Akzo Nobel Offer Update Takeover Panel Extension

Arnhem, the Netherlands, August 9, 2007 Akzo Nobel N.V. (Akzo Nobel) notes the announcement made earlier today by the Takeover Panel. The Panel Executive has extended the date by which Akzo Nobel must either announce a firm intention to make an offer for Imperial Chemical Industries PLC (ICI) under Rule 2.5 of the Takeover Code, or announce that it does not intend to make an offer for ICI, to 10am GMT on Monday August 13, 2007.

Akzo Nobel confirms that discussions between the parties regarding pre-conditions to an offer and completion of due diligence continue.

Akzo Nobel also confirms that its indicative proposal remains 670p in cash per ICI share. In addition, ICI shareholders would receive a second interim dividend of 5p per share, provided that if the completion date of any offer falls prior to December 31, 2007, such second interim dividend shall be paid pro rata by reference to where the completion date falls between July 1, and December 31, 2007.

A further announcement will be made in due course.

As required by the Takeover Code, Akzo Nobel confirms that this announcement is being made with the agreement and approval of ICI.

There can be no certainty that Akzo Nobel's indicative proposal will result in any offer or transaction.

Dealing Disclosure Requirements

Under the provisions of Rule 8.3 of the Takeover Code (the Code), if any person is, or becomes, interested (directly or indirectly) in one per cent or more of any class of relevant securities of ICI, all dealings in any relevant securities of that company (including by means of an option in respect of, or a derivative referenced to, any such relevant securities) must be publicly disclosed by no later than 3.30 p.m. (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the offer period otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an interest in relevant securities of ICI, they will be deemed to be a single person for the purposes of Rule 8.3 of the Code.

Under the provisions of Rule 8.1 of the Code, all dealings in relevant securities of ICI by Akzo Nobel or ICI, or by any of their respective associates, must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose relevant securities dealings should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at www.thetakeoverpanel.org.uk. Interests in securities arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an interest by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Takeover Panel's website. If you are in any doubt as to whether or not you are required to disclose a dealing under Rule 8 of the Code, you should consult the Panel.
