SUPPLEMENT TO PROXY STATEMENT

FOR 2018 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 1:30 p.m. Pacific Time on Wednesday, June 20, 2018

This proxy statement supplement, dated May 31, 2018 (the "Supplement"), supplements the proxy statement dated May 8, 2018 (the "Proxy Statement") previously made available to our stockholders in connection with the solicitation of proxies by our board of directors (the "Board of Directors") for use at the 2018 annual meeting of stockholders of Box, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the "Annual Meeting"). The Annual Meeting will be held virtually on Wednesday, June 20, 2018 at 1:30 p.m. Pacific Time. You can attend the Annual Meeting by visiting www.virtualshareholdermeeting.com/BOX2018, where you will be able to listen to the meeting live, submit questions and vote online.

The purpose of this supplement is to provide stockholders with information regarding our new director that would have been included in the Proxy Statement had Ms. Barsamian been appointed prior to the filing of the Proxy Statement. You are not being asked to vote for or ratify the appointment of Ms. Barsamian at the Annual Meeting, as the Class III directors are not being elected at this meeting. These additional materials are being provided solely for informational purposes.

Except as described in this Supplement, the information provided in the Proxy Statement continues to apply and should be considered in voting your shares. To the extent that information in this Supplement differs from or updates information contained in the Proxy Statement, the information in this Supplement is more current.

Appointment of New Director

Effective as of May 28, 2018, the Board of Directors of the Company increased the authorized number of directors of the Company to a total of nine directors and appointed Sue Barsamian to the Board of Directors to serve as a Class III director whose term expires at the annual meeting of stockholders to be held in 2020. Our Board of Directors has undertaken a review of the independence of Ms. Barsamian. Based on information provided by Ms. Barsamian concerning her background, employment and affiliations, our Board of Directors has determined that Ms. Barsamian has no material relationship with the Company, (either directly or as a partner, shareholder or officer of an organization that has a relationship within the company) and that Ms. Barsamian is independent as that term is defined under the applicable rules and regulations of the SEC and the listing standards of the New York Stock Exchange. In making this determination, our Board of Directors considered the current and prior relationships that Ms. Barsamian has with our company and all other facts and circumstances our Board of Directors deemed relevant in determining her independence.

Ms. Barsamian, age 59, currently serves as the Executive Vice President, Chief Sales and Marketing Officer of Micro Focus International plc, a software and information technology company, which was formed from a merger with Hewlett Packard Enterprise Software, an enterprise information technology ("HPE Software"), in September 2017. Prior to the merger, she was Senior Vice President, Chief Sales and Marketing Officer for HPE Software. From 2006 to 2016, Ms. Barsamian served in various executive roles at Hewlett-Packard Company ("Hewlett Packard"), including SVP and GM of Enterprise Security Products at HPE. Prior to joining Hewlett

Packard, Ms. Barsamian was Vice President, Global Go-to-Market at Mercury Interactive Corporation, which was acquired by Hewlett Packard, and held various positions at Critical Path, Inc. and Verity, Inc. She has previously served as a Board Member and Chairman of the National Action Council for Minorities in Engineering (NACME), and as a member of the Kansas State University College of Engineering Advisory Board. Ms. Barsamian holds a Bachelor of Science degree in Electrical Engineering from Kansas State University. She completed post-graduate studies at the Swiss Federal Institute of Technology in Zurich, Switzerland.

Ms. Barsamian was selected to serve on our Board of Directors because of her general management and leadership experience building and leading go-to-market teams with private and publicly-held technology companies.

Ms. Barsamian will receive the standard compensation for non-employee directors in accordance with our existing outside director compensation policy, as further described in the Proxy Statement under Director Compensation.

There is no arrangement or understanding between Ms. Barsamian and any other persons pursuant to which she was selected as a director. Ms. Barsamian has no direct or indirect material interest in any transaction required to be disclosed pursuant to Item 404(a) of Regulation S-K. We will enter into the Company's standard director indemnification agreement with Ms. Barsamian, whereby we will agree to indemnify, defend and hold Ms. Barsamian harmless from and against losses and expenses incurred as a result of her board service, subject to the terms and conditions provided in the agreement.

The Board of Directors does not know of any other matters to be presented at the Annual Meeting. If any additional matters are properly presented at the Annual Meeting, the persons named in the proxy card will have discretion to vote the shares of our common stock they represent in accordance with their own judgment on such matters.

It is important that your shares of our common stock be represented at the Annual Meeting, regardless of the number of shares that you hold. You are, therefore, urged to vote by telephone or by using the Internet as instructed on the enclosed proxy card or execute and return, at your earliest convenience, the enclosed proxy card in the envelope that has also been provided.
