We have based our forward-looking statements on our beliefs and assumptions based on information available to us at the time the statements are made. Forward-looking statements are statements that are not historical facts. These statements can be identified by the use of forward-looking terminology such as *believe*, *expect*, *may*, *will*, *should*, *project*, *plan*, *intend*, or *anticipate* or the negative thereof or comparable terminology, and include discussions of strategy, financial projections and estimates and their underlying assumptions, statements regarding plans, objectives, expectations or consequences of identified transactions or natural disasters, and statements about the future performance, operations, products and services of the companies.

We have based the forward-looking statements included or incorporated by reference in this prospectus primarily on our current expectations and projections about future events and trends that we believe may affect our business, financial condition, results of operations, prospects, business strategy and financial needs. The outcome of the events described in these forward-looking statements is subject to risks, uncertainties, assumptions and other factors described in the section captioned **Risk Factors** and elsewhere in this prospectus or documents incorporated by reference herein. Factors that could cause actual results to differ from those discussed in the forward-looking statements include, but are not limited to, those set forth herein or in our annual, quarterly and other reports we file with the SEC. Based upon changing conditions, should any one or more of these risks or uncertainties materialize, or should any underlying assumptions prove incorrect, actual results may vary materially from those described in any forward-looking statements. All subsequent written and oral forward-looking statements attributable to us or persons acting on our behalf are expressly qualified in their entirety by the applicable cautionary statements. We do not intend to update these forward-looking statements, except as required by applicable law. In light of these risks, uncertainties and assumptions, the forward-looking events discussed in this prospectus might not occur. The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are set forth in the section captioned "Risk Factors" and elsewhere in this prospectus or documents incorporated by reference herein, as updated by our subsequent filings under the Securities Exchange Act of 1934, as amended, or the Exchange Act.

The Company's forward-looking statements speak only as of the date of this report or as of the date they were made. The Company undertakes no obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise, except as required by applicable law.

USE OF PROCEEDS

We will receive proceeds from the sale of Ordinary Shares offered by this prospectus only to the extent that equity awards issued under the Plan are exercised for Ordinary Shares covered by this prospectus and are paid for in cash. Pending any specific application, the Registrant may initially invest funds in short-term marketable securities or apply them to the reduction of other short-term indebtedness. The Registrant cannot estimate the amount of any such proceeds at this time.

PLAN OF DISTRIBUTION

The Plan permits us to issue Ordinary Shares to our and our Affiliates (as defined in the Plan) eligible officers, directors, employees, consultants, persons who at the time of grant may be performing services for the Company and non-employee directors. Ordinary Shares being registered hereunder are issuable pursuant to stock options, restricted stock and other share-based award issued under the Plan.

Table of Contents

DESCRIPTION OF THE PLAN

On June 11, 2014, GI-Ireland's shareholders approved the Global Indemnity plc Share Incentive Plan. As a result of the redomestication, the Plan's sponsorship and existing obligations with respect to awards granted and outstanding were assumed by Global Indemnity and the Global Indemnity plc Share Incentive Plan was replaced with the Global Indemnity Limited Share Incentive Plan. The purpose of the Plan is to give the Company a competitive advantage in attracting and retaining officers, employees, consultants and non-employee directors by offering stock options, restricted shares and other stock-based awards.

Administration. The Plan is administered by the Compensation & Benefits Committee (the "Compensation Committee") of the board of directors of Global Indemnity (the "Board") or by a committee of the Board that may be designated from time to time to administer or make certain decisions required under the Plan. Subject to the terms and conditions of the Plan, the Compensation Committee is authorized to determine which eligible participants will be granted awards, determine the number of Ordinary Shares covered by an award, determine the terms and conditions of each award granted thereunder, amend awards, determine if amounts payable under an award may be deferred, adopt, alter and repeal any administrative rules and practices governing the Plan, interpret the terms of the Plan and any award granted under the Plan, adopt any sub-plans as necessary, and generally supervise and administer the Plan.

Ordinary Shares Available for Issuance. As of April 30, 2018, the number of Global Indemnity's Ordinary Shares reserved and available for issuance under the Plan was 831,800 shares, subject to any applicable increases or decreases as set forth in the terms of the Plan, and the number of Ordinary Shares which are subject to outstanding options was 600,000. Ordinary Shares which have been forfeited to Global Indemnity or awards which have been terminated without being exercised, shall be again available for distribution in connection with awards granted under the Plan. Ordinary Shares delivered or exchanged by a participant as full or partial payment to Global Indemnity for the exercise price or withholding taxes of an award shall be again available for purposes of awards under the Plan. The total number of Ordinary Shares subject to any stock option grant to any one participant shall not exceed 300,000 shares during each fiscal year of Global Indemnity. No one participant may be granted more than 50,000 shares in other share-based awards that are contingent upon the attainment of performance goals in any fiscal year of Global Indemnity.

Participants. The following Persons are eligible to be granted awards under the Plan: (i) Persons who are officers, directors, employees or consultants of Global Indemnity and/or any of its affiliates; (ii) Persons who at the time of grant may be performing (or subject to being required to perform) services for Global Indemnity or any of its affiliates (including, without limitation, officers, directors, employees, affiliates and consultants of FPC); and (iii) non-employee directors of Global Indemnity and its affiliates who are responsible for or contribute to the management, growth and profitability of the business of Global Indemnity and its affiliates. However, incentive stock options may be granted only to employees of Global Indemnity its subsidiaries or its parent. For purposes of the Plan, "FPC" means Fox Paine & Company and its subsidiaries and related entities and all partners, members, directors, employees, shareholders and agents of the foregoing and "Person" includes any individual, corporation, partnership, limited liability company, joint venture, trust, unincorporated organization, government (or any department or agency thereof) or other entity.

Table of Contents

Terms of Stock Options. The Compensation Committee is authorized to grant and administer stock options (including incentive stock options and nonstatutory stock options) under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee, subject to the terms of the Plan. For awards consisting of stock options, the exercise price shall be determined at the time of grant and may not be less than the fair market value of the Ordinary Shares subject to the option on the date the option is granted. The term of an option generally may not exceed ten years. The exercise price of options is payable in cash, in shares (including by withholding shares deliverable upon the exercise of options), bank check, or such other instrument or method of payment as the Compensation Committee may accept, as set forth in the individual award agreement. The Plan gives the Compensation Committee discretion to determine the exercisability of stock options granted under the Plan.

Generally, unless otherwise determined by the Compensation Committee or specified in the applicable option, employment or consulting agreement, in the event of a termination of a participant's employment for any reason, other than for cause, the vesting of any awarded stock options ceases, the term of any unvested stock options lapses and any vested and unvested portions will become unexercisable, except the participant shall have 90 days to exercise any vested stock options that are vested on the date of the participant's termination. In the event of a termination of a participant's employment for cause, all outstanding and unexercised stock options, whether vested or unvested, as of the time the participant is notified that his employment is terminated or if the participant voluntarily terminates employment within 90 days after an occurrence of an event that would be grounds for a termination for cause, will be cancelled immediately. Stock options granted under the Plan are generally not transferable other than by will or the laws of descent and distribution or as otherwise permitted under an applicable option agreement to a family member, and are only exercisable during the lifetime of the holder.

Terms of Restricted Shares. The Compensation Committee is authorized to grant and administer restricted shares under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee, subject to the terms of the Plan. Each participant receiving restricted shares shall be issued a share certificate in respect of such restricted shares, unless the Compensation Committee elects to use another system to evidence ownership of the restricted shares. Unless otherwise specified in the term of the agreement issuing the restricted shares, upon a participant's termination for any reason during the relevant restriction period, all unvested restricted shares will be forfeited to Global Indemnity, without compensation. Except as provided in the Plan, any participant who is issued restricted shares shall have all the rights of a shareholder of Global Indemnity that holds Ordinary Shares, including, if applicable, the right to vote the shares and the right to receive cash dividends or distributions.

Terms of Other Share-Based Awards. The Compensation Committee is authorized to grant and administer other share-based awards under the Plan. The terms of any awards granted under the Plan will be determined by the Compensation Committee, including if the award is payable in, valued in reference to or based on Ordinary Shares, subject to the terms of the Plan. The awards may be given purely as a bonus and not subject to any restrictions or conditions, in payment of the amounts due under an incentive or performance plan sponsored or maintained by Global Indemnity, as share appreciation rights, as share equivalent units, or as awards valued by reference to the book value of the Ordinary Shares. Other share-based awards may be given upon the achievement of performance goals, the criteria of which will be determined by the Compensation Committee, subject to the term of the Plan. Subject to the determination of the Compensation Committee, other share-based awards will be entitled to receive dividends or dividend equivalents with respect to the number of Ordinary Shares covered by the award, may be subject vesting or forfeiture, may be subject to special waivers of limitations by the Compensation Committee, may be issued for no cash consideration, may be priced as determined by the Compensation Committee and the Compensation Committee will determine the extent to which a participant's performance goals have been achieved.

Table of Contents

Amendments, Adjustments & Termination. The Board or the Compensation Committee may amend, suspend or terminate the Plan, prospectively or retroactively. However, unless otherwise required by law or the Plan, no amendment, suspension or termination shall be made that is adverse to the rights of a participant under any award without such participant's consent. In some cases, the Plan may not be amended without the approval of the stockholders of GI Cayman to the extent such approval is required under applicable NASDAQ rules, the Internal Revenue Code, and SEC rules. The Compensation Committee may amend the terms of any award that was previously granted, prospectively or retroactively, but no such amendment can be made that is adverse to the rights of the participant thereunder without the participant's consent. The Plan terminates on February 10, 2019, unless earlier terminated by the Board or the Compensation Committee. Awards outstanding as of such date shall not be affected or impaired by the expiration of the Plan and shall be subject to the terms of the Plan.

The foregoing description of the Plan does not purport to be complete and is qualified in its entirety by the full text of the Plan, a copy of which is filed herewith as Exhibit 4.1.

ENFORCEMENT OF CIVIL LIABILITIES UNDER UNITED STATES FEDERAL SECURITIES LAWS

We are an exempted company incorporated in the Cayman Islands. We were incorporated in the Cayman Islands in order to enjoy certain benefits, such as political and economic stability, an effective judicial system, a favorable tax system, the absence of exchange control or currency restrictions, and the availability of professional and support services. However, certain disadvantages accompany incorporation in the Cayman Islands. These disadvantages include a less developed body of Cayman Islands securities laws that provide significantly less protection to investors as compared to the laws of the United States, and the potential lack of standing by Cayman Islands companies to sue before the federal courts of the United States.

Table of Contents

Some of our officers and directors, as well as some of the experts named in this prospectus, reside outside the United States, and all or much of their assets are or may be located in jurisdictions outside of the United States.

As a result, it may be difficult to effect service in United States proceedings, recognize and/or enforce judgments of United States courts outside of the U.S., including judgments predicated upon the civil liability provisions of the securities laws of the United States or any state of the United States.

We have appointed Global Indemnity Group, Inc., located at Three Bala Plaza East, Suite 300, Bala Cynwyd, PA 19004, as our agent upon whom process may be served in any action brought against us under the laws of the United States.

Although there is no statutory enforcement in the Cayman Islands of judgments obtained in United States courts, a final and conclusive judgment in a federal or state court of the United States of competent jurisdiction for a liquidated sum of money, other than a sum payable in respect of taxes, fines, penalties or similar charges, and which was neither obtained in a manner nor is of a kind enforcement of which is contrary to natural justice or the public policy of the Cayman Islands and which is not inconsistent with a Cayman Islands judgment in respect of the same matters and not impeachable on grounds of fraud, may be subject to enforcement proceedings as a debt in the courts of the Cayman Islands under the common law without any re-examination of the merits of the underlying dispute.

There is doubt, however, as to whether the Cayman Islands courts would: (i) recognize or enforce judgments of United States courts predicated upon the civil liability provisions of the securities laws of the United States or any state of the United States, or (ii) in original actions brought in the Cayman Islands, impose liabilities predicated upon the civil liability provisions of the securities laws of the U.S or any state of the United States, in each case on the basis that such provisions are penal in nature.

Item 15. Indemnification of Directors and Officers.

Cayman Islands law does not limit the extent to which a company's articles of association may provide indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as providing indemnification against civil fraud or the consequences of committing a crime. Our amended and restated memorandum and articles of association provide that each officer or director shall be indemnified out of assets of our company against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such directors or officers, other than by reason of such person's willful default or fraud, in or about the conduct of our company's business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such director or officer in defending (whether successfully or otherwise) any civil proceedings concerning our company or its affairs in any court whether in the Cayman Islands or elsewhere.

In addition, we have previously entered into and intend to enter into new agreements to indemnify our directors and executive officers. These agreements will, among other things, indemnify such directors and executive officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or executive officer.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of this registration statement or in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract or sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration or made in any such document immediately prior to such date of first use.

(5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(d) The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
