The 2019 Indenture, the 2020 Indenture and the 2022 Indenture are collectively referred to herein as the “Indentures.” The 2019 Notes, 2020 Notes and the 2022 Notes are collectively referred to herein as the “Notes.”

The New Supplemental Indentures were entered into in connection with the Company’s previously announced solicitations of consents (the “Consent Solicitations”) from the holders of the Notes, which the Company commenced on November 19, 2013. The Consent Solicitations are discussed in greater detail below under Item 8.01.

Each New Supplemental Indenture amends the applicable Indenture in connection with the Arrangement Agreement (the “Arrangement Agreement”), dated November 5, 2013, among the Company, Sportwell Limited, a company incorporated in Ireland (“New Endo”), Sportwell II Limited, a company incorporated in Ireland, ULU Acquisition Corp., a corporation organized in Delaware and a wholly-owned indirect subsidiary of New Endo (“DE Inc.”), RDS Merger Sub, LLC, a limited liability company organized in Delaware and a wholly-owned subsidiary of DE

Inc. (“Merger Sub”), 8312214 Canada Inc., a corporation incorporated under the laws of Canada, and Paladin Labs Inc., a corporation incorporated under the laws of Canada (“Paladin”). Under the terms of the Arrangement Agreement, (a) New Endo will acquire Paladin pursuant to a plan of arrangement under Canadian law (the “Arrangement”) and (b) Merger Sub will merge with and into the Company, with the Company as the surviving corporation in the merger (the “Merger” and, together with the Arrangement, the “Transactions”).

Each New Supplemental Indenture amends the definition of “Change of Control” in the applicable Indenture so that the Transactions do not constitute a “Change of Control” or result in a “Change of Control Repurchase Event” under such Indenture and makes certain other related changes to the applicable Indenture (collectively, the “Consented Amendments”). The New Supplemental Indentures also amend certain provisions of the applicable Indenture to conform such provisions to the confidential offering memorandum related to each series of Notes (the “Conforming Amendments”).

The Company executed the New Supplemental Indentures as of December 2, 2013. The Conforming Amendments became operative upon execution of the New Supplemental Indentures. The Consented Amendments will not become operative until immediately prior to consummation of the Transactions. The Consented Amendments will cease to be operative if the Transactions are not consummated or if the Consent Fee (as defined below) is not paid.

The Consent Fee will be payable subject to satisfaction or, where possible, waiver of, the Consent Conditions (as defined in the Statement), including the consummation of the Transactions.
