PRESS RELEASE

“TELECOM ITALIA: ALL POWERS ASSIGNED TO CEO MARCO PATUANO

Minucci to chair the Board Meeting. Process started to designate the new Chairman

Milan, 03 October 2013

The Board of Directors of Telecom Italia, chaired by its Deputy Chairman, Aldo Minucci, after the resignation of Franco Bernabè in agreement with the Board, has started the process to designate the new Chairman of the Company. In the meantime, as set out in the Company's Succession Plan (2012 Corporate governance and share ownership report available on www.telecomitalia.com), the powers and organizational responsibilities previously assigned to Mr Bernabè have been temporarily attributed to the Managing Director and Chief Executive Officer, Marco Patuano, while the Deputy Chairman is acting as chairman of the Board and legal representative of Telecom Italia, in a

temporary capacity.”

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
