Item 1.01. Entry into a Material Definitive Agreement

On March 27, 2014, Mercer International Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Credit Suisse Securities (USA) LLC, as representative of the several underwriters named therein (the Underwriters). The Underwriting Agreement relates to a public offering by the Company of 7,000,000 shares of its common stock at a public offering price of \$7.15 per share (less the underwriting discount) (the Firm Shares Offering). Pursuant to the Underwriting Agreement, the Company granted the Underwriters a 30-day option to purchase up to 1,050,000 additional shares of its common stock at the public offering price (less the underwriting discount) (together with the Firm Shares Offering, the Offering), which option was exercised by the Underwriters. The Company intends to use approximately \$13.5 million of the net proceeds from the Offering to further capitalize its Stendal mill to provide it with greater operational and financial flexibility and the balance will be used for targeted capital expenditures including expansion of the Company's wood procurement and logistics operations in Germany and for general working capital purposes.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions.

The Offering was registered pursuant to the Company's effective shelf registration statement on Form S-3 (File No. 333-185246) (the Registration Statement) and the related base prospectus included in the Registration Statement, as supplemented by the final prospectus supplement dated March 27, 2014 and filed with the Securities and Exchange Commission on March 28, 2014 (collectively, the Prospectus).

This summary of the Underwriting Agreement is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and incorporated into this Item 1.01 by reference.
