Support Consent Solicitation; Vote the GOLD Consent Card Today

New York, NY, February 19, 2014 Corvex Management LP and Related Fund Management, LLC, whose separately managed investment funds collectively own approximately 9.6% of the outstanding shares of CommonWealth REIT (NYSE: CWH), today issued the following letter to shareholders of CommonWealth in connection with their consent solicitation.

Corvex and Related urge shareholders to vote the **GOLD** consent card and remove the entire Board of CommonWealth. Corvex and Related recently announced that Sam Zell and David Helfand have joined their slate of highly qualified trustee nominees that would replace the current value destructive Board. CommonWealth has set a record date of February 18, 2014, and the consent solicitation will be completed by March 20, 2014.

The text of the letter to CWH shareholders is as follows:

Dear Fellow Shareholders:

After one year of obstruction and litigation by the Portnoys and their beholden Trustees, you finally have an opportunity to vote on the removal of the entire Board of Trustees and put an end to almost three decades of mismanagement and value destruction at CommonWealth REIT. **We urge you to seize the moment and support us to start a new chapter in CommonWealth's history by signing, dating and returning the enclosed GOLD consent card TODAY.**

SAM ZELL AND DAVID HELFAND HAVE JOINED OUR SLATE OF NOMINEES

We recently announced that Sam Zell and David Helfand have joined our slate of highly qualified trustee nominees that would replace the Portnoys' Board:

Mr. Zell is recognized as a founding father of today's public real estate industry after creating three of the most successful REITs in history: Equity Office Properties Trust (EOP), Equity Residential (EQR) and Equity LifeStyle Properties (ELS). We are honored that Mr. Zell has agreed to serve as Chairman of the new CommonWealth Board, if appointed by the new Board.

Mr. Helfand is Co-President of Equity Group Investments (EGI) and has previously served as Executive Vice President and Chief Investment Officer of EOP and President and CEO of ELS. We are thrilled that Mr. Helfand has agreed to serve as CommonWealth's CEO, if appointed by the new Board.

Mr. Zell and Mr. Helfand bring exceptional investment, real estate and public company credentials to an already highly qualified slate of nominees. In addition, Mr. Zell and Mr. Helfand plan to bring to CommonWealth their highly qualified and experienced management team to execute on a value-driven strategy and utilize their expertise in turning around underperforming assets.

ACT TODAY!

COMMONWEALTH HAS SET A RECORD DATE OF FEBRUARY 18, 2014, AND OUR CONSENT SOLICITATION MUST BE COMPLETED BY MARCH 20, 2014. THERE IS NO INTERNET VOTING, SO WE URGE YOU TO SIGN, DATE AND RETURN THE ENCLOSED GOLD CONSENT CARD IN THE PRE-PAID ENVELOPE TODAY.

COMMONWEALTH SHAREHOLDERS HAVE A CHOICE BETWEEN TWO PATHS

We believe our consent solicitation gives shareholders a choice between two paths:

The Portnoy Path: A path of conflicted external management, value destruction, and the absence of accountability, with which CommonWealth shareholders are all too familiar. This is the same path that has generated for CommonWealth shareholders a cumulative total return of a mere 7% over a nearly 16-year span during which time CommonWealth paid RMR approximately \$800 million in fees.¹

OR

The Zell Path: A path of aligned internal management and accountability that fosters the incentives critical in building a successful company focused on the long-term creation of shareholder value. This is the philosophy that has guided Mr. Zell in the creation of three of the most successful REITs in history.

And since a picture is worth a thousand words, we are enclosing for your review a chart that compares Mr. Zell's track record as Chairman of EOP, EQR and ELS and the Portnoys' track record at CommonWealth.* The chart speaks for itself. **We believe the choice could not be clearer!**

¹ From 7/7/1997 (the earliest date on which the Zell-chaired REITs and CWH were all public) to 2/25/2013 (the last trading day before Corvex and Related filed their initial 13-D). 2013 RMR fees reflected annualized YTD 9/30/2013 figures. Q3 2013 RMR fees include fees paid by Select Income REIT (SIR) to make the figure comparable to historically disclosed figures.

SEIZE THIS OPPORTUNITY TO TAKE BACK YOUR COMPANY

CommonWealth REIT truly needs Board members who are **accountable** to you, the owners of the company. Our proposed nominees which now include Sam Zell and David Helfand are highly qualified with wide-ranging and relevant experience. Most importantly, they bring a fresh, critical perspective and skillset that will be vital to oversee execution of a strategic plan designed to create value for ALL shareholders.

The time to act is NOW. Execute the GOLD consent card to remove the entire Board of Trustees today and unlock the substantial value embedded in CommonWealth.

We thank you for your continuing support.
