Item 1.01 Entry into a Material Definitive Agreement.

On August 22, 2014, Seemap Pte Ltd. ("Seemap Singapore"), a wholly-owned subsidiary of Mitcham Industries, Inc, completed a \$15.0 million credit facility (the "Seemap Credit Facility") with The Hongkong and Shanghai Banking Corporation Limited ("HSBC-Singapore"). The agreement is dated August 15, 2014, but became effective on August 22, 2014. The facility consists of a \$10.0 million term loan, a \$3.0 million revolving credit facility, and a \$2.0 million banker's guarantee facility.

The term portion of the Seemap Credit Facility provides for eleven quarterly principal payments of \$800,000 and a final payment of \$1.2 million on or before August 22, 2017. Interest on the term facility is payable quarterly at LIBOR plus 2.75%. Under the Seemap Credit Facility, Seemap Singapore may borrow up to \$3.0 million from time to time, for periods of from one to three months, for working capital and other general corporate purposes. Borrowings under the revolving credit facility bear interest at LIBOR plus 3.00%. Under the banker's guarantee facility, HSBC-Singapore will, from time to time, issue guarantees on behalf of Seemap Singapore for bid bonds, performance bonds, customs bonds and similar obligations.

The Seemap Credit Facility contains financial covenants that require Seemap Singapore to maintain a minimum shareholder's equity of \$15 million and a minimum ratio of debt to EBITDA of not less than 125% for each fiscal year, both as defined in the Seemap Credit Facility. Terms used in this Form 8-K and not defined herein have the meanings ascribed to them in the Seemap Credit Facility, which is filed with this Form 8-K as Exhibit 10.1.

Obligations under the Seemap Credit Facility are secured by security interests created under a Security Deed and a guarantee by Mitcham Industries, Inc. Under the Security Deed, Seemap Singapore has granted a security interest in substantially all of its assets.

The Seemap Credit Facility contains customary representations and warranties, conditions precedent to credit extensions, affirmative and negative covenants, and events of default. The negative covenants include restrictions on liens, additional indebtedness, acquisitions, fundamental changes, dispositions of property, restricted payments, and transactions with affiliates. The Seemap Credit Facility also requires Mitcham Industries, Inc., as guarantor, to comply with financial covenants contained in its credit agreement dated August 2, 2013 with HSBC Bank USA, N.A.

The descriptions of the Seemap Credit Facility and the Security Deed set forth above do not purport to be complete statements of the parties' rights under the agreements and are qualified in their entirety by reference to the full text of the Seemap Credit Facility and the Security Deed, which are filed as Exhibits 10.1 and 10.2 with this Form 8-K.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As described above in Item 1.01, on August 22, 2014, Seemap Singapore completed a \$15.0 million credit agreement.
