MATERIAL FACT

TIM PARTICIPAÇÕES SA ("Company") (BM&FBOVESPA: TIMP3; NYSE: TSU), in response to BM&FBOVESPA's request for Information SAE / GAE 2685-14, requesting clarification on the news flow about discussions involving the merger of Telecom Italia and Vivendi's assets in Brazil, hereby informs its shareholders, the market in general and other stakeholders that Telecom Italia has communicated what follows:

“In response to the numerous press reports of Telecom Italia Group's interest in acquiring Brazilian company GVT S.A., Telecom Italia confirms that it is undertaking a detailed review to determine whether it may be opportune to submit an offer to Vivendi SA (GVT's parent company) to create an industrial combination that would include integration of the Brazilian businesses of the two groups.

No offer has been finalized or made and any decision to proceed with such a business combination would be subject to the approval of the corporate bodies of Telecom Italia and TIM Participacoes which have not yet been convened.”

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
