Item 1.01. Entry into a Material Definitive Agreement.

On February 17, 2005, the Board of Directors of MoneyGram International, Inc. ("MGI") approved the following:

· Amendment to 2004 Omnibus Incentive Plan. In order to allow for greater flexibility in the granting of equity compensation to directors, the provision in the MoneyGram International, Inc. 2004 Omnibus Incentive Plan (the "2004 Omnibus Plan") that provided for a fixed annual option grant to directors to purchase 5,000 shares of MGI stock was amended to provide for an annual award of options to purchase "up to" 5,000 shares of MGI stock. A copy of the 2004 Omnibus Plan, as amended, is attached as Exhibit 99.1.

· Amendment to Management Incentive Plan. The MoneyGram International, Inc. Management Incentive Plan (the "MIP") was amended (1) to be used in conjunction with the 2004 Omnibus Plan, as well as the MGI 2005 Omnibus Incentive Plan, a plan approved by the Board on February 17, 2005 subject to stockholder approval; (2) to change the name from "Management Incentive Plan" to "Management and Line of Business Incentive Plan" to reflect that participants are compensated according to targets set for specific lines of business; (3) to align the terms and terminology in MIP with current company practices, including the identification of job titles and positions utilized within the company; and (4) to reflect approved percentages of salary that may be awarded to participants. A copy of the MIP, as amended, is attached as Exhibit 99.2.

· Adoption of Performance Unit Incentive Plan. The MoneyGram International, Inc. Performance Unit Incentive Plan (the "PUP") was adopted to provide cash awards to participants based on the achievement of long-range financial targets. Under the PUP, awards in the form of units are made to participants based on long-term compensation targets that take into consideration market factors and internal equity. Depending on the achievement of performance targets during the performance period, which may range from two to five years, participants may receive 0% to 200% of the units which are then distributed in cash based on the price of MGI stock prior to payout. Awards under the PUP, and the distribution of cash payments upon achievement of targets, are recommended by the Chief Executive Officer for final approval by the Human Resources Committee of the Board. A copy of the PUP is attached as Exhibit 99.3.

· Compensation for Non-Management Directors. Upon recommendation by the Corporate Governance and Nominating Committee of the Board, the Board amended the compensation of non-management directors to include an annual grant of stock options and restricted stock. A summary of the compensation to non-management directors for service on the Board and committees of the Board is attached as Exhibit 99.4.

· Form of MoneyGram International, Inc. 2004 Omnibus Incentive Plan Non-Qualified Stock Option Agreement, a copy of which, as amended, is attached as Exhibit 99.6.
