In the event there are not sufficient votes for a quorum or to approve any proposals at the time of the Meeting, the Meeting may be adjourned in order to permit further solicitation of proxies. Abstentions will count towards quorum requirements.

As to the election of directors under Proposal One, the proxy card being provided by the Board enables a shareholder to vote for the election of each of the nominees proposed by the Board, or to withhold authority to vote for one or more of the nominees being proposed. Directors are elected by a plurality of votes cast, without respect to either (i) broker non-votes, or (ii) proxies as to which authority to vote for one or more of the other nominees being proposed is withheld.

Unless contrary instructions are indicated on the proxy, the shares of Common Stock represented by such proxy will be voted FOR the slate of directors described herein; and FOR Proposal Two as described herein. Management and the Board of Directors of the Company know of no other matters to be brought before the Meeting other than as described herein. If any other matters are properly presented to the shareholders for action at the Meeting and any adjournments or postponements thereof, the proxy holder named in the enclosed proxy intends to vote in his discretion on all matters on which the shares of Common Stock represented by such proxy are entitled to vote.

The giving of the enclosed proxy does not preclude the right to vote in person should the shareholder giving the proxy so desire. When the information required above has been received, the Nominating Committee will evaluate the proposed nominee based on the criteria described below, with the principal criteria being the needs of the Company and the qualifications of such proposed nominee to fulfill those needs.

The process for evaluating a director nominee is the same whether a nominee is recommended by a shareholder or by an existing officer or director. The Nominating Committee will:

- (1) Establish criteria for selection of potential directors, taking into consideration the following attributes which are desirable for a member of our Board of Directors: leadership; independence; interpersonal skills; financial acumen; business experiences; industry knowledge; and diversity of viewpoints. The Nominating Committee will periodically assess the criteria to ensure it is consistent with best practices and the goals of the Company.

Table of Contents

- (2) Identify individuals who satisfy the criteria for selection to the Board and, after consultation with the Chairman of the Board, make recommendations to the Board on new candidates for Board membership.
- (3) Receive and evaluate nominations for Board membership which are recommended by existing directors, corporate officers, or shareholders in accordance with policies set by the Nominating Committee and applicable laws.

The Nominating Committee was formed on May 1, 2006 and held one meeting by unanimous written consent during the year ended October 31, 2006, and has taken action by unanimous consent once during the current fiscal year. On July 31, 2007, by unanimous consent the Nominating Committee nominated Merlin Bingham, Roger Kolvoord, Robert Kramer and Wesley Pomeroy then serving on our board of directors to stand for reelection. The Company has not engaged the services of or paid a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee selected the independent accounting firm of Williams & Webster, P.S. with respect to the audit of our financial statements for the year ended October 31, 2006. A representative of Williams & Webster is not expected to be present at the Annual Meeting.

Audit Fees. Our principal accountant, Williams & Webster, P.S., billed us aggregate fees in the amount of approximately \$44,585 for the fiscal year ended October 31, 2006 and approximately \$21,647 for the fiscal year ended October 31, 2005. These amounts were billed for professional services that Williams & Webster, P.S. provided for the audit of our annual financial statements and the review of the financial statements included in our report on 10-KSB.

Audit-Related Fees. There were no fees billed by Williams & Webster, P.S. for audit-related services rendered during fiscal years ended October 31, 2006 and 2005.

Tax Fees. There were no fees billed by Williams & Webster, P.S. for tax services rendered during fiscal years ended October 31, 2006 and 2005.

All Other Fees. There were no other services provided by Williams & Webster, P.S. during fiscal years ended October 31, 2006 and 2005.

Audit Committee's Pre-Approval Practice

Section 10A(i) of the Exchange Act prohibits our auditors from performing audit services for us as well as any services not considered to be audit services unless such services are pre-approved by the audit committee of the Board of Directors, or unless the services meet certain *de minimis* standards. The audit committee's charter (adopted May 1, 2006 and amended December 5, 2006) provides that the audit committee must:

Pre-approve all audit services that the auditor may provide to us or any subsidiary (including, without limitation, providing comfort letters in connection with securities underwritings or statutory audits) as required by §10A(i)(1)(A) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002).

Pre-approve all non-audit services (other than certain *de minimis* services described in §10A(i)(1)(B) of the Exchange Act (as amended by the Sarbanes-Oxley Act of 2002)) that the auditors propose to provide to us or any of our subsidiaries.

Table of Contents

The audit committee considers at each of its meetings whether to approve any audit services or non-audit services. In some cases, management may present the request; in other cases, the auditors may present the request. The audit committee did not pre-approve any of the audit related fees for the fiscal year ended October 31, 2006, because the Audit Committee was not formed until May 1, 2006. The Audit Committee approved the audit related fees after they were incurred.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

The Board of Directors is nominating the four current Directors for reelection to serve for a one year term or until their successors are elected and qualified.

Nominees for Election of Directors

The persons named in the enclosed form of Proxy will vote the shares represented by such Proxy for the election of the four nominees for Director named below. If, at the time of the Meeting, any of these nominees shall become unavailable for any reason, which event is not expected to occur, the persons entitled to vote the Proxy will vote for such substitute nominee or nominees, if any, as they determine in their sole discretion. If elected, Merlin Bingham, Roger Kolvoord, Wesley Pomeroy, and Robert Kramer will each hold office a term of one year, until their successors are duly elected or appointed or until their earlier death, resignation or removal.

The Board of Directors recommends a vote **FOR** the election of Messrs. Bingham, Kolvoord, Pomeroy and Kramer. Unless otherwise specified, the enclosed proxy will be voted **FOR** the election of the Board of Directors slate of nominees. Neither Management nor the Board of Directors of the Company is aware of any reason which would cause any nominee to be unavailable to serve as a Director.

**PROPOSAL TWO
APPROVAL OF SHAREHOLDERS RIGHTS AGREEMENT**

On June 11, 2007, subject to obtaining shareholder approval, the Company's Board of Directors adopted a Rights Agreement and declared a dividend distribution of one right (Right) for each outstanding share of Common Stock payable to shareholders of record on June 22, 2007. The Board of Directors recommends that shareholders vote **FOR** the approval of the Rights Agreement.

The Rights Agreement is designed to deter coercive or unfair takeover tactics, to prevent a person or group from gaining control of the Company without offering fair value to all shareholders and to deter other abusive takeover tactics which are not in the best interests of the shareholders.

Table of Contents

Terms of the Rights Agreement

Shareholders of record on June 22, 2007 are entitled to a dividend distribution of one Right for each share of Common Stock held by such shareholders on such date. Each Right, when exercisable, entitles the registered holder to purchase from the Company shares of Common Stock at a discount. The description and terms of the Rights are set forth in a Rights Agreement (the "Rights Agreement") dated as of June 11, 2007, between the Company and OTC Stock Transfer, as Rights Agent (the "Rights Agent").

Initially, the Rights will be attached to all certificates representing shares of Common Stock then outstanding, and no separate certificates evidencing the Rights will be distributed. The Rights will separate from the Common Stock and a distribution of Rights Certificates (as defined below) will occur upon the earlier to occur of (i) 10 days following a public announcement that a person or group of affiliated or associated persons (an "Acquiring Person") has acquired beneficial ownership of 20% or more of the outstanding shares of Common Stock (the "Stock Acquisition Date") or (ii) 10 business days (or such later date as the Board of Directors of the Company may determine) following the commencement of, or the first public announcement of the intention to commence, a tender offer or exchange offer the consummation of which would result in the beneficial ownership by a person of 20% or more of the outstanding shares of Common Stock (the earlier of such dates being called the "Distribution Date").

Until the Distribution Date, (i) the Rights will be evidenced by the Common Stock certificates, and will be transferred with and only with the Common Stock certificates, and (ii) the surrender for transfer of any certificates for Common Stock outstanding will also constitute the transfer of the Rights associated with the Common Stock represented by such certificate.

The Rights are not exercisable until the Distribution Date and will expire at the close of business on (i) June 11, 2008 if the Company's shareholders do not approve the Agreement before that date; or, if the Agreement is approved, (ii) on June 11, 2017, unless such date is extended, the Rights Agreement is terminated, or the Rights are earlier redeemed or exchanged by the Company as described below. The Rights will not be exercisable by a holder in any jurisdiction where the requisite qualification to the issuance to such holder, or the exercise by such holder, of the Rights has not been obtained or is not obtainable.

As soon as practicable following the Distribution Date, separate certificates evidencing the Rights ("Rights Certificates") will be mailed to holders of record of the Common Stock as of the close of business on the Distribution Date and, thereafter, the separate Rights Certificates alone will evidence the Rights. Except as otherwise determined by the Board of Directors of the Company, only shares of Common Stock issued prior to the Distribution Date will be issued with Rights.

In the event that a Person becomes the beneficial owner of 20% or more of the then outstanding shares of Common Stock, except pursuant to an offer for all outstanding shares of Common Stock which the Directors determine to be fair to and otherwise in the best interests of the Company and its stockholders (a "Qualifying Offer"), each holder of a Right will, after the end of a redemption period referred to below, have the right to exercise the Right by purchasing, for an amount equal to \$20 per Right (the "Purchase Price"), subject to adjustment, Common Stock (or, in certain circumstances, cash, property or other securities of the Company) having a value equal to two times such amount. Notwithstanding any of the foregoing, following the occurrence of the events set forth in this paragraph, all Rights that are, or (under certain circumstances specified in the Rights Agreement) were, beneficially owned by any Acquiring Person will be null and void. Rights are not exercisable following the occurrence of the events set forth above until such time as the Rights are no longer redeemable by the Company as set forth below.

Table of Contents

For example, at a Purchase Price of \$20 per Right, each Right not owned by an Acquiring Person (or by certain related parties) following an event set forth in the preceding paragraph would entitle its holder to purchase \$40 worth of Common Stock (or other consideration, as noted above) for \$20. Assuming that the Common Stock had a per share value of \$10 at such time, the holder of each valid Right would be entitled to purchase four shares of Common Stock for \$20.

In the event that at any time following the Stock Acquisition Date, (i) the Company is acquired in a merger or other business combination transaction (other than a merger that follows a Qualifying Offer), or (ii) 50% or more of the Company's assets or earning power is sold or transferred, each holder of a Right (except Rights which previously have been voided as set forth above) shall, after the expiration of the redemption period referred to below, have the right to receive, upon exercise, common stock of the acquiring company having a value equal to two times the Purchase Price of the Right (e.g., common stock of the acquiring company having a value of \$40 for the \$20 Purchase Price). At any time after a person or group of affiliated or associated persons becomes an Acquiring Person and prior to the acquisition by such person of 50% or more of the outstanding Common Stock, the Board of Directors of the Company may exchange the Rights (other than Rights owned by such person or group which have become void), in whole or in part, at an exchange ratio of one share of Common Stock (or, in certain circumstances, other equity securities of the Company that are deemed by the Board of Directors of the Company to have the same value as shares of Common Stock) per Right (subject to adjustment).

The Purchase Price payable, and the number of Common Stock or other securities or property issuable, upon exercise of the Rights are subject to adjustment from time to time to prevent dilution under certain circumstances.

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional shares will be issued and in lieu thereof, an adjustment in cash will be made based on the market price of the Common Stock on the last trading date prior to the date of exercise.

In general, the Board of Directors of the Company, may cause the Company to redeem the Rights in whole, but not in part, at any time during the period commencing on June 11, 2007 and ending on the tenth business day following the Stock Acquisition Date (the Redemption Period) at a price of \$0.01 per Right (payable in cash, Common Stock or other consideration deemed appropriate by the Board of Directors of the Company) (the Redemption Price). Under certain circumstances set forth in the Rights Agreement, the decision to redeem the Rights will require the concurrence of a majority of the Board of Directors. After the Redemption Period has expired, the Company's right of redemption may be reinstated if an Acquiring Person reduces his beneficial ownership to 10% or less of the outstanding shares of Common Stock in a transaction or series of transactions not involving the Company and there are no other Acquiring Persons. Immediately upon the action of the Board of Directors of the Company ordering redemption of the Rights, the Rights will terminate and the only right of the holders of Rights will be to receive the \$0.01 Redemption Price.

Table of Contents

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including, without limitation, the right to vote or to receive dividends. While the distribution of the Rights will not be subject to federal taxation to stockholders or to the Company, stockholders may, depending upon the circumstances, recognize taxable income in the event that the Rights become exercisable for Common Stock (or other consideration) of the Company or for common stock of the acquiring company as set forth above.

Except with respect to the Redemption Price of the Rights, any of the provisions of the Rights Agreement may be amended by the Board of Directors of the Company prior to the Distribution Date. After the Distribution Date, the provisions of the Rights Agreement may be amended by the Board of Directors of the Company in order to cure any ambiguity, defect or inconsistency or to make changes which do not adversely affect the interests of holders of Rights (excluding the interests of any Acquiring Person), or to shorten or lengthen time period under the Rights Agreement; provided however, no amendment to adjust the time period governing redemption may be made at such time as the Rights are not redeemable.

Anti-Takeover Effect

The Rights have certain anti-takeover effects. The Rights will cause substantial dilution to a person or group that attempts to acquire the Company without conditioning the offer on a substantial number of Rights being acquired, or in a manner or on terms not approved by the Board of Directors of the Company. The Rights, however, should not deter any prospective offeror willing to negotiate in good faith with the Board of Directors of the Company, nor should the Rights interfere with any merger or other business combination approved by the Board of Directors of the Company.

The foregoing description of the Rights and the Rights Agreement between the Company and the Rights Agent does not purport to be complete and is qualified in its entirety by reference to the Rights Agreement.
