## MANAGEMENT PROPOSAL

### Shareholders of Companhia Siderúrgica Nacional

The Management of Companhia Siderúrgica Nacional submits to its Shareholders the proposal for the allocation of net income related to the fiscal year ended on December 31, 2008 in the amount of R\$4,675,526,467.07 adjusted by (i) the addition of R\$296,744.93 and R\$56,226.02 deriving from dividends and interest on equity assigned, respectively and (ii) the deduction of R\$22,302,366.68 deriving from adjustments of Law 11,638/2007, amounting to R\$4,653,577,071.34 to be allocated.

As provided for in CSN's Bylaws, the Company shall distribute as dividend, every fiscal year, at least, twenty-five per cent (25%) of the net income for the year, pursuant to Article 202 of Law 6,404 of December 15, 1976.

The Company has already declared the early distribution of dividends based on the profits earned in the balance sheet drawn up on June 30, 2008, in the total amount of R\$1,660,000,000.00. These declarations of early distribution of dividends already include the minimum mandatory dividend.

Thus, the allocation proposal is the following:

- a) pay the amount of R\$268,405,382.00, as Interest on Equity, corresponding to the gross amount of R\$0.353784 per share, and except for the immune and exempted shareholders, this amount is subject to a fifteen per cent (15%) withholding income tax, rate which shall not be applied to those shareholders domiciled in the country who do not assess income or assess it at the maximum rate lower than twenty per cent (20%). In this case, they are subject to a twenty-five per cent (25%) withholding income tax, as provided for by Article 8 of Law 9,779/99;
  - b) ratify the declaration of early distribution of dividends approved by the Board of Directors on August 12, 2008, in the amount of one hundred, sixty million reais (R\$160,000,000.00), corresponding to R\$0.207935 per share, and on March 24, 2009, in the amount of one billion, five hundred million reais (R\$1,500,000,000.00), corresponding to R\$1.977146 per share.
  - c) establish an investment reserve to meet the investments projects covered by the Capital Budget for the current year, to be approved by the General Meeting, which will comprise, among other investments, the Company's expansion projects and new businesses.
- 

- d) considering that the maximum limit of the legal reserve has already been attained, no amount shall be allocated to such reserve.

It is worth mentioning that the Management Report on the Company's social business and the main administrative facts for the year ended, a copy of the Financial Statements and respective notes, as well as the independent auditors' opinion are available to shareholders as of March 30, 2009, on the website of the Brazilian Securities and Exchange Commission ("CVM") ([www.cvm.gov.br](http://www.cvm.gov.br)), on the Company's website ([www.csn.com.br](http://www.csn.com.br)) and published in the newspapers *Gazeta Mercantil* and *Jornal do Comercio (RJ)* on March 30, 2009 and in the Official Gazette of the State of Rio de Janeiro, on April 1, 2009.

Managers attending the Meeting may provide all the clarifications the shareholders deem necessary for their decision.

**Rio de Janeiro, April 14, 2009**

**BENJAMIN STEINBRUCH**  
**Chairman of the Board of Director**

**SIGNATURE**

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
