Item 5.02(e). Compensatory Arrangements of Certain Officers.

The executive officers of AmerisourceBergen Corporation (the Registrant) participate in the Registrant's annual incentive plan (AIP), an annual cash bonus program. On November 8, 2006, the Compensation Committee of the Board of Directors approved the AIP performance criteria for the Registrant's executive officers for fiscal year 2007.

In the case of the Registrant's executive officers, the Registrant seeks to align AIP payments primarily with the achievement of measurable Registrant and/or business group financial performance criteria and secondarily with the achievement of non-financial, individual criteria. Consistent with the Registrant's policies, financial performance criteria will be the primary determinant of each executive officer's AIP eligibility for fiscal year 2007. The financial performance criteria include various combinations of the following for each executive officer: earnings per share and return on committed capital at the Registrant level and, to the extent applicable for the particular executive officer, earnings before interest and taxes and return on committed capital at the business group level. The AIP performance criteria for fiscal year 2007 also include certain non-financial, individual objectives in the case of each executive officer. The target incentive levels for the executive officers under the AIP for fiscal year 2007 range from 100% to 120% of base salary.

Item 8.01. Other Events.

On November 9, 2006, the Registrant issued a news release announcing a 100% increase in its quarterly dividend to \$0.05 per share of common stock. The details of the dividend increase are set forth in the news release.

Item 9.01. Financial Statements and Exhibits.
