result (after deduction of such Taxes and any additional Taxes payable in respect of such Additional Amounts) in receipt by each holder of any debt security of such amounts as would have been received by such holder with respect to such debt security or guarantee, as applicable, had no such withholding or deduction been required; provided, however, that no Additional Amounts shall be payable in respect of any debt security:

- (i) to a holder (or to a third party on behalf of a holder) who is liable to such Taxes in respect of such debt security by reason of his having some connection with the Relevant Taxing Jurisdiction other than the mere holding of the debt security; or
- (ii) which is surrendered (where required to be surrendered) more than 30 days after the Relevant Date, except to the extent that the holder of it would have been entitled to such Additional Amounts on surrender of such debt security for payment on the last day of such period of 30 days. Relevant Date means whichever is the later of (a) the date on which such payment first becomes

Table of Contents

due and (b) if the full amount payable has not been received by the trustee on or prior to such due date, the date on which, the full amount having been so received, notice to that effect shall have been given to the holders of the debt securities of such series; or

- (iii) to a holder (or to a third party on behalf of a holder) who would have been able to avoid such withholding or deduction by duly presenting the debt security (where presentation is required) to another paying agent; or
- (iv) with respect to any Taxes that would not have been imposed but for the failure of the holder or beneficial owner to comply with a timely request of the Issuer or the Company addressed to the holder to provide certification or information concerning the nationality, residence or identity of the holder or beneficial owner of the debt security, if compliance is required as a precondition to relief or exemption from the Tax; or
- (v) with respect to any withholding or deduction that is imposed or levied on a payment pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of November 26-27, 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (vi) any estate, inheritance, gift, sale, transfer, personal property or similar tax, assessment or other similar governmental charge; or
- (vii) any such Taxes payable otherwise than by deduction or withholding from payments under or with respect to any debt security or guarantee; or
- (viii) any combination of taxes, duties, assessments or other governmental charges referred to in the preceding items (i) through (vii) above.

Additional Amounts will not be paid with respect to any payment of the principal, premium (if any) of or any interest on any debt security or under the respective guarantee to any holder of a debt security who is a fiduciary or partnership or other than the sole beneficial owner of such payment to the extent that payment would be required by the laws of the Relevant Taxing Jurisdiction to be included in the income of a beneficiary or settlor with respect to the fiduciary, a member of that partnership or a beneficial owner who would not have been entitled to the Additional Amounts had that beneficiary, settlor, member or beneficial owner been the holder.

Whenever there is mentioned, in any context, the payment of principal or interest in respect of any debt security or guarantee, such mention shall be deemed to include the payment of Additional Amounts provided for in the indenture to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof pursuant to the indenture.

Optional Tax Redemption

Each series of debt securities may be redeemed, at the option of the Issuer, in whole but not in part, upon notice as described below, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to, but not including, the date fixed for redemption and Additional Amounts, if any, if, as a result of any change in or amendment to the laws of a Relevant Taxing Jurisdiction or any regulations or rulings promulgated thereunder, or any change in the official interpretation or official application of such laws, regulations or rulings, which change or amendment (i) in the case of the Company or the Issuer becomes effective on or after the date of the applicable prospectus supplement and (ii) in the case of any successor to the Company or the Issuer that is organized or tax resident in a jurisdiction that is not a Relevant Taxing Jurisdiction as of the original issue date of the applicable series of debt securities becomes effective on or after the date such successor assumes the Company's or the Issuer's obligations, as applicable, under the debt securities and the indenture,

Edgar Filing: CNOOC LTD - Form F-3ASR

- (1) the Issuer is or would be required on the next succeeding due date for a payment with respect to the debt securities to pay Additional Amounts with respect to the debt securities as described above under Additional Amounts ; or

- (2) the Company is or would be unable, for reasons outside its control, on the next succeeding due date for a payment with respect to the debt securities to procure payment by the Issuer, and with respect to a payment due or to become due under the relevant guarantee or the indenture, as the case may be, the Company is or would be required on the next succeeding due date for a payment with respect to the debt securities to pay Additional Amounts as described above under Additional Amounts ; or
- (3) any payment to the Issuer by the Company or any of its wholly-owned subsidiaries to enable the Issuer to make payment of interest or Additional Amounts, if any, on the debt securities is or would be on the next succeeding due date for a payment with respect to the debt securities subject to withholding or deduction for taxes imposed by a Relevant Taxing Jurisdiction or any authority therein or thereof having power to tax,

and such obligation cannot be avoided by the use of reasonable measures available to the Company or the Issuer, as the case may be.

Notwithstanding anything to the contrary herein, the Company, the Issuer or any successor person may not redeem the debt securities in the case that Additional Amounts are payable in respect of PRC withholding tax at a rate of 10% or less solely as a result of the Company, the Issuer or a successor person being considered a PRC tax resident under the PRC Enterprise Income Tax Law.

Notice of redemption of the debt securities as provided above shall be given not less than 30 nor more than 60 calendar days prior to the date fixed for redemption. Notice having been given, the debt securities of such series shall become due and payable on the date fixed for redemption and will be paid at the redemption price, together with accrued interest to, but not including, the date fixed for redemption and any Additional Amounts, at the place or places of payment and in the manner specified in the notice. From and after the date fixed for redemption, if moneys for the redemption of such debt securities shall have been made available as provided in the indenture for redemption on the date fixed for redemption, the debt securities shall cease to bear interest, and the only right of the holders of the debt securities shall be to receive payment of the redemption price and interest accrued to, but not including, the date fixed for redemption.

Modification and Waiver

The indenture contains provisions permitting the Company, the Issuer and the trustee, without the consent of the holders of the applicable series of debt securities, to execute supplemental indentures for certain enumerated purposes, including any amendment solely to conform the indenture to the applicable prospectus supplement (as amended and supplemented) and, with the consent of the holders of not less than a majority in aggregate principal amount of the applicable series of debt securities then outstanding under the indenture, to change or modify in any manner the rights of the holders of the debt securities of the applicable series, provided that no such modification or amendment may, without the consent of the holder of each such debt security affected thereby, among other things:

- (i) change the stated maturity of the debt securities;
- (ii) reduce the principal amount of or payments of interest on any such debt security;
- (iii) change any obligation of the Company or the Issuer to pay Additional Amounts;
- (iv) change the currency or place of payment of the principal of or interest on such debt security;
- (v) impair the right to institute suit for the enforcement of any payment due on or with respect to any such debt security;
- (vi) reduce the above stated percentage of outstanding debt securities necessary to modify or amend the indenture;

Table of Contents

- (vii) reduce the percentage of the aggregate principal amount of outstanding debt securities necessary for waiver of compliance with certain provisions of the indenture or for waiver of certain defaults;
- (viii) change, in any manner adverse to the interest of holders of the debt securities, the terms and provisions of the guarantees in respect of the due and punctual payment of principal of and interest on the debt securities;
- (ix) reduce the premium payable upon the redemption or repurchase of any debt security of such series or change the time at which any debt security of such series may be redeemed or required to be repurchased as described in the applicable prospectus supplement; or
- (x) modify such provisions with respect to modification and waiver.

The holders of not less than a majority in aggregate principal amount of the debt securities then outstanding of a series may, on behalf of holders of all the debt securities of that series, waive compliance by the Company or the Issuer with certain restrictive provisions of the indenture. The holders of not less than a majority in aggregate principal amount of the debt securities of a series may on behalf of all holders of debt securities waive any existing or past default under the indenture for the debt securities, except a continuing default in the payment of principal of, or interest on, any debt security then outstanding or in respect of a covenant or provision which under such indenture cannot be modified or amended without the consent of the holder of each debt security then outstanding affected thereby. Any such waivers will be conclusive and binding on all holders of the debt securities of a series, whether or not they have given consent to such waivers, and on all future holders of such debt securities, whether or not notation of such waivers is made upon such debt securities. Any instrument given by or on behalf of any holder of a debt security in connection with any consent to any such waiver will be irrevocable once given and will be conclusive and binding on all subsequent holders of such debt security.

Certain Covenants

Limitation on Liens

The indenture provides that the Company will not, and will not permit the Issuer or any Principal Subsidiary to, create, incur, assume or permit to exist any Lien upon any of its property or assets, now owned or hereafter acquired, to secure any Indebtedness of the Company, the Issuer or such Principal Subsidiary (or any guarantees or indemnity in respect thereof) without, in any such case, making effective provision whereby the debt securities and the guarantees will be secured either at least equally and ratably with such Indebtedness or by such other Lien as shall have been approved by the holders of the debt securities as provided in the indenture, for so long as such Indebtedness will be so secured, unless, after giving effect thereto, the aggregate outstanding principal amount of all such secured Indebtedness (including the Attributable Value of the Sale and Leaseback Transactions set forth below) entered into after the original issue date of the relevant series of debt securities does not exceed 50% of the Company's Adjusted Consolidated Net Worth.

The foregoing restriction will not apply to:

- (i) any Lien which is in existence prior to the original issue date of the debt securities and any replacement thereof created in connection with the refinancing (together with interest, fees and other charges attributable thereto) of the Indebtedness originally secured (but the principal amount secured by any such Lien may not be increased);
- (ii) any Lien arising or already arisen automatically by operation of law which is promptly discharged or disputed in good faith by appropriate proceedings; provided that any reserve or other appropriate provision required by IFRS IASB shall have been made therefor;
- (iii) any Lien over goods (or any documents relating thereto) arising either in favor of a bank issuing a form of documentary credit in connection with the purchase of such goods or by

- (vi) any Lien created on any property or asset acquired, leased or developed (including improved, constructed, altered or repaired) after the original issue date of the debt securities; provided, however, that (a) any such Lien shall be confined to the property or asset acquired, leased or developed (including improved, constructed, altered or repaired); (b) the principal amount of the debt encumbered by such Lien shall not exceed the cost of the acquisition or development of such property or asset or any improvement thereto (including any construction, repair or alteration) or thereon and (c) any such Lien shall be created concurrently with or within one year following the acquisition, lease or development (including construction, improvement, repair or alteration) of such property or asset;
- (vii) any Lien pursuant to any order of attachment, execution, enforcement, distraint or similar legal process arising in connection with court proceedings; provided that such process is effectively stayed, discharged or otherwise set aside within 30 days;
- (viii) any Lien created or outstanding in favor of the Company or any of the Company's Subsidiaries;

- (xi) any Lien on any property or asset to secure all or part of the cost of exploration, drilling, development, production, gathering, processing, marketing of such property or asset or to secure Indebtedness incurred to provide funds for any such purpose;
- (xii) any Lien over any property or asset to secure Indebtedness incurred in connection with the construction, installation or financing of pollution control, abatement or remediation facilities;
- (xiii) any Lien arising in connection with industrial revenue, development or similar bonds or other indebtedness or means of project financing (not to exceed the value of the project financed and limited to the project financed);

- (xiv) any Lien in favor of any government or any subdivision thereof, securing the obligations of the Company or any of its Principal Subsidiaries under any contract or payment owed to such governmental entity pursuant to applicable laws, rules, regulations or statutes;

- (xv) any Lien over any property or asset securing Indebtedness of the Company or any of its Principal Subsidiaries guaranteed by any international finance agency, including the World Bank and the International Finance Corporation, or any subdivision, department or division thereof;
- (xvi) any right arising in connection with the sale or other transfer of crude oil, natural gas or other petroleum hydrocarbons in place for a period of time until, or in an amount such that, the transferee will realize therefrom a specified amount (however determined) of such crude oil, natural gas or other petroleum hydrocarbons or a specified amount of money, or the sale or other transfer of any other interest in property of the character commonly referred to as a production payment or overriding royalty;
- (xvii) any Lien created in connection with any sale/leaseback transaction, subject to the limitation set forth below under Certain Covenants Limitation on Sale and Leaseback Transactions ;

Limitation on Sale and Leaseback Transactions

The indenture provides that the Company shall not, and shall not cause or permit any Principal Subsidiary to, enter into any Sale and Leaseback Transaction with any Person (not including any Principal Subsidiary) for a period, including renewals, in excess of three years of any Principal Property which has been owned by the Company or a Principal Subsidiary for more than six months unless either:

- (i) the Company or such Principal Subsidiary would be permitted under the Certain Covenants Limitation on Liens covenant to create, incur or permit to exist a Lien on the Principal Property to secure Indebtedness (without equally and ratably securing the debt securities with such Indebtedness) at least equal in amount to the Attributable Value of the Sale and Leaseback Transactions; or
- (ii) the Company or such Principal Subsidiary, within 120 days after such sale or transfer, (x) applies, in the case of a sale or transfer for cash, an amount equal to the net proceeds thereof or, in the case of a sale or transfer otherwise than for cash, an amount equal to the fair market value of the Principal Property so leased (as determined in good faith by any two members of the Board of Directors of the Company or the Board of Directors of such Principal Subsidiary) to (A) the retirement of Indebtedness of the Company or such Principal Subsidiary ranking prior to or on parity with the debt securities, incurred or assumed by the Company or such Principal Subsidiary, which by its terms matures at, or is extendible or renewable at the option of the obligor to, a date more than 12 months after the date of incurring or assuming such Indebtedness; provided, however, that in connection with such application, the Company or such Principal Subsidiary will retire such Indebtedness and will cause the related commitment (if any) to be permanently reduced in an amount equal to the principal amount of such Indebtedness so voluntarily retired by the Company or such Principal Subsidiary; or (B) the purchase of other property which will constitute a Principal Property having a fair market value (as determined in good faith by any two members of the Board of Directors of the Company or the Board of Directors of such Principal Subsidiary) at

Table of Contents

least equal to the fair market value of the Principal Property leased in such Sale and Leaseback Transaction; or (y) deposits, in the case of a sale or transfer for cash, an amount equal to the net proceeds thereof into an escrow account which is used solely for the purpose of providing for the obligations of the Company or such Principal Subsidiary under the Sale and Leaseback Transaction.

Attributable Value means, at the time of determination, the lesser of (i) the fair market value of the Principal Property subject to the Sale and Leaseback Transaction (as determined in good faith by any two members of the Board of Directors of the Company) and (ii) the present value (discounted at a rate equal to the rate of interest on the debt securities, compounded semi-annually) of the total amount of rent required to be paid under such lease during the remaining term thereof, including any period for which such lease has been extended. Such rental payments shall not include amounts payable by or on behalf of the lessee on account of maintenance and repairs, insurance, taxes, assessments, water rates and similar charges.

Principal Property means any real property owned at the original issue date of the debt securities or thereafter acquired by the Company or a Principal Subsidiary, the gross book value (including related land and improvements thereon and all machinery and equipment included therein) of which, on the date as of which the determination is being made, exceeds 15% of the Consolidated Total Assets of the Company.

Sale and Leaseback Transaction means any transaction or series of related transactions pursuant to which the Company or any Principal Subsidiary sells or transfers any Principal Property to any Person with the intention of taking back a lease of such Principal Property pursuant to which the rental payments are calculated to amortize the purchase price of such Principal Property substantially over the useful life thereof and such Principal Property is in fact so leased. For purposes of this definition, a Sale and Leaseback Transaction shall not include any transaction relating to farm-in and farm-out agreements, operating agreements, development agreements, and any other similar arrangements which are customary in the oil and gas industry or in the ordinary course of business of the Company and any Principal Subsidiary.

Consolidation, Merger and Sale of Assets

The indenture provides that neither the Company nor the Issuer may consolidate with or merge into any other Person in a transaction in which the Company or the Issuer, as the case may be, is not the surviving entity, or convey, transfer or lease its properties and assets substantially as an entirety to any Person unless:

- (i) any Person formed by such consolidation or into which the Company or the Issuer, as the case may be, is merged or to whom the Company or the Issuer, as the case may be, has conveyed, transferred or leased its properties and assets substantially as an entirety is a corporation, partnership, trust or other entity validly existing under the laws of the jurisdiction of its organization and such Person expressly assumes by an indenture supplemental to the indenture all the obligations of the Company or the Issuer under the indenture, the debt securities or the guarantees, as the case may be;
- (ii) immediately after giving effect to the transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing;
- (iii) any such Person not organized and validly existing under the laws of (or any such Person resident for tax purposes in a jurisdiction other than) Hong Kong, the PRC or any successor jurisdiction (in the case of the Company) or the British Virgin Islands or any successor jurisdiction (in the case of the Issuer) shall expressly agree in a supplemental indenture that its jurisdiction of organization or tax residence (or any political subdivision, territory or possession thereof, any taxing authority therein or any area subject to its jurisdiction) will be added to the list of Relevant Taxing Jurisdictions; and

Table of Contents

- (iv) if, as a result of the transaction, any property or asset of the Company or any of the Subsidiaries of the Company would become subject to a Lien that would not be permitted under Certain Covenants Limitation on Liens above, the Company, the Issuer or such successor Person takes such steps as shall be necessary to secure the debt securities at least equally and ratably with the Indebtedness secured by such Lien or by such other Lien as shall have been approved by holders of the debt securities pursuant to the indenture for so long as such Indebtedness will be secured.

Limitation on the Issuer's Activities

For so long as the applicable series of debt securities are outstanding, the Issuer will conduct no business or any other activities other than the offering, sale or issuance of Indebtedness and the lending of the proceeds thereof to the Company or a company controlled by the Company and any other activities in connection therewith. Upon any merger of the Issuer into the Company or of the Company into the Issuer, this covenant will no longer apply.

In addition, the Company will maintain 100% equity ownership of the Issuer during the period that any debt securities remain outstanding.

For so long as any debt securities are outstanding, neither the Issuer nor the Company will take any action to change the Issuer's election to be a disregarded entity for U.S. federal income tax purposes.

Events of Default

Each of the following shall constitute an Event of Default under the indenture for a series of debt series:

- (i) failure to pay principal of any debt securities of that series within two Business Days after the date such amount is due and payable, upon optional redemption, acceleration or otherwise;
- (ii) failure to pay interest on any debt securities of that series within 30 days after the due date for such payment;
- (iii) failure to perform any other covenant or agreement of the Company or the Issuer in the indenture, and such failure continues for 60 days after there has been given, by registered or certified mail, to the Company or the Issuer, as the case may be, by the trustee or by the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding (with a copy to the trustee) a written notice specifying such failure and requiring it to be remedied and stating that such notice is a Notice of Default under the indenture;
- (iv) the guarantees shall cease to be in full force or effect or the Company shall deny or disaffirm its obligations under the guarantees;
- (v) (a) failure to pay upon final maturity (after giving effect to the expiration of any applicable grace period therefor) the principal of any Indebtedness of the Company, the Issuer or any Principal Subsidiary, (b) acceleration of the maturity of any Indebtedness of the Company, the Issuer or any Principal Subsidiary following a default by the Company, the Issuer or such Principal Subsidiary, if such Indebtedness is not discharged, or such acceleration is not annulled, within 10 days after receipt by the trustee of the written notice from the Company or the Issuer as provided in the indenture, or (c) failure to pay any amount payable by the Company, the Issuer or any Principal Subsidiary under any guarantee or indemnity in respect of any Indebtedness of any other Person if such obligation is not discharged or otherwise satisfied within 10 days after receipt of written notice as provided in the indenture; provided, however, that no such event set forth in clause (a), (b) or (c) shall constitute an Event of Default unless the aggregate outstanding Indebtedness to which all such events relate exceeds US\$100,000,000 (or its equivalent in any other currency); and

Table of Contents

- (vi) certain events in bankruptcy, insolvency or reorganization in respect of the Company, the Issuer or any Principal Subsidiary as provided in the indenture.

If an Event of Default (other than an Event of Default described in clause (vi) above) with respect to the debt securities of that series shall occur and be continuing, either the trustee or the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding by written notice as provided in the indenture may declare the unpaid principal amount of such debt securities and any accrued and unpaid interest thereon (and any Additional Amounts payable in respect thereof) to be due and payable immediately. If an Event of Default in clause (vi) above with respect to the debt securities of that series shall occur, the unpaid principal amount of all the debt securities of that series and any accrued and unpaid interest thereon (and any Additional Amounts payable in respect thereof) will automatically, and without any action by the trustee or any holder of debt securities of that series, become immediately due and payable. After any such acceleration but before a judgment or decree based on acceleration has been obtained, the holders of at least a majority in aggregate principal amount of the debt securities of that series then outstanding may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the non-payment of accelerated principal, have been cured or waived as provided in the indenture. For information as to waiver of defaults, see Modification and Waiver. See also Notices below.

Subject to the provisions of the indenture relating to the duties of the trustee, in case an Event of Default shall occur and be continuing, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request or direction of any of the holders of debt securities unless such holders shall have offered to the trustee pre-funding, security and/or indemnity satisfactory to the trustee. Subject to certain provisions, including those requiring pre-funding, security and/or indemnification of the trustee, the holders of a majority in principal amount of the debt securities of a series then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities. However, the trustee may refuse to follow any direction that conflicts with applicable law or the relevant indenture, that may involve the trustee in personal liability or cause it to expend or risk its own funds or otherwise incur any financial liability in following such direction and may take any other action it deems proper that is not inconsistent with any such direction received from holders. No holder of any debt securities of any series will have any right to institute any proceeding, judicial or otherwise, with respect to the indenture, the debt securities or the guarantees or for the appointment of a receiver or a trustee, or for any other remedy thereunder unless (i) such holder has previously given to the trustee written notice of a continuing Event of Default with respect to the debt securities of that series, (ii) the holders of at least 25% in aggregate principal amount of the debt securities of that series then outstanding have made written request, and such holder or holders have offered to the trustee pre-funding, security and/or indemnity satisfactory to the trustee, to institute such proceeding in the trustee's own name and (iii) the trustee has failed to institute such proceeding, and has not received from the holders of a majority in aggregate principal amount of the debt securities of that series then outstanding a direction inconsistent with such request, within 60 days after such notice, request and offer. However, such limitations do not apply to a suit instituted by a holder of a debt security for the enforcement of the right to receive payment of the principal of or interest on such debt security on or after the applicable due date specified in such debt security.

Neither the Company nor any of its Subsidiaries will, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any holder of any debt securities of any series for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of the indenture or the debt securities of that series unless such consideration is offered to be paid or agreed to be paid to all holders of the debt securities of that series that consent, waive or agree to amend in the time frame set forth in the solicitation documents relating to such consent, waiver or agreement.

The trustee need not do anything to ascertain whether any Event of Default has occurred or is continuing and will not be responsible to holders or any other person for any loss arising from any failure by it to do so, and the trustee may assume that no such event has occurred and that each of the Company and the Issuer is

Table of Contents

performing all their respective obligations under the indenture and related debt securities and guarantee unless the trustee has received written notice of the occurrence of such event or facts establishing that the Company or the Issuer, as the case may be, is not performing all of its obligations under the indenture and related debt securities and guarantee, as the case may be.

Defeasance and Discharge

The indenture provides that, upon the conditions set forth therein, the Company and the Issuer may each be discharged from all their respective obligations with respect to debt securities of a series (except for certain obligations to exchange or register the transfer of debt securities, to replace stolen, lost or mutilated debt securities, to maintain paying agencies and to hold moneys for payment in trust) upon the deposit in trust for the benefit of the holders of such debt securities of money in U.S. dollars or U.S. Government Obligations (as defined in the indenture), or both, which, through the payment of principal and interest thereon in accordance with their terms, will provide money in an amount sufficient to pay the principal of and interest on the debt securities (and any Additional Amounts in respect thereof) in accordance with the terms of the indenture and the debt securities. Such defeasance or discharge may occur only if, among other things, the Company and the Issuer have delivered to the trustee an opinion of independent legal counsel of recognized standing licensed to practice law in the United States to the effect that holders of the debt securities will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit, defeasance or discharge and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit, defeasance or discharge had not occurred, which opinion of counsel must be based on a ruling received by the Company or the Issuer from the U.S. Internal Revenue Service, a published ruling of the U.S. Internal Revenue Service or other changes in applicable U.S. federal income tax law after the original issue date of the debt securities.

Prescription

Any moneys deposited with or paid to the trustee or any paying agent of the debt securities, or then held by the Issuer, in trust, for the payment of the principal of, premium (if any) or interest on (or any Additional Amount payable in respect of) any debt security and not applied but remaining unclaimed for two years after the date upon which such principal, premium (if any) or interest or any Additional Amount payable shall have become due and payable, shall, upon the written request of the Issuer or the Company be repaid to the Issuer or the Company, as the case may be, by the trustee or such paying agent or (if then held by the Issuer) be discharged from such trust, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property law, and the holder of such debt security shall, unless otherwise required by mandatory provisions of applicable escheat or abandoned or unclaimed property laws, thereafter look only to the Issuer or the Company for any payment which such holder may be entitled to collect, and all liability of the trustee or any paying agent of the debt securities with respect to such moneys shall thereupon cease.

Under New York law, any legal action upon the debt securities must be commenced within six years after the payment thereof is due. Thereafter, the debt securities will generally become unenforceable.

Concerning the Trustee

The Bank of New York Mellon will be the trustee under the indenture. The Corporate Trust Office of the trustee is currently located at 101 Barclay Street, Floor 4-East, New York, New York 10286, United States, Attention: Global Corporate Trust.

The indenture provides that the trustee, subject to the following sentence, undertakes to perform such duties and only such duties as are specifically set forth in the indenture. If an Event of Default has occurred and is continuing, the trustee will use the same degree of care and skill in its exercise of the rights and powers vested in it by the indenture as a prudent person would exercise under the circumstances in the conduct of such person's

Table of Contents

own affairs. The indenture also provides that the trustee and any paying or other agent of the debt securities, in their individual or any other capacity, may become the owner or pledgee of debt securities with the same rights it would have if it were not the trustee or such agent and may otherwise deal with the Company and the Issuer and receive, collect, hold and retain collections from the Company and the Issuer with the same rights it would have if it were not the trustee or such agent; provided, however, that all moneys received by the trustee shall, until used or applied as provided in the indenture, be held in trust thereunder for the purposes for which they were received and need not be segregated from other funds except to the extent required by law.

The trustee will be under no obligation to exercise any rights or powers conferred under the indenture for the benefit of the holders unless such holders have offered to the trustee pre-funding, security and/or indemnity satisfactory to the trustee against any loss, liability or expense. In the exercise of its duties, the trustee shall not be responsible for the calculation or computation of any amount payable under the debt securities and the guarantees or the verification of any such calculations or computations or any verification of the accuracy or completeness of any certification, opinion or other documents submitted to it by the Company or the Issuer.

Indemnification for Judgment Currency Fluctuations

To the fullest extent permitted by law, the obligations of the Company or the Issuer to any holder of the applicable series of debt securities under the indenture, the debt securities or the guarantees, as the case may be, shall, notwithstanding any judgment in a currency (the Judgment Currency) other than U.S. dollars (the Agreement Currency), be discharged only to the extent that on the day following receipt by such holder or the trustee, as the case may be, of any amount in the Judgment Currency, such holder or the trustee, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the amount originally to be paid to such holder or the trustee, as the case may be, in the Agreement Currency, the Company and the Issuer agree, as a separate obligation and notwithstanding such judgment, to pay the difference and if the amount of the Agreement Currency so purchased exceeds the amount originally to be paid to such holder, such holder or the trustee, as the case may be, agrees to pay to or for the account of the Company or the Issuer, as the case may be, such excess; provided that such holder or the trustee, as the case may be, shall not have any obligation to pay any such excess as long as a default by the Company or the Issuer in its obligations under the indenture or the debt securities has occurred and is continuing, in which case such excess may be applied by such holder or the trustee, as the case may be, to such obligations.

Notices

Notices to holders of debt securities will be mailed to them (or the first named of joint holders) by first class mail (or, if first class mail is unavailable, by airmail) at their respective addresses in the register and will be deemed to have been given on the fourth Business Day after the date of mailing. So long as and to the extent that the debt securities are represented by global securities and such global securities are held by DTC, notices to owners of beneficial interests in the global securities may be given by delivery of the relevant notice to DTC for communication by it to entitled account holders.

Waiver of Immunity

To the extent that the Company or the Issuer has acquired or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (including any immunity from non-exclusive jurisdiction or from service of process or, except as provided below, from any execution to satisfy a final judgment or from attachment or in aid of such execution or otherwise) with respect to itself or any of its property, the Company and the Issuer each irrevocably waives, to the fullest extent permitted under applicable law, any such right of immunity or claim thereto which may now or hereafter exist, and agrees not to assert any such right or claim in any action or proceeding against it arising out of or based on the debt securities, the guarantees or the indenture.

Governing Law and Consent to Jurisdiction

The debt securities, the guarantees and the indenture are governed by and will be construed in accordance with the laws of the State of New York.

The Company and the Issuer will each irrevocably submit to the non-exclusive jurisdiction of any state or United States federal court located in the Borough of Manhattan, the City of New York, New York (each a New York Court) in any suit, action or proceeding arising out of or relating to the indenture, the debt securities, the guarantees or any transaction contemplated thereby, and will irrevocably waive, to the fullest extent permitted by applicable law, any objection to the venue of any such suit, action or proceeding in any such New York Court and any claim of an inconvenient forum. The Company and the Issuer will each appoint National Corporate Research, Ltd., New York, New York, United States of America, as agent for service of process with respect of any such suit, action or proceeding.

ENFORCEABILITY OF CIVIL LIABILITIES

The Issuer is a BVI business company incorporated in and under the laws of the British Virgin Islands with limited liability, and we are a company incorporated with limited liability in Hong Kong. A substantial portion of our assets are located in China. In addition, substantially all of our directors and officers reside outside the United States (principally in the PRC or Hong Kong) and certain experts named in this prospectus also reside outside the United States. All or a substantial portion of the assets of such persons are or may be located outside the United States. As a result, it may not be possible for investors to effect service of process within the United States upon the Issuer, us or such persons to enforce against them judgments obtained in United States courts, including judgments predicated upon the civil liability provisions of the federal securities laws of the United States.

The Issuer has been advised by its British Virgin Islands counsel, Walkers, that in the case of a valid, final and conclusive judgment obtained in the federal or state courts in the United States for a liquidated sum other than in respect of penalties or taxes or a fine or similar fiscal or revenue obligations, the British Virgin Islands courts would recognize the relevant judgment without any re-examination of merits at common law, by an action commenced on the foreign judgment in the British Virgin Islands courts provided that: (a) the judgment had not been wholly satisfied; (b) such courts had proper jurisdiction over the matter and the Issuer either submitted to the jurisdiction of such courts or was resident or carried out a business within such jurisdiction and was duly served with process; (c) such courts did not contravene the rules of natural justice of the British Virgin Islands; (d) such judgment was not obtained by fraud on the part of the person in whose favor judgment was given or on the part of such courts; (e) the enforcement of the judgment would not be contrary to public policy of the British Virgin Islands or for some other similar reasons the judgment could not have been entertained by the British Virgin Islands courts; (f) no new admissible evidence relevant to the action is submitted prior to the rendering of the judgment by the courts of the British Virgin Islands; and (g) there is due compliance with the correct procedures under the laws of the British Virgin Islands.

We have been advised by our Hong Kong counsel, Davis Polk & Wardwell, that there is doubt as to the enforceability in Hong Kong in original actions or in actions for enforcement of judgments of United States courts, of civil liabilities predicated solely upon the U.S. federal or state securities laws.

In addition, there are uncertainties as to whether the courts of the PRC would (i) recognize or enforce the judgments of United States courts obtained against the Issuer and/or the Company, or their respective directors and officers, predicated upon the civil liability provision of the U.S. federal or state securities laws; or (ii) entertain original actions brought in the courts of the PRC against the Issuer and/or the Company or such persons predicated upon the U.S. federal or state securities laws.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

Item 8. Indemnification of Directors and Officers

Under the Hong Kong Companies Ordinance (Cap 32) (the Ordinance) a company may indemnify and purchase insurance for any director or officer of the company. In accordance with the Ordinance, however, directors and officers are not indemnified against any liability arising out of negligence, default, breach of duty or breach of trust with respect to the company, unless such liability is incurred in defending any proceedings, whether civil or criminal, in which judgment is given in the director s or officer s favor, or in which the director or officer is acquitted, or in connection with any application in which relief is granted to the director or officer by the court pursuant to the Ordinance from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the company.

Pursuant to our Articles, we have agreed to indemnify our directors and officers, to the extent permitted by the Ordinance, against all liabilities and expenses that such persons may incur in the execution of their respective office. In addition, we maintain a director s and officer s insurance policy and our officers and directors are covered by this insurance (with certain exceptions and limitations), which indemnifies them against losses for which we grant them indemnification and for which they become legally obligated to pay on account of claims made against them for wrongful acts committed before or during the policy period.

Item 9. Exhibits

The exhibits to this registration statement are listed in the Index to Exhibits below.

Item 10. Undertakings

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Table of Contents

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Act need not be furnished, provided that the registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Act or Item 8.A. of Form 20-F if such financial statements and information are contained in periodic reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(5) That, for the purpose of determining liability under the Securities Act to any purchaser:

(i) each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(6) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

Table of Contents

(7) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(8) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the SEC under section 305(b)(2) of the Trust indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
