PROXY STATEMENT

March 24, 2016

THE MEETING

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board of Directors” or the “Board”) of Noodles & Company, a Delaware corporation (the “Company”), for use at the 2016 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the offices of the Company at 520 Zang Street, Suite D, Broomfield, Colorado, on May 5, 2016, at 10:00 a.m. local time. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about March 24, 2016. An Annual Report for the year ended December 29, 2015 is enclosed with this Proxy Statement. Electronic copies of this proxy statement and annual report are available at investor.noodles.com and www.proxypush.com/NDLS.

Voting Rights, Quorum and Required Vote

Only holders of record of our Class A and Class B common stock at the close of business on March 8, 2016, which is the record date, will be entitled to vote at the Annual Meeting. At the close of business on March 8, 2016, we had 27,728,456 shares of common stock outstanding and entitled to vote, of which 26,206,358 were Class A Common Stock and 1,522,098 were Class B Common Stock. Holders of the Company’s Class A and Class B common stock are entitled to one vote for each share held as of the above record date, with the exception that Class B common stock does not vote on the election or removal of directors. Shares of our Class B common stock are convertible on a share-for-share basis into shares of our Class A common stock at the election of the holder. Each stockholder may appoint only one proxy holder or representative to attend the meeting on his or her behalf. A quorum is required for our stockholders to conduct business at the Annual Meeting. The holders of a majority in voting power of all issued and outstanding stock entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. Abstentions and “broker non-votes” (described below) will be counted in determining whether there is a quorum.

For Proposal No. 1—Election of Directors, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the three nominees receiving the highest number of “for” votes will be elected. Withheld votes and broker non-votes (as defined below) will have no effect on Proposal No. 1.

Proposal No. 2—Ratification of Appointment of Independent Registered Public Accounting Firm, requires the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 2. Broker non-votes will have no effect on Proposal No. 2.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote in person at the Annual Meeting or vote by completing, dating and signing the accompanying proxy and promptly returning it in the enclosed envelope, by telephone, or electronically through the Internet by following the instructions included on your proxy card. All signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes “for” such proposal or in the case of the election of the Class III directors, as a vote “for” election to Class III of the Board of all nominees presented by the Board.

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the Internet in accordance with the voting instructions provided by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote in person at the annual meeting. If you do not provide voting instructions to your broker in advance of the annual meeting, New York Stock Exchange rules grant your broker discretionary authority to vote on “routine” proposals. The ratification of the appointment of the independent registered public accounting firm in Proposal No. 2 is the only item on the agenda for the annual meeting that is considered routine. Where a proposal is not “routine,” a broker who has received no instructions from its clients does not have discretion to vote its clients’ uninstructed shares on that proposal, and the unvoted shares are referred to as “broker non-votes.”

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, that must be borne by the stockholder.

Expenses of Solicitation

The expenses of soliciting proxies to be voted at the Annual Meeting will be paid by the Company. Following the original mailing of the proxies and other soliciting materials, the Company and/or its agents may also solicit proxies in person, by telephone or email. Following the original mailing of the proxies and other soliciting materials, the Company will request that banks, brokers and other nominees forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. We will reimburse banks, brokers and other nominees for reasonable charges and expenses incurred in forwarding soliciting materials to their clients.

Revocability of Proxies

Any person submitting a proxy in the form accompanying this Proxy Statement has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by a writing delivered to the Company stating that the proxy is revoked by a subsequent proxy that is submitted via telephone or Internet, by a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or by attendance at the Annual Meeting and voting in person. In order for beneficial owners to change any of your previously provided voting instructions, you must contact your bank, broker or other nominee directly.

Delivery of Documents to Stockholders Sharing an Address

We have adopted a procedure approved by the Securities and Exchange Commission ("SEC") called "householding" under which multiple stockholders who share the same address will receive only one copy of the Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, as applicable, unless we receive contrary instructions from one or more of the stockholders. If you wish to opt out of householding and receive multiple copies of the proxy materials at the same address, or if you have previously opted out and wish to participate in householding, you may do so by notifying us by telephone at 720-214-4132, by mail at Noodles & Company at, 520 Zang Street, Suite D, Broomfield, CO 80021, or by email at investorrelations@noodles.com, and we will promptly deliver the requested materials. You also may request additional copies of the proxy materials by notifying us in writing or by telephone at the same address, email address, or telephone number. Brokerage firms and banks are also entitled to household. Stockholders with shares registered in the name of a brokerage firm or bank should contact their brokerage firm or bank to request information about householding or to opt in or out of householding.

On or about March 25, 2016, we expect to mail or e-mail to some of our stockholders a Notice of Internet Availability of Proxy Materials with instructions on how to access our proxy materials over the Internet and how to vote. If you receive a notice and would prefer to receive paper copies of the proxy materials, you may notify us by telephone, email or mail at the telephone number, email address and mailing address provided above.

Explanatory Note

We are an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"). For as long as we are an emerging growth company, we will not be required to provide an auditor's attestation report on management's assessment of the effectiveness of our system of internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, or obtain stockholder approval of any golden parachute payments not previously approved. In addition, because we are an emerging growth company, we are not required to include a Compensation Discussion and Analysis section in this proxy statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies. We could be an emerging growth company for up to five years from June 28, 2013, the date of our initial public offering, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1 billion, (ii) the date that we become a "large accelerated filer" as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), which would occur at the end of the fiscal year during which the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in

non-convertible debt during the preceding three year period. Under Section 107(b) of the JOBS Act, emerging growth companies may delay adopting new or revised accounting standards until such time as those standards apply to private companies. We have irrevocably elected not to avail ourselves of this exemption from new or revised accounting standards and, therefore, we are subject to the same new or revised accounting standards as other public companies that are not emerging growth companies.

PROPOSAL NO. 1—ELECTION OF DIRECTORS

The Company's Board of Directors is presently comprised of eight members, who are divided into three classes, designated as Class I, Class II and Class III. One class of directors is elected by the stockholders at each annual meeting to serve a three-year term. Class I directors consist of Johanna Murphy and James Rand; Class II directors consist of Andrew Taub, François Dufresne and Jeffrey Jones; and Class III directors consist of Scott Dahnke, Kevin Reddy and Dave Boennighausen.

Class III directors standing for reelection at the Annual Meeting are Scott Dahnke, Kevin Reddy and Dave Boennighausen. Class I and Class II directors will stand for reelection or election at the 2017 and 2018 annual meetings of stockholders, respectively.

Each of the nominees for election to Class III is currently a director of the Company. If elected at the Annual Meeting, each of the nominees would serve for three years and until his or her successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If any of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominees, leaving a vacancy that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board.

Scott Dahnke is affiliated with L Catterton ("Catterton"), which invested in the Company in 2010, currently holds approximately 24.65% of our outstanding stock and has the right to designate two members of our Board of Directors. Mr. Dahnke has been a member of our Board of Directors since 2011, and brings to our Board substantial expertise in the retail and consumer industry.

Directors and Corporate Governance

Board Composition

Our Board of Directors currently consists of eight members.

In accordance with the amended and restated certificate of incorporation and the amended and restated bylaws, our Board of Directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The authorized number of directors may be changed by resolution of the Board of Directors. Our directors are divided among the three classes as follows:

Class I directors are Johanna Murphy and James Rand, whose term will expire at the 2017 annual meeting of stockholders;

Class II directors are François Dufresne, Jeffrey Jones and Andrew Taub, whose term will expire at the 2018 annual meeting of stockholders; and

Class III directors are Scott Dahnke, Kevin Reddy and Dave Boennighausen, whose term will expire at the 2016 annual meeting of stockholders.

Directors for a particular class will be elected for three-year terms at the annual meeting of stockholders in the year in which their term expires. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal.

Board Independence

Under the listing requirements and NASDAQ rules, independent directors must comprise a majority of a listed company's Board of Directors. Our Principles of Corporate Governance (the "Principles") provide that an "independent" director is a director who meets the NASDAQ definition of independence and the Principles also provide that, under applicable NASDAQ rules, the members of each of the Audit and Compensation Committees are subject to additional, heightened independence criteria applicable to directors serving on these committees. Our Board of Directors has undertaken a review of its composition, the composition of its committees and the independence of each director (both generally, and, where applicable, under heightened independence criteria applicable to certain committees). Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board of Directors has determined, based on the recommendation of our Nominating and Corporate Governance Committee, that each of Messrs. Dahnke, Dufresne, Jones, Rand, Taub and Ms. Murphy is "independent" under NASDAQ rules. The Board of Directors had previously determined that Stuart Frenkiel, who served as a director in 2015, was independent under NASDAQ rules. In making the independence determinations, our Board of Directors assessed the current and prior relationships that each non-employee director has with us and all other relevant facts and circumstances, including the beneficial ownership of our capital stock by each non-employee director. Based on these assessments, for each director deemed to be independent, our Board of Directors made a determination that, because of the nature of the director's relationships and/or the amounts involved, each director deemed to be independent had no relationships with our company or our management that, in the judgment of the Board, would impair the director's independence.

Messrs. Dufresne and Dahnke are currently members of the Compensation Committee and are affiliated with Argentia and Catterton, respectively. Pursuant to applicable SEC and NASDAQ requirements, the Board of Directors considered all factors specifically relevant to determining whether either of these directors had or has a relationship which is material to that director's ability to be independent from management in connection with their duties as members of the Compensation Committee, including these affiliations, and the Board determined that these directors are independent for purposes of serving on the Board of Directors and its Compensation Committee.

Leadership Structure

Kevin Reddy serves as Chairman of the Board and as Chief Executive Officer. Our Board of Directors believes that the current Board leadership structure, coupled with a strong emphasis on Board independence, provides effective independent oversight of management while allowing the Board and management to benefit from Mr. Reddy's extensive executive leadership and operational experience, including his many years of experience as a restaurant operating company executive and his experience and familiarity with our business as Chief Executive Officer. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside of our company, while Messrs. Reddy and Boennighausen bring company-specific experience and expertise. The Board of Directors believes that Mr. Reddy's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

Lead Independent Director

The non-management directors serving on our Board appointed Scott Dahnke to serve as our lead independent director. As lead independent director, Mr. Dahnke presides over meetings at which the chairman is not present, serves as a liaison between the Chairman and the independent directors, approves information sent to the Board (including executive sessions of the independent directors), approves the agenda and schedule for Board meetings to provide that there is sufficient time for discussion of all agenda items, is available for consultation and communication with major stockholders upon request, has the authority to call executive sessions of the independent directors and performs such additional duties as our Board of Directors may otherwise determine and delegate.

Executive Sessions of Independent Directors

In order to promote open discussion among independent directors, our Board of Directors has a policy of conducting executive sessions of independent directors during each regularly scheduled Board meeting and at such other times as may be requested by an independent director. These executive sessions are chaired by our lead independent director. The lead independent director provides feedback to our Chief Executive Officer, as needed, promptly after the executive session.

Principles of Corporate Governance

Our Principles of Corporate Governance are available on our website at investor.noodles.com/corporate-governance.cfm.

Code of Business Conduct and Ethics

We have adopted a code of business conduct and ethics that applies to all of our officers and employees, including our Chief Executive Officer and Chief Financial Officer and those officers and employees responsible for financial reporting. We have also adopted a director code of business conduct and ethics that applies to our directors. Our codes of business conduct and ethics are posted on the investor relations section of our website at investor.noodles.com. We intend to disclose future amendments to our codes of business conduct and ethics, and any waivers of their provisions that we grant to our executive officers and directors, on our website within four business days following the date of the amendment or waiver.

Board Meetings

During 2015, the Board of Directors held six meetings. Each director then serving, other than Scott Dahnke, attended at least 75% of the aggregate of the total number of meetings of the Board of Directors held during the period such director served and the total number of meetings held by any of the committees of the Board of Directors on which such director served during such period. Mr. Dufresne joined the Board of Directors in March 2016.

The Board's Role in Risk Oversight

The Board of Directors oversees the Company's risk management process. The Board oversees a Company-wide approach to risk management, designed to enhance stockholder value, support the achievement of strategic objectives and improve long-term organizational performance. The Board determines the appropriate level of risk for the Company generally, assesses the specific risks faced by the Company and reviews the steps taken by management to manage those risks. The Board's involvement in setting the Company's business strategy facilitates these assessments and reviews, culminating in the development of a strategy that reflects both the Board's and management's consensus as to appropriate levels of risk and the appropriate measures to manage those risks. Pursuant to this structure, risk is assessed throughout the enterprise, focusing on risks arising out of various aspects of the Company's strategy and the

implementation of that strategy, including financial, legal/compliance, operational/strategic, health and safety, and compensation risks. The Board also considers risk when evaluating proposed transactions and other matters presented to the Board, including acquisitions and financial matters.

While the Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, the Audit Committee reviews and discusses the Company's practices with respect to risk assessment and risk management. The Audit Committee also focuses on financial risk, including internal controls, and discusses the Company's risk profile with the Company's independent registered public accounting firm. In addition, the Audit Committee oversees the Company's compliance program with respect to legal and regulatory requirements, including the Company's codes of conduct and policies and procedures for monitoring compliance. The Compensation Committee periodically reviews compensation practices and policies to determine whether they encourage excessive risk taking, including an annual review of management's assessment of the risk associated with the Company's compensation programs covering its employees, including executives, and discusses the concept of risk as it relates to the Company's compensation programs. Management regularly reports on applicable risks to the relevant committee or the Board, as appropriate, including reports on significant Company projects, with additional review or reporting on risks being conducted as needed or as requested by the Board and its committees.

The Company values diversity on a company-wide basis and seeks to achieve diversity of occupational and professional backgrounds on the Board, but has not adopted a specific policy regarding Board diversity.

The Nominating Committee consults with other members of the Board of Directors and with the Company's management in identifying and evaluating candidates for director.

PROPOSAL NO. 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected Ernst & Young LLP, or Ernst & Young, to be the Company's independent registered public accounting firm for the year ending January 3, 2017, and recommends that the stockholders vote for ratification of such appointment. Ernst & Young has been engaged as our independent registered public accounting firm since 2009. As a matter of good corporate governance, the Audit Committee has requested the Board of Directors to submit the selection of Ernst & Young as the Company's independent registered public accounting firm for 2016 to stockholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of Ernst & Young to be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

Audit and Related Fees

The following table sets forth the aggregate fees billed for professional services rendered by Ernst & Young for the audit of our financial statements for 2015 and 2014 and the aggregate fees for other services rendered by Ernst & Young billed in those periods:

	2015	2014
Audit fees ⁽¹⁾	\$475,721	\$425,000
Audit-related fees	—	—
Tax fees ⁽²⁾	104,505	87,385
Total audit and related fees	\$580,226	\$512,385

2015 and 2014 audit fees and expenses related to the fiscal year audit and interim reviews, notwithstanding when (1) the fees and expenses were billed or when the services were rendered, and additional work performed in connection with the Company's initial public offering and follow-on offering.

(2) Tax fees relate to professional services rendered for tax compliance, tax return review and preparation and related tax advice.

In connection with our initial public offering, the Board of Directors adopted a written policy for the pre-approval of certain audit and non-audit services which Ernst & Young provides. The policy balances the need for independence of Ernst & Young while recognizing that in certain situations Ernst & Young may possess both the technical expertise and knowledge of the Company to best advise the Company on issues and matters in addition to accounting and auditing. In general, the Company's independent registered public accounting firm cannot be engaged to provide any audit or non-audit services unless the engagement is pre-approved by the Audit Committee. Certain services may also be pre-approved by the Chairman of the Audit Committee under the policy. All of the fees identified in the table above were approved in accordance with SEC requirements and, following our initial public offering, pursuant to the policies and procedures described above.

All of the services of Ernst & Young for 2015 and 2014 described above were pre-approved by the Audit Committee.

The Board of Directors recommends a vote FOR the ratification of the appointment of ERNST & YOUNG LLP.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of Class A and Class B of our common stock as of March 8, 2016 for:

• each stockholder known by us to be the beneficial owner of more than 5% of any class of our outstanding shares of common stock;

• each of our directors and director nominees;

• each of our named executive officers; and

• all of our directors and executive officers as a group.

As of March 8, 2016, Argentia beneficially owned 1,522,098 shares of Class B common stock, which represented 100% of the outstanding shares of Class B common stock on that date. Class B common stock has the same rights as the common stock except that holders of Class B common stock will not be entitled to vote in the election or removal of directors unless converted into Class A common stock.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership in the following table is based on 27,728,456 shares of common stock outstanding as of March 8, 2016 (of which 26,206,358 were Class A Common Stock and 1,522,098 were Class B Common Stock), unless otherwise indicated in the footnotes below. In computing the number of shares of common stock beneficially owned by a person or entity and the percentage ownership of that person or entity, we deemed to be outstanding all shares of common stock subject to options or other convertible securities held by that person or entity that are currently exercisable or exercisable within 60 days of March 8, 2016. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Noodles & Company, 520 Zang Street, Suite D, Broomfield, CO 80021.

Amounts represent the aggregate grant date fair value of stock options awarded in 2014 and 2015, calculated in accordance with FASB Accounting Standards Codification Topic 718. Each of our NEOs receives a regular annual grant of nonqualified stock options at or about the time of our annual meeting of stockholders. A description of the (1) methodologies and assumptions we use to value options awards and the manner in which we recognize the related expense are described in Note 10, Stock-Based Compensation, to our consolidated financial statements, for the year ended December 29, 2015. These amounts may not correspond to the actual value eventually realized by each NEO because the value depends on the market value of our common stock at the time the option is exercised.

No cash bonuses were paid to our named executive officers for 2014 or will be paid to our named executive officers for 2015 because we did not achieve our EBITDA targets. For each year, we maintained bonus plans that provided each NEO with the opportunity to earn a bonus based on achievement of adjusted EBITDA goals for the (2) applicable year. The target bonuses were 100% of base salary for Mr. Reddy, 50% of base salary for Mr. Boennighausen and 40% of base salary for Mr. Strasen. The Compensation Committee of the Board reserves the right to exercise discretion to increase or decrease such bonuses based on other factors, which can include the executive officers' individual performance.

Potential Payments and Acceleration of Equity upon Termination or Termination in Connection with a Change in Control

Employment and Severance Agreements

We are a party to an employment agreement with Mr. Reddy (the “Employment Agreement”). The Employment Agreement has a three-year term that commenced on the date of our initial public offering and continues for three years, ending on June 27, 2016, unless earlier terminated. The Employment Agreement automatically extends at the end of the initial term and annually thereafter in each case, for a one year term, unless either party provides at least ninety days’ prior written notice of nonextension.

In the event Mr. Reddy is terminated without cause, resigns for good reason or dies or becomes disabled while employed by the Company, a pro rata portion of the next vesting installment of any outstanding options will vest. In addition, if Mr. Reddy is terminated without cause or resigns for good reason within 12 months following a change in control, any remaining unvested portion of all outstanding options will vest.

The Employment Agreement provides for the payment of base salary and bonus, as well as customary employee benefits. Under the Employment Agreement, if Mr. Reddy’s employment is terminated by the Company without “cause” or by him with “good reason” (as such terms are defined in the applicable Employment Agreement) he is entitled to receive compensation equal to 18 months of his then-current base salary, payable in equal installments over 18 months, a pro rata bonus for the year of termination and reimbursement of “COBRA” premiums for up to 18 months for the executive and his dependents. The severance payments are conditioned upon the executive entering into a mutual release of claims with us.

The Employment Agreements also restricts Mr. Reddy from engaging in a competitive business during his employment and for 18 months thereafter, or soliciting employees at or above the level of vice president or above during his employment and for

12 months thereafter. For this purpose, “competitive business” is defined as any business engaged in the fast casual restaurant business in North America that derives 20% or more of its revenues from the sale of noodle or pasta dishes. In addition, we are a party to severance agreements with Mr. Boennighausen and Mr. Strasen (the “Severance Agreements”). Pursuant to the Severance Agreements, each executive is an “at-will” employee. If the Company terminates the executive’s employment without “cause,” (as such term is defined in the Severance Agreements) the executive is entitled to receive compensation equal to nine months of his then-current base salary, payable in equal installments over nine months, a pro rata bonus for the year of termination and reimbursement of “COBRA” premiums for up to nine months for the executive and his dependents. The severance payments are conditioned upon the executive entering into a mutual release of claims with us. The Severance Agreements also include similar noncompetition and nonsolicitation covenants as the Employment Agreement, except that the duration of the covenants apply to each of the executives during his employment and for nine months thereafter. In addition, each of the executives’ outstanding unvested options provide that in the event his employment is terminated without cause within 12 months following a change in control, any remaining unvested portion of such options will vest.

Payments Upon Termination or Change in Control

None of our NEOs is entitled to receive payments or other benefits upon termination of employment or a change in control, except as provided in the Employment Agreements and Severance Agreements described above.

Certain Other Compensation Plans

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees are able to defer eligible compensation subject to applicable annual Internal Revenue Code limits. No employer contributions were made to the 401(k) plan in 2014 or 2015. Contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participants’ directions. The 401(k) plan is intended to be qualified under Section 401(a) of the Internal Revenue Code.

Pension Benefits

Our NEOs did not receive any benefits from the Company under any pension or retirement plan we sponsored during 2014 or 2015.

Nonqualified Deferred Compensation

On May 16, 2013 the Company adopted The Executive Non-Qualified “Excess” Plan (the “Excess Plan”). The Excess Plan provides supplementary benefits to the eligible participants whose benefits under the Company’s 401(k) Plan are limited because of the restriction on annual additions that may be made to a qualified defined contribution plan and/or the limitation on compensation that may be taken into account in calculating contributions to such a plan. Our NEOs did not earn any nonqualified deferred compensation benefits from us during 2014 or 2015 under the Excess Plan or otherwise.

DIRECTOR COMPENSATION

We have adopted a non-employee director compensation plan covering non-employee directors other than directors affiliated with Catterton or PSP Investments. Under the plan, each non-employee director covered by the plan receives an annual cash retainer for board service, an annual cash retainer for committee service and an annual cash retainer for serving as chair of a committee. The board has currently fixed the retainer for board service at \$50,000 per year, and it has fixed each of the retainers for committee service and committee chair at \$10,000 per year. In addition, at the close of business on the date of the Company's annual meeting of stockholders, each non-employee director covered by the plan will receive an annual retainer stock option under the plan, which shall vest on the date of the next annual meeting of stockholders. The annual retainer grant has a value, as determined by the Board of Directors in good faith using the Black-Scholes valuation formula, of \$50,000.

Directors who are also employees, such as Mr. Reddy and Mr. Boennighausen, do not and will not receive any compensation for their services as directors. In addition, directors appointed by Catterton and Argentia have not received any compensation for their services as directors and were not entitled to receive any such compensation for two years following the closing date of our IPO in June 2013. Thereafter, the Company is required to pay the directors appointed by Catterton and Argentia an annual fee of \$100,000 (or such other amount that may be determined by the Board of Directors to be payable to non-employee directors) for each such director serving on the Board of Directors; provided, that any fees otherwise payable to directors appointed by Catterton shall instead be paid directly to Catterton Management Company, L.L.C. and any fees otherwise payable to directors appointed by Argentia shall instead be paid directly to Argentia. The directors appointed by Catterton and Argentina include Messrs. Dahnke and Taub appointed by Catterton and Mr. Dufresne appointed by Argentia. Mr. Frenkiel, who served as a director throughout 2015 and a portion of 2016, was appointed by Argentia. In 2015 Catterton and Argentia each waived the requirement that director fees be paid to its board designees for the 2015 fiscal year.

Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. Directors are also entitled to the protection provided by their indemnification agreements and the indemnification provisions in our certificate of incorporation and bylaws, as well as the protection provided by director and office liability insurance provided by us.

The following table sets forth information concerning the compensation of our independent directors for the fiscal year ended December 29, 2015.

Director Name	Fees Earned or Paid in Cash (\$)	Option Awards \$(⁽³⁾)(⁽⁴⁾)	Total (\$)
Jeffrey Jones	\$ 70,000	⁽¹⁾ \$ 50,014	\$ 120,014
Johanna Murphy	60,000	⁽²⁾ 50,014	110,014
James Rand	60,000	⁽²⁾ 50,014	110,014

This amount includes a \$10,000 annual fee for serving as the chairman of the audit committee and \$10,000 annual (1) fee for serving as a member of the audit committee. Beginning in 2016, Mr. Jones will receive a \$10,000 annual fee for serving as a member of the compensation committee.

(2) This amount includes a \$10,000 annual fee for serving as a member of the audit committee.

(3) The annual retainer grant in 2015 had a grant date fair value (computed in accordance with FASB ASC Topic 718) of \$5.81 per share.

The outstanding options for Messrs Jones and Rand and Ms. Murphy as of December 29, 2015 were 14,117, (4) 40,082 and 8,606, respectively. None of the directors held any outstanding stock awards other than options at the end of 2015.

TRANSACTIONS WITH RELATED PERSONS

The following is a description of each transaction since December 31, 2014 to which we have been a party, in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors, executive officers,

beneficial holders of more than 5% of either our Class A or our Class B Common Stock, or any other related person had or will have a direct or indirect material interest.

Stockholders Agreement. In connection with our initial public offering, we entered into a stockholders agreement with Catterton and Argentia (our “Equity Sponsors”) that became effective upon the completion of the initial public offering. The stockholders

agreement contains agreements with respect to restrictions on the sale, issuance or transfer of shares that prevent either Equity Sponsor from transferring its shares without the consent of the other Equity Sponsor, except in connection with a tag along sale of common stock by both Equity Sponsors or pursuant to the registration rights agreement, which is described below, until the earlier of the second anniversary of the offering and the time at which such Equity Sponsor holds less than 25% of our outstanding Class A common stock and Class B Common Stock. The stockholders agreement also grants our Equity Sponsors the right, subject to certain conditions, to nominate representatives to our Board of Directors and committees of our Board of Directors. Catterton and Argentia each will have the right to designate two members to our Board of Directors, and the parties to the stockholders agreement will agree to vote to elect such director designees. If at any time an Equity Sponsor owns more than 10% and less than 20% of our outstanding Class A and Class B common stock, such Equity Sponsor has the right to designate one nominee for election to our Board of Directors. If an Equity Sponsor's ownership level falls below 10% of our outstanding Class A and Class B common stock, such Equity Sponsor will no longer have a right to designate a nominee. In addition, for so long as Catterton and Argentia hold at least 35% of the voting power of our outstanding common stock, certain actions may not be taken without the approval of Catterton and Argentia, including:

- any merger, recapitalization or other adjustment in voting rights, if following such event, Catterton and Argentia would not together have sufficient voting power or otherwise be entitled to elect a majority of the Board;
- any sale of all or substantially all the assets of the Company;
- the issuance of any capital stock of us or any of our subsidiaries, other than certain issuances upon the grant of equity awards;
- create any new class or series of shares of equity securities having rights, preferences or privileges senior to or on a parity with the Common Stock; or
- any amendment of our certificate of incorporation, bylaws or equivalent organization documents of the Company or any subsidiary of the Company in a manner that could reasonably be expected to adversely affect the rights of Catterton or Argentia.

Control Relationships. Catterton and Argentia own approximately 24.7% and 29.8%, respectively, of our equity interests; however, the terms of the certificate of incorporation prevent control by either Equity Sponsor acting on its own. However, under the stockholders agreement our Equity Sponsors have agreed to elect each other's director nominees and to not take certain actions affecting us without the consent of the other Equity Sponsor. See "—Stockholders Agreement", above, for a description of the material provisions of the stockholders agreement. As a result, our Equity Sponsors could potentially have significant influence over all matters presented to our stockholders for approval, including election and removal of our directors and change in control transactions.

Registration Rights. Pursuant to the terms of a registration rights agreement between us and certain holders of our stock, including Catterton, certain of its affiliates and Argentia, certain holders of our stock are entitled to demand and piggyback rights:

Demand Registrations. Under the registration rights agreement, both Catterton and Argentia are able to require us to file a registration statement under the Securities Act, covering at least 10% of our equity interests, and we are required to notify holders of such securities in the event of such request (a "Demand Registration Request"). Each of Catterton and Argentia can issue unlimited Demand Registration Requests, unless we are ineligible to use Form S-3, in which case we will not be obligated to grant more than three Demand Registration Requests to each of Catterton and Argentia during such period of ineligibility.

Piggyback Registrations. Under the Registration Rights Agreement, if at any time we propose or are required to register any of our equity securities under the Securities Act (other than a demand registration or pursuant to an employee benefit or dividend reinvestment plan), we will be required to notify each eligible holder of its right to participate in such registration and to use commercially reasonable efforts to cause all eligible securities requested to be included in the registration to be so included.

Procedures for Approval of Related Party Transactions. Our policies on related party transactions, which are included in our Audit Committee charter, Nominating and Corporate Governance Committee charter, and our Employee Code of Business Conduct and Ethics, address the policies and procedures for review and approval of related party

transactions. These policies cover certain relationships and material obligations and interests. These policies provide that, in determining whether or not to recommend the initial approval or ratification of a related party transaction, all relevant facts and circumstances available shall be considered. The Nominating and Corporate Governance Committee and Audit Committee are both responsible for approval and ratification of certain related person transactions pursuant to the applicable policies and procedures.

REPORT OF THE AUDIT COMMITTEE

This report of the Audit Committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that The Company specifically incorporates this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act of 1933 or the Securities Exchange Act of 1934.

The principal purpose of the Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of our accounting and financial reporting processes and the audits of our financial statements; (ii) our system of disclosure controls and internal controls over financial reporting; (iii) our compliance with legal and regulatory requirements; (iv) the qualifications and independence of our independent auditor; (v) the performance of our independent auditor; and (vi) the business practices and ethical standards of the Company. The Audit Committee is responsible for the appointment, compensation, retention and oversight of work of the Company's independent auditor. The Audit Committee's function is more fully described in its charter.

Our management is responsible for the preparation, presentation and integrity of our financial statements, for the appropriateness of the accounting principles and reporting policies that we use and for establishing and maintaining adequate internal control over financial reporting. Ernst & Young LLP, or Ernst & Young, our independent registered public accounting firm for 2015, was responsible for performing an independent audit of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 29, 2015, and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management our audited financial statements included in our Annual Report on Form 10-K for the year ended December 29, 2015.

The Audit Committee has also reviewed and discussed with Ernst & Young the audited financial statements in the Form 10-K. In addition, the Audit Committee discussed with Ernst & Young those matters required to be discussed under applicable standards of the Public Company Accounting Oversight Board (the "PCAOB"). Additionally, Ernst & Young provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding Ernst & Young's communications with the Audit Committee concerning independence. The Audit Committee also discussed with Ernst & Young its independence from the Company.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Form 10-K for filing with the SEC.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 and SEC rules require our directors, executive officers and persons who own more than 10% of any class of our common stock to file reports of their ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Based solely on our review of the reports filed during 2015, and on written representations from such reporting persons, we determined that no director, executive officer or beneficial owner of more than 10% of any class of our common stock failed to file on a timely basis during 2015, except for a Form 4 filed by Kathy Lockhart.
