### Item 7.01. Regulation FD Disclosure.

In response to a question on Expedia, Inc.'s (the "Company") fourth quarter 2015 earnings conference call held on February 10, 2016, reference was made to a 600 to 700 basis point negative impact to year-over-year adjusted EBITDA relating to changes in foreign exchange rates. This response addressed the impact of year-over-year changes in foreign exchange rates on the Company's fourth quarter 2015 adjusted EBITDA growth. On further review of the conference call transcript, the Company determined that the question was asked in relation to the impact of changes in foreign exchange rates on the Company's 2016 adjusted EBITDA growth guidance. In response to that question, the Company's full-year 2016 adjusted EBITDA growth guidance assumes foreign exchange rates as of the date of the Company's fourth quarter 2015 earnings call remain unchanged during 2016, resulting in an approximately 100 basis point negative impact to year-over-year growth.
