**Item 1.01. Entry into a Material Definitive Agreement.**

On August 20, 2015, Marrone Bio Innovations, Inc. (the Company) issued and sold to Ivy Science & Technology Fund, Waddell & Reed Advisors Science & Technology Fund and Ivy Funds VIP Science & Technology (the Investors) senior secured promissory notes in the aggregate principal amount of \$40,000,000 (the Notes) and warrants to purchase up to 4,000,000 shares of common stock, \$0.00001 par value per share, of the Company (the Warrants) for an aggregate consideration of \$40,000,000, pursuant to a purchase agreement, dated August 20, 2015, by and among the Company and the Investors (the Financing).

The Notes will bear interest at a rate of 8% per annum payable semi-annually on June 30 or December 31 of each year, commencing on December 31, 2015, with \$10 million payable 3 years from the closing, \$10 million payable 4 years from the closing, and \$20 million due 5 years from the closing. The Notes contain customary covenants, in addition to the obligation to maintain cash and cash equivalents of at least \$15 million. The Notes provide for various events of default, including, among others, default in payment of principal or interest, breach of any representation or warranty by the Company or any subsidiary under any agreement or document delivered in connection with the Notes (the Loan Documents), a continued breach of any other condition or obligation under any Loan Document, certain bankruptcy, liquidation, reorganization or change of control events, the acquisition by any person or persons acting as group, other than the Investors, of beneficial ownership of 40% or more of the outstanding voting stock of the Company and certain events in which Dr. Pamela Marrone ceases to serve as the Company's chief executive officer.

The Notes are secured by substantially all the Company's personal property assets, as described in the Security Agreement entered into among the Company, Ivy Investment Management Company, as agent for the Investors (the Agent), and the Investors on August 20, 2015 (the Security Agreement). The Agent, acting behalf of the Investors, shall be entitled to have a first priority lien on the Company's intellectual property assets, pursuant to intercreditor arrangements with certain of the Company's existing lenders as represented by Gordon Snyder, an individual, as administrative agent and collateral agent for such lenders (the Snyder Agent).

The Warrants are immediately exercisable at an exercise price of \$1.91 per share (subject to adjustments) and may be exercised at a holder's option at any time on or before August 20, 2023. The Warrants provide that the Company shall not effect any exercise of a Warrant, and a holder shall not have the right to exercise any portion of a Warrant, to the extent that after giving effect to such issuance after exercise, the holder (together with the holder's affiliates, and any other person acting as a group together with the holder or any of the holder's affiliates), would beneficially own in excess of 19.99% of the number of shares of common stock outstanding immediately after giving effect to the issuance of shares of common stock issuable upon exercise of the Warrant. In addition, the Company will redeem the Warrants upon the occurrence of any Fundamental Transaction (as defined in the Warrants).

The Notes and the Warrants were offered and sold to accredited investors (as defined in Rule 501(a) of Regulation D) pursuant to an exemption from the registration requirements under Section 4(2) of the Securities Act of 1933 (the Securities Act) and Rule 506 of Regulation D promulgated thereunder.

In connection with the Financing, on August 19, 2015, the Company entered into an omnibus amendment to loan agreement (the Amendment) with the Snyder Agent. The Amendment amends the Loan Agreement dated as of October 2, 2012 (as amended by that certain Amendment and Consent dated as of April 10, 2013), by and between the Company, the lenders party thereto, and the Snyder Agent as administrative agent and collateral agent for such lenders (the Snyder Loan Agreement), relating to approximately \$12.6 million of outstanding indebtedness, including accrued interest. Under the Snyder Loan Agreement, as amended by the Amendment, interest on loans will accrue at a rate of 12% per annum until September 1, 2015, and thereafter will accrue at a rate of 18% per annum, and the Company will be permitted to prepay at any time the outstanding indebtedness under the Snyder Loan Agreement without penalty.
