Item 1.01. Entry into a Material Definitive Agreement.

Underwriting Agreement

On June 17, 2013, O Reilly Automotive, Inc. (the *Company*) entered into an Underwriting Agreement (the *Underwriting Agreement*) with Merrill Lynch, Pierce, Fenner & Smith Incorporated and Wells Fargo Securities, LLC, as the representatives of the underwriters named on Schedule I thereto (the *Underwriters*), and the Guarantors (as defined below) party thereto, with respect to the Company's issuance and sale of \$300 million aggregate principal amount of the Company's 3.850% Senior Notes due 2023 (the *Notes*). The Underwriting Agreement includes customary representations, warranties and covenants. Under the terms of the Underwriting Agreement, the Company and the Guarantors also have agreed to indemnify the Underwriters against certain liabilities.

The estimated net proceeds from the offering of the Notes were approximately \$297 million, after deducting underwriting discounts and commissions and estimated offering expenses payable by the Company. The Company used a portion of the net proceeds from the offering of the Notes to pay fees and expenses related to the offering of the Notes and intends to use the remaining net proceeds for general corporate purposes, which may include ordinary course working capital increases, repurchases of shares of our common stock, repayment of debt and to invest in other business opportunities, including acquisitions.

The above description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the Underwriting Agreement, attached as Exhibit 1.1 hereto, and incorporated herein by reference.

Indenture

The terms of the Notes are governed by an Indenture, dated as of June 20, 2013 (the *Closing Date*), by and among the Company, the Guarantors and UMB Bank, N.A. (the *Trustee*).

The Notes mature on June 15, 2023 and bear interest at a rate of 3.850% per year. Interest on the Notes is payable on June 15 and December 15 of each year, beginning on December 15, 2013. The Notes are the Company's general unsecured senior obligations and rank equally in right of payment with all of the Company's existing and future unsecured and unsubordinated indebtedness, including the Company's credit facility, the Company's 4.875% Senior Notes due 2021, the Company's 4.625% Senior Notes due 2021 and the Company's 3.800% Senior Notes due 2022. The Notes will be effectively subordinated to the Company's future secured indebtedness, if any, to the extent of the value of the collateral securing such indebtedness. The Notes are guaranteed on a senior unsecured basis by each of the Company's subsidiaries (the *Guarantors*) that incurs or guarantees the Company's obligations under the Company's credit facility or certain other debt of the Company or any of the Guarantors, including the Company's 4.875% Senior Notes due 2021, the Company's 4.625% Senior Notes due 2021 and the Company's 3.800% Senior Notes due 2022. As of the Closing Date, all of the Company's subsidiaries, except for certain immaterial subsidiaries, are Guarantors of the Notes. The Company is permitted to release guarantees of the Notes without the consent of holders of the Notes under the circumstances described in the Indenture.

Prior to March 15, 2023, the Company may redeem the Notes, at its option, in whole at any time or in part from time to time, at a purchase price equal to 100% of the principal amount plus a make-whole premium as set forth in the Indenture plus accrued and unpaid interest, if any, to but not including the redemption date. On or after March 15, 2023, the Company may redeem the Notes, at its option, in whole at any time or in part from time to time, at a purchase price equal to 100% of the principal amount plus accrued and unpaid interest, if any, to but not including the redemption date.

If the Company undergoes a Change of Control Triggering Event (as defined in the Indenture), holders may require the Company to repurchase all or a portion of their Notes at a price equal to 101% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest, if any, to but not including the repurchase date.

The Indenture contains covenants that limit the ability of the Company and each of its subsidiaries, as applicable to, among other things: (i) create certain liens on its assets to secure certain debt; (ii) enter into certain sale and leaseback transactions; and (iii) in the case of the Company, merge or consolidate with another company or transfer all or substantially all of the Company's property, in each case as set forth in the Indenture. These covenants are, however, subject to a number of important limitations and exceptions.

The Indenture also contains customary event of default provisions including, among others, the following: (i) default in the payment of the principal of the Notes when the same becomes due and payable; (ii) default for 30 days in the payment when due of interest on the Notes; (iii) failure to comply with covenants or agreements in the Indenture or the Notes and failure to cure or obtain a waiver of such default within 60 days following notice as described below; (iv) a default under any debt for money borrowed by the Company or any of the Guarantors that results in acceleration of the maturity of such debt, or failure to pay any such debt within any applicable grace period after final stated maturity, in an aggregate amount greater than \$75.0 million without such debt having been discharged or acceleration having been rescinded or annulled within 10 days after receipt by the Company of notice as described below; and (v) certain events of bankruptcy or insolvency with respect to the Company or any Guarantor, in each case as set forth in the Indenture. In the case of an event of default, other than a bankruptcy default with respect to the Company or any Guarantor, the Trustee or the holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if the notice is given by the holders of the Notes), may declare the principal of and accrued and unpaid interest, if any, on the Notes to be immediately due and payable. In the case of any bankruptcy-related event of default with respect to the Company or any Guarantor, the principal of and accrued and unpaid interest, if any, on the Notes shall be immediately due and payable without any act on the part of the Trustee or holders of the Notes.

The Trustee also serves as the trustee under the indenture for the Company's 4.875% Senior Notes due 2021, as the trustee under the indenture for the Company's 4.625% Senior Notes due 2021, as the trustee under the indenture for the Company's 3.800% Senior Notes due 2022 and as a lender under the Company's credit facility, and an affiliate of the Trustee acted as an underwriter in the offering of the Notes.

The offering of the Notes was registered under the Securities Act of 1933, as amended, pursuant to the Company's shelf registration statement on Form S-3 which became automatically effective upon filing with Securities and Exchange Commission on June 17, 2013 (File No. 333-189374).

The above description of the Indenture and the Notes does not purport to be complete and is qualified in its entirety by reference to the Indenture (including the form of Note included therein), attached as Exhibit 4.1 and referenced as Exhibit 4.2 hereto, respectively, and incorporated herein by reference.

In addition to the specific agreements and arrangements described above, some of the Underwriters and their respective affiliates have provided and may in the future provide certain financial advisory, investment banking and commercial banking services in the ordinary course of business for the Company, its subsidiaries and certain of their respective affiliates, for which they have received or will receive customary fees and expenses in connection with the performance of such services.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is hereby incorporated by reference into this Item 2.03, insofar as it relates to the creation of a direct financial obligation.
