-----

On June 19, 2008, Stem Cell Therapy International, Inc., a Nevada corporation ("SCII"), entered into an Amendment No. 2 (the "Amendment") to the Reorganization and Stock Purchase Agreement (the "Agreement") with Histostem Co., Ltd., a Korean company ("Histostem Korea") originally executed on March 10, 2008.

In accordance with the terms of the Amendment, SCII and Histostem Korea issued and delivered shares reflecting the acquisition of Histostem Korea into Escrow by SCII pending resolution of outstanding litigation between Histostem Korea and Histostem, Inc. (a United States corporation unrelated to Histostem) ("Histostem USA"). This essentially effectuates an immediate closing of the Histostem Korea acquisition previously reported. In the Amendment the parties also agreed to complete a one for three reverse stock split of SCII's common stock. That reverse stock split will be completed after filing, mailing and completion of a 14C Information Statement to the SCII shareholders and appropriate notice and filings with the NASD.

The foregoing is qualified by its entirety by the precise terms of the Amendment which is attached hereto as Exhibit 10.38.

ITEM 5.02. DEPARTURE OF DIRECTORS OR CERTAIN OFFICERS; ELECTION OF DIRECTORS; APPOINTMENT OF CERTAIN OFFICERS; COMPENSATORY ARRANGEMENTS OF CERTAIN OFFICERS

Effective June 26, 2008, in connection with closing the Histostem Korea acquisition, and in furtherance of the change of management as part of the acquisition closing between SCII and Histostem Korea creating the newly formed entity entitled Amstem International Corp., Calvin Cao announced his resignation as Chairman of the Board and Chief Executive Officer of SCII. The resignation was intended to facilitate the appointment by the newly formed company of its own management team. In the interim, David Stark will continue to act as the Company's President, Andrew J. Norstrud will continue to act as the Company's Chief Financial Officer and Lixian Jiang will continue to act as the Company's Chief Operating Officer. Upon termination of the escrow, additional officers and directors designated by Histostem Korea will be appointed.

In connection with his resignation, Mr. Cao did not advise the company of any disagreement with SCII's operations, policies or practices.
