PURPOSE OF THE MEETING

The specific proposals to be considered and acted upon at the Annual Meeting are summarized in the accompanying Notice of Annual Meeting of Shareholders. The proposals are described in more detail in this Proxy Statement.

VOTING RIGHTS AND SOLICITATION

VOTING

Only holders of record of Mastech common stock, par value \$0.01 per share ("Common Stock"), as of the close of business on April 3, 2017 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting and any adjournments or postponements thereof. On April 3, 2017, there were 4,498,579 shares of Common Stock outstanding.

The presence in person or by proxy of the shareholders owning at least a majority of the total number of outstanding shares of Common Stock entitled to vote at the Annual Meeting is required to constitute a quorum for the transaction of business at the Annual Meeting. The holders of Common Stock have one vote for each share held by them as of the Record Date. Shareholders may not cumulate votes.

Your shareholder vote is important. Please vote as soon as possible to ensure that your vote is recorded promptly, even if you plan to attend the annual meeting in person. All shares of Common Stock represented by proxies that are properly signed, completed and returned to the Corporate Secretary of the Company at 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108 at or prior to the Annual Meeting will be voted as specified in the proxy. Broker non-votes will be counted for purposes of determining whether there is a quorum at the Annual Meeting, but will have no effect on the approval of any matter to come before the meeting.

PROPOSAL NO. 2

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

GENERAL

Following the 2013 Annual Meeting of Shareholders, our Board of Directors determined that an advisory vote on named executive officer compensation (commonly referred to as “say-on-pay”) will be held every year until the next time shareholders are required to cast an advisory vote on the frequency of the say-on-pay vote. Accordingly, we are asking our shareholders to cast an advisory vote on named executive officer compensation at this 2017 Annual Meeting of Shareholders, as presented in the Compensation Discussion and Analysis section beginning on page 12 and the compensation tables and associated narrative disclosures beginning on page 20.

Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success. The Compensation Committee believes an effective compensation program is one that is designed to recruit and retain executive leadership focused on attaining long-term corporate goals and increasing shareholder value. The Compensation Committee believes that it has taken a responsible approach to compensating our named executive officers.

Please read the Compensation Discussion and Analysis section of this proxy statement as well as the compensation tables and narratives for a more detailed discussion of our executive compensation programs, including information about the fiscal year 2016 compensation of our named executive officers.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal gives our shareholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote **FOR** the following resolution at the Annual Meeting:

RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s proxy statement for the 2017 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

VOTES REQUIRED

Approval of this proposal requires the affirmative vote of a majority of the votes cast by all shareholders entitled to vote on this proposal.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends a vote **FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission.**

independent director under the criteria adopted by the Board of Directors and under the applicable NYSE MKT listing standards. The Nominating and Corporate Governance Committee is responsible for recommending to the full Board candidates for election to the Board of Directors and for overseeing and making recommendations to the Board on all corporate governance matters.

The Nominating and Corporate Governance Committee will consider director candidates proposed by shareholders. To recommend a prospective nominee for the Nominating and Corporate Governance Committee's consideration, shareholders should submit the candidate's name and qualifications in writing to John J. Cronin, Jr., Corporate Secretary, Mastech Digital, Inc., 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108. The Company's Articles address the proper submission of a person to be nominated and set forth the proper form for a notice of nomination. Please refer to the 2018 SHAREHOLDER PROPOSALS OR NOMINATIONS section in this Proxy Statement for a summary of the procedures to request a person(s) to be nominated for election as a director of the Company.

The Nominating and Corporate Governance Committee will consider and evaluate candidates submitted by shareholders in accordance with the procedures set forth in the Company's Nominating and Corporate Governance Committee Charter and Corporate Governance Guidelines in the same manner as if such candidates were submitted by the Board of Directors. The Committee screens all potential candidates in the same manner regardless of the source of the recommendation. This assessment will include consideration of background, skills, needs, diversity, personal characteristics and business experience, as set forth in the Nominating and Corporate Governance Charter. The Board and the Nominating and Corporate Governance Committee believe it is essential that Board members represent diverse backgrounds. The Nominating and Corporate Governance Committee met three (3) times in 2016. All committee members attended all meetings.

This website also includes the Company's Code of Business Conduct & Ethics and Finance Code of Professional Conduct, which were adopted by the Board of Directors. Board Leadership Structure

The Company's policy as to whether the same person should serve as both the Chief Executive Officer and Chairman is based on the practice which best serves the Company's needs at any particular time. The Board believes that its current leadership structure, with Messrs. Wadhwani and Trivedi serving as Co-Chairmen and Mr. Gupta serving as the President and Chief Executive Officer, is appropriate given each of their respective past business experience.

COMPENSATION DISCUSSION AND ANALYSIS

The following compensation discussion and analysis summarizes the Company's philosophy and objectives regarding the compensation of its named executive officers, including how the Company determines elements and amounts of executive compensation. The following discussion and analysis should be read in conjunction with the tabular disclosures regarding the compensation of named executive officers for fiscal year 2016 and the report of the Compensation Committee of the Board of Directors, which immediately follows below.

Compensation Committee Roles and Responsibilities

The Compensation Committee is responsible for reviewing and approving matters involving the compensation of non-employee directors and executive officers of the Company, as described herein. The Compensation Committee is also responsible for periodically reviewing management development plans, approving public disclosure on compensation matters, making recommendations to the full Board on these and other compensation matters, and administering the Company's Stock Incentive Plan, as amended (the **Plan**).

It is the responsibility of the Compensation Committee to ensure that the total compensation paid to such officers is fair, reasonable and competitive. The Compensation Committee is composed entirely of independent directors and functions in accordance with the provisions of the Compensation Committee Charter, which is available on the Company's website at <http://www.mastechdigital.com/corporate-governance> under Investors.

The Compensation Committee has established a framework and compensation philosophy, pursuant to which decisions are made involving the compensation of all executive officers of the Company. This framework ensures that the total compensation paid to such executive officers is fair, reasonable and competitive in the judgment of the Compensation Committee. The Compensation Committee reviews, establishes, and approves all elements of compensation paid to the Chief Executive Officer (**CEO**), the Chief Financial Officer (**CFO**) and the Chief Information Officer (**CIO**). The Compensation Committee has delegated authority to the CEO to make determinations of appropriate salary and bonus amounts to other Company executives, provided such amounts conform to the framework established by the Compensation Committee. No other executive officers have a role in making executive officer compensation determinations.

Named Executive Officers

The Company's named executive officers for the 2016 fiscal year consisted of Messrs. Gupta, Horner, Cronin and Deet. Mr. Vivek Gupta was appointed the Company's President and Chief Executive Officer and a Director on March 1, 2016 following Mr. Horner's February 29, 2016 resignation. Mr. Deet ceased to be the Company's Vice President of Technology and Chief Information Officer on March 11, 2016.

Compensation Philosophy for Named Executive Officers

The Compensation Committee has adopted a compensation philosophy with respect to the named executive officers that supports the Company's belief that a strong executive management team, comprised of talented individuals in key positions, is critical to the development and growth of our business and to the creation of shareholder value. Accordingly, our executive officer compensation program is designed to attract, motivate and retain high-quality executives by providing total compensation that is performance-based and competitive with the markets and industries in which we compete for talent. A core objective guiding our executive officer compensation program is to emphasize pay-for-performance by linking compensation levels to shareholder value creation. Thus, we provide incentives to advance the interest of shareholders by targeting key financial and operational objectives for our named executive officers and deliver levels of compensation that are commensurate with the achievement of such performance measurements. Additionally, we provide long-term equity incentive awards to mitigate short-term risk-taking by our executives at the expense of long-term shareholder value. Our goals are:

to support our business strategy and financial plan by clearly communicating our goals and objectives to executives and by rewarding achievement;

to create a strong performance alignment with shareholders' interests; and

to attract and retain highly qualified executive talent.

The Compensation Committee has established a compensation structure to achieve these goals through a combination of three key compensation elements:

a base salary;

an annual performance-based cash bonus; and

grants of equity-based compensation, such as stock options and/or other stock awards, which may be subject to time-based and/or performance-based vesting requirements.

The Compensation Committee believes that this three-prong approach best serves the interests of our shareholders and safeguards against excessive risk-taking by our executives. This approach enables us to meet the requirements of the competitive environment in which we operate, while ensuring that executives are compensated in a manner that advances both the short and long-term interests of our shareholders. Under this program design, compensation for our executive officers involves a high proportion of pay that is at risk, namely the annual performance-based cash bonus and the value of stock options and/or stock awards.

Opportunities for excessive risk-taking by our executive officers, for short-term financial gain, are limited by the nature of our business. The element of compensation most exposed to self-serving actions by our executive officers is the annual performance-based cash bonus. In establishing specific performance criteria for the Company's executive officers, consideration is given to trade-off criteria which would mitigate self-serving actions by any individual executive. Additionally, organizational interaction and formal approval processes make it difficult for self-serving actions to be undertaken by any individual executive. While there is always the opportunity in every organization to manage for the short-term, the Compensation Committee believes that the equity-based component of compensation is a strong deterrent of such action. Based on its annual risk-related review, including the above program structure considerations, the combination of long and short-term programs, and possible compensation-based risks and means by which such risks may be mitigated, including through the operation of internal control structure and oversight, the Compensation Committee has determined that the Company's compensation policies and practices for its employees are not reasonably likely to have a material adverse effect on the Company.

Key Elements of and Factors Affecting Compensation

Edgar Filing: Mastech Digital, Inc. - Form DEF 14A

As discussed above, the three key elements of named executive officer compensation are: (a) base salary; (b) annual performance-based cash bonus; and (c) equity compensation. While each of these elements is

Table of Contents

discussed separately below, the Compensation Committee does consider and reviews the full compensation package afforded by the Company to its named executive officers. The Compensation Committee also reviews all executive employment contracts and the annual performance-based goals and objectives of all named executive officers.

Compensation Benchmarking

In the staffing industry, many industry peers have operational attributes that are very different from Mastech, which makes it challenging to engage in compensation benchmarking. The Company does look to various third-party reports and projections regarding the staffing industry, such as Staffing Industry Analysts (SIA), for general reference in establishing the Company's annual financial and operational objectives, but does not use any specific benchmark in making compensation decisions.

In 2012, the CEO, with the approval of the Compensation Committee engaged Veritas Executive Compensation Consultants, LLC on a limited basis to help with an internal review of executive compensation to ensure that existing total compensation levels, and the delivery of such, were appropriate and competitive in today's marketplace. The results and recommendations of these efforts were shared with the Committee for its consideration in early 2012. After due deliberation and detailed discussions related to these recommendations, the Committee recommended to the Board, and the Board approved the issuance of a performance share grant on July 19, 2012. The Compensation Committee did not engage a compensation consultant in 2013 through 2016.

Base Salaries for Named Executive Officers

The Company provides its named executive officers with a base salary to provide them with a minimum guaranteed compensation level for their services. The CEO, CFO and CIO's base salary is determined by the Compensation Committee by evaluating the responsibilities of the position held, the individual's experience and, to the extent possible, the competitive marketplace for executive talent. The base salary is intended to be competitive with base salaries paid to comparable officers at peer group companies with similar qualifications, experience and responsibilities.

In setting base salaries for the CEO, CFO and CIO, the Compensation Committee gives consideration to the following:

the nature and responsibility of the position and, to the extent available, salary norms for persons in similar positions at comparable companies;

the expertise, experience and effectiveness of the individual executive;

the competitiveness of the market for the executive's services; and

the recommendation of our CEO with respect to the compensation of the CFO and CIO.

The Compensation Committee has delegated the authority to the CEO to make determinations on appropriate base salaries for executive officers of the Company other than the CEO, CFO and CIO provided the amounts are within the framework and philosophy set forth by the Compensation Committee, discussed above.

Annual Bonuses for Named Executive Officers

In addition to a base salary, each named executive officer is eligible for an annual performance-based cash bonus. The Company has chosen to include annual performance-based cash bonuses as a material element in its compensation program. The bonus component is designed to motivate individual and team performance in attaining the current year's financial plan and business objectives. The Compensation Committee makes final determinations of annual performance-based bonuses for the CEO, CFO and CIO.

Table of Contents

In 2016, annual performance-based cash bonuses earned by the Company's named executive officers were as follows: Mr. Gupta earned \$145,833 or 100% of his at goal bonus amount prorated for employment with the Company in 2016. Mr. Gupta's base annual salary and his performance-based bonus were not increased during 2016 and remained at a base salary of \$350,000 and an at goal bonus target amount of \$175,000 for the full year 2016.

Mr. Horner's base annual salary and his performance-based bonus were not increased during 2016 and remained at a base salary of \$370,000 and an at goal bonus target amount of \$210,000 for the full year 2016.

In determining these compensation adjustments (excluding Mr. Gupta who joined the Company on March 1, 2016), the Compensation Committee evaluated the overall performance of the Company during 2015, the performance of each of our named executive officers in carrying out their responsibilities and their individual contributions to the Company's overall success.

Stock Incentive Plan and Awards to Named Executive Officers

The Company's long-term incentives are in the form of equity awards, such as stock options, stock appreciation rights, restricted or unrestricted stock awards and restricted stock unit performance share award grants, in accordance with the Plan. The objective of this compensation element is to align compensation over a multi-year period directly with the interests of our shareholders, by motivating and rewarding actions that create long-term shareholder value. The Committee believes that this compensation component also provides a strong deterrent from excessive risk-taking to achieve short-term financial rewards.

In determining the size and types of awards to be granted, the Compensation Committee considers an evaluation of competitive factors, including general reference to staffing industry practices, in conjunction with total compensation provided to the named executive officer, the recommendations of the CEO (except with respect to himself), as well as both Company and individual performance levels and the patterns and impact of prior awards.

During 2016, the Company issued 275,000 stock options to our named executive officers as follows:

Mr. Gupta received 250,000 stock options in March 2016.

Mr. Cronin received 25,000 stock options in July 2016.

The stock options vest annually over a five-year period from the date of issuance. Upon the occurrence of a change in control (as defined in the Plan) all outstanding shares would immediately vest and become fully payable.

Further details of the Company's equity awards are set forth in the table entitled "Grants of Plan-Based Awards".

Other Considerations

Retirement Benefits

Each of the named executive officers is entitled to participate in the Company's tax-qualified defined contribution 401(k) plan on the same basis as all other eligible employees. Under the terms of the 401(k) plan, as prescribed by the Code, the 401(k) contribution of any participating employee is limited to a maximum percentage of annual pay or a maximum dollar amount (\$18,000 for 2016, subject to a \$6,000 increase for participants who are age 50 or older).

Perquisites

The Company does not have a formal program providing perquisites to its executive officers.

Consideration of Say-On-Pay Advisory Vote

At our 2016 annual meeting of stockholders, approximately 99.30% of our shareholders who voted on the say-on-pay advisory proposal approved the compensation we pay to our named executive officers. The Compensation Committee considered the result of this vote in determining the Company's compensation policies and decisions and believes that the nearly unanimous shareholder vote strongly supports our current compensation philosophy. Therefore, we have not modified our general compensation practices or philosophy in any manner as a result of the 2016 stockholder advisory vote.

Tax Deductibility of Compensation

Internal Revenue Code (the Code) Section 162(m) generally provides that the Company cannot deduct, for federal income tax purposes, compensation in excess of \$1,000,000 for any given year paid to its chief executive officer and the other three most highly compensated named executive officers employed at the end of the year (other than its chief financial officer), except to the extent such excess constitutes performance based compensation. In the course of structuring its compensation policies, the Compensation Committee considers ways to maintain the tax deductibility of named executive officer compensation; however, the Compensation Committee retains the discretion to compensate executives in a manner that it deems best suited to our compensation objectives and philosophy.

In general, the Compensation Committee's standard policy is to structure compensation arrangements in a manner that will avoid the deduction limitations of Section 162(m), except where it determines that exceeding these limitations is in the best interests of the Company and its shareholders. The Plan has been structured with the intention that stock options and, generally, performance based awards granted under the Plan qualify as

Table of Contents

performance based compensation and are generally exempt from the limitations on deduction. However, non-performance based awards, such as any time-vested full value awards under the Plan, will not qualify as performance based compensation for purposes of Section 162(m) and may not be deductible.

The following Compensation Committee Report is not considered proxy solicitation material and is not deemed filed with the SEC. Notwithstanding anything to the contrary set forth in any of our previous filings made under the Securities Act of 1933, as amended, and under the Exchange Act that might incorporate future filings made by the Company under those statutes, the Compensation Committee Report will not be incorporated by reference into any such prior filings or into any future filings made by the Company under those statutes.

Based on the review and discussion, the Committee has recommended to the Board that this Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Table of Contents**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

The following table shows the potential incremental payments and benefits which our named executive officers at December 31, 2016, would be entitled to receive upon termination of employment under their respective agreements. The amounts shown in the table are based on an assumed termination as of December 31, 2016, exclude payments and benefits that are provided on a non-discriminatory basis to our employees generally upon termination of employment and represent estimates of the incremental amounts that would be paid to each executive upon his termination based on base salary, if applicable, the annual performance-based bonus at the at goal target amount as of December 31, 2016, and our current premium costs for medical and welfare benefits. In addition, under the terms of our current year annual performance-based plan, our executives would become entitled to a bonus, determined under the plan terms, if they remained employed as of December 31 of the applicable year. As such, we would not consider the current year bonus payable to a named executive officer with a December 31 termination date to be a payment based upon termination, and no such payments have been included in this section. Further, if any of our named executive officers was terminated without cause by the Company during the calendar year, he would become entitled to a pro-rata bonus based upon the period of his employment during the year, with the amount determined based upon actual Company performance and payable when bonuses are generally paid in the following calendar year.

Name	Salary	Performance Bonus	Annual At Goal Equity Grants	Healthcare	Total
Vivek Gupta	\$ 350,000	\$ 175,000	\$	\$ 6,684	\$ 531,684
John J. Cronin, Jr.	250,000	140,000	44,613	2,004	436,617

All calculations were estimated based upon a December 31, 2016 termination scenario. The measurement date for the estimated Company equity awards was based upon a closing price of \$6.81 at December 31, 2016.

- (1) Upon termination other than for cause, Mr. Gupta would receive a one (1) year severance totaling \$350,000 paid over 26 bi-weekly periods and his annual performance-based bonus at goal target amount. Mr. Gupta would receive continued coverage under the Company's employee benefit plans (other than 401(k) or pension benefit coverage) in accordance with the Company's severance policy. Mr. Gupta would continue to vest in outstanding equity grants for a twelve (12) month period from such termination date. Upon termination for any reason, Mr. Gupta would be subject to nondisclosure, noncompetition and nonsolicitation agreements for a period of one (1) year after termination. Upon a change in control, Mr. Gupta would be entitled to 24 months of Company-paid healthcare insurance and a severance in an amount equal to two (2) times the sum of his average annual base salary and average annual performance-based bonus received over the previous 3-years, outplacement reimbursement of up to \$25,000 and full vesting of all outstanding equity awards issued pursuant to the Plan. If a change of control occurred on December 31, 2016, the total value to Mr. Gupta as described above would total \$498,350 in addition to the severance values shown in the above table.
- (2) Upon termination other than for cause, Mr. Cronin would receive a one (1) year severance totaling \$250,000 paid over 26 bi-weekly periods and his annual performance-based bonus at goal target amount. Mr. Cronin would receive continued coverage under the Company's employee benefit plans (other than 401(k) or pension benefit coverage) in accordance with the Company's severance policy. Mr. Cronin would continue to vest in outstanding equity grants for a twelve (12) month period from such termination date. Upon termination for any reason, Mr. Cronin would be subject to nondisclosure, noncompetition and nonsolicitation agreements for a period of one (1) year after termination. Upon a change in control, Mr. Cronin would be entitled to 24 months of Company-paid healthcare insurance and a severance in an amount equal to two (2) times the sum of his average annual base salary and average annual performance-based bonus received over the previous 3-years, outplacement reimbursement of up to \$25,000 and full vesting of all outstanding equity awards issued pursuant to the Plan. If a change of control occurred on December 31, 2016, the total value to Mr. Cronin as described above would total \$322,373 in addition to the severance values shown in the above table.

REPORT OF THE AUDIT COMMITTEE

This Audit Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall this information be incorporated by reference into any future filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, each as amended, except to the extent that the Company specifically incorporates it by reference into a filing.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. In addition, the Audit Committee selects the Company's independent public accountants. The Company's management was previously granted authority by the Audit Committee to hire the Company's audit firm for permissible, non-audit service projects under \$10,000 in fees per engagement and to notify the Audit Committee at the next regularly scheduled meeting of any such project awarded to the audit firm. Projects expected to be greater than \$10,000 must be pre-approved by the Audit Committee in advance of the commencement of any work.

Management is responsible for the Company's internal controls and the financial reporting process. The independent public accountants are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted accounting standards and to issue a report thereon. The Audit Committee's responsibility is to oversee these processes.

In fulfilling its duties, the Audit Committee has met and held discussions with management and the independent public accountants. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles and the Audit Committee has reviewed and discussed with management and the independent public accountants, the audited financial statements included in the Company's annual report on Form 10-K for the year ended December 31, 2016, as well as the Company's quarterly reports on Form 10-Q in 2016, and in all cases including detailed discussions of the accompanying footnotes and related Management's Discussion and Analysis. The Audit Committee discussed with the independent public accountants the matters required to be discussed by Auditing Standard No. 1301 (Communications with Audit Committees), as adopted by the Public Company Accounting Oversight Board.

During 2016, Company management documented, tested and evaluated the Company's internal control over financial reporting pursuant to the requirements of Section 404 of the Sarbanes-Oxley Act of 2002. The Audit Committee was kept apprised of the Company's progress by management. At the conclusion of the assessment, management provided the Audit Committee with its report on the effectiveness of the Company's evaluation which was included in the Company's Annual Report on Form 10-K for the year ended December 31, 2016. Company management concluded that the Company did maintain effective internal control over financial reporting at December 31, 2016.

In addition, the Audit Committee has discussed with the independent public accountants the auditor's independence from the Company and its management and has received the written disclosures and the letter from the independent accountants required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent public accountant's communications with the Audit Committee concerning independence. The Company paid its independent public accountants \$143,759 for services provided in 2016.

The Audit Committee discussed with the Company's independent public accountants the overall scope and plans for their audits. The Audit Committee meets with the independent public accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based upon the Audit Committee's discussions with management and independent public accountants and the Committee's review of the representations of management and the report of the independent public

FORM 10-K

A copy of the Company's Annual Report to Shareholders for the year ended December 31, 2016, as well as the Company's Annual Report on Form 10-K (without exhibits) for the year ended December 31, 2016, as filed with the SEC on March 24, 2017, is being mailed to the shareholders with this Proxy Statement. Exhibits will be provided upon request and payment of an appropriate processing fee.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement and annual report addressed to those shareholders. This process, which is commonly referred to as "householding," potentially means extra convenience for shareholders and cost savings for companies.

This year, a number of brokers with account holders who are Mastech shareholders will be "householding" our proxy materials. A single Annual Report and Proxy Statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a separate Proxy Statement and Annual Report, you may:

if you are a shareholder of record, direct your written request to our Corporate Secretary by e-mail to mhhsecretary@mastechdigital.com, or by fax to 412-291-3350 or by mail to Mr. John J. Cronin, Jr., Corporate Secretary, Mastech Digital, Inc., 1305 Cherrington Parkway, Building 210, Suite 400, Moon Township, PA 15108; or

Table of Contents

if you are not a shareholder of record, notify your broker.

We will promptly deliver, upon request to the Mastech e-mail, fax number or address listed above, a separate copy of the annual report and Proxy Statement to a shareholder at a shared address to which a single copy of the documents was delivered. If you currently receive multiple copies of the Proxy Statement at your address and would like to request householding of these communications, please contact your broker if you are not a shareholder of record; or contact our Corporate Secretary if you are a shareholder of record, using the contact information above.

WHERE YOU CAN FIND MORE INFORMATION
