Appointment of Oliver Ratzesberger as Chief Operating Officer

On January 31, 2018, the Board of Directors of Teradata Corporation (the Company) appointed Oliver Ratzesberger as Chief Operating Officer of the Company, effective as of February 5, 2018.

Mr. Ratzesberger, age 47, has served as the Executive Vice President and Chief Product Officer of the Company since August 2016. Previously, from June 2015 to August 2016, he was President, Teradata Labs and, from 2013 to June 2015, he led the software teams for Teradata Labs. Before joining the Company, he served as Vice President, Information Analytics and Innovation at Sears Holdings Corporation, from 2011 until 2013, and was at eBay Inc., from 2004 until 2011, where he was responsible for its data warehouse and big data platforms as its Senior Director, Analytics Platform.

There are no arrangements or understandings between Mr. Ratzesberger and any other person with respect to the appointments described above and there are no family relationships between Mr. Ratzesberger and any of the Company's directors or executive officers. There are no transactions to which the Company is a party and in which Mr. Ratzesberger has a direct or indirect material interest that would be required to be disclosed under Item 404(a) of Regulation S-K.

On February 5, 2018, the Company issued a press release announcing this leadership change. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Departure of Executive Vice President and Chief Business Officer

In connection with the creation of the position of Chief Operating Officer, the Board of Directors of the Company also decided to eliminate the position of Executive Vice President and Chief Business Officer, held by John Dinning, effective February 5, 2018. Accordingly, Mr. Dinning will cease to be an executive officer of the Company on that date, although he has agreed to remain as an employee of the Company through February 28, 2018 to assist with the transition of his roles and responsibilities.

In connection with his departure from the Company, Mr. Dinning will be entitled to receive benefits under the Teradata Executive Severance Plan as a Level I Participant. In addition, all of his outstanding stock options will vest as of February 28, 2018, and will be exercisable until the earlier of 59 days after such date or the expiration of the applicable option. His restricted share units (other than the restricted share units granted to him on November 27, 2017) also will vest as of February 28, 2018, and he will be fully vested in all of his performance-based restricted share units (other than the performance-based restricted share units granted to him on November 27, 2017) that are earned based on actual Company performance for the entire performance period and without regard to pro-rata. The restricted share units and performance-based restricted share units granted to Mr. Dinning on November 27, 2017 will be terminated and not vest upon his departure.
