REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of
Healthcare Trust of America, Inc.
Scottsdale, Arizona

We have audited the accompanying Statement of Revenue and Certain Expenses of Texas A&M MOB, Bryan - College Station, Texas (the Historical Summary), for the year ended December 31, 2012. The Historical Summary is the responsibility of Healthcare Trust of America, Inc. and subsidiaries management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. Texas A&M MOB is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting as it relates to the Historical Summary. An audit includes consideration of internal control over financial reporting as it relates to the Historical Summary as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Texas A&M MOB's internal control over financial reporting as it relates to the Historical Summary. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provide a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the current report on Form 8-K of Healthcare Trust of America, Inc. and subsidiaries) as discussed in Note 1 to the Historical Summary and is not intended to be a complete presentation of Texas A&M MOB's revenues and expenses.

In our opinion, such Historical Summary presents fairly, in all material respects, the revenue and certain expenses discussed in Note 1 to the Historical Summary of Texas A&M MOB for the year ended December 31, 2012, in conformity with accounting principles generally accepted in the United States of America.

TEXAS A&M MOB
 NOTES TO STATEMENT OF REVENUES AND CERTAIN EXPENSES
 FOR THE YEAR ENDED DECEMBER 31, 2012

1. Organization and Summary of Significant Accounting Policies

Organization

The accompanying statement of revenues and certain expenses include the operations of the Texas A&M MOB (the “Property”) which was acquired by Healthcare Trust of America, Inc. (the “Company”), from a nonaffiliated third party. The Property was acquired on March 22, 2013 for approximately \$39.8 million. There were no assumed mortgage loans in connection with this acquisition.

Basis of Presentation

The statement of revenues and certain expenses (the “Historical Summary”) has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the “SEC”), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenues, and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property’s revenues and expenses. Items excluded consist of depreciation, amortization, interest, and general and administrative expenses such as bank charges and professional services which are not expected to be comparable to future periods.

Revenue Recognition

Rental revenue is recognized on an accrual basis as it is earned over the lives of the respective tenant leases on a straight-line basis. Rental receivables are periodically evaluated for collectability. Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized as income in the period that the expenses are incurred. The reimbursements are recognized and presented gross, as the Property is generally the primary obligor with respect to purchasing goods and services from third-party suppliers, has discretion in selecting the supplier and bears the associated credit risk.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from the estimates in the near term.

Property Operating and Maintenance Expenses

Property operating and maintenance expenses represent direct expenses of operating the Property and include maintenance, utilities, property management fees, repairs, and insurance costs that are expected to continue in the ongoing operations of the Property. Expenditures for maintenance and repairs are charged to operations as incurred.

Concentration of Credit Risk

For the year ended December 31, 2012, three tenants represented approximately 44%, 31% and 12%, respectively, of the Property’s total revenues.

2. Operating Leases

The aggregate annual future minimum lease payments to be received under existing operating leases as of December 31, 2012, are as follows (in thousands):

Year	Amount
2013	\$2,701
2014	2,769
2015	2,839
2016	2,909
2017	2,978
Thereafter	10,762
Total	\$24,958

The above future minimum lease payments do not include payments for tenant reimbursements of certain expenses.

2017	60
Thereafter	1,918
Total	\$2,218

4. Commitments and Contingencies

Litigation

The Property may be subject to legal claims in the ordinary course of business. The Company currently believes that the settlement of any potential claims will not have a material impact on the Property's results of operations.

Environmental Matters

In connection with the ownership and operation of real estate, the Property may be liable for costs and damages related to environmental matters. The Property has not been notified by any governmental authority of any non-compliance, liability or other claim, and the Company is not aware of any other environmental condition that it believes will have a material adverse effect on the Property's results of operations.

5. Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for recognition or disclosure through September 27, 2013, the date the financial statements were issued.

To the Board of Directors and Stockholders of

PRO FORMA CONDENSED CONSOLIDATED BALANCE SHEET AS OF JUNE 30, 2013 AND CONDENSED CONSOLIDATED STATEMENTS OF OPERATIONS FOR THE SIX MONTHS ENDED JUNE 30, 2013 AND THE YEAR ENDED DECEMBER 31, 2012 (UNAUDITED)

The accompanying unaudited pro forma condensed consolidated balance sheet and statements of operations (including notes thereto) are qualified in their entirety by reference to and should be read in conjunction with the Company's June 30, 2013 Quarterly Report on Form 10-Q and December 31, 2012 Annual Report on Form 10-K. In management's opinion, all adjustments necessary to reflect the transactions have been made.

The accompanying unaudited pro forma condensed consolidated balance sheet as of June 30, 2013 is presented, as if we acquired the Lincoln MOB and the South Florida MOB Portfolio on June 30, 2013. The Texas A&M MOB acquisition closed prior to June 30, 2013, therefore, it is already included in the Company's historical June 30, 2013 balance sheet.

The accompanying unaudited pro forma condensed consolidated statements of operations for the six months ended June 30, 2013 and the year ended December 31, 2012 are presented as if we acquired the Texas A&M MOB, the Lincoln MOB and the South Florida MOB Portfolio (collectively, the "Properties") on January 1, 2012. The Properties were acquired using proceeds from the sale of Class A common stock of Healthcare Trust of America, Inc. and cash flow from operations.

The accompanying pro forma condensed consolidated balance sheet and statements of operations are unaudited and are subject to a number of estimates, assumptions, and other uncertainties, and do not purport to be indicative of the actual results of operations that would have occurred had the acquisitions reflected therein in fact occurred on the dates specified, nor do such financial statements purport to be indicative of the results of operations that may be achieved in the future. In addition, the unaudited pro forma condensed consolidated financial statements include allocations of the purchase price of the Properties based upon preliminary estimates of the fair value of the assets acquired and liabilities assumed in connection with the acquisitions and are subject to change.
