Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) Executive Change-in-Control Severance Plan

On May 20, 2015, the company's board of supervisory directors (the **Supervisory Board**), upon recommendation of the compensation committee of the Supervisory Board (the **Compensation Committee**), approved and adopted the Frank's International N.V. Executive Change-in-Control Severance Plan (the **Severance Plan**), to be effective as of May 20, 2015. The Severance Plan provides severance benefits for certain terminations following a change in control to our executive officers and other management employees who are selected by the compensation committee to participate in the plan. The compensation committee has initially selected the company's Chief Executive Officer (the **CEO**) and executive officers directly reporting to the CEO to participate in the Severance Plan and delegated to the CEO, in consultation with the Compensation Committee, the authority to select certain other executive officers or management employees to participate in the Severance Plan, provided the individuals meet certain eligibility criteria specified under the Severance Plan.

If a plan participant's employment with us is terminated by the participant for good reason (as defined in the Severance Plan) or by us other than for cause (as defined in the Severance Plan), in each case on or within 24 months following a change in control (as defined in the Severance Plan) and other than as a result of the participant's death or long-term disability, the participant is entitled to receive (i) a severance payment in an amount equal to 2.0 times the sum of (a) the participant's annual base salary, plus (b) the participant's target bonus amount, which is the product of his annual base salary and his bonus percentage, which severance payment will be payable in monthly installments through the end of the first year following the termination of employment; (ii) continued health coverage at the active employee rate for up to 18 months following termination of employment, but subject to cessation once the participant becomes eligible for coverage from a new employer; (iii) a pro-rated annual bonus for the calendar year in which the participant's employment termination date occurs; (iv) accelerated vesting of all outstanding, unvested equity awards; and (v) certain outplacement assistance benefits, as provided in each participant's participation agreement entered into under the Severance Plan.

The Severance Plan does not provide a tax gross-up provision for federal excise taxes that may be imposed under section 4999 of the Internal Revenue Code of 1986, as amended (the **Code**). Instead, the Severance Plan includes a modified cutback provision, which states that, if amounts payable to a plan participant under the Severance Plan (together with any other amounts that are payable by us as a result of a change in control (collectively, the **Payments**)) exceed the amount allowed under section 280G of the Code for such participant, thereby subjecting the participant to an excise tax under section 4999 of the Code, then the Payments shall either be: (i) reduced to the level at which no excise tax applies, such that the full amount of the Payments would be equal to \$1 less than three times the participant's base amount, (as defined under Code section 280G) or (ii) paid in full, with the participant being responsible for his excise and other taxes, whichever alternative produces the better net after-tax position for a participant. The Severance Plan may be amended or terminated by the Supervisory Board (including any successor board) at any time, except that no amendment may be made within two years following the occurrence of a change in control that would adversely affect any individual who is a plan participant on the change in control date.

The foregoing description of the Severance Plan is not complete and is qualified by reference to the full text of the Severance Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.
