ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS**Genesis Energy, L.P.**

Section 17-108 of the Delaware Revised Uniform Limited Partnership Act provides that, subject to such standards and restrictions, if any, as are set forth in its limited partnership agreement, a Delaware limited partnership may, and shall have the power to, indemnify and hold harmless any partner or other person from and against all claims and demands whatsoever. The partnership agreement of Genesis Energy, L.P. provides that Genesis Energy, L.P. will indemnify (to the fullest extent permitted by applicable law) certain persons (each, an Indemnitee) from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts incurred by such Indemnitee in connection with any claim, demand, action, suit or proceeding to which the Indemnitee is or was an actual or threatened party by reason or its status as an Indemnitee. This indemnity is available only if the Indemnitee acted in good faith, in a manner in which such Indemnitee believed to be in, or not opposed to, the best interests of Genesis and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful. Indemnitees include our general partner, any Departing Partner (as defined in the partnership agreement of Genesis Energy, L.P.), any affiliate of our general partner or any Departing Partner, any person who is or was a director, officer, employee, agent or trustee of our general partner or any Departing Partner or any affiliate of either (including Genesis Energy, L.P. and its subsidiaries),

or any person who is or was serving at the request of our general partner, any Departing Partner, or any such affiliate as a director, officer, employee, member, partner, agent fiduciary or trustee of another person. Expenses subject to indemnity will be paid by the partnership to the Indemnatee in advance, subject to receipt of an undertaking by or on behalf of the Indemnatee to repay such amount if it is ultimately determined that the Indemnatee is not entitled to indemnification. Genesis Energy, L.P. will, to the extent commercially reasonable, purchase and maintain insurance on behalf of the Indemnitees, whether or not Genesis Energy, L.P. would have the power to indemnify such Indemnitees against liability under the partnership agreement.

Genesis Energy, L.P. has entered into indemnification agreements with the directors of its general partner. Those agreements provide, among other things, that Genesis Energy, L.P. will indemnify each director in the event that such director becomes a party or otherwise a participant in any action or proceeding on account of such director's service as a director (or service for another entity in any capacity at the request of our general partner or Genesis Energy, L.P.) to the fullest extent permitted by applicable law. Under each indemnification agreement, Genesis Energy, L.P. has agreed to pay, in advance of the final disposition of any such action or proceeding, expenses (including attorneys' fees) incurred by each director in defending or otherwise responding to such action or proceeding. The contractual rights to indemnification provided by the indemnification agreements are subject to the limitations and conditions specified in those agreements, and are in addition to any other rights the directors may have under our general partner's limited liability company agreement and the partnership agreement of Genesis Energy, L.P. (each as amended from time to time) and applicable law. Our general partner is party to each of those indemnification agreements. Genesis Energy, L.P. has joint and several liability with our general partner for all obligations owed to those directors under those indemnification agreements. Under the partnership agreement of Genesis Energy, L.P., it has agreed to reimburse and indemnify our general partner for all costs and expenses it incurs in connection with being general partner of Genesis Energy, L.P., including any costs and expenses related to indemnifying its directors.

Reference is made to Exhibit 1.1 hereto, which will contain provisions for indemnification of Genesis Energy, L.P., our general partner and its directors, officers, and any controlling persons, against certain liabilities for information furnished by the underwriters and/or agents, as applicable, expressly for use in a prospectus supplement.

Genesis Energy Finance Corporation

Section 145 of the Delaware General Corporation Law empowers a Delaware corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than an action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Similar indemnity is authorized for such persons against expenses (including attorneys' fees) actually and reasonably incurred in connection with the defense or settlement of any such threatened, pending or completed action or suit if such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and provided further that (unless a court of competent jurisdiction otherwise provides) such person shall not have been adjudged liable to the corporation. Any such indemnification may be made only as authorized in each specific case upon a determination by the stockholders or disinterested directors or by independent legal counsel in a written opinion that indemnification is proper because the indemnitee has met the applicable standard of conduct.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145. Also, Article VIII of the certificate of incorporation and Article VIII of the bylaws of Genesis Energy Finance Corporation provide for the indemnification of directors and officers of the company and such directors and officers who serve at the request of the company as directors, officers, employees or agents of any other enterprise against certain liabilities under certain circumstances.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling our company as set forth above, we have been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore

unenforceable.

The indemnity may include expenses, including attorney fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Section 12:83 further provides that a Louisiana corporation may indemnify officers and directors in an action by or in the right of the corporation under the same conditions except that no indemnification is permitted without judicial approval if the director or officer shall have been adjudged to be liable for willful or intentional misconduct in the performance of his duty to the corporation. Where an officer or director is successful on the merits or otherwise in any defense of any action referred to above or any claim therein, the corporation must indemnify him against such expenses that such officer or director actually incurred. ITEM 17. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the

maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if information required to be included in a post-effective amendment by those paragraphs is contained in the reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933 each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
