Item 1.01 Entry into a Material Definitive Agreement.

On May 22, 2006, the Company entered into a 19-month employment agreement ("Employment Agreement") with David W. Sasnett, pursuant to which Mr. Sasnett will serve as the Company's Executive Vice President and Chief Financial Officer effective June 3, 2006. Under the terms of the Employment Agreement, Mr. Sasnett is entitled to an annual base salary of \$155,000, and a performance bonus equal to 25% of Mr. Sasnett's then current salary if benchmarks to be agreed upon by the Company's Chief Executive Officer and Mr. Sasnett are met. Subject to approval of the shareholders, the Company will issue Mr. Sasnett a number of the Company's ordinary shares having an aggregate value of \$40,000. Such shares will vest quarterly in increments of 12.5% over a two-year period beginning on May 22, 2006.

If Mr. Sasnett remains employed by the Company and the shareholders have approved the issuance of ordinary shares to Mr. Sasnett, the Company will issue Mr. Sasnett an additional number of the Company's ordinary shares having an aggregate value of \$40,000 on each anniversary of the Employment Agreement, which shares will vest quarterly in increments of 12.5% over a two-year period beginning on the date of each such grant. The number of ordinary shares equivalent in value to \$40,000 shall be determined using the average of the closing bid and asked prices of the ordinary shares on the principal market on which such ordinary shares are traded for the five business days prior to the date that such ordinary shares are issued to Mr. Sasnett. If the shareholders do not approve the issuance of ordinary shares to Mr. Sasnett, the Company will pay Mr. Sasnett \$40,000 each year until such time as the shareholders approve or vote against the issuance of ordinary shares to Mr. Sasnett. Additionally, the Company will provide Mr. Sasnett with a monthly automobile allowance of \$700.

The Company may terminate the Employment Agreement if Mr. Sasnett (i) dies; (ii) is adjudicated bankrupt; (iii) is convicted of any felony; or (iv) knowingly commits any act or omission that could be expected to result in material harm to the Company. If Mr. Sasnett is unable to perform his duties due to physical or serious illness for 60 consecutive days, then Mr. Sasnett's salary will be reduced to \$1,000 per year and his bonus entitlements will be suspended, but the Company will continue providing medical insurance for Mr. Sasnett. If such illness continues for a period of one year, the Employment Agreement will terminate. Mr. Sasnett may terminate the Employment Agreement upon giving six month's notice or, in the event of a "Change of Control," as defined in the Employment Agreement, upon giving 90 day's notice.

If the Company terminates the Employment Agreement because Mr. Sasnett knowingly commits any act or omission that could be expected to result in material harm to the Company or Mr. Sasnett terminates the Employment Agreement, all unvested ordinary shares will be forfeited. If the Employment Agreement is otherwise terminated or upon a "Change of Control," all unvested shares will vest immediately. If Mr. Sasnett terminates the Employment Agreement upon giving 90 day's notice after a "Change of Control," the Company will pay Mr. Sasnett an amount equal to twice his then current salary.

The foregoing description of the Employment Agreement does not purport to be complete and is qualified in its entirety by reference to the Employment Agreement attached hereto as Exhibit 10.1 and incorporated herein by reference.
