At the Annual Meeting, our stockholders will vote on the election of three directors, the ratification of the engagement of Crowe Horwath LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2015, and an advisory, non-binding resolution to approve our executive compensation.

The Board of Directors, acting on the recommendations of the Corporate Governance and Nominating Committee, has nominated incumbents Cassandra J. Francis, Thomas F. O’Neill and Terry R. Wells, to serve as directors of the Company for three-year terms.

The Board of Directors recommends that you vote your shares as follows: FOR the election of our three director nominees; FOR the ratification of the appointment of Crowe Horwath LLP as our independent registered public accounting firm for the year ending December 31, 2015; and FOR the approval on an advisory, non-binding basis of our executive compensation.

This year we will be using the “Notice and Access” method of providing proxy materials to you via the Internet in accordance with the rules and regulations of the Securities and Exchange Commission (“SEC”). We believe that this process should provide you with a convenient and quick way to access your proxy materials and vote your shares, while allowing us to conserve natural resources and reduce the costs of printing and distributing the proxy materials. On or about April 30, 2015, we will mail to our stockholders a Stockholder Meeting Notice (“Meeting Notice”) containing instructions on how to access our Proxy Statement and 2014 Annual Report, and how to vote your shares. This notice will also contain instructions on how you may receive, if you wish, a paper copy of your proxy materials. By voting your shares promptly, you will help us reduce the time and expense of soliciting proxies, and you will also ensure that your shares are represented at the Annual Meeting.

ANNUAL MEETING OF STOCKHOLDERS

June 23, 2015

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of BankFinancial Corporation of proxies to be voted at the Annual Meeting of Stockholders (the “Annual Meeting”) that will be held at the Drake Hotel Oak Brook, 2301 York Road, Oak Brook, Illinois, on Tuesday, June 23, 2015, at 11:00 A.M., Chicago, Illinois Time, and any adjournments or postponements thereof.

This Proxy Statement and the accompanying Notice of Annual Meeting and proxy card are first being made available to the stockholders of BankFinancial Corporation on or about April 30, 2015. Whether or not you plan to attend the Annual Meeting, please read this Proxy Statement and authorize the voting of your shares by proxy by following the proxy authorization instructions appearing on the proxy card and discussed below under “How do I vote?”

An Annual Report for the year ended December 31, 2014, which contains audited consolidated financial statements and other information pertaining to BankFinancial Corporation, accompanies this Proxy Statement.

THE COMPANY

BankFinancial Corporation, a Maryland corporation headquartered in Burr Ridge, Illinois, became the owner of all of the issued and outstanding capital stock of BankFinancial, F.S.B. (the “Bank”) on June 23, 2005, when it consummated a plan of conversion and reorganization that the Bank and its predecessor holding companies, BankFinancial MHC, Inc. (“BankFinancial MHC”) and BankFinancial Corporation, a federal corporation, adopted on August 25, 2004. BankFinancial Corporation, the Maryland corporation, was organized in 2004 to facilitate the mutual-to-stock conversion, and to become the holding company for the Bank upon the completion of the mutual-to-stock conversion. BankFinancial Corporation, the Maryland corporation, did not engage in any business prior to, and the separate corporate existences of BankFinancial MHC and BankFinancial Corporation, the federal corporation, ceased upon, the completion of the mutual-to-stock conversion on June 23, 2005. Consequently, the words “Company,” “we” and “our,” as used in this Proxy Statement, are intended to refer to BankFinancial MHC, BankFinancial Corporation, the federal corporation, and their subsidiaries with respect to matters and time periods occurring on or before June 23, 2005, and to BankFinancial Corporation, the Maryland corporation, and its subsidiaries with respect to matters and time periods occurring after that date.

VOTING AND RELATED MATTERS

The following is information regarding the Annual Meeting and the voting process.

Why am I receiving this Proxy Statement?

Our Board of Directors has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail pursuant to your request in connection with the Board of Directors’ solicitation of proxies for use at our Annual Meeting. As a stockholder, you are invited to attend the Annual Meeting and are requested to vote on the items of business described in this Proxy Statement.

You are receiving this Proxy Statement from us because at the close of business on April 20, 2015, the record date for the Annual Meeting, you owned shares of our common stock, par value \$0.01, either directly or through a broker. This Proxy Statement describes the matters that will be presented for consideration by our stockholders at the Annual Meeting. It also gives you information concerning the matters to be considered at the Annual Meeting to assist you in making an informed voting decision.

When you vote your shares, you appoint the proxy holder as your representative at the Annual Meeting. The proxy holder will vote your shares as you have instructed, thereby ensuring that your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, please vote your shares in advance of the Annual Meeting in case your plans change.

Table of Contents

If you have voted your shares and an issue comes up for a vote at the Annual Meeting that is not identified on the proxy card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her discretion. What matters will be voted on at the Annual Meeting?

You are being asked to vote on the election of our three director nominees; the ratification of the engagement of Crowe Horwath LLP (“Crowe Horwath”) as our independent registered public accounting firm for the year ending December 31, 2015; and an advisory, non-binding resolution to approve our executive compensation. These matters are more fully described in this Proxy Statement.

How do I vote?

Stockholders who own their shares in their name may vote in person at the Annual Meeting by filling out a ballot or may authorize a proxy to vote on his or her behalf. There are three ways to authorize a proxy:

1. Internet: You may access the proxy materials on the Internet at www.envisionreports.com/BFIN and follow the instructions on the proxy card or on the Meeting Notice.
2. Telephone: You may call toll-free 1-800-652-VOTE (8683) and follow the instructions provided by the recorded message.
3. Mail: If you received your proxy materials by mail, you may vote by signing, dating and mailing the enclosed proxy card in the postage paid envelope provided.

Stockholders who vote over the Internet may incur costs, such as telephone and Internet access charges, for which the stockholder is responsible. The Internet and telephone voting procedures are designed to authenticate a stockholder’s identity and to allow a stockholder to vote his or her shares and confirm that his or her instructions have been properly recorded. You may use the Internet or telephone to submit your proxy until 1:00 a.m., Chicago, Illinois Time on the morning of the Annual Meeting, June 23, 2015.

Stockholders who hold shares in “street name,” that is, through a broker, should instruct their broker to vote their shares by following the instructions provided by the broker. Your vote as a stockholder is important. Please vote as soon as possible to ensure that your vote is recorded. See “If I hold shares in the name of a broker, who votes my shares?” below.

What if I sign and date my proxy but do not provide voting instructions?

A proxy that is signed and dated, but which does not contain voting instructions will be voted as follows:

- “FOR” the three director nominees named in this Proxy Statement;
- “FOR” the ratification of the engagement of Crowe Horwath; and
- “FOR” the approval of the advisory, non-binding resolution to approve our executive compensation.

What does it mean if I receive multiple proxy materials?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please vote all shares. No proxy cards are duplicated.

If I hold shares in the name of a broker, who votes my shares?

If you received this Proxy Statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker’s responsibility to vote your shares for you in the manner you direct.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the ratification of an independent registered public accounting firm, but cannot vote on non-routine matters such as the election of directors and advisory, non-binding votes on executive compensation unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on matters on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a “broker non-vote.” At the Annual Meeting, broker non-votes will not affect the outcome of the voting, as described below under “How many votes are needed for each proposal?” Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on the matters to be brought before the Annual Meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures so that your shares will be voted at the Annual Meeting.

Table of Contents

What if I change my mind after I vote my shares?

If you hold your shares in your own name, you may revoke your proxy and change your vote by:
following the instructions for telephone or Internet voting appearing on your proxy card;
signing another proxy card with a later date and returning the new proxy card by mail to our stock transfer agent and registrar, Computershare Trust Company, N.A., or by sending it to us to the attention of the Secretary of the Company, provided that the new proxy card is actually received by the Secretary before the polls close at the Annual Meeting;
sending notice addressed to the attention of the Secretary of the Company that you are revoking your proxy, provided that the notice is actually received by the Secretary before the polls close at the Annual Meeting; or
voting in person at the Annual Meeting in accordance with the established voting rules and procedures.

If you hold your shares in the name of a broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

Please mail any new proxy cards to Proxy Services, in care of Computershare Trust Company, N.A., at P.O. Box 43101, Providence, Rhode Island 02940-5067. You may send the notice described above or new proxy card to us as follows: BankFinancial Corporation, 15W060 North Frontage Road, Burr Ridge, Illinois 60527, Attention: James J. Brennan, Secretary.

How are proxy materials delivered?

BankFinancial controls its costs for the Annual Meeting by following SEC rules that allow for the delivery of proxy materials to the Company's stockholders via Notice and Access, which delivers materials through the Internet. In addition to reducing the amount of paper used in producing these materials, this method lowers the costs associated with mailing the proxy materials to stockholders. Stockholders who own shares directly and not through a broker will have a Meeting Notice delivered directly to their mailing address. Stockholders whose shares are held in the name of a broker will have a Meeting Notice forwarded to them by the broker that holds the shares. Stockholders who have requested paper copies of the proxy materials will receive this Proxy Statement, the 2014 Annual Report and a proxy card.

If you received only a Meeting Notice by mail, you will not receive a printed copy of the proxy material unless you request a copy by following the instructions on the notice. The Meeting Notice also contains instructions for accessing and reviewing the proxy materials over the Internet and provides directions for submitting your vote over the Internet.

How do I request a paper copy of the proxy materials?

You may request a paper copy of the proxy materials by following the instructions below. You will be asked to provide your 15-digit control number located on your Meeting Notice.

1. Call the toll-free telephone number 1-866-641-4276 and follow the instructions provided, or
2. Access the website at www.envisionreports.com/BFIN and follow the instructions provided, or

Send an email to investorvote@computershare.com with "Proxy Materials BankFinancial Corporation" in the subject line. Include in the message your full name and address, plus the number located in the shaded bar on your Meeting Notice, and state in the email that you want a paper copy of current meeting materials.

Please make your request for a copy on or before June 9, 2015 to facilitate timely delivery before the Annual Meeting. Stockholders who hold shares in "street name" that is, through a broker, should request copies of the proxy materials by following the instructions provided by the broker.

How many votes do we need to hold the Annual Meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the Annual Meeting in order for us to hold the Annual Meeting and conduct business. Abstentions and broker non-votes are considered present at the Annual Meeting and are counted in determining whether or not a quorum is present.

Shares are counted as present at the Annual Meeting if the stockholder either:

- is present and votes in person at the Annual Meeting; or
- has properly submitted a signed proxy form or other proxy.

Table of Contents

At the close of business on April 20, 2015, the record date, there were 21,101,966 shares of our common stock, par value \$0.01, issued and outstanding. Therefore, at least 10,550,984 shares need to be present at the Annual Meeting in person or by proxy in order for us to hold the Annual Meeting and conduct business.

What happens if a nominee is unable to stand for election?

The Board of Directors may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for the substitute nominee designated by the Board of Directors. Proxies cannot be voted for more than three nominees. We have no reason to believe that any nominee will be unable to stand for election.

What options do I have in voting on each of the proposals?

Election of Directors (Proposal 1). You may mark the “FOR” box on your proxy card to vote for all director nominees, mark the “FOR ALL EXCEPT” box on your proxy card to vote for all nominees other than any nominee that you specify on your proxy card, or mark the “WITHHOLD” box to withhold your vote for all director nominees.

Ratification of Independent Registered Public Accounting Firm (Proposal 2). You may mark either the “FOR”, “AGAINST”, or “ABSTAIN” box with respect to the ratification engagement of Crowe Horwath.

Advisory, Non-Binding Vote on Executive Compensation (Say-On-Pay) (Proposal 3). You may cast your advisory, non-binding vote “FOR” or “AGAINST”, or you may “ABSTAIN” from voting on the compensation of the Company’s named executive officers. While this vote is required by law, it will neither be binding on the Company or its Board of Directors, nor will it create or imply any change in the fiduciary duties of or impose any additional fiduciary duties on the Company or its Board of Directors.

Where no instructions are indicated, validly executed proxies will be voted “FOR” the election of the three director nominees, “FOR” the ratification of the engagement of Crowe Horwath, and “FOR” the approval of the compensation of the Company’s named executive officers.

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this Proxy Statement indicates the number of shares owned by an account attributable to you.

Are there any limits on the voting of shares?

As provided in Section F of Article 6 of our Charter, record holders of common stock that is beneficially owned by a person who beneficially owns in excess of 10% of the outstanding shares of our common stock are not entitled to vote any shares held in excess of this 10% limit. Subject to certain exceptions, a person is deemed to beneficially own shares owned by an affiliate of, as well as by persons acting in concert with, such person. Our Board of Directors is authorized to construe and apply the provisions of Section F of Article 6 of the Charter, and to make all determinations it deems necessary or desirable to implement them, including determining the number of shares beneficially owned by any person and whether a person is an affiliate of or has an arrangement or agreement with another person. Further, the Board of Directors is authorized to demand certain information from any person who is reasonably believed to beneficially own stock in excess of the 10% limit and reimbursement for all expenses incurred by us in connection with an investigation conducted by the Board of Directors pursuant to the provisions of Section F of Article 6 of the Charter.

How many votes are needed for each proposal?

The three individuals receiving the highest number of votes cast “FOR” their election will be elected as directors, without regard to shares as to which the “FOR ALL EXCEPT” or “WITHHOLD” box has been selected on the proxy card. The ratification of the engagement of Crowe Horwath as our independent registered public accounting firm for the year ending December 31, 2015 will require the affirmative vote of a majority of the votes cast at the Annual Meeting, in person or by proxy, without regard to either broker non-votes or shares as to which the “ABSTAIN” box has been selected on the proxy card.

The approval of the advisory, non-binding vote on executive compensation will require the affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes or shares as to which the “ABSTAIN” box has been selected on the proxy card. While this vote is required by law, it will neither be binding on the Company or its Board of Directors, nor will it create or imply any change in the fiduciary duties of or impose any additional fiduciary duties on the Company or its Board of Directors.

Table of Contents

Shares represented by broker non-votes and abstentions are considered present at the Annual Meeting for the purposes of determining whether or not a quorum is present, but such shares are not considered votes cast and will have no effect on the outcome of the election of directors, the ratification of the engagement of Crowe Horwath, and the advisory, non-binding resolution to approve our executive compensation.

Where do I find the voting results of the Annual Meeting?

We intend to announce voting results at the Annual Meeting or at any postponements or adjournments thereof. The voting results will also be disclosed in a Current Report on Form 8-K that we will file with the SEC.

How does the Board recommend that I vote?

The Board of Directors recommends that you vote “FOR” the election of the three director nominees, “FOR” the ratification of the engagement of Crowe Horwath, and “FOR” the approval of the compensation of the Company’s named executive officers.

Who do I call if I have any questions?

If you have any questions or need assistance in submitting your proxy, voting your shares or need paper copies of the proxy materials, free of charge, please contact Computershare, toll-free, at (866) 641-4276.

ELECTION OF DIRECTORS; INFORMATION WITH RESPECT TO DIRECTORS AND EXECUTIVE OFFICERS

There are seven members of the Board of Directors, which is divided into three classes. The bylaws of the Company establish the initial terms of office for each class of directors and provide that directors are elected for a term of office that will expire at the third succeeding Annual Meeting of Stockholders following their election, with each director to hold office until his or her successor is duly elected and qualifies.

At the Annual Meeting, the stockholders of the Company will be requested to elect one class of directors consisting of three directors. The Corporate Governance and Nominating Committee of the Board of Directors has recommended, and the Board of Directors has nominated, Cassandra J. Francis, Thomas F. O’Neill and Terry R. Wells for election as directors in this class of directors for a term of office that will expire at the Annual Meeting of Stockholders in 2018 and until their successors are duly elected and qualify.

The proxies solicited on behalf of the Board of Directors will be voted at the Annual Meeting “FOR” the election of the above three nominees as directors, provided that your proxy will not be voted in favor of any nominee for which your proxy vote has been withheld. If a nominee is unable or unwilling to stand for election at the time of the Annual Meeting, the shares represented by all such proxies will be voted for the election of such replacement nominee as the Board of Directors, acting on the recommendation of the Corporate Governance and Nominating Committee, may designate. At this time, the Board of Directors knows of no reason why any of the nominees might be unable or unwilling to stand for election as a director, or to serve as a director if elected.

As described in a Current Report on Form 8-K filed with the Securities and Exchange Commission on December 30, 2013, the Company has entered into a Standstill Agreement with John W. Palmer and PL Capital, LLC and certain of its affiliated parties (collectively, the “PL Capital Parties”), pursuant to which the Board of Directors of the Company and its Corporate Governance and Nominating Committee agreed, among other things, to nominate and recommend Mr. Palmer for election as a director of the Company at the 2014 Annual Meeting of Stockholders, and the PL Capital Parties agreed, among other things, to vote all Company shares that they beneficially own in favor of the director nominees selected by the Corporate Governance and Nominating Committee and will otherwise support such director candidates, and with respect to any other proposal submitted by any stockholder, they will vote all shares that they beneficially own in accordance with the recommendation of the Board of Directors.

The following table sets forth certain information regarding the nominees and members of the Board of Directors, including their years of service and terms of office. Except for the Standstill Agreement or otherwise as indicated herein, there are no arrangements or understandings between any of the directors or nominees and any other person pursuant to which such directors or nominees were selected.

The Bank made certain secured real estate loans to Ms. Francis and her spouse prior to Ms. Francis' appointment as a director in 2006, and these loans were considered to be grandfathered from the Bank's practice of not making loans to directors or executive officers. This extension of credit was made in the ordinary course of business on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with persons not related to the Bank, does not involve more than normal risk of collectability or present other unfavorable features, and is not past due or classified as nonaccrual, restructured or a potential problem loan.

The Company's executive officers, directors and beneficial owners of greater than 10% of the outstanding shares of the Company's common stock are required to file reports with the SEC disclosing beneficial ownership and changes in beneficial ownership of the Company's common stock. SEC rules require disclosure if an executive officer, director or 10% beneficial owner fails to file these reports on a timely basis. Based on the Company's review of ownership reports required to be filed for the year ended December 31, 2014, no executive officer, director or 10% beneficial owner of shares of the Company's common stock failed to file any required ownership report on a timely basis during this period.

CODE OF ETHICS

The Company has adopted a Code of Ethics for Senior Financial Officers that applies to the Company's principal executive officer, principal financial officer, principal accounting officer, and persons performing similar functions. A copy of the Company's Code of Ethics was previously filed as Exhibit 14 to the Company's Annual Report on Form 10-K for the year ended December 31, 2005. The Company has also adopted a Code of Business Conduct, pursuant to the listing standards of the NASDAQ Stock Market, that applies generally to the Company's directors, officers, and employees.

BOARD LEADERSHIP STRUCTURE AND BOARD'S ROLE IN RISK OVERSIGHT

Leadership Structure. The Company's Board of Directors has a distributed leadership structure. The Board has established a standing Executive Committee, which currently consists of the Chief Executive Officer and two independent Directors. Thus, a two-thirds majority of the membership of the Executive Committee consists of independent Directors. The Executive Committee exercises the authority of the Board between meetings on matters not reserved exclusively to the Board by the Company's charter or bylaws. In addition, independent directors chair the Corporate Governance and Nominating Committee and the Human Resources Committee, the members of which are all independent Directors.

In 2010, the Board amended the charter of the Corporate Governance and Nominating Committee to provide that the Chair of this committee will serve as the Board's Lead Director. The Lead Director calls and presides at all executive sessions or special meetings of the Board's outside, independent directors and provides feedback to the Chief Executive Officer regarding the same; works with the Chairs of the other committees of the Board to ensure coordinated coverage of the Board's duties and responsibilities; serves as a supplemental point of contact for Board members and stockholders; serves as a liaison between the Board's outside, independent Directors and the Chief Executive Officer; coordinates the implementation of the charter of the Corporate Governance and Nominating Committee, including Board performance evaluations; and executes any other duties and responsibilities the Board may establish.

The Chairman of the Board coordinates the Board's functions, including the activities of the Board's committees, with the execution of the Company's business plan and day-to-day operations. Although the Chairman also presides over Board meetings as provided in the Company's bylaws, the charter of the Corporate Governance and Nominating Committee was amended in 2010 to formalize the Board's practice of permitting any director to place any item on the agenda for any Board meeting.

Table of Contents

The Board periodically meets outside the presence of the Chief Executive Officer. The independent members of the Board also conduct a periodic review of the Company's financial condition, results of operation, long-term planning, management structure and internal governance practices. The Board utilizes the findings and recommendations resulting from its review to revise and enhance its oversight, as appropriate.

The Board does not have a policy requiring the separation of the offices of Chairman and Chief Executive Officer, and Mr. Gasior currently serves in both capacities. The Board believes that the selection of its Chairman should be based upon the Board's assessment of the Company's current operating needs, the suitability of the individual to effectively discharge the duties of the Chairman and the leadership structure that will best serve the interests of the Company and its stockholders. The Board believes that combining the offices of Chairman and Chief Executive Officer is currently an effective governance structure because it provides an efficient and unified responsibility and mechanism for the coordination of the activities of the Board of Directors and those of management. The Board also believes that its creation of the Lead Director position, its policy of universal Board agenda access and its practice of conducting periodic meetings outside the presence of the Chief Executive Officer achieve benefits that are equivalent to those that might result from separating the offices of Chairman and Chief Executive Officer.

Role in Risk Oversight. The Board is actively involved in the oversight of risks that could affect the Company through, among other things, its adoption of policies and procedures that establish acceptable risk parameters for lending, investment and other specific functions; the use of internal controls to identify and monitor specific risks; the establishment of an internal audit function that monitors compliance with policies, procedures and internal controls and reports directly to the Board's Audit Committee; oversight and reporting by Board committees with respect to matters within their jurisdictions; the receipt of periodic reports, and in certain cases, detailed risk assessments, from officers of the Company who are responsible for the oversight of specific functions; and the periodic use of outside consultants to conduct independent reviews of lending activities, information systems risks and certain other functions and activities.

This leadership and risk management structure is designed to ensure that financial, risk, internal control reporting and market information are provided directly to the independent directors of the Company and acted upon as necessary. Taken together, the Board believes that it has an effective leadership structure controlled by independent directors, with open meeting agendas and an established mechanism for oversight and evaluation of the Company as well as the Board's and management's execution of their respective responsibilities.

BOARD COMMITTEE REPORTS, POLICIES AND PROCEDURES**Meetings and Committees of the Board of Directors**

Board of Directors and Committees. The business of the Company is conducted at regular and special meetings of the Board of Directors and its committees. In addition, the "independent" members of the Board of Directors, as defined in Rule 5605(a)(2) of the listing standards of the NASDAQ Stock Market, meet in executive sessions. The standing committees of the Board of Directors of the Company are the Executive, Audit, Corporate Governance and Nominating, and Human Resources Committees. During the year ended December 31, 2014, the Board of Directors of the Company held four regular meetings. No member of the Board of Directors or any Board committee attended less than 75% of the Board meetings and the Board committee meetings on which the director served. In addition, a number of matters were evaluated, considered and/or decided during the year by electronic distribution and voting or consent.

Executive Committee. The Executive Committee is authorized to act with the same authority as the Board of Directors between meetings of the Board of Directors, subject to certain limitations contained in the bylaws of the Company. The members of the Executive Committee of the Company also serve as members of the Executive Committee of the Bank.

Audit Committee. The Board of Directors has adopted a written charter for the Audit Committee, which was attached as Appendix A to the Proxy Statement for the 2014 Annual Meeting. As more fully described in the Audit Committee Charter, the Audit Committee reviews the records and affairs of the Company to determine its financial condition, reviews with management and the Company's independent registered public accounting firm the systems of internal control over financial reporting, and monitors adherence in accounting and financial reporting to accounting principles generally accepted in the United States. Each member of the Audit Committee is an "independent" director as defined in Rule 5605(a)(2) of the listing standards of the NASDAQ Stock Market and Rule 10A-3 of the Securities Exchange Act of 1934, as amended. In addition, the Board of Directors has determined that Messrs. Hausmann and Wherfel are qualified as "audit committee financial experts" as currently defined in the regulations of the SEC.

Corporate Governance and Nominating Committee. The Board of Directors has adopted a written charter for the Corporate Governance and Nominating Committee, which is attached as Appendix A to this Proxy Statement. The Corporate Governance and Nominating Committee consists, at any point in time, of directors of the Company who qualify as "independent" in accordance with the listing standards of the NASDAQ Stock Market, except that no director may serve on the Corporate Governance and Nominating Committee at any meeting at which he or she has been or is seeking to be proposed as a nominee.

The Corporate Governance and Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors who are willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If vacancies on the Board of Directors arise, or if a current director is not nominated for re-election, the Corporate Governance and Nominating Committee will determine the skills and experience desired of a new nominee, solicit suggestions for director candidates from all members of the Board of Directors, and may engage in other search activities. During the year ended December 31, 2014, the Company did not pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential nominees for director.

Candidates for a directorship should possess specific attributes, including integrity and a devotion to ethical behavior, a primary interest in the well-being of the Company, a capacity for independent judgment, good business acumen, the capacity to protect confidential information, an ability to work as a member of a team and a willingness to evaluate other opinions or points of view. In addition to examining a candidate's qualifications in light of the above attributes, the Corporate Governance and Nominating Committee would also consider the overall character of the candidate and any existing or potential conflict of interest, the candidate's willingness to serve and ability to devote the time and effort required, the candidate's record of leadership, and the ability to develop business for the Company and its subsidiaries.

The Corporate Governance and Nominating Committee and the Board of Directors nominate candidates for election to the Company's Board of Directors based on the candidate's experience and expertise applicable to the current and expected future business operations of the Company. There is no formal policy with regard to the consideration of diversity in identifying a director nominee, and no specific demographic factors, or absence of such factors, prejudice a candidate's qualification for nomination to the Board of Directors. The Company's bylaws also establish specific qualifications for directors.

The Corporate Governance and Nominating Committee may consider qualified candidates for a directorship suggested by the stockholders of the Company. Stockholders may suggest a qualified candidate for a directorship by writing to BankFinancial Corporation at 15W060 North Frontage Road, Burr Ridge, Illinois 60527, Attention: James J. Brennan, Secretary, and providing the information described in the Company's bylaws concerning the suggested candidate. A suggestion made to the Company's Secretary concerning a potential candidate for a directorship will not constitute a nomination of the suggested candidate for election as a director. All nominations of candidates for election as a

director must strictly comply with the applicable requirements and time limits summarized on page 32 in “Advance Notice of Business to be Conducted at an Annual Meeting.”

Human Resources Committee. The Board of Directors has adopted a written charter for the Human Resources Committee of the Company. The Charter of the Human Resources Committee of the Company was amended in August 2013 and was attached as Appendix B to the Proxy Statement for the 2014 Annual Meeting. The Human Resources Committee of the Company is comprised of all directors of the Company other than Mr. Gasior. The Human Resources Committee of the Bank is comprised of all Bank Directors other than Mr. Gasior. The membership of the Human Resources Committee of the Bank includes one director of the Bank who is not a director of the Company, and does not include Messrs. O’Neill and Palmer because they are not directors of the Bank. The Human Resources Committee of the Bank is responsible for establishing Bank-level base salaries,

cash incentive compensation plans and bonus awards related to the named executive officers, and for making recommendations to the Human Resources Committee of the Company with respect to awards and the vesting of equity incentive compensation under the 2006 Equity Incentive Plan. The Human Resources Committee of the Company makes final determinations with respect to awards and the vesting of equity incentive compensation under the 2006 Equity Incentive Plan. All members of each Human Resources Committee are “independent” as defined in Rule 5605(a)(2) of the listing standards of the NASDAQ Stock Market. The meetings of the Human Resources Committees were conducted outside the presence of management to discuss compensation, performance and employment related matters.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction

This Compensation Discussion and Analysis describes the Company's compensation philosophy and policies for 2014 as applicable to the executive officers named in the Summary Compensation Table. This section explains the structure and rationale associated with each material element of the named executive officers' compensation, and it provides context for the more detailed disclosure tables and specific compensation amounts provided in the following section. It is important to note that the Company and the Bank share an executive management team, and except for awards made pursuant to the Company's 2006 Equity Incentive Plan (the "2006 EIP"), the members of the executive management team are compensated by the Bank rather than the Company, and the Company reimburses the Bank for their services to the Company through intercompany expense allocations.

Role of the Human Resources Committee of the Board of Directors

Pursuant to its Charter, the Human Resources Committee of the Company is responsible for the execution of the Board of Directors' responsibilities with respect to compensation, performance evaluation and succession planning for the Company's Chief Executive Officer and other named executive officers of the Company. The Human Resources Committee of the Company is also responsible for the submission of an annual report on executive compensation to the Board of Directors for inclusion in the Company's Annual Report on Form 10-K. Since the Company's 2014 Annual Meeting of Stockholders, the Human Resources Committee of the Company has been comprised of Messrs. Wells (Chairman), Hausmann, O'Neill, Palmer, and Wherfel, and Ms. Francis, each of whom is expected to serve on the committee through the conclusion of the Company's Annual Meeting of Stockholders on June 23, 2015. Each member of the Human Resources Committee of the Company is considered "independent" according to the listing standards of the NASDAQ Stock Market, an "outside" director pursuant to Section 162(m) of the Internal Revenue Code, and a "non-employee" director under Section 16 of the Securities Exchange Act of 1934. The Human Resources Committee of the Bank is comprised of all Bank Directors other than Mr. Gasior. The membership of the Human Resources Committee of the Bank includes one director of the Bank who is not a director of the Company, and does not include Messrs. O'Neill and Palmer because they are not directors of the Bank. The Human Resources Committee of the Bank is responsible for establishing Bank-level base salaries, cash incentive compensation plans and bonus awards related to the named executive officers, and for making recommendations to the Human Resources Committee of the Company with respect to awards and the vesting of equity incentive compensation under the 2006 Equity Incentive Plan. The Human Resources Committee of the Company makes final determinations with respect to awards and the vesting of equity incentive compensation under the 2006 Equity Incentive Plan.

Compensation Philosophy and Objectives

The overall objective of the Company's and the Bank's compensation programs is to align executive officer compensation with the success of meeting strategic, financial and management objectives and goals. The programs are designed to create meaningful and appropriate incentives to manage the business of the Company and the Bank successfully and to align management interests with those of the stockholders of the Company. The program is structured to accomplish the following:

- encourage a consistent and competitive return to stockholders over the long-term;
- maintain a corporate environment that encourages stability and a long-term focus for the primary constituencies of the Company and the Bank, including employees, stockholders, communities, clients and government regulatory agencies;
- maintain a program that:
 - clearly motivates personnel to perform and succeed according to the current goals of the Company and the Bank;
 - provides management with the appropriate empowerment to make decisions that benefit the primary constituents;
 - attracts and retains key personnel critical to the long-term success of the Company and the Bank;
 - provides for management succession planning and related considerations;
 - encourages increased productivity;
 - provides for subjective consideration in determining incentive and compensation components; and
 - ensure that management:
 - fulfills its oversight responsibility to its primary constituents;
 - conforms its business conduct to the Company's and the Bank's established ethical standards;
 - remains free from any influences that could impair or appear to impair the objectivity and impartiality of its judgments or treatment of the constituents of the Company and the Bank; and
 - avoids any conflict between its responsibilities to the Company and the Bank and each executive officer's personal interests.

Compensation Committee Interlocks and Insider Participation

Mr. Gasior is the only director of the Company and the Bank who is also an executive officer of the Company and/or the Bank. Mr. Gasior does not participate in the decisions of the Boards of Directors of the Company or the Bank or their respective Human Resources Committees concerning his compensation. No executive officer of the Company or the Bank has served on the Board of Directors or on the compensation committee of any other entity that had an executive officer serving on the Company's Board of Directors or Human Resources Committee.

Compensation Consultant Conflicts of Interest

The Human Resources Committee of the Company engaged Frederic W. Cook & Co., Inc. ("Cook & Co.") to assist in the preparation of the compensation aspects of reports filed with the SEC and to be available for consultations with outside counsel to the Human Resources Committee of the Company. The Human Resources Committee of the Company has received and reviewed the Cook & Co. consultant independence letter and independence policy addressing factors identified by SEC rules to determine whether certain conflicts of interest disclosures must be made. Cook & Co. believes that there is no conflict of interest in its role as an advisor to the Human Resources Committee of the Company. The following factors were assessed by the committee: Cook & Co.'s provision of services other than the executive and non-employee director compensation matters; the amount of fees received from the Company by Cook & Co. as a percentage of the total revenue of Cook & Co.; the policies and procedures of Cook & Co. that are designed to prevent conflicts of interest; the extent of any business or personal relationships with any member of the committee or any executive officer of the Company or the Bank; and any ownership of the Company's stock by individuals on the consulting team employed by Cook & Co. After considering these and other factors in their totality, no conflicts of interest with respect to Cook & Co.'s advice were identified by the Human Resources Committee of the Company.

Compensation Principles and Factors

Business Plan Objectives. The Boards of Directors of the Company and the Bank periodically conduct a review of current and anticipated business conditions in the context of the Company's and the Bank's financial and competitive position. The review period typically includes at least the previous two fiscal years and up to two years prospectively.

In connection with this review, management submits a business plan to the Boards of Directors of the Company and the Bank that proposes strategic, financial and management objectives for the period covered, using multiple scenarios in response to a variety of stated assumptions. The Boards of Directors then evaluate the proposed business plan, and modify its provisions to the extent they deem appropriate. The business plan is updated by management and the Boards of Directors periodically throughout the year to respond to changing circumstances and conditions. The business plan provides a basis for evaluating the future progress of the organization, including all appropriate strategic alternatives, and management's performance.

Table of Contents

For 2014, the Human Resources Committees of the Company and the Bank considered the Company's and the Bank's performance within the context of the 2014 business plan and management's overall performance, weighing numerous factors within and outside of management's control.

Corporate Performance and Peer Comparison. In establishing named executive officer compensation, the Human Resources Committees periodically evaluate the Company's and the Bank's performance compared to management's and the Boards of Directors' overall goals and business plan objectives as well as to other financial institutions. The Human Resources Committees believe that using the respective performance of the Company and the Bank factors in determining named executive officer compensation levels is a useful tool for aligning the executive officers' interests with those of the stockholders of the Company. With that in mind, the Human Resources Committees focus on the respective overall performance of the Company and the Bank relative to the prior calendar year and also consider the performance of local competitors. As part of the evaluation and review, the Human Resources Committees also take into account the manner in which various subjective issues, such as competition and general and local economic conditions, including unemployment rates and commodities prices and adverse conditions in housing and real estate markets, may have affected performance.

For purposes of comparative analysis in assessing corporate performance, the Company generally considers commercial banks and savings institutions of similar asset size. Given the ever-changing landscape within the banking industry, there is no specifically defined group of companies that is utilized for this analysis. The group of comparative financial institutions used in 2014 to assess overall performance consisted of local publicly-held financial institutions. The local financial institutions that were considered in 2014 included First Midwest Bancorp, Inc. (FMBI), MB Financial, Inc. (MBFI), Wintrust Financial Corporation (WTFC) and PrivateBancorp Inc. (PVTB). A broader group consisting of these publicly-held institutions and a number of privately-held local financial institutions was used to evaluate the improvements that occurred in the Company's asset quality metrics.

The Boards of Directors of the Company and the Bank believe that peer comparison is a useful tool for assessing business performance, staying competitive in the marketplace and attracting and retaining qualified executives. While the Human Resources Committees believe that it is prudent to consider peer comparison in determining compensation practices, they do not establish empirical parameters or benchmarks for using this data. Rather, the Human Resources Committee of the Bank used peer comparison data to confirm that executive compensation is reasonable relative to competing organizations.

Performance Reviews and Role of Executives in Committee Meetings. Management reports to the Boards of Directors of the Company and the Bank at least annually on its progress in achieving the strategic, financial and management objectives established by the business plan. The Boards of Directors of the Company and the Bank then consider the overall performance of the Company and the Bank and the named executive officers in the context of these objectives, weighing numerous factors and conditions within and outside of management's control. In establishing Bank-level base salaries, incentive compensation and bonus awards, the Human Resources Committee of the Bank reviews current and proposed compensation levels for the Chief Executive Officer and the other named executive officers. The Human Resources Committee of the Company takes into account the judgments made by the Human Resources Committee of the Bank with respect to potential awards under the 2006 EIP. The Boards of Directors and the Human Resources Committees exclude the Chief Executive Officer and all other named executive officers from their discussions and formal meetings concerning their compensation, except to receive the results of the decisions made and other relevant information.

Information Resources and Role of Compensation Consultants. In reviewing current and proposed compensation levels for named executive officers, the Human Resources Committees consider the organizational structure and business performance of the Company and the Bank, external information from public sources on peer and competitor business performance and compensation practices and levels and other information it deems relevant to its responsibilities. The Human Resources Committees of the Company and the Bank continued to have access to its own outside counsel and a compensation consultant during 2014. The Human Resources Committee of the Company engaged Cook & Co. to assist in the preparation of the compensation aspects of reports filed with the SEC and to be available for consultations with outside counsel. As part of its work, Cook & Co. conducted peer group analysis against peers covering total annual compensation and equity incentives for the positions of Chief Executive Officer

and Chief Financial Officer.

Components of Executive Compensation

General. All named executive officers of the Company, including the Chief Executive Officer, are currently executive officers of the Bank. On May 19, 2006, the Company adopted the 2006 EIP, and it was subsequently approved by the Company's stockholders at the 2006 Annual Meeting. Except for awards made pursuant to the 2006 EIP, the Company does not separately compensate its named executive officers, accordingly, the 2006 EIP is the only compensation or employee benefit program reviewed by the Human Resources Committee of the Company. The compensation that the Bank pays to its named executive officers, however, is taken into account in establishing the intercompany expense allocations that the Company pays to the Bank. In connection with its mutual-to-stock conversion in 2005, the Bank also established a tax-qualified employee stock ownership plan ("ESOP"), and named executive officers are eligible to participate in the ESOP subject to vesting and other requirements and limitations applicable to all participants generally.

Base Salary. Generally, base salary levels are established based on job descriptions and responsibilities, either temporary or permanent in nature (including any revisions or proposed revisions thereto), competitive conditions and general economic trends in the context of the Bank's financial and franchise condition, and performance.

In 2015, the base salaries for the named executive officers increased by an amount equal to the increase in the 12-month Consumer Price Index as reported by the U.S. Treasury Department in September 2014 (this index was generally used throughout the Company for cost-of-living adjustments to base compensation).

Name	Position	2015 Base Salary ⁽¹⁾
F. Morgan Gasior	Chairman of the Board, Chief Executive Officer and President	\$412,703
Paul A. Cloutier	Executive Vice President and Chief Financial Officer	\$276,622
William J. Deutsch, Jr.	National Commercial Leasing President	\$208,485
James J. Brennan	Executive Vice President, Corporate Secretary and General Counsel	\$331,001
John G. Manos	Commercial Real Estate Lending President	\$238,995

⁽¹⁾ The 2015 base salaries were increased by a 1.7% cost of living index adjustment and were effective as of March 23, 2015.

Non-Equity Incentive Plan Compensation. Annual cash incentive compensation for the Chief Executive Officer and the Chief Financial Officer reflects the relative achievement of the strategic, financial and management objectives established by the business plan, management's responses to unforeseen circumstances or conditions that materially differ from those originally assumed, and the individual performance factors established for each individual. Annual cash incentive compensation for these individuals is generally established as a range of possible awards based on a percentage of base salary. Other factors considered include recent changes or proposed changes to base salary or other compensation elements, as well as competitive considerations. The Human Resources Committee of the Bank determined that no cash incentive compensation would be paid to the Chief Executive Officer and the Chief Financial Officer for the year ended December 31, 2014.

Historically, the Bank prepared performance- and risk-based incentive compensation matrices for the Chief Executive Officer and the Chief Financial Officer. Taken together, these matrices incorporated direct relationships of our principal risk exposures and performance based on the Human Resources Committee of the Bank's assessments. The matrices were not utilized to evaluate the eligibility of the Chief Executive Officer and the Chief Financial Officer for cash incentive compensation for the year ended December 31, 2014 due to the Human Resources Committee of the Bank's determination that any decision to award cash incentive compensation to the Chief Executive Officer and the Chief Financial Officer should be deferred until the continued execution of the Business Plan results in additional sustained improvement in Core Earnings. However, information with respect to these matrices is provided below. Annual cash incentive compensation for the Bank's National Commercial Leasing President is based on the Bank's 2014 National Commercial Leasing President Incentive Compensation Plan, which takes into account the extent, if any, to which National Commercial Leasing originations and average outstanding balances exceeded the threshold amounts and adjusted for asset quality as established in the business plan. The National Commercial Leasing President surpassed his 2014 threshold expectations and was awarded annual cash incentive compensation. The individual awards applicable to the National Commercial Leasing President are discussed in "Conclusions for the Year Ended

December 31, 2014.”

Annual cash incentive compensation for the Bank’s Commercial Real Estate Lending President is based on the Bank’s 2014 Commercial Real Estate Lending President Incentive Compensation Plan, which takes into account the extent, if any, to which Multifamily and Commercial Real Estate loan origination volumes exceeded the required threshold amounts and adjusted for

asset quality as established in the business plan. The Commercial Real Estate Lending President surpassed his 2014 threshold expectations and was awarded annual cash incentive compensation. The individual awards applicable to the Commercial Real Estate Lending President are discussed in “Conclusions for the Year Ended December 31, 2014.”

Discretionary Non-Equity Bonus. In general, the business plan assumptions included a total annual bonus payment between 1% and 15% of base salary for named executive officers other than the Chief Executive Officer and the Chief Financial Officer. Provided that, if and as applicable, the overall financial performance of the Company and the Bank was generally consistent with the overall projected business plan results (taking into consideration factors both within and outside of the Company’s and the executive officers’ control), the annual performance review process results in an award based on an assessment of the named executive officer’s execution of their applicable responsibilities. No empirical mathematical formula was used to determine the amount of the actual annual cash incentive compensation for these bonuses. These individual awards are discussed in “Conclusions for the Year Ended December 31, 2014.”

Equity-Based Compensation. The 2006 EIP established a mechanism by which awards of restricted stock or stock options could be utilized to further align the financial interests of employees, including the named executive officers, with stockholders and, in the future, provide an additional means to attract, retain and reward individuals who contribute to the success of the Company. The Human Resources Committee has established share ownership guidelines (as described below) for the named executive officers and other executive officers. The Human Resources Committee of the Company also considers the significant financial investment required of a participant who retains shares granted under the 2006 EIP because such participant must pay current income tax obligations with respect to such shares without having the benefit of selling the shares to generate cash proceeds sufficient to pay such tax liability. In addition, consistent with the purpose of aligning management financial interests with stockholder interests, the Human Resources Committee of the Company delegated to the Chief Executive Officer the authority to make grants pursuant to an established framework for the Chief Executive Officer’s implementation of the 2006 EIP for individuals other than the executive officers of the Company or the Bank. In general, the delegated authority of the Chief Executive Officer is limited to grants to an aggregate of 120,000 restricted shares and 360,000 stock options, and to a maximum per individual of 10,000 restricted shares and 25,000 stock options.

No new equity awards were granted to any named executive officers in 2014. The Human Resources Committee of the Company believes that the establishment of equity-based compensation programs is an important tool for the retention and attraction of qualified management talent.

Share Ownership Guidelines. In the absence of difficult personal circumstances, the Human Resources Committee of the Company encourages the Chief Executive Officer and the other named executive officers of the Company to acquire with their own funds and hold a position in Company shares equal to 100% of the executive’s three-year average annual cash compensation. At December 31, 2014, all of the Company’s named executive officers met all elements of the Human Resources Committee of the Company’s share ownership guidelines.

401(k) Plan. The Company has a tax-qualified defined contribution retirement plan covering all of its eligible employees. Employees are eligible to participate in the plan after attainment of age 21 and completion of six months of service. Effective April 1, 2007, the Board of Directors of the Bank amended the match component of the plan to provide a fixed match in the amount of 50% of the first 6% of compensation deferred under the plan. The Board of Directors of the Bank amended the match formula after considering the significant benefit provided to all eligible employees under the Bank’s ESOP. The Company could also contribute an additional amount annually at the discretion of the Board of Directors of the Bank. Contributions totaling \$347,600, excluding forfeitures, were made to the 401(k) plan for 2014. All reasonable administrative expenses incurred by the Plan were paid by the Plan.

Employee Stock Ownership Plan and Trust. The Bank implemented the ESOP in connection with the mutual-to-stock conversion, effective as of January 1, 2004. Employees are eligible to participate in the ESOP after the attainment of age 21 and completion of at least one year of employment. As part of the mutual-to-stock conversion, the ESOP trust borrowed funds from the Company and used those funds to purchase 1,957,300 shares of common stock. The shares of common stock purchased by the ESOP are the collateral for the loan. The loan will be repaid principally from the Bank through discretionary contributions to the ESOP over a period of up to 20 years. The loan documents provide that the loan may be repaid over a shorter period, without penalty for prepayments. The interest rate for the loan equals the prime rate plus 100 basis points, adjustable every five years. Shares purchased by the ESOP are held in a

suspense account for allocation among participants as the loan is repaid. The Company does not have any equity compensation program that was not approved by its stockholders, other than its ESOP. Contributions to the ESOP and shares released from the suspense account in an amount proportional to the repayment of the ESOP loan are allocated among ESOP participants on the basis of compensation in the year of allocation. Benefits under the plan become fully vested upon completion of five years of credited service, with credit given to participants for years of

Table of Contents

credited service with the Bank prior to the adoption of the plan. However, employees retained through the merger of Downers Grove National Bank were credited with service beginning on the date they first became employed by the Bank. A participant's interest in his or her account under the plan also fully vests in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change of control (as defined in the plan). Vested benefits are payable in the form of shares of common stock and/or cash. Any unvested benefits will be forfeited upon termination of employment in accordance with the terms of the ESOP. Such forfeited amounts remain in the ESOP and are reallocated to remaining participants in accordance with the terms of the ESOP. The Bank's contributions to the ESOP are discretionary, subject to the loan terms and tax law limits. The ESOP will terminate in the event of a change of control (as defined in the plan). All reasonable administrative expenses incurred by the Plan were paid by the Plan.

All Other Compensation and Perquisites. To the extent applicable, the Human Resources Committees of the Company and the Bank review and monitor the level of other compensation and perquisites provided by the Company or the Bank, respectively, to the named executive officers in the context of current business operations and general market practices. Excluding the effects of the Bank's contributions for the health, vacation, 401(k) and ESOP benefits available to all full-time employees and the Bank's reimbursement of the after-tax premium costs for disability insurance coverages, the Human Resources Committees of the Company and the Bank continue to believe that other compensation and perquisites generally should not exceed 10% of each named executive officer's total annual cash compensation. As of December 31, 2014, the compensation practices of the Company and the Bank with respect to other compensation and perquisites met this standard.

Conclusions for Year Ended December 31, 2014

Executive Summary. The following is a brief summary of the compensation decisions the Human Resources Committees made with respect to the named executive officers for 2014 and 2015:

Cash incentive compensation payments were awarded to the National Commercial Leasing President and the Commercial Real Estate Lending President, and a cash bonus was awarded to the Executive Vice President - Corporate Secretary and General Counsel, for the year ended December 31, 2014.

No new equity awards were granted to the named executive officers for the year ended December 31, 2014.

Base salaries of the named executive officers increased 1.7% for 2015 and on March 24, 2014, the base salary for the Commercial Real Estate Lending President increased by 6.5%.

Review of Chief Executive Officer. The Human Resources Committee of the Bank met outside the presence of management to review the Chief Executive Officer's performance in the context of the approved business plan, and the extent to which established business plan objectives were realized during 2014. The Human Resources Committee of the Bank also evaluated the overall state of the Bank's franchise and strategic position, capabilities and direction consistent with the Chief Executive Officer's execution of his leadership and planning responsibilities. The Human Resources Committee of the Bank determined that no cash incentive compensation would be paid to the Chief Executive Officer for the year ended December 31, 2014 and that the base compensation of the Chief Executive Officer would be increased based on a cost-of-living index increase for all named executive officers. Although significant progress was made in achieving key elements of the Business Plan during 2014, including in the areas of loan originations, asset quality and expense reductions, the Human Resources Committee of the Bank decided that it would defer consideration of any supplemental compensation to the Chief Executive Officer until the continued execution of the Business Plan results in additional sustained improvement in Core Earnings. Because of this decision, the Human Resources Committee of the Bank did not utilize a performance- and risk-based incentive compensation matrix to evaluate the eligibility of the Chief Executive Officer for cash incentive compensation. The Board of Directors of the Bank, with Mr. Gasior not participating, ratified the actions of the Human Resources Committee of the Bank with respect to the Chief Executive Officer. The Human Resources Committee of the Company did not make any awards under the 2006 EIP to the Chief Executive Officer in 2014.

The performance- and risk-based incentive compensation matrix that has historically been used to evaluate the eligibility of the Chief Executive Officer for cash incentive compensation or an increase in base compensation encompasses five separately weighted performance areas – core earnings per share (25%), internal controls (25%), asset quality (25%), marketing and business development (15%), and leadership and planning (10%). For the matrix

that was initially established for the year ended December 31, 2008, there were no predetermined numerical criteria for asset quality, leadership and planning or marketing and business development. The predetermined criterion for internal controls was the absence of significant or material deficiencies.

The Core Earnings target and the actual results of the year ended December 31, 2014, are set forth in the table below.

CATEGORY	2014 Performance	2014 Plan
Earnings Per Share		
Earnings Per Share	\$2.01	\$1.91
Core Earnings Per Share ⁽¹⁾	0.33	0.35

(1) Core Earnings Per Share represents pre-tax income excluding the provision for loan and lease losses, operations of real estate owned and NPA expenses tax affected divided by the weighted average number of shares outstanding.

Review of the Chief Financial Officer. The Human Resources Committee of the Bank met outside the presence of management to review the performance of the Chief Financial Officer. The Human Resources Committee of the Bank determined that no cash incentive compensation would be paid to the Chief Financial Officer for the year ended December 31, 2014, and that the base compensation of the Chief Financial Officer would be increased based on a cost-of-living index increase for all named executive officers. Although significant progress was made in achieving key elements of the Business Plan during 2014, the Human Resources Committee of the Bank decided that it would defer consideration of any supplemental compensation to the Chief Financial Officer until the continued execution of the Business Plan results in additional sustained improvement in Core Earnings. Because of this decision, the Human Resources Committee of the Bank did not utilize a performance- and risk-based incentive compensation matrix to evaluate the eligibility of the Chief Financial Officer for cash incentive compensation. The Board of Directors of the Bank, with Mr. Gasior not participating, ratified the actions of the Human Resources Committee of the Bank with respect to the Chief Financial Officer. The Human Resources Committee of the Company did not make any awards under the 2006 EIP to the Chief Financial Officer in 2014.

The performance- and risk-based incentive compensation matrix for the Chief Financial Officer has historically encompassed five separately weighted performance areas – core earnings per share (5%), internal controls (25%), asset quality-securities (30%), liquidity and interest rate risk (30%), and leadership and planning (10%), and has been used to arrive at the cash incentive compensation for which the Chief Financial Officer was eligible to receive as a percentage of base salary. For the matrix that was originally established for the year ended December 31, 2014, there were no predetermined numerical criteria for asset quality-securities, leadership and planning or liquidity and interest rate risk. The predetermined criterion for internal controls was the absence of significant or material deficiencies. The Core Earnings target and the actual results of the year ended December 31, 2014 were the same as those that were established for the Chief Executive Officer, as reflected in the above table.

Review of National Commercial Leasing President. The Human Resources Committee of the Bank met outside the presence of management to review the performance of the National Commercial Leasing President. The Human Resources Committee of the Bank noted that the Chief Executive Officer had assessed the performance of the National Commercial Leasing President and the applicable non-equity incentive and bonus compensation based on the results of the 2014 National Commercial Leasing President Incentive Compensation Plan. The Bank's National Commercial Leasing President Incentive Compensation Plan rewards successes in growing the leasing portfolio beyond the 2014 business plan projections. The National Commercial Leasing President, with concurrence of the Chief Executive Officer, projected the expected volume based on numerous items including the prior year's volume funded and average outstanding, the asset quality of the portfolio, current economic and projected market conditions, lease and loan repayments and other factors.

Because the members of the Board of Directors of the Bank have had interaction with the Bank's National Commercial Leasing President throughout the year, the Human Resources Committee of the Bank determined that it had a strong basis to make an evaluation of the National Commercial Leasing President independent of the Chief Executive Officer's conclusions and recommendations. The Human Resources Committee of the Bank also approved a standard base compensation increase based on a cost-of-living index increase for all named executive officers. The Board of Directors of the Bank, with Mr. Gasior not participating, ratified the actions of the Human Resources Committee of the Bank with respect to the National Commercial Leasing President. In addition, pursuant to the National Commercial Leasing President Incentive Compensation Plan, the National Commercial Leasing President was eligible for equity-based awards under the 2006 EIP. Accordingly, the Human Resources Committee of the Bank recommended to the Human Resources Committee of the Company that the Company grant the equity-based incentive compensation consistent with the 2006 EIP. The Human Resources Committee of the Company approved the Human Resource Committee of the Bank's recommendation concerning the equity-based award to the National Commercial Leasing President.

Review of Commercial Real Estate Lending President. The Human Resources Committee of the Bank met outside the presence of management to review the performance of the Bank's Commercial Real Estate Lending President. The Human Resources Committee of the Bank noted that the Chief Executive Officer had assessed the performance of the Commercial Real Estate Lending President and the applicable non-equity incentive and bonus compensation based on the results of the Bank's 2014 Commercial Real Estate Lending President Incentive Compensation Plan. The Commercial Real Estate Lending President Incentive Compensation Plan rewards successes in growing the multifamily commercial real estate loan portfolio beyond the 2014 business plan projections. The Commercial Real Estate Lending President, with concurrence of the Chief Executive Officer, projected the expected volume based on numerous items including the prior year's origination volume, the asset quality of the portfolio, current economic and projected market conditions, loan repayments and other factors.

Because the members of the Board of Directors of the Bank have had interaction with the Bank's Commercial Real Estate Lending President throughout the year, the Human Resources Committee of the Bank determined that it had a strong basis to make an evaluation of the Commercial Real Estate Lending President independent of the Chief Executive Officer's conclusions and recommendations. The Human Resources Committee of the Bank also approved a standard base compensation increase based on a cost-of-living index increase for all named executive officers. The Board of Directors of the Bank, with Mr. Gasior not participating, ratified the actions of the Human Resources Committee of the Bank with respect to the Commercial Real Estate Lending President. The Human Resources Committee of the Company did not make any awards under the 2006 EIP to the Commercial Real Estate Lending President in 2014.

(1) Represents 2014 business plan origination thresholds.

(2) Represents the percentage by which actual originations exceeded originations thresholds.

Represents the maximum percentage available as incentive compensation. The percentage awarded varies

(3) depending on whether the borrower is a new or existing customer. In the case of the brokered loans, the percentage awarded varies depending on whether the broker is compensated or non-compensated.

(4) Represents the weighted average percentage of volume in excess of the thresholds that was awarded as incentive compensation.

(5) Represents the percentage of base salary earned and paid as discretionary cash incentive compensation. Such amount is reported in the bonus column in the Summary Compensation Table.

Review of Executive Vice President - General Counsel. The Human Resources Committee of the Bank met outside the presence of management to review the performance of the Executive Vice President - General Counsel. The Human Resources Committee of the Bank noted that the Chief Executive had assessed the performance of the Executive Vice President - General Counsel. The Chief Executive Officer recommended that a 15% bonus be paid to the Executive Vice President - General Counsel for the year ended December 31, 2014, based on successful litigation management strategies that contributed to material improvements in asset quality performance.

Because the members of the Board of Directors of the Bank have had considerable interaction with the Executive Vice President - General Counsel throughout the year, the Human Resources Committee of the Bank determined that it had a strong basis to make an evaluation of the executive officer independent of the Chief Executive Officer's conclusions and recommendations. The Human Resources Committee of the Bank concurred with the Chief Executive Officer's conclusions and recommendations. The Human Resources Committee of the Bank also approved a standard increase to base compensation based on a cost-of-living index increase for all named executive officers. The Board of Directors of the Bank, with Mr. Gasior not participating, ratified the actions of the Human Resources Committee of the Bank with respect to the Executive Vice President - General Counsel. The Human Resources Committee of the Company did not make any awards under the 2006 EIP to the Executive Vice President - General Counsel in 2014.

Reasonableness of Compensation

After considering all components of the compensation program for the named executive officers, the Human Resources Committee has determined that such compensation is reasonable and appropriate.

The incentive compensation programs for the Chief Executive Officer, the Chief Financial Officer, the National Commercial Leasing President, and the Commercial Real Estate Lending President include both asset quality and internal control risk measurements. Similar controls exist within the incentive compensation plans for non-executive officers and employees of the

Table of Contents

Company, as applicable. In addition, the measurement and review of the asset quality and internal controls performance are separated from the applicable business operations, including audits by the Company's Internal Audit Division, the Company's independent external audit firm and other third-party independent reviews. Finally, the overall system of internal controls is robust and provides multiple levels of controls to reasonably detect and prevent instances of excessive risk taking within the organization.

Tax and Accounting Treatment

Section 162(m) of the Internal Revenue Code. Section 162(m) of the Internal Revenue Code limits the tax deduction to \$1 million for compensation paid to certain executive officers of public companies. The limitations on the deductibility of executive compensation imposed under Section 162(m) did not affect the Company during 2014 because the compensation paid to the Company's executive officers in 2014 did not exceed these limitations. The 2006 EIP provides the Human Resources Committee with flexibility to address issues that may arise under Section 162(m), and contains provisions that could be utilized to reduce its potential adverse effects.

Code Section 409A. The Human Resources Committees of the Company and of the Bank have monitored regulatory developments under Section 409A of the Internal Revenue Code, which was enacted as part of the American Jobs Creation Act of 2004 and deals with specific tax rules for non-qualified deferred compensation plans. The Company previously revised certain provisions in its employment agreements with the Chief Executive Officer, the other named executive officers and certain other officers to address Section 409A and the final Treasury Regulations under Section 409A. The 2006 EIP provides flexibility to address issues that may arise under Section 409A, and contains provisions that could be utilized to reduce its potential adverse effects.

Other Taxation Issues. The Human Resources Committees of the Company and the Bank believe that, as compensation structures become more complex, the effects of the alternative minimum tax and other taxation issues could affect the net intended effect of the Company's and the Bank's compensation plans. Although no specific action is warranted at this time, the Human Resources Committees of the Company and the Bank intends to monitor the effects of the alternative minimum tax and other taxation issues on the Company and its directors, officers and associates when evaluating various compensation principles, practices and plans.

Accounting for Stock-Based Compensation. Accounting Standards Codification Topic No. 718, Compensation-Stock Compensation ("ASC Topic 718"), requires companies to record the compensation cost for stock options, restricted stock and other equity-based compensation arrangements that are provided to employees in return for employment service. The cost is based on the grant date fair value, and this cost is expensed over the requisite service period, which is normally the vesting period of the award. ASC Topic 718 applies to awards granted or modified in years beginning in 2006 and thus applies to awards granted pursuant to the 2006 EIP. The Human Resources Committee of the Company evaluates the potential adverse impact of ASC Topic 718 on future compensation expense when determining the size and types of awards to be granted under the 2006 EIP.

Potential Payments upon Termination or Change of Control

The following table sets forth information concerning potential payments and benefits under the Company's compensation programs and benefit plans to which the named executive officers would be entitled upon a termination of employment as of December 31, 2014. As is more fully described below, the named executive officers entered into employment agreements with the Company and/or the Bank, as applicable (each, an "Employment Agreement"), which provide for payments and benefits to a terminating executive officer following a termination other than for "cause" or by resignation. Except for the payments and benefits provided by the Employment Agreements, all other payments and benefits provided to any named executive officer upon termination of his employment are the same as the payments and benefits provided to other eligible executives of the Bank.

Accelerated Equity Awards

For each named executive officer, except Mr. Deutsch, cash payments include an amount equal to the average cash incentive compensation paid during the preceding two years prorated for the year of termination, prorated employer matching 401(k) contribution for the year of termination, and the base salary the executive would have received from the date of termination through the end of his employment period. The cash payments for Mr. Deutsch include a prorated annual cash incentive compensation for the year of termination, prorated employer (1) matching 401(k) contribution for the year of termination, and the base salary the executive would have received from the date of termination through the end of the executive's employment period. The intrinsic value of accelerated equity awards for Mr. Deutsch is based on the closing stock price on December 31, 2014 of \$11.86. None of the other named executive officers had outstanding equity awards on December 31, 2014. Continued benefits reflect the incremental cost of core benefits to the Company during the executive's remaining employment period based on actual cost for 2014. Excludes any reduction in benefit as a result of disability

insurance or federal social security disability payments. The Bank maintains a bank-owned life insurance that would offset payments that become due under the employment agreements upon death.

For each named executive officer, except Mr. Deutsch, cash payments include an amount equal to the average cash incentive compensation paid during the preceding two years prorated for the year of termination, prorated employer matching 401(k) contribution, and three times the executive's three-year average cash compensation. The cash payments for Mr. Deutsch include a prorated annual cash incentive compensation for the year of termination, prorated employer matching 401(k) contribution for the year of termination, and the base salary the executive (2) would have received from the date of termination through the end of the executive's employment period. The intrinsic value of accelerated equity awards for Mr. Deutsch is based on the closing stock price on December 31, 2014 of \$11.86. None of the other named executive officers had outstanding equity awards on December 31, 2014. Continued benefits reflect the incremental cost of core benefits to the Company for 36 months based on the actual cost for 2014, except for Mr. Deutsch, whose continued benefits reflect the incremental cost of core benefits to the Company during the executive's remaining employment period.

The payments reflected in this column assume the executive terminated for good reason in connection with a change of control. For each named executive officer, except Mr. Deutsch, cash payments include an amount equal to the average cash incentive compensation paid during the preceding two years prorated for the year of termination, prorated employer matching 401(k) contribution, and three times the executive's three-year average cash compensation. The cash payments for Mr. Deutsch include a prorated annual cash incentive compensation for the year of termination, prorated employer matching 401(k) contribution for the year of termination, and the base salary the executive would have received from the date of termination through the end of the executive's (3) employment period. The intrinsic value of accelerated equity awards for Mr. Deutsch is based on the closing stock price on December 31, 2014 of \$11.86. None of the other named executive officers had outstanding equity awards on December 31, 2014. Continued benefits reflect the incremental cost of core benefits to the Company for 36 months based on the actual cost for 2014, except for Mr. Deutsch, whose continued benefits reflect the incremental cost of core benefits to the Company during the executive's remaining employment period. If applicable, executive severance benefits are reduced to avoid constituting an "excess parachute payment" under Section 280G of the Internal Revenue Code. Assuming a December 31, 2014 good reason termination upon a change in control, the payments reflected above for Messrs. Cloutier, Brennan, and Manos would be reduced by \$17,858, \$43,103, and \$130,369, respectively, to comply with this requirement.

Accrued Pay and Regular Retirement Benefits. The amounts shown in the table on the previous page do not include payments and benefits to the extent they are provided on a non-discriminatory basis to salaried employees generally upon termination of employment. These include:

- Accrued but unpaid salary and vacation pay.

- Distributions of plan balances under the Bank's 401(k) plan and its ESOP. See "401(k) Plan" and "Employee Stock Ownership Plan and Trust" on page 19 for an overview of the 401(k) and the ESOP.

Employment Agreements. The employment agreements with Messrs. Gasior, Cloutier, Deutsch, Brennan and Manos were amended and restated in May 2008 and amended in December 2012, principally to ensure compliance with Section 409A of the Internal Revenue Code. In May 2013, the Bank entered into an amended and restated employment agreement with Mr. Deutsch, which was substantially similar to his prior agreement with the exception of a change in term from 24 months to 36 months and a limit on perquisites and post-employment health insurance. Each employment agreement has an initial term of 36 months that can be extended each year for an additional year, at the discretion of the Board of Directors.

Under the employment agreements, the Bank will pay the executive officers the base salary as reflected in the Bank's payroll records, subject to discretionary increases by the Board of Directors. The 2015 base salaries for Messrs. Gasior, Cloutier, Deutsch, Brennan and Manos are \$412,703, \$276,622, \$208,485, \$331,001 and \$238,995, respectively. The employment agreements provide that the base salary may be increased but not decreased. The employment agreements also provide that the executive officer will receive the use of an automobile or an automobile allowance and in the case of Messrs. Gasior, Cloutier and Brennan, the payment of designated club dues, provided that, in a given year, these payments may not, in the aggregate, exceed ten percent of the executive officer's cash

compensation. The employment agreements further provide that the executive officer is entitled to participate with other executive officers in non-equity short-term incentive compensation and discretionary non-equity bonuses declared by the Board. In addition to base salary and bonus, the employment agreements provide for, among other things, participation in a Section 125 cafeteria plan, group medical, dental, vision, disability and life insurance plans, referred to as the core plans, 401(k) plan, the ESOP and other employee and fringe benefits applicable to executive personnel.

During the employment period, each executive officer is provided with a supplemental disability insurance policy that pays 60% of base salary for the remaining term of the agreement in the event the executive officer is terminated due to disability. If an executive officer becomes disabled, his base salary will be reduced proportionately by the disability payments made under the disability policy and under the federal social security system. Each executive officer is responsible for paying the premiums but receives an annual allowance in an amount sufficient, on an after-tax basis, to equal the premium payments. In the event of termination of employment due to disability, the executive officer will be entitled to his earned salary, an amount equal to the annual average of any cash incentive compensation and bonus that the executive officer received during the preceding two fiscal years, except for Mr. Deutsch who would receive an amount equal to the cash incentive compensation he would receive during the current year. The executive officer will receive the prorated employer matching 401(k) plan contribution that the executive officer would be entitled to receive for the current year. In addition, the executive officer will be entitled to the base salary the executive officer would have been paid through the date the employment period would have expired if the executive officer's employment had not been sooner terminated due to disability, which will be reduced on a dollar-for-dollar basis by the disability

Table of Contents

insurance and federal social security disability payments referenced above, and continued coverage under the core plans through the date the employment period would have expired, subject to the executive officer's continued payment of the costs and contributions for which he is responsible. After their continued coverage under the core plans expires, Messrs. Gasior, Cloutier Deutsch, Brennan and Manos may elect to continue their health care coverage at their sole expense and without any cost to the Bank until they become eligible for Medicare coverage or for coverage under another employer's group health plan.

In the event the executive officer's employment is terminated due to death, his surviving spouse and minor children, if any, will be entitled to the same coverage under the core plans that the executive officer would have been provided if his employment had terminated due to disability. In addition, the executive officer's estate or trust, as applicable, will be entitled to the base salary the executive officer would have been paid through the date the employment period would have expired if the executive officer's employment had not been sooner terminated due to death. Except with respect to continued coverage under the core plans and the ability to elect to continue health care coverage under the core plans for an additional period at no cost to the Bank, the Bank will generally have no obligation to pay or provide an executive officer's estate, surviving spouse, or minor children with any other compensation or benefits on account of the executive officer's death.

In the event the executive officer's employment is terminated without cause by the Bank, the executive officer will receive his earned salary, prorated incentive compensation, accrued plan contribution, continued coverage under the core plans for 36 months, except for Mr. Deutsch, whose continued coverage would be during the remaining employment period, subject to the executive officer's payment of costs and contributions for which he is responsible, the ability to continue health care coverage thereafter at his sole expense and an amount equal to three times his average annual compensation, with the exception of Mr. Deutsch who would be paid his base salary from the effective date of termination through the date the employment period would have expired. Payment of benefits would be made in a single lump sum, except for Mr. Deutsch, for whom the payment would be made in equal installments except for payments upon death and payments that exceed certain "safe harbor" provisions of the Internal Revenue Code. Under the employment agreements, the executive officer may terminate his employment for "Good Reason" by giving notice within 60 days after the event giving rise to the right to terminate employment. Good Reason generally includes (i) the Bank's decision not to re-elect or failure to re-elect the executive officer to his present position; (ii) with the exception of Mr. Deutsch, the Bank's failure to extend the executive officer's employment period on the anniversary date for an additional year; (iii) the relocation of the executive officer's principal place of employment by more than a specified distance; (iv) the reduction in the executive officer's base salary or a material reduction in benefits to which the executive officer is entitled; (v) the liquidation or dissolution of the Bank or the Company; (vi) the Bank's material uncured breach of the employment agreement; and (vii) with the exception of Mr. Deutsch, the occurrence of a "Change of Control" as such term is defined in the 2006 EIP. With respect to Mr. Gasior's employment agreement, "Good Reason" also includes the failure to elect or re-elect him as Chairman of the Board of Directors of the Bank, a change in the composition of the Board of Directors of the Bank such that the current directors no longer constitute a majority of the board other than in certain circumstances where the new board is nominated or appointed by the existing board, or a significant reduction in the scope of his duties, powers, privileges, authority or responsibilities. In the event an executive officer's employment is terminated for Good Reason, he will receive the same amounts, the same coverage under the core plans and the same health insurance coverage continuation rights that he would have received if his employment had been terminated without cause. An executive officer who terminates his employment by resignation other than due to Good Reason will only be entitled to his earned salary and vacation through the date of termination. The executive officer is required under the employment agreement to execute a general release in consideration for any severance amounts. The executive officer also agrees not to compete with the Bank or its affiliates for six months after termination or during the period that severance amounts are paid, if longer. In addition, the executive officer agrees not to solicit the Bank's customers, their business or the Bank's employees for eighteen months, which may be reduced in certain circumstances. Payment of amounts due the executive officers under the employment agreements will generally be made in a single lump sum, or in the case of Mr. Deutsch, in equal installments as described above. The Board of Directors of the Bank last reviewed the Bank's employment agreements with Messrs. Gasior, Cloutier, Deutsch, Brennan, and Manos in 2014 and approved the extension of their terms to March 31, 2017. The reviews are

conducted annually and the next review is scheduled to occur in the second quarter of 2015.

In October 2008, the Company entered into employment agreements with Messrs. Gasior, Cloutier and Brennan. The employment agreements have three-year terms and, except as discussed below, are otherwise substantially similar to the respective employment agreements that these individuals have with the Bank. The Board of Directors of the Company last reviewed the Company's employment agreements with Messrs. Gasior, Cloutier and Brennan in 2014 and approved the extension of their terms through March 31, 2017. The reviews are conducted annually and the next review will occur in 2015.

Table of Contents

The Company does not separately compensate Messrs. Gasior, Cloutier or Brennan for their services to the Company, except for awards made by the Company under the 2006 EIP. Instead, the Bank pays and provides their cash compensation and benefits (other than benefits under the 2006 EIP), and allocates a portion of this expense to the Company pursuant to an intercompany expense sharing arrangement in proportion to the time and services that they provide to the Company. The employment agreements between the Company and Messrs. Gasior, Cloutier and Brennan thus provide that any cash compensation and benefits that become simultaneously due under both their employment agreements with the Company and their employment agreements with the Bank will be subtracted from those due Messrs. Gasior, Cloutier and Brennan under their respective employment agreements with the Company. The payments and benefits (other than benefits under the 2006 EIP) that each of Messrs. Gasior, Cloutier and Brennan will receive under his employment agreement with the Company if his employment is terminated without cause, for Good Reason or due to death or disability are the same as those provided for in their respective employment agreements with the Bank.

The primary material differences between the Company's employment agreements with Messrs. Gasior, Cloutier and Brennan and their respective employment agreements with the Bank are that their employment agreements with the Company provide for indemnification under Maryland law (the Company's state of incorporation) rather than applicable federal law, and further provide that, upon the termination of employment based on the occurrence of a Change of Control as that term is defined in the 2006 EIP, (i) all payments that would otherwise be payable following termination; (ii) the restricted periods applicable to the non-competition and non-solicitation covenants set forth in their respective employment agreements with the Company and their employment agreements with the Bank will be reduced to six months and the scope of the competitive restrictions will be limited to those that existed immediately prior to the Change of Control; and (iii) all obligations that may become due simultaneously under both the Company's employment agreements with Messrs. Gasior, Cloutier and Brennan and their respective employment agreements with the Bank will first be provided under their employment agreements with the Company. The Company employment agreements do not impose a limit on the compensation that would be payable to Messrs. Gasior, Cloutier or Brennan upon the occurrence of a Change of Control to avoid an "excess parachute payment" under Section 280G of the Internal Revenue Code. However, the payments and benefits that would become due to Messrs. Gasior, Cloutier and Brennan upon the occurrence of a Change of Control currently would not result in any "excess parachute payments" based on their current and historic compensation levels and the relevant terms of their Company employment agreements.

Compensation of Directors

Directors' Fees. All directors of the Company, other than Messrs. O'Neill and Palmer, are also directors of the Bank. Except for Mr. Gasior, who receives no fees for serving as a director, committee chairperson or committee member, the directors of the Bank received an annual Board fee of \$2,000 per month for preparing for and attending meetings of the Board of Directors of the Bank during 2014. Except for the Audit Committee, the Bank did not pay its directors a separate fee during 2014 for serving on board committees. The members of the Audit Committee were paid an Audit Committee fee during 2014 because the Audit Committee is a required entity with separate responsibilities established by applicable laws and regulations. During 2014, the Bank paid an Audit Committee fee of \$1,000 per quarter to Mr. Hausmann (the Chairman of the Audit Committee), and \$800 per quarter to Messrs. Wells and Wherfel (members of the Audit Committee). The Company did not compensate the other members of the Audit Committee due to the Audit Committee fee that they received from the Bank.

The Company did not separately compensate the members of its Board of Directors other than Messrs. O'Neill and Palmer during 2014 for preparing for and attending meetings of the Board of Directors of the Company. Messrs. O'Neill and Palmer were separately compensated for their service as directors of the Company because they are not directors of the Bank. The Company paid Messrs. O'Neill and Palmer a Board fee of \$1,000 per month and also reimbursed Mr. O'Neill for his travel expenses for attending meetings of the Board of Directors of the Company. The Board of Directors fees and the Audit Committee fees for 2014 were unchanged from 2013. The Board of Directors fees for 2014 and the Audit Committee fees for 2014 have been taken into account in the intercompany expense allocations between the Company and the Bank.

Equity-Based Compensation. The 2006 EIP established a mechanism by which awards of restricted stock or stock options could further align the financial interests of the directors of the Company and the Bank with stockholders and,

in the future, provide an additional means to attract, retain and reward individuals who can and do contribute to the success of the Company. The Board of Directors granted long-term equity-based compensation awards (consisting of both restricted stock and stock options) to its members in 2006 and in 2007 and 2010 for Ms. Francis. The 2010 grant to Ms. Francis was awarded based on her years of service consistent with the director equity participation in the 2006 Equity Incentive Plan. Awards under the 2006 EIP were based in part on a member's experience and on each member's responsibilities as assigned by the Board of Directors.

Table of Contents

The Board of Directors also established share ownership guidelines for directors applicable both to personally-acquired shares and shares acquired through the 2006 EIP. In general, absent difficult personal financial circumstances, the Board of Directors encourages each director in office at least one year to hold a position in Company shares equal to at least 50% of a director's annual director's fees. At December 31, 2014, all eligible directors and all directors as a group exceeded this ownership position with the exception of Mr. O'Neill. In addition, the Human Resources Committee encourages directors to retain all shares granted under the 2006 EIP. At December 31, 2014, the Company's directors who received restricted shares under the 2006 EIP retained 100% of their vested restricted shares.

The table below provides information on 2014 compensation for directors who served in 2014.

Name	Fees Earned or Paid in Cash (\$)	Total (\$)
Cassandra J. Francis	\$24,000	\$24,000
John M. Hausmann, C.P.A.	\$28,000	\$28,000

John W. Palmer ⁽¹⁾	\$6,000	\$6,000

(1) Mr. Palmer was elected to the Board of Directors of the Company at the 2014 Annual Meeting of Stockholders.

(2) Mr. Schudt retired from the Board of Directors of the Company effective on the date of the 2014 Annual Meeting of Stockholders.

Outstanding Non-Employee Director Equity Awards at Fiscal Year-End

All stock options expired in September and December 2012. No option awards or stock awards were outstanding as of December 31, 2014.

Attendance at Annual Meetings of Stockholders

Although the Company does not have a formal written policy regarding director attendance at annual meetings of stockholders, directors are requested to attend these meetings absent unavoidable scheduling conflicts. All but one of the Company's current directors attended the 2014 Annual Meeting of Stockholders.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to the rules and regulations of the SEC, the compensation of the Chief Executive Officer, Chief Financial Officer and the three other most highly compensated executive officers of the Company and Bank (collectively, the "Named Executive Officers") is described in detail in the "Compensation Discussion and Analysis" and "Executive Compensation" sections of this Proxy Statement, including the compensation tables and the accompanying narrative discussions.

At our 2011 Annual Meeting, we provided stockholders with the opportunity to vote on an advisory (non-binding) basis as to the frequency that stockholders would vote on a "say-on-pay" proposal, which gives stockholders the opportunity to endorse or not endorse, on an advisory, non-binding basis, the compensation paid to our Named Executive Officers. In light of the advisory vote of stockholders at our 2011 Annual Meeting, we determined to hold the "say-on-pay" advisory vote on an annual basis until the next frequency vote, which will occur no later than our 2017 Annual Meeting. Accordingly, stockholders have the opportunity to vote on an advisory (non-binding) resolution at the Annual Meeting to approve the compensation of our Named Executive Officers, as described in this Proxy Statement under "Compensation Discussion and Analysis" and the compensation tables and narrative disclosure. We are asking you to indicate your support for the compensation of our Named Executive Officers as described in this Proxy Statement. This vote is not intended to address any specific item of executive compensation, but rather the overall compensation of our Named Executive Officers and the compensation policies and practices described in this Proxy Statement.

The "say-on-pay" proposal will be presented at the Annual Meeting in the form of the following resolution: "RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in this Proxy Statement pursuant to Item 402 of Securities and Exchange Commission Regulation S-K, including the Compensation

Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.”

Table of Contents

The Board of Directors recommends that the stockholders of the Company vote “FOR” this resolution.

The Board of Directors believes that the Company’s compensation policies and procedures appropriately encourage a culture of pay for performance, serve to attract and retain experienced, highly qualified executives who are critical to the Company’s long term success, and align the compensation of the Named Executive Officers with the long term interests of the Company and its stockholders. Consistent with these objectives, and as discussed more fully in the “Compensation Discussion and Analysis” section of this Proxy Statement.

The National Commercial Leasing President, Executive Vice President, Corporate Secretary and General Counsel and Commercial Real Estate Lending President were awarded incentive compensation payments or cash bonuses for the year ended December 31, 2014.

No cash bonuses were awarded to the Chief Executive Officer and Chief Financial Officer for the year ended December 31, 2014.

No new equity awards were granted to the Named Executive Officers for the year ended December 31, 2014.

Base compensation increased 1.7%, based on a cost-of-living index, for all Named Executive Officers in 2015.

Except for the Commercial Real Estate Lending President, no Named Executive Officers received a base salary increase in 2014.

The approval of this resolution requires the affirmative vote of a majority of the votes cast at the Annual Meeting, without regard to either broker non-votes or shares as to which the “ABSTAIN” box has been selected on the proxy card. At our 2014 Annual Meeting of Stockholders, over 93% of the advisory votes cast were for the approval of the compensation paid to the Company’s Named Executive Officers.

Where no instructions are indicated, validly executed proxies will be voted “FOR” this resolution.

The advisory vote on this resolution will not be binding on the Board of Directors or the Compensation Committee, and will not overrule their prior decisions with respect to the compensation that was paid or awarded to any Named Executive Officer or create or imply any additional fiduciary duty on the Board of Directors or the Human Resources Committee.

The Board of Directors and the Human Resource Committee will review the voting results and take them into account when making future decisions on the compensation of the Named Executive Officers, and will periodically review all material elements of the Company’s executive compensation program and procedures to ensure that they continue to fulfill their objectives. Stockholders have an opportunity to vote annually on the compensation of the Company’s Named Executive Officers.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Any stockholder who wishes to contact the Board of Directors or an individual director may do so by writing to the Board of Directors or the individual director care of, BankFinancial Corporation, 15W060 North Frontage Road, Burr Ridge, Illinois 60527, Attention: James J. Brennan, Secretary. Each communication received will be reviewed by the Secretary and distributed to the Board of Directors or the individual director, as appropriate, depending on the facts and circumstances outlined in the communication. The Secretary may attempt to handle an inquiry directly or forward a communication to another employee of the Company for response. The Secretary also has the authority not to forward a communication to the Board of Directors or an individual director if it is primarily commercial in nature, relates to an improper or irrelevant topic, or is unduly hostile, threatening, illegal or otherwise inappropriate.

TRANSACTIONS WITH CERTAIN RELATED PERSONS

Neither the Bank nor the Company had any outstanding extensions of credit as of December 31, 2014 to any executive officer or directors or to a related interest of a director or executive officer other than Ms. Francis. The Bank made certain secured real estate loans to Ms. Francis and her spouse prior to Ms. Francis’ appointment as a director in 2006, and these loans were considered to be grandfathered from the Bank’s practice of not making loans to directors or executive officers. This extension of credit was made in the ordinary course of business on substantially the same terms, including interest rate and collateral, as those prevailing at the time for comparable transactions with persons not related to the Bank, does not involve more than normal risk of collectability or present other unfavorable features, and is not past due or classified as non-accrual, restructured or a potential problem loan. The Bank’s Professional Responsibility Policy provides that no director or executive officer (as defined by the Bank’s Board of Directors) may provide goods or services to the Bank or an affiliate (which includes the Company) unless approved by the

disinterested majority of the Board of Directors after full disclosure and it is determined that the arrangement is fair and appropriate. In addition, all transactions between the Bank or its affiliates and a director or executive

officer must be conducted on an arm's length basis, comply with all applicable laws and regulations and be on terms that are no more favorable to the director or executive officer than those afforded to similarly situated customers and vendors.

STOCKHOLDER PROPOSALS

As to any other business that the stockholder proposes to bring before the meeting, a description of such business, the reasons for proposing such business at the meeting and any material interest in such business of such stockholder and any "Stockholder Associated Person" (as defined in the Company's bylaws), individually or in the aggregate, including any anticipated benefit to the stockholder and the Stockholder Associated Person therefrom;

As to the stockholder giving the notice and any Stockholder Associated Person, the class, series and number of all shares of stock of the Company which are owned by such stockholder and by such Stockholder Associated Person, if any, and the nominee holder for, and number of shares owned beneficially but not of record by such stockholder and by any such Stockholder Associated Person;

To the extent known by the stockholder giving the notice, the name and address of any other stockholder supporting the nominee for election or re-election as a director or the proposal of other business on the date of such stockholder's notice.

Nothing in this Proxy Statement shall be deemed to require the Company to include in its Proxy Statement and proxy relating to an annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the SEC in effect at the time such proposal is received.

BANKFINANCIAL CORPORATION
CORPORATE GOVERNANCE & NOMINATING COMMITTEE
OF THE BOARD OF DIRECTORS
COMMITTEE CHARTER

(Adopted by the Board of Directors on February 24, 2010)

I. PURPOSE OF THE COMMITTEE

The Corporate Governance & Nominating Committee shall be directly responsible for recruitment and evaluation of incumbent and new candidates for election to the Board of Directors.

II. MEMBERSHIP

The Board shall appoint the members of the Corporate Governance & Nominating Committee annually. All members of the Committee shall be independent of the Company's management and free of any relationship that would compromise their exercise of independent judgment as Committee members. Directors eligible for re-nomination during the current calendar year are not eligible for appointment as members of the Committee for the current year. Each member of the Committee must satisfy all applicable qualification and independence requirements set forth in the rules and regulations of applicable regulatory organizations.

III. FREQUENCY OF MEETINGS

The Committee shall meet as frequently as necessary but no less than annually. The Committee shall also meet at the request of the Chief Executive Officer or a majority of the Board of Directors. The Board of Directors shall designate a Chairperson of the Committee. The Committee Chairperson shall approve an agenda in advance of each meeting. A majority of the members of the Committee shall constitute a quorum. The Committee shall maintain minutes or other records of its meetings and activities.

The Committee shall, through its Chairperson, report regularly to the Board following the meetings of the Committee, addressing the matters designated by this Charter and such other related matters as the Committee may deem appropriate.

IV. AUTHORITY

The Committee may conduct or authorize investigations into any matters within its scope of this Charter. The Committee may also take any other action permitted by applicable laws, rules and regulations necessary to accomplish any action authorized by this charter.

The Committee may conduct meetings in executive session with members of the Board of Directors or new candidates (in each case, either individually or jointly) to effect the appropriate environment of communication and coordination for the Company's control environment.

The Committee may request reports from the Chief Executive Officer or General Counsel. The Committee may also retain (and determine the funding for) experts to advise or assist it, including outside counsel, search firms or other advisors, and the Company must provide sufficient funding for any such assistance.

V. SCOPE OF COMMITTEE RESPONSIBILITIES

The scope of Corporate Governance & Nominating Committee responsibilities is as follows:

A. Board of Directors Candidate Evaluation

Determine whether candidates meet the minimum qualifications for election pursuant to the Company's Charter, Section 1.09 of the Company's Bylaws and all applicable laws and regulations to which the Company is subject, including the determination whether an existing or proposed Board member meets all standards of independence established by applicable regulatory organizations;

Determine whether the background, experience and expertise of any candidate to the Board of Directors is in the long-term interests of stockholders. In its sole discretion, the Committee may consider the current composition of the Board of Directors and its Committees, the number of directors meeting all "independence" standards imposed by applicable regulatory organizations, present and future business activities and plans, the representation of the diverse communities and geographies served by the Company and any other factors the Committee deems appropriate.

B. Corporate Governance Compliance

Facilitate and coordinate all meetings of independent directors required by all regulatory organizations. The Committee may appoint one or more independent directors as liaisons to non-independent directors, management or stockholders as it deems appropriate;

Coordinate and report to the Board of Directors an annual evaluation of the Board's performance;

Review director compensation and recommend any changes to the Board of Directors;

Review the suitability of this Charter and the Company's corporate governance practices and recommend any changes to the Board of Directors;

At least annually, assess any emerging legal or regulatory issues that may have a material effect on the Company's corporate governance policies, practices or reports in the future.

VI. LEAD DIRECTOR

The Chairperson of the Committee shall serve as the Lead Director of the Board of Directors. The Lead Director will call and preside at all executive sessions or special meetings of the Board's outside, independent directors and provide feedback to the Chief Executive Officer regarding the same; work with the Chairpersons of the other Committees of the Board to ensure coordinated coverage of Board's duties and responsibilities; serve as a supplemental point of contact for Board members and stockholders; serve as a liaison between the Board's outside, independent Directors who are not considered independent under applicable legal standards; coordinate the implementation of this Charter, including the annual Board performance evaluation for herein; and execute such other duties and responsibilities as the Board may establish.

VII. UNIVERSAL AGENDA ACCESS

Any member of the Board of Directors may place an item on the Agenda for any regular or special meeting of the Board of Directors by notifying the Chief Executive Officer or the Secretary of the same at least three business days before the scheduled date of the meeting.

VIII. CONCLUSION

The Committee is to serve as an independent and objective party to monitor the Company's corporate governance practices and facilitate the effective governance of the Company based on its evaluation of the composition and conduct of the Board of Directors.
