NOTICE TO THE MARKET

TIM seals partnership with Telebrás for National Broadband Plan (PNBL)

-

Rio de Janeiro, July 13th, 2011 - TIM Participações S.A. (BOVESPA: TCSL3 and TCSL4; and NYSE: TSU) announces that it has signed a contract with Telebrás to participate in the program of internet access universalization in Brazil of the Federal Government. The announcement was made today at a ceremony held at the Ministry of Communications, attended by the Minister of Communications, Paulo Bernardo, Telebras' CEO, Caio Bonilha, along with Intelig's CEO, Antonino Ruggiero, and Regulatory Affairs and Marketing directors of TIM, Mario Girasole and Rogerio Takayanagi, respectively.

The initial commercialization phase is scheduled for September 2011, the plan will be available in the cities of Samambaia, Recanto das Emas, Águas Lindas de Goiás and Santo Antônio do Descoberto.

The initiative will use the fixed transmission network of Telebrás and the TIM's mobile network for access. Available initially in two cities of Goiás and the Federal District two, TIM's solution for this plan is a version of Liberty Web plan, created especially for this partnership. The offer provides Internet connection at speeds up to 1Mbps for R\$ 35 a month - the value was established as one of the guidelines of the National Broadband Plan.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
