To the Matador Resources Company Shareholders:

On behalf of the Board of Directors of Matador Resources Company (the *Company*), we invite you to attend a special meeting of shareholders of the Company. The special meeting will be held at [], on [], 2015, at [] a.m., Central Time, for the purpose of approving an amendment to the Company's amended and restated certificate of formation to (i) increase the amount of the Company's authorized common stock (*Common Stock*) from 80,000,000 shares to 120,000,000 shares and (ii) increase the total number of shares of capital stock that the Company is authorized to issue to reflect such increase in the Company's authorized Common Stock.

The purpose of the proposed amendment is to (i) provide sufficient additional authorized shares of Common Stock so that all of the shares of the Company's new class of Series A Convertible Preferred Stock to be issued to HEYCO Energy Group, Inc. upon the closing of the previously announced Agreement and Plan of Merger, dated as of January 19, 2015 (as amended, the *Merger Agreement*), as described in the accompanying proxy statement, may be converted into shares of Common Stock and (ii) give the Company flexibility to take timely advantage of market conditions and opportunities to issue shares of Common Stock for various future corporate purposes, including potential strategic transactions (including mergers, acquisitions and other business combinations), capital-raising or financing transactions, grants and awards under equity compensation plans, stock splits and stock dividends.

Shareholders are not being asked to approve the Merger Agreement or the transactions contemplated by the Merger Agreement (the *Merger*), and the consummation of the Merger is not conditioned on shareholder approval of the proposed amendment. The Company expects to consummate the Merger prior to the special meeting and regardless of whether or not the proposed amendment is approved. Information provided in the accompanying proxy statement with respect to the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement is for informational purposes only.

You may vote your proxy by mail by marking your vote on the enclosed proxy card and following the instructions on the card. To vote your proxy using the Internet or telephone, see the instructions on the proxy form and have the proxy form available when you access the Internet website or place your telephone call.

As previously announced, and as is described in additional detail under the section entitled The Merger beginning on page 11 of this Proxy Statement, on January 19, 2015, the Company entered into an Agreement and Plan of Merger (as amended, the Merger Agreement) with HEYCO Energy Group, Inc. (HEYCO) and Harvey E. Yates Company (the Target), pursuant to which the Target will merge with and into a wholly-owned subsidiary of the Company (the Merger) and the Company will indirectly acquire certain oil and natural gas properties located in Lea and Eddy Counties, New Mexico. Upon the closing of the Merger (the Closing), which is expected to occur on February 27, 2015, the Company will pay aggregate cash and equity consideration in the Merger, subject to certain adjustments, consisting of (i) \$37.4 million in cash, including the assumption of debt, (ii) 3,140,960 shares of the Company's common stock, \$0.01 par value per share (Common Stock), and (iii) 150,000 shares of a new class of the Company's Series A Convertible Preferred Stock (Series A Preferred Stock). Once the Proposed Amendment (as defined below) is approved by the Company's shareholders and a certificate of amendment (the Certificate of Amendment) to the Company's amended and restated certificate of formation (the Certificate of Formation) is filed with the Secretary of State of the State of Texas (and evidence of such filing is received), the outstanding shares of Series A Preferred Stock will automatically convert into shares of Common Stock on the basis of ten shares of Common Stock for each share of Series A Preferred Stock.

The Certificate of Formation currently authorizes the issuance of 80,000,000 shares of Common Stock. To account for the additional shares of Common Stock into which the Series A Preferred Stock will convert, and to give the Company flexibility to take timely advantage of market conditions and opportunities to issue shares of Common Stock

Edgar Filing: Matador Resources Co - Form PRE 14A

for various future corporate purposes, the Company's shareholders are being asked to approve an amendment to Section 1 of Article 4 of the Certificate of Formation to (i) increase the number of shares of Common Stock that the Company is authorized to issue to 120,000,000 and (ii) increase the total number of shares of capital stock that the Company is authorized to issue to reflect such increase in the Company's authorized Common Stock (the Proposed Amendment). If the Proposed Amendment is not approved, the Series A Preferred Stock will remain outstanding and will begin accruing dividends at a quarterly rate of \$1.80 per share beginning on the date that is six months from the Closing. These materials describe the Proposed Amendment and are being sent to the Company's shareholders as the Company's Proxy Statement in connection with the Special Meeting.

The named proxies will vote your shares according to your directions. When voting regarding the approval of the Proposed Amendment, shareholders may vote for or against the Proposed Amendment or may abstain from voting. If you sign and return your proxy card but do not make any of the selections, the named proxies will vote your shares FOR the Proposed Amendment. The proxy may be revoked at any time before it is exercised by filing with the Company a written revocation addressed to the Corporate Secretary, by executing a proxy bearing a later date or by attending the Special Meeting and voting in person.

The record date for the determination of the shareholders entitled to notice of and to vote at the Special Meeting, or any postponement or adjournment thereof, is [], 2015 (the Record Date). As of the Record Date, there were outstanding and entitled to vote [] shares of Common Stock. In addition, if the Record Date is after the Closing, [] shares of Series A Preferred Stock will be issued and outstanding, all of which will be held by HEYCO.

The presence, in person or by proxy, of the holders of record of a majority of the outstanding shares entitled to vote at the Special Meeting is necessary to constitute a quorum for the transaction of business at the Special Meeting, but if a quorum should not be present, the meeting may be adjourned from time to time until a quorum is obtained. Holders of Common Stock will be entitled to one vote per share on the Proposed Amendment and each other matter properly brought before the Special Meeting. If the Record Date is after the Closing, the holders of Common Stock and Series A Preferred Stock will be entitled to one vote per share, voting as separate classes, on the Proposed Amendment and will vote together as a single class on an as-converted basis on each other matter properly brought before the meeting.

The Proposed Amendment requires the affirmative vote of two-thirds of the outstanding shares of Common Stock and, if the Record Date is after the Closing, the Series A Preferred Stock, which will vote as a separate class. Shares held by a shareholder who abstains from voting on the Proposed Amendment will be included for the purpose of determining the presence of a quorum. An abstention will effectively count as a vote cast against the Proposed Amendment. Broker non-votes will not be counted in determining the outcome of the Proposed Amendment and will not be considered present and entitled to vote on the Proposed Amendment for quorum purposes. Pursuant to the Merger Agreement, at the Closing, HEYCO will enter into a voting agreement with the Company pursuant to which HEYCO will agree to vote all of its shares of Common Stock and Series A Preferred Stock in favor of the Proposed Amendment. If the Record Date is after the Closing, then the terms of such voting agreement will be in effect and HEYCO will have agreed to vote its shares of Common Stock and Series A Preferred Stock in favor of the Proposed Amendment. Please see the section entitled Ancillary Agreements Voting Agreement beginning on page 16 of this Proxy Statement for a description of the Voting Agreement.

The cost of preparing and mailing this Proxy Statement, the accompanying Notice of Special Meeting and proxy and any additional materials relating to the Special Meeting and the cost of soliciting proxies will be borne by the Company. We have engaged MacKenzie Partners, Inc. (the Proxy Solicitor), a professional solicitation firm, as proxy solicitor for the Special Meeting, to whom we expect to pay approximately \$[] for the services it will perform in connection with the Special Meeting. Further, the Company will reimburse the Proxy Solicitor for its reasonable out-of-pocket expenses in connection therewith.

In addition to solicitation by mail, our directors, officers and employees may solicit proxies from shareholders by telephone or facsimile or in person. None of our directors, officers or employees will receive additional compensation for such solicitation. We will supply banks, brokers, dealers and other custodian nominees and fiduciaries with proxy materials to enable them to send a copy of such materials by mail to each beneficial owner of shares of Common Stock that they hold of record and will, upon request, reimburse them for their reasonable expenses in doing so.

Shareholders are not being asked to approve the Merger and the Merger is not conditioned on shareholder approval of the Proposed Amendment. The Company expects to consummate the Merger prior to the Special Meeting and regardless of whether or not the Proposed Amendment is approved. Information provided herein with respect to the Merger Agreement, the Merger and the transactions contemplated thereby is for informational purposes only.

SUMMARY TERM SHEET

At the Special Meeting, you will be asked to approve an amendment to Section 1 of Article 4 of the Company's amended and restated certificate of formation (the "Certificate of Formation") to (i) increase the number of shares of Common Stock that the Company is authorized to issue to 120,000,000 and (ii) increase the total number of shares of capital stock that the Company is authorized to issue to reflect such increase in the Company's authorized Common Stock (the "Proposed Amendment"). Once the Proposed Amendment is approved by the Company's shareholders and the Certificate of Amendment is filed with the Secretary of State of the State of Texas (and evidence of such filing is received), all issued and outstanding shares of Series A Preferred Stock will automatically convert into shares of Common Stock. The Series A Preferred Stock will be issued in connection with the Merger Agreement and is described in more detail beginning on page 15 of this Proxy Statement. Following is a Summary Term Sheet regarding the Merger Agreement and the transactions contemplated thereby.

Parties to the Merger Agreement:

HEYCO Energy Group, Inc., a Delaware corporation

Harvey E. Yates Company, a New Mexico corporation, which will reincorporate as a Texas corporation prior to the Closing

Matador Resources Company, a Texas corporation

MRC Delaware Resources, LLC, a Texas limited liability company
("MRC Delaware")

The Merger:

On January 19, 2015, the Company entered into an Agreement and Plan of Merger (as amended, the "Merger Agreement") with HEYCO and the Target in which the Target will merge with and into MRC Delaware (the "Merger"), with MRC Delaware continuing as a wholly-owned subsidiary of the Company and holding all of the assets of the Target, including certain oil and natural gas properties in Lea and Eddy Counties, New Mexico.

Board Appointment:

Subject to the Closing, which is expected to occur on February 27, 2015, the Board has (i) increased the size of the Board from eight to nine members and (ii) appointed George M. Yates, the Chairman, President and Chief Executive Officer of HEYCO, to fill the vacancy created by such increase until the next election of directors by the Company's shareholders and, thereafter, until his successor is duly appointed. In addition, subject to the Board's fiduciary duties, the Company has agreed in the Merger Agreement to nominate Mr. Yates for re-election at the Company's 2015 Annual Meeting.

Consideration:

The Company will pay aggregate cash and equity consideration in the Merger, subject to certain adjustments, consisting of (i) \$37.4 million in cash (including the assumption of debt), (ii) 3,140,960 shares of Common Stock and (iii) 150,000 shares of Series A Preferred Stock. The Company and HEYCO have agreed to deposit at the Closing a portion of the shares of Series A Preferred Stock issued pursuant to the Merger Agreement into escrow to satisfy potential title defect and environmental condition claims. The shares of Series A Preferred Stock held in escrow will be subject to the terms of an escrow agreement to be entered into at the Closing among the Company,

HEYCO and an escrow agent to be agreed upon by the Company and HEYCO. The private placement of the Common Stock and Series A Preferred Stock will be made in reliance upon an exemption from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), pursuant to Section 4(a)(2) thereof.

Rights and Preferences of the Series A

Preferred Stock:

The shares of Series A Preferred Stock will be entitled to receive any cash dividends declared on the Common Stock on an as-converted basis. In addition, if the Proposed Amendment is not approved by the Company's shareholders within six months after the Closing, the holders of Series A Preferred Stock will be entitled to receive dividends on the Series A Preferred Stock in cash at a quarterly rate of \$1.80 per share of Series A Preferred Stock. The holders of Series A Preferred Stock will vote together with the holders of Common Stock as a single class on an as-converted basis, except with respect to matters to which the holders of Common Stock have a separate class vote as required by applicable law or regulation, in which case the holders of Common Stock will vote as a separate class. The holders of Series A Preferred Stock will vote as a separate class on matters that would adversely affect the holders of Series A Preferred Stock as compared to the holders of Common Stock.

Conversion of Series A Preferred

Stock:

Once the Proposed Amendment is approved by the Company's shareholders and the Certificate of Amendment is filed with the Secretary of State of the State of Texas (and evidence of such filing is received), all issued and outstanding shares of Series A Preferred Stock will automatically convert into shares of Common Stock.

Ancillary Agreements:

The Company and HEYCO have agreed to deposit at the Closing a portion of the shares of Series A Preferred Stock issued pursuant to the Merger Agreement into escrow to satisfy potential title defect and environmental condition claims. The shares of Series A Preferred Stock held in escrow will be subject to the terms of an escrow agreement to be entered into at the Closing among the Company, HEYCO and an escrow agent to be agreed upon by the Company and HEYCO. The Company has also agreed to enter into a registration rights agreement with HEYCO at the Closing, pursuant to which the Company will be required, upon request from HEYCO at any time after the one year anniversary of the Closing, to file and maintain a shelf registration statement with respect to the resale of the shares of Common Stock issued as consideration in the Merger and upon conversion of the Series A Preferred Stock, respectively, and to provide piggyback registration rights for such shares of Common Stock. In addition, at the Closing, HEYCO will enter into a voting agreement with the Company pursuant to which HEYCO will agree to vote all of its shares of Common Stock and Series A Preferred Stock in favor of the Proposed Amendment if the Record Date is after the Closing.

What constitutes a quorum?

A majority of the shares entitled to vote, present in person or represented by proxy, constitutes a quorum. If you vote by telephone or Internet or by returning your Proxy Card, you will be considered part of the quorum. The Inspector of Election will treat shares represented by a properly executed proxy as present at the meeting. Shares held by a shareholder who abstains from voting on the Proposed Amendment will be included for the purpose of determining the presence of a quorum. Broker non-votes will not be considered present and entitled to vote on the Proposed Amendment for quorum purposes. A broker non-vote occurs when a nominee holding shares for a beneficial owner submits a proxy but does not vote on a particular proposal because the nominee does not have discretionary voting power for that item and has not received instructions from the beneficial owner.

How many votes will be required to approve the Proposed Amendment?

The Proposed Amendment requires the affirmative vote of two-thirds of the outstanding shares of Common Stock and, if the Record Date is after the Closing, Series A Preferred Stock, which will vote as a separate class. Shares cannot be voted at the Special Meeting unless the holder of record is present in person or by proxy. All shares that have been properly voted pursuant to a proxy and not revoked will be voted at the meeting. If you sign and return your proxy but do not make any of the selections, the named proxies will vote your shares FOR the Proposed Amendment. Pursuant to the Merger Agreement, at the Closing, HEYCO will enter into the Voting Agreement pursuant to which HEYCO will agree to vote all of its shares of Common Stock and Series A Preferred Stock in favor of the Proposed Amendment if the Record Date is after the Closing. Please see the section entitled Ancillary Agreements Voting Agreement beginning on page 16 of this Proxy Statement for a description of the Voting Agreement.

Can brokers who hold shares in street name vote those shares if they have received no instructions?

Under the rules of the New York Stock Exchange (NYSE), brokers may not vote the shares held by them in street name for their customers and for which they have not received instructions, except with respect to a routine matter. The Proposed Amendment is not considered a routine matter. Accordingly, brokers may not vote your shares on the Proposed Amendment if you have not given specific instructions as to how to vote. Please be sure to give specific voting instructions to your broker so that your vote will be counted.

How will you treat abstentions and broker non-votes?

Shares of a shareholder who abstains from voting on the Proposed Amendment will be included for the purpose of determining the presence of a quorum, but an abstention will effectively count as a vote cast against the Proposed Amendment. Broker non-votes will not be counted in determining the outcome of the Proposed Amendment.

Who pays the solicitation expenses?

The cost of preparing and mailing this Proxy Statement, the accompanying Notice of Special Meeting and proxy and any additional materials relating to the Special Meeting and the cost of soliciting proxies will be borne by the Company. We have engaged MacKenzie Partners, Inc. (the Proxy Solicitor), a professional solicitation firm, as proxy solicitor for the Special Meeting, to whom we expect to pay approximately \$[] for the services it will perform in connection with the Special Meeting. Further, the Company will reimburse the Proxy Solicitor for its reasonable out-of-pocket expenses in connection therewith.

In addition to solicitation by mail, proxies may be solicited personally by our directors, officers or employees, none of whom will receive additional compensation for such solicitation. Those holding shares of Common Stock or Series A Preferred Stock of record for the benefit of others, or nominee holders, are being

asked to distribute proxy soliciting materials to, and request voting instructions from, the beneficial owners of such shares. We will reimburse nominee holders for their reasonable out-of-pocket expenses.

APPROVAL OF THE AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF FORMATION TO INCREASE THE AMOUNT OF AUTHORIZED COMMON STOCK

Introduction

The Certificate of Formation currently authorizes the issuance of 80,000,000 shares of the Company's Common Stock. On January 19, 2015, the Board unanimously adopted a resolution approving, and recommending that the Company's shareholders approve, an amendment to Section 1 of Article 4 of the Certificate of Formation to (i) increase the number of shares of Common Stock that the Company is authorized to issue to 120,000,000 and (ii) increase the total number of shares of capital stock that the Company is authorized to issue to reflect such increase in the Company's authorized Common Stock.

As of the Record Date, there were [] shares of Common Stock outstanding. In addition to these shares, as of the Record Date, there were [] shares of Common Stock reserved for issuance under the Company's equity compensation plans, [] shares of Common Stock issuable upon conversion of outstanding options and/or the vesting of outstanding restricted stock units issued by the Company [and [] shares of Series A Preferred Stock held by HEYCO that are convertible into [] shares of Common Stock (subject to adjustment pursuant to the Merger Agreement, and some of which shares of Series A Preferred Stock will be held in an escrow account pursuant to the Merger Agreement and related escrow agreement)]. Accordingly, as of the Record Date, the Company had only [] shares of Common Stock available for other corporate purposes.

Purpose of the Proposed Amendment

The purpose of the Proposed Amendment is to (i) provide sufficient additional authorized shares of Common Stock so that all of the outstanding shares of Series A Preferred Stock issued to HEYCO in connection with the Merger may be converted into shares of Common Stock and (ii) give the Company flexibility to take timely advantage of market conditions and opportunities to issue shares of Common Stock for various future corporate purposes, including potential strategic transactions (including mergers, acquisitions and other business combinations), capital-raising or financing transactions, grants and awards under equity compensation plans, stock splits and stock dividends.

As a general matter, the additional shares of Common Stock would be available for issuance without further action by shareholders unless such action is required by applicable law or the rules of any stock exchange on which the Common Stock may be listed.

If the Proposed Amendment is approved, approximately 1,500,000 shares of Common Stock will be issued to the holders of Series A Preferred Stock in conversion of the 150,000 shares of Series A Preferred Stock to be issued to HEYCO at the Closing (subject to adjustment pursuant to the Merger Agreement, and some of which shares of Series A Preferred Stock will be held in an escrow account pursuant to the Merger Agreement and related escrow agreement). Other than such issuance to HEYCO upon conversion of the Series A Preferred Stock, the Company has no other present plans, commitments, arrangements, understandings or agreements, written or otherwise, to issue any of the additional shares of Common Stock that would be authorized by the Proposed Amendment.

The Board believes that the Proposed Amendment is necessary to provide sufficient additional authorized shares of Common Stock so that all of the outstanding shares of Series A Preferred Stock issued to HEYCO in connection with the Merger may be converted into shares of Common Stock and to give the Company flexibility to issue shares of Common Stock for future corporate needs. Accordingly, the Board has declared the Proposed Amendment to be advisable and in the best interests of the Company and its shareholders. Shareholder approval of the Proposed Amendment is not a condition to the Merger. The Company expects to consummate the Merger prior to the Special Meeting and regardless of whether or not the Proposed Amendment is approved.

Text of the Proposed Amendment

The Company proposes to amend Section 1 of Article 4 of the Certificate of Formation so that it would state in its entirety as follows:

Classes of Stock and Authorized Shares. The Corporation is authorized to issue two classes of stock which shall be designated, respectively, Common Stock and Preferred Stock. The aggregate number of shares of all classes of stock which the Corporation shall have authority to issue is one hundred twenty-two million (122,000,000), consisting of (a) one hundred twenty million (120,000,000) shares of Common Stock having a par value of \$0.01 per share (Common Stock), and (b) two million (2,000,000) shares of Preferred Stock, par value \$0.01 per share (Preferred Stock).

The only substantive changes that would be made to Section 1 of Article 4 of the Certificate of Formation, as currently in effect, would be to increase the number of shares of Common Stock that the Company may issue from 80,000,000 shares to 120,000,000 shares and to reflect a corresponding increase in the aggregate number of shares of capital stock that may be issued from 82,000,000 to 122,000,000 shares.

Potential Effects of the Proposed Amendment

If the Proposed Amendment is approved by the Company's shareholders, the additional authorized shares of Common Stock would have rights identical to holders of the Company's currently outstanding shares of Common Stock. Under the Certificate of Formation, holders of Common Stock do not have preemptive rights to subscribe to additional securities which may be issued by the Company (including Series A Preferred Stock or any new issuances of Common Stock), which means that current shareholders do not have a prior right to purchase any new issue of our capital stock in order to maintain their proportionate ownership.

Future issuances of shares of Common Stock, including the conversion of Series A Preferred Stock into Common Stock (as discussed herein), or securities convertible into shares of Common Stock could have a dilutive effect on the Company's earnings per share, book value per share and the voting interest and power of current shareholders since holders of Common Stock are not entitled to preemptive rights.

The Board has not authorized the increase in the authorized number of shares of Common Stock with the intention of using the additional shares for anti-takeover purposes, although the Company could theoretically use the additional shares to make it more difficult, or to discourage an attempt, to acquire control of the Company. The Board is not aware of any pending or threatened efforts to acquire control of the Company.

Appraisal Rights

Under the Texas Business Organizations Code (the TBOC), the Company's shareholders are not entitled to appraisal or dissenter's rights with respect to the Proposed Amendment, and the Company will not independently provide its shareholders with any such rights.

Timing of the Proposed Amendment

If the Proposed Amendment is approved by the Company's shareholders, it will become effective upon the filing of a Certificate of Amendment to the Certificate of Formation with the Secretary of State of the State of Texas (and evidence of such filing is received), which the Company expects to file promptly after the Special Meeting. If the Proposed Amendment is not approved by the Company's shareholders, the number of authorized shares of Common Stock will remain unchanged.

Board Recommendation

The Board unanimously recommends that shareholders vote FOR approval of the Proposed Amendment.

Reasons for Engaging in the Transaction

The Board unanimously (i) determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, are in the best interests of the Company and its shareholders and (ii) approved the Merger Agreement and the transactions contemplated thereby.

In evaluating the Merger Agreement and related transactions contemplated by the Merger Agreement, the Board consulted with the Company's management and advisors and, in approving and reaching its determination that the Merger Agreement and such transactions are in the best interests of the Company and its shareholders, the Board considered the following factors that supported such determination:

the view that the transactions contemplated by the Merger Agreement meet the strategic objectives established by the Board and management of the Company with respect to achieving increased operational

scale in the Delaware Basin and strengthening the Company's financial position;

the fact that, following the transactions contemplated by the Merger Agreement, the Company's shareholders will have the opportunity to participate in the significant value creation of the transactions contemplated by the Merger Agreement and benefit from any increases in the value of the Assets;

the fact that essentially all of the acreage to be acquired in the Merger is held by production from existing wells and production units;

the view that the transactions contemplated by the Merger Agreement should result in an improved potential total return to the Company's shareholders;

the opportunity to align with the Target, an experienced exploration and production company in the state of New Mexico, and its Chairman, Chief Executive Officer and President, George M. Yates, a respected and experienced oil and natural gas professional;

the attractive location of the Assets, in relation to the Company's existing Permian Basin acreage;

the significant experience and tenure of existing employees of the Target; and

all of the terms and conditions of the Merger Agreement, including, among other things, the representations, warranties, covenants and agreements of the parties, the conditions to the Closing, the form and structure of the consideration being paid and the termination rights.

The above discussion of the information and factors considered by the Board is not intended to be exhaustive, but includes the material matters considered. In reaching its determination to approve the Merger Agreement and the transactions contemplated thereby, the Board did not quantify, rank or assign any relative or specific weight to the foregoing factors, and individual members of the Board may have considered various factors differently. The Board did not undertake to make any specific determination as to whether any factor, or any particular aspect of any factor, supported or did not support its ultimate determination. The Board based its recommendation on the totality of the information presented.

Federal Income Tax Consequences of the Merger

The following disclosure is based on the Internal Revenue Code of 1986, as amended (the Code), laws, regulations, rulings and decisions in effect as of the date of the Merger, all of which are subject to change, possibly with retroactive effect, and to differing interpretations. We did not request or receive a ruling from the Internal Revenue Service with regard to the consequences of the Merger. Nevertheless, it is a condition to the completion of the Merger that we obtain an opinion from counsel that the Merger will qualify as a reorganization under Section 368(a) of the Code. Opinions of counsel are based on, among other things, current law and certain assumptions and representations as to factual matters, which if incorrect in certain material respects would jeopardize the conclusions reached by counsel in its opinion. Furthermore, there can be no assurance that future legislation, regulations, administrative rulings or court decisions would not alter the consequences set forth below.

The Merger is intended to qualify as a reorganization under Section 368(a) of the Code. Assuming the Merger qualifies as such a reorganization, no gain or loss will be recognized by the Company or the Target as a result of the Merger.

Legal and Regulatory Requirements

In connection with the Merger, except for the expiration or termination of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), and the filing of a certificate of

Edgar Filing: Matador Resources Co - Form PRE 14A

merger with the Secretary of State of the State of Texas, no federal or state regulatory requirements or approvals are required to be complied with or obtained. On January 27, 2015, the Company and HEYCO completed filings with the Federal Trade Commission and Department of Justice under the HSR Act, and requested early termination of the applicable waiting periods thereunder. On February 6, 2015, the Company and HEYCO received early termination of the applicable waiting periods under the HSR Act.

Texas law governs the steps that the Company, which is a Texas corporation, is required and/or permitted to take in issuing stock. Under Texas law, Matador shareholder approval was not required to approve the Merger

Agreement and is not be required to consummate the Merger. In addition, advance shareholder approval was not required to create or issue shares of the Series A Preferred Stock. The Company's Certificate of Formation authorizes us to issue up to 2,000,000 shares of preferred stock and gives the Board the authority to create one or more classes of preferred stock and to designate the rights, privileges and preferences of each such class.

The Merger Agreement is not conditioned on the approval of the Proposed Amendment. If, for any reason, the Company's shareholders do not approve the Proposed Amendment at the Special Meeting as set forth in this Proxy Statement, it would have no impact on the effectiveness of the Merger or the Company's ability to consummate the Merger.

The Series A Preferred Stock will be issued in a private placement of securities exempt from registration under Section 4(a)(2) of the Securities Act. The Company's reliance on the exemption from the registration requirement afforded by Section 4(a)(2) of the Act is based on the following:

HEYCO was advised prior to the Merger Agreement that, among other things, none of the shares of the Series A Preferred Stock that would be issued pursuant to the Merger Agreement nor any of the shares of the Company's Common Stock issuable upon conversion of the Series A Preferred Stock would be registered under the Securities Act and therefore none of the issued or issuable shares would be transferable.

HEYCO was provided access to the Company's recent filings with the SEC.

All communications with HEYCO were effected without any general solicitation or public advertising.

Pursuant to Section 5.2(g)(iv) of the Merger Agreement, HEYCO represented and warranted to the Company and MRC Delaware that HEYCO is an accredited investor within the meaning of Rule 501 of Regulation D under the Securities Act, and that HEYCO is acquiring the Common Stock and Series A Preferred Stock for its own account for investment and not with a view to, or for sale or other disposition in connection with, any distribution of all or any part thereof, except in compliance with applicable federal and state securities laws.

Background of the Merger

The terms of the Merger Agreement are the result of arm's-length negotiations between certain executive officers and representatives of the Company and HEYCO. The following is a summary of the background of these negotiations.

Joseph Wm. Foran, Chairman and Chief Executive Officer of the Company, and George M. Yates, Chairman, Chief Executive Officer and President of HEYCO, have known each other since the early 1980s and have conducted business with each other's companies from time to time.

On an ongoing basis, the Company evaluates many opportunities, including acquisitions of oil and natural gas properties and oil and natural gas companies in its areas of interest.

In May 2014, a disinterested third party contacted Van H. Singleton, II, the Company's then Vice President of Land, regarding the fact that HEYCO may have acreage that was complementary to the Company's existing Permian Basin acreage and that HEYCO may be considering its alternatives for developing its acreage. Mr. Singleton advised Mr. Foran of this possibility. Then in early September 2014, Mr. Foran contacted Mr. Yates about the Company's interest in certain of HEYCO's Delaware Basin acreage. Following that conversation, on September 5, 2014, Trent

Edgar Filing: Matador Resources Co - Form PRE 14A

Green, Chief Operating Officer of the Target, and other representatives of HEYCO met with the Company's management team and technical staff, including Mr. Foran, Mr. Singleton, Matthew V. Hairford, President, David E. Lancaster, Executive Vice President, Chief Operating Officer and Chief Financial Officer, and Bradley M. Robinson, Vice President of Reservoir Engineering and Chief Technology Officer, and provided an overview of the Target's oil and gas properties.

Following the technical overview of HEYCO's properties, the Company and HEYCO entered into a confidentiality agreement, and the Company was provided with a confidential information memorandum related to the Target. Following the receipt of this confidential information memorandum, the parties had further discussions about the potential transaction and additional materials were provided by representatives of HEYCO to representatives of the Company to assist the Company in evaluating the Target.

During September 2014, representatives of HEYCO were also conducting a series of presentations to other industry participants regarding strategic alternatives for the Target's properties and business. During this period, HEYCO and the Company continued to discuss initial matters related to a possible transaction, including their relative plans and objectives for the Assets.

In early October 2014, HEYCO's financial advisor advised the Company that HEYCO had concluded its presentations to other industry participants and was requesting that parties interested in conducting a transaction with respect to the Target or the Assets provide a proposal outlining the terms upon which such a transaction could be completed. On October 10, 2014, Craig N. Adams, Executive Vice President Land & Legal of the Company, sent a proposal on behalf of Mr. Foran to Mr. Yates relating to the potential acquisition by the Company of certain of HEYCO's Delaware Basin acreage. On October 13, 2014, representatives of HEYCO contacted Mr. Adams and asked that additional information be included in the Company's proposal.

On October 21, 2014, representatives of the Company, including Mr. Foran, Mr. Hairford, Mr. Adams, Mr. Singleton and Mr. Robinson, met with representatives of HEYCO, including Mr. Yates and Tara Lewis, Vice President of HEYCO. During such meeting, the Company provided HEYCO with a draft letter of intent related to a potential acquisition of certain properties of the Target. On November 6, 2014, representatives of HEYCO sent a revised version of the letter of intent on behalf of HEYCO to Mr. Foran proposing certain changes to the terms of the letter of intent initially proposed by the Company. Thereafter, representatives of each of the Company and HEYCO negotiated the terms of the letter of intent and exchanged several drafts of the letter of intent, and on November 19, 2015, the Company and HEYCO executed a letter of intent pertaining to the potential acquisition of the Target by the Company. Shortly thereafter, legal counsel for the parties began drafting the definitive documents related to the potential transaction.

On November 25, 2014, representatives of the Company distributed an initial draft of the Merger Agreement to representatives of HEYCO. Over the course of the next several weeks and culminating in the execution of the Merger Agreement and other related agreements, the management teams and legal advisors of the Company and HEYCO had frequent negotiations telephonically and in person regarding the terms of the Merger Agreement and related agreements. In particular, the parties negotiated the purchase price and adjustments to the purchase price, title and environmental due diligence review periods and remedies, closing conditions, the scope of the representations and warranties, matters for which the parties would be indemnified from and after the Closing, and the covenants applicable to the Company related to the Proposed Amendment.

On January 19, 2015, the Company, HEYCO and the Target executed the Merger Agreement. The Merger Agreement included a target closing date of February 27, 2015. The Company expects to close the Merger prior to the Special Meeting.

Description of Material Terms of the Series A Preferred Stock

The Series A Preferred Stock is convertible into shares of Common Stock on a basis of ten shares of Common Stock for each share of Series A Preferred Stock, subject to customary anti-dilution provisions. The holders of Series A Preferred Stock are entitled to one vote for each share of Common Stock into which such share of Series A Preferred Stock would be convertible. The holders of Series A Preferred Stock will vote together with the holders of Common Stock as a single class on an as-converted basis, except with respect to matters to which the holders of Common Stock

have a separate class vote as required by applicable law or

regulation, in which case the holders of Common Stock will vote as a separate class. The holders of Series A Preferred Stock will vote as a separate class on matters that would adversely affect the holders of Series A Preferred Stock as compared to the holders of Common Stock.

The shares of Series A Preferred Stock will be entitled to receive any cash dividends declared on the Common Stock on an as-converted basis. In addition, if the Proposed Amendment is not approved by the Company's shareholders prior to the date that is six months after the Closing, the holders of Series A Preferred Stock shall be entitled to receive dividends on the Series A Preferred Stock in cash at a quarterly rate of \$1.80 per share of Series A Preferred Stock. The Series A Preferred Stock is non-redeemable, and no holder of Series A Preferred Stock may sell or otherwise transfer the Series A Preferred Stock except to an affiliate of such holder.

Pursuant to Section 7.3 of the Merger Agreement, the Company has agreed to use reasonable efforts to cause its shareholders to approve the Proposed Amendment at the next regularly scheduled annual meeting of the Company's shareholders following the Closing or at a special meeting of the Company's shareholders occurring prior to such next annual meeting called for the purpose of approving the Proposed Amendment (the Shareholder Approval). If the Company's shareholders fail to approve the Proposed Amendment at the Special Meeting, the Company shall reintroduce the Proposed Amendment at each regularly scheduled annual meeting of shareholders until Shareholder Approval has been obtained.

In a liquidation or change of control (whether by asset sale, stock sale, merger or otherwise) prior to the conversion to Common Stock, each holder of Series A Preferred Stock will be entitled, at the option of such holder, to (i) a liquidation preference payable in cash equal to the Issue Price per share of Series A Preferred Stock (as defined in the statement of resolutions), plus accrued and unpaid dividends, (ii) the proceeds (including cash or stock or a combination thereof) that would be paid in respect of Common Stock on an as-converted basis or (iii) a preferred security, issued by the person surviving or resulting from such change of control event and containing powers, preferences, rights, qualifications, limitations and restrictions substantially equivalent to those of the Series A Preferred Stock.

Upon receipt of Shareholder Approval and evidence of filing of the Certificate of Amendment from the Secretary of State of the State of Texas, all outstanding shares of Series A Preferred Stock will automatically convert into shares of Common Stock. Upon conversion, the Series A Preferred Stock will no longer be outstanding, and the shares of Common Stock issued upon conversion will participate equally in dividends with all other shares of Common Stock.

Ancillary Agreements

Registration Rights Agreement

The Company has agreed to enter into a registration rights agreement with HEYCO at the Closing, pursuant to which the Company will be required, upon request from HEYCO at any time after the one year anniversary of the Closing, to file and maintain a shelf registration statement with respect to the resale of the shares of Common Stock issued as consideration in the Merger and upon conversion of the Series A Preferred Stock, respectively, and to provide piggyback registration rights for such shares of Common Stock.

Voting Agreement

Pursuant to the Merger Agreement, at the Closing HEYCO will enter into the Voting Agreement with the Company pursuant to which HEYCO will agree to vote all of its shares of Common Stock and Series A Preferred Stock held as of the Record Date (collectively, the Covered Shares) in favor of the Proposed Amendment at the Special Meeting if the Record Date is following the Closing and every other meeting of the Company's shareholders that is called and at which action is to be taken with respect to approval of the Proposed Amendment (including any adjournment or

postponement thereof), and on every action or approval by written

consent of the Company's shareholders with respect to the approval of the Proposed Amendment. Pursuant to the Voting Agreement, HEYCO will grant an irrevocable proxy to the Company and any designee of the Company to vote HEYCO's Covered Shares in accordance with the requirements of the Voting Agreement. The Voting Agreement will terminate on the date that the Series A Preferred Stock automatically converts into Common Stock pursuant to the statement of resolutions.

Escrow Agreement

The Company and HEYCO have agreed to deposit at the Closing a portion of the shares of Series A Preferred Stock issued pursuant to the Merger Agreement into escrow to satisfy potential title defect and environmental condition claims. The shares of Series A Preferred Stock held in escrow will be subject to the terms of an escrow agreement to be entered into at the Closing among the Company, HEYCO and an escrow agent to be agreed upon by the Company and HEYCO. Pursuant to the escrow agreement, any dividends issued with respect to the shares held in escrow will be deposited into the escrow account. Subject to the voting agreement described above, HEYCO will have the right to vote shares held in escrow.
