Item 1.01 Entry into a Material Definitive Agreement.

On May 9, 2013, the shareholders of P. H. Glatfelter Company (the Company) approved the Company's Amended and Restated Long-Term Incentive Plan (the Plan).

The Plan, which is administered by the Compensation Committee of the Board of Directors, provides for grants of stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, stock awards and other stock-based awards. Eligible participants under the Plan consist of employees, officers, non-employee directors and consultants of the Company as well as individuals to whom an offer of employment or service has been extended.

The amended Plan includes changes to:

Increase the number of shares of common stock available for awards under the Plan by 1,030,000 shares, so that a total of 5,568,545 shares are authorized for issuance under the amended Plan. All share limits are subject to adjustment in the event of changes in capitalization and similar changes.

Increase the limits on individual participant awards under the Plan.

Revise the share counting provisions of the Plan, so that, for example, shares surrendered in payment of the exercise price of an award or to satisfy tax withholding obligations will not be available for reissuance under the Plan.

Provide that the term of the Plan will end on the 10th anniversary of the effective date of the amended Plan.

Incorporate into the Plan the definition of change in control that has been used in grant agreements under the Plan since 2008, and describe actions the Compensation Committee may take with respect to outstanding awards in the event of a change in control.

Provide that awards will be subject to applicable clawback policies, insider trading policies, policies prohibiting pledging or hedging of shares, and other policies approved by the Board.

This description is qualified in its entirety by reference to the Plan, which is filed herewith as Exhibit 10.1 to this Current Report on Form 8-K.
