Item 8. Submission of Shareholders Proposals for 2018 Proxy Statement

In accordance with Rule 14a-8 under the Securities Exchange Act of 1934, as amended, I hereby submit for presentation at the 2018 Annual Meeting of Shareholders (the "Meeting") of Avalon Holdings Corporation (the "Company") and inclusion in the proxy materials (i.e., the notice of meeting, proxy statement and proxy card) relating to the Meeting the following proposal and supporting statement:

1. Election of Class A Director Anil Choudary Nalluri, M.D. ABPN:
Enclosed is my resume

2. RESOLVED: That the shareholders of Avalon Holdings Corporation (the Company) authorize and direct the Company s Board of Directors to retain an investment bank to solicit offers for the purchase of the Company s stock or assets, and that the Board of Directors, within 120 days from the date of the approval of this resolution is directed to present the highest cash offer to purchase the Company s stock or assets to the shareholders for their acceptance or rejection of such offer.

Supporting Statement:

According to the publicly filed documents on December 31, 1998, the Company and cash equivalent of \$22,274,000, equal to approximately \$5.85 per share.

Mr. Klinge and the board of directors have not provided and lack visibility of providing a return justifying the use of approximately \$100 million dollars and borrowing an approximately additional \$20 million dollars at 6 percent interest. Corporate board members to whom I have spoken have stringent rates of return requirements for the approval of cash and cash investments. Judging from the results of the investment of \$100-\$130 million dollars in golf club renovations and the hotel& taking huge salaries bonuses this investment is wasted because the corporation has been losing money almost every year except 1 or 2 years.

I am the one and only outside Class A Shareholder who has attended all meetings with exception of 1 or 2. Mr. Klinge has repeatedly touted that he is making intelligent decisions contrary to that, I would say Mr. Klinge is doing the opposite evidenced by the stock has plummeted from \$8 a share to \$2 per share since April 30, 1998 to present. This is a clear evidence of Mr. Klinge's incompetency to run the board. Not only Mr. Klinge but the entire board is incompetent. Mr. Klinge should be ashamed of himself and resign immediately. I also believe a new CEO should be hired. If Mr. Klinge could have made rational decisions like Amazon, Apple Computer, and Tesla Motors the stock should have sky rocketed from \$8 a share to a much greater value.

If you invest approximately \$100 million dollars in the bank your return on that savings would amount to approximately \$3 million dollars per year.

However instead of Avalon Holdings Corporation making \$3 million in interest per year, the shareholders are losing approximately \$5 - \$6 million per year.

Allocation of capital by the company, the company's board of directors has been very disappointing. We believe it is essential that the board of directors focus its attention on maximizing shareholder value in order to preserve the diminished value that remains.

We believe this can be accomplished with the assistance of an investment bank retained by the company to solicit offers on behalf of the company for the purchase of the company's stock and/or assets. The highest cash offer would then be presented to the company's shareholders for their acceptance or rejection.

This proposal does not mandate the sale of the company but proposes a reasonable process to determine the true market value of the company and to give the shareholders the opportunity to determine the future course of the company. Strong support for this proposal would send a signal to the board of directors that shareholders are dissatisfied with its performance.

In my opinion the board of directors are rubberstamping Mr. Klinge's proposals. It seems to me like this is the blind leading the blind. Mr. Klinge is guarding the Avalon Holdings Corporation since its inception from 4-30-1998 to date for 19 years like a fox guarding a hen house.

We urge you to vote FOR this proposal.

The entire sale of Avalon Holdings 3.8 million share of the open stock exchange is only worth 8 million dollars. The stock is highly ill-liquid.

The outside Class A shareholders are losing money daily and the board of directors to include the CEO and the accountants are the only ones profiting from this venture.

you and your executive board do not deserve any bonuses, evidenced by the fact that in 1 years the stock value of Avalon Holdings has grossly plummeted from \$8 a share to \$2.00 trading range for the past 2-3 years. The book value of the stock price is \$9.98. How can you justify the stock being sold for $\frac{1}{4}$ - $\frac{1}{5}$ of the book value? I strongly recommend that all of your salaries must be frozen until you show profit and increase the shareholder value.

How can you justify the losses year after year for over 19 years? You have lost more money in the golf for the past 19 years. You never lost money in the garbage business.

You are making money in the garbage business and borrowing more money and you wasted approximately \$100 - \$130 million dollars in the golf related and hotel business. I was unable to have access to the records to know the exact amount. The \$100 -\$130 millions that includes:

1. Buying and leasing Country Clubs
2. Hughes salaries and bonuses to his self, his wife and all of the board members.
3. Building multiple swimming pools indoor and outdoor.
4. Indoor tennis courts.
5. Rebuilding old Avalon Inn Hotel by borrowing \$40 million-\$25 Million @ approximately 4-5% interest rate
6. I will add 3.4 million dollar investment for deep water injection wells.
7. Mr. Klinge collected 3.5 million dollars from outside investors for the deep water injection wells.
8. I will add this 6.9 million dollars into the originals \$100 -\$130 million dollars Mr. Klinge wasted.
9. From December 31, 1998 to November 18, 2002 in a period of just four years, Mr. Klinge wasted 18.4 million dollars in rebuilding golf clubs. No income or minimal income was generated from these 18.4 million dollars.
10. Mr. Klinge never gave a dime to outside shareholders from April 30, 1998 to date.
11. The Avalon Holdings Stock plummeted from \$8.00 a share to \$2.00.

The above is clear indication of your lack of due diligence, dereliction of fiduciary duty, and pure incompetence. In fact it is my opinion that you and the rest of the board should reevaluate your roles, which is why I am running for the Class A director because I could certainly do no worse and undoubtedly do a better job of investing the shareholders money.

None of you asked an independent agency to evaluate whether investing \$ 35-40 million dollars in the Avalon Hotel in a depressed, poor Mahoning and Trumbull counties was a lucrative endeavor. We are not in Florida, South Carolina, Las Vegas or anywhere in California where these types of luxury hotels are found.

For Proxy Card:

1. Authorize and direct Board of Directors to retain an investment bank to solicit offers for the Company's stock or assets and to present highest cash offer to shareholders within 120 days.

I currently own 719,234 shares of Common A stock of Avalon Holdings Corporation, which presently has a market value of \$1,438,468 at the market price of \$2.00 now.

I have included with this submission a letter from E-Trade Securities Corporation verifying that I own more than 20,000 shares as of the date of submission and that I have continuously held the shares for the past 19 years.

I intend to continue to hold these shares through the date of the Meeting. I either personally or through a representative also intends to attend the Meeting and present the proposal in this submission in accordance with Ohio law.
