PROXY STATEMENT

Introduction

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the **Board**) of SL Industries, Inc., a New Jersey corporation (the **Company**) of proxies in the accompanying form to be used at the Annual Meeting of Shareholders of the Company to be held on June 3, 2009, and any adjournment or postponement thereof (the **Meeting**). This Proxy Statement, the accompanying form of proxy and the Company's Annual Report for the fiscal year ended December 31, 2008 (the **2008 Annual Report**) are being mailed to shareholders on or about April 30, 2009. The shares represented by the proxies received pursuant to the solicitation made hereby and not revoked will be voted at the Meeting.

Meeting of Shareholders

The Meeting will be held at the offices of Olshan Grundman Frome Rosenzweig & Wolosky LLP, 65 East 55th Street, New York, New York, on June 3, 2009, at 10:00 A.M., Eastern Time.

Record Date and Voting

The Board has fixed the close of business on April 29, 2009, as the record date (the **Record Date**) for the determination of holders of outstanding shares of the Company entitled to notice of and to vote on all matters presented at the Meeting. Such shareholders will be entitled to one vote for each share held on each matter submitted to a vote at the Meeting. On the Record Date, there were 6,000,554 shares of the Company's common stock, \$.20 par value per share (the **Common Stock**), issued and outstanding, each of which is entitled to one vote on each matter to be voted upon.

Purposes of the Meeting

The purposes of the Meeting are to vote upon (i) the election of seven (7) directors until the next annual meeting in 2010, or until their successors have been elected and qualified, (ii) the ratification of Grant Thornton LLP as the Company's independent accountants for the fiscal year ending December 31, 2009, and (iii) such other business as may properly come before the Meeting.

Quorum and Required Vote

Under the By-Laws of the Company, the presence of a quorum is required for each matter to be acted upon at the Meeting. The presence, either in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum for the purpose of acting on the matters referred to in the Notice of Annual Meeting of Shareholders accompanying this Proxy Statement and any other proposals that may properly come before the Meeting. Broker non-votes and abstentions will be counted only for the purpose of determining whether a quorum is present at the Meeting. Broker non-votes occur when a broker returns a proxy but does not have the authority to vote on a particular proposal.

The director nominees receiving a plurality of the votes cast during the Meeting will be elected to fill the seats of the Board. For the other proposals to be approved, the favorable vote of a majority of shares present and entitled to vote thereon is required. Abstentions count for quorum purposes and will have the same effect as a vote against the other proposal.

Proxies

The Board requests your proxy. Giving the Board your proxy means you authorize it to vote your shares at the Meeting in the manner you direct. You may vote for all, some or none of the director nominees. You may also vote for or against the other proposal or abstain from voting.

On the matters coming before the Meeting as to which a choice has been specified by a shareholder by means of the ballot on the proxy, the shares will be voted accordingly. If no choice is so specified, the shares will be voted for (i) the election of the nominees for director listed in this Proxy Statement; and (ii) the ratification of Grant Thornton LLP as the Company's independent accountants, all as referred to in Items 1 and 2, respectively, in the Notice of Annual Meeting of Shareholders and as described in this Proxy Statement.

The form of proxy accompanying this Proxy Statement confers discretionary authority upon the named proxy holders with respect to amendments or variations to the matters identified in the accompanying Notice of Annual Meeting of Shareholders and with respect to any other matters which may properly come before the Meeting. As of the date of this Proxy Statement, management of the Company knows of no such amendment or variation or of any matters expected to come before the Meeting which are not referred to in the accompanying Notice of Annual Meeting of Shareholders.

A shareholder who has given a proxy may revoke it by voting in person at the Meeting, by giving written notice of revocation to the Secretary of the Company or by giving a later dated proxy at any time before voting.

Only holders of Common Stock, their proxy holders, and the Company's invited guests may attend the Meeting. If you wish to attend the Meeting in person but you hold your shares through someone else, such as a stockbroker, you must bring proof of your ownership and identification with a photo at the Meeting. For example, you could bring an account statement showing that you beneficially owned shares of the Common Stock as of April 29, 2009 as acceptable proof of ownership.

Costs of Solicitation

The Company will bear the cost of printing and mailing proxy materials, including the reasonable expenses of brokerage firms and others for forwarding the proxy materials to beneficial owners of Common Stock. In addition to solicitation by mail, solicitation may be made by certain directors, officers and employees of the Company, or firms specializing in solicitation, and may be made in person or by telephone or email. No additional compensation will be paid to any director, officer or employee of the Company for such solicitation. The Company has retained Innisfree M&A, Inc. to assist the Company in the solicitation of proxies for a fee of \$10,000, plus expenses.

ITEM 1: ELECTION OF DIRECTORS

The Company has one class of directors, each serving a one-year term. Directors elected at the Meeting will serve until the 2010 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified. The Nominating and Corporate Governance Committee has also nominated each of the other present directors for re-election.

Information with Respect to Nominees and Directors

Set forth below are the names and ages of the nominees for directors and their principal occupations at present and for the past five years. Director Compensation

Director compensation is more fully described below in the Director Compensation Table located in the Executive Compensation portion of this Proxy Statement.

Board Committees and Meetings

The Board met on three occasions during the year ended December 31, 2008 and acted by written consent on four occasions. Each of the directors attended at least 75% of the aggregate of (i) the total number of meetings of the Board; and (ii) the total number of meetings held by all committees of the Board on which he served. There are four committees of the Board: the Executive Committee, the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee.

Each director is expected to make reasonable efforts to attend Board meetings, meetings of committees of which such director is a member and the Annual Meeting of Shareholders. Two directors attended the 2008 Annual Meeting of Shareholders.

Executive Committee

The Executive Committee has and may exercise all the authority of the Board, except that the Executive Committee cannot make, alter or repeal any By-Law of the Company, elect or appoint any director or remove any officer or director, submit to shareholders any action that requires shareholder approval, or amend or repeal any resolution previously adopted by the Board, which by its terms is amendable or repealable only by the Board. The members of the Executive Committee during 2008 were Glen M. Kassan and Mark E. Schwarz. The Executive Committee did not meet during the fiscal year ended December 31, 2008.

Audit Committee

The Company has a separately-designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee has adopted a written charter, which is available on the Company's website at www.slindustries.com. The adequacy of the charter has been reviewed and assessed by the Audit Committee on an annual basis. The members of the Audit Committee are Avrum Gray, James A. Risher and J. Dwane Baumgardner, each of whom is independent under the criteria for being independent set forth under Section 803(A) of the listing standards of the NYSE Amex. In addition, the Board has determined that Avrum Gray, the Chairman of the Audit Committee and a non-management director, is an audit committee financial expert serving on the Audit Committee. The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee the Company's financial reporting activities. The Audit Committee annually selects independent public accountants to serve as auditors of the Company's books, records and accounts. The Audit Committee reviews the scope of the audits performed by such auditors, the audit reports prepared by them and discusses with the auditors those matters required to be discussed by Statement on Auditing Standards No. 61. The Audit Committee also reviews and monitors the Company's internal accounting procedures and discusses the Company's Audited Financial Statements with management. A report from the Audit Committee is also included in this Proxy Statement. See Audit Committee Report. The Audit Committee met on five occasions during the fiscal year ended December 31, 2008 and acted by written consent on one occasion.

Compensation Committee

The Compensation Committee reviews compensation arrangements and personnel matters. The Compensation Committee has adopted a written charter, which is available on the Company's website at www.slindustries.com. The members of the Compensation Committee are James A. Risher, Mark E. Schwarz and Avrum Gray. Each member of the Compensation Committee meets the criteria for being independent set forth under Section 803(A) of the listing standards of the NYSE Amex. A report from the Compensation Committee is also included in this Proxy Statement. The Compensation Committee met on two occasions during the fiscal year ended December 31, 2008 and acted by written consent on two occasions.

The Compensation Committee has the ultimate authority to determine compensation of the Company's executive officers, but may form and delegate authority to subcommittees when appropriate. The Compensation Committee's procedures for considering and determining executive and director compensation is detailed in Executive Compensation Discussion and Analysis provided below.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee recommends criteria for service as a director, reviews candidates and recommends appropriate governance practices and compensation for directors. The Nominating and Corporate Governance Committee has adopted a written charter, which is available on the Company's website at www.slindustries.com. The members of the Nominating and Corporate Governance Committee are Mark E. Schwarz, Avrum Gray and J. Dwane Baumgardner. Each member of the Nominating and Corporate Governance Committee meets the criteria for being independent set forth under Section 803(A) of the listing standards of the NYSE Amex. The Nominating and Corporate Governance Committee met on one occasion during the fiscal year ended December 31, 2008.

The Nominating and Corporate Governance Committee considers and makes recommendations to the Board with respect to the size and composition of the Board and identifies potential candidates to serve as directors, to the extent there are vacancies on the Board. The Nominating and Corporate Governance Committee considers recommendations for director nominees from a wide variety of sources, including members of the Board, business contacts, community leaders, third-party advisory services and members of management. The Nominating and Corporate Governance Committee also considers shareholder recommendations for director nominees that are properly received in accordance with the Company's By-laws, and applicable rules and regulations of the Securities and Exchange Commission (the SEC). The Nominating and Corporate Governance Committee does not evaluate director candidates recommended by shareholders differently than director candidates recommended by other sources.

In considering Board candidates, members of the Nominating and Corporate Governance Committee take into consideration all factors that it deems appropriate, including, but not limited to, the individual's character, education, experience, knowledge and skills. The Nominating and Corporate Governance Committee will also consider the extent of the individual's experience in business, education or public service, his or her ability to bring a desired range of skills, diverse perspectives and experience to the Board and whether the individual possesses high ethical standards, a strong sense of professionalism and is capable of serving the interests of shareholders. In addition to reviewing a candidate's background and accomplishments, candidates for director nominees are reviewed in the context of the current composition of the Board and the evolving needs of the Company's businesses. It is the policy of the Board that at all times at least a majority of its members meet the standards of independence promulgated by the NYSE Amex and the SEC. Additionally, the Nominating and Corporate Governance Committee will consider the number of boards on which the candidate already serves when assessing whether the candidate has the appropriate time to devote to service on the Board.

Shareholders wishing to bring a nomination for a director candidate prior to a shareholders meeting must give written notice to David R. Nuzzo, Secretary, SL Industries, Inc., 520 Fellowship Road, Suite A-114, Mount Laurel, New Jersey 08054, either by personal delivery or by United States mail, postage prepaid. The shareholder's notice must be received by the Secretary not later than the close of business on the 120th calendar day prior to the anniversary date on which notice of the prior year's annual meeting was first mailed to shareholders. The shareholder's written notice to the Secretary shall set forth (i) as to each person whom the shareholder proposes to nominate for election or reelection as a director, all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected; and (ii) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination is made, the name and address of such shareholder, as they appear on the Company's books. With respect to such beneficial owner, the written notice should also set forth (i) the class and number of shares of the Common Stock that are owned beneficially and of record by such shareholder and such beneficial owner; and (ii) a representation that the shareholder is a holder of record of shares of the Common Stock and intends to appear in person or by proxy at the meeting to propose such business.

The Nominating and Corporate Governance Committee initially evaluates a prospective nominee on the basis of his or her resume and other background information that has been made available to the Committee. A member of the Nominating and Corporate Governance Committee will contact for further review those candidates who the Committee believes are qualified, who may fulfill a specific Board need, and who would otherwise best make a contribution to the Board. If, after further discussions with the candidate, and other further review and consideration as necessary, the Nominating and Corporate Governance Committee believes that it has identified a qualified candidate, it will make a recommendation to the Board.

Except as set forth above, the Nominating and Corporate Governance Committee does not have a formal policy regarding the handling or consideration of director candidate recommendations received from a shareholder, or a formal process for identifying and evaluating nominees for directors (including nominees recommended by shareholders).

Code of Conduct and Ethics

The Company has adopted a code of conduct and ethics (the Code) that applies to all of its directors, officers and employees. The Code is reasonably designed to deter wrongdoing and to promote (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships, (ii) full, fair, accurate, timely and understandable disclosure in reports and documents filed with, or submitted to, the SEC and in other public communications made by the Company, (iii) compliance with applicable governmental laws, rules and regulations, (iv) the prompt internal reporting of violations of the Code to appropriate persons identified in the Code, and (v) accountability for adherence to the Code. The Code has been filed as an exhibit to the Company's annual report on Form 10-K for the fiscal year ended December 31, 2003 and is available on the Company's website at www.slindustries.com. The Code may also be requested in print, without charge, by writing to: David R. Nuzzo, Secretary, SL Industries, Inc., 520 Fellowship Road, Suite A-114, Mount Laurel, New Jersey 08054. Amendments to the Code and any grant of a waiver from a provision of the Code requiring disclosure under applicable SEC rules will be disclosed on the Company's website at www.slindustries.com.

Procedures for Contacting Directors

The Company has adopted a procedure by which shareholders may send communications to one or more directors by writing to such director(s) or to the whole Board, care of the Corporate Secretary, SL Industries, Inc., 520 Fellowship Road, Suite A-114, Mount Laurel, New Jersey 08054. Any such communications will be promptly distributed by the Secretary to such individual director(s) or to all directors if addressed to the whole Board.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's directors and officers, and persons who own more than 10% of a registered class of its equity securities, to file reports of ownership and changes in ownership (typically, Forms 3, 4 and/or 5) of such equity securities with the SEC and the NYSE Amex. Such entities are also required by SEC regulations to furnish the Company with copies of all such Section 16(a) reports.

Based solely on a review of Forms 3 and 4 and amendments thereto furnished to the Company and written representations that no Form 5 or amendments thereto were required, the Company believes that during the fiscal year ended December 31, 2008, its directors and officers, and greater than 10% beneficial owners, have complied with all Section 16(a) filing requirements, except for (i) Mr. McNamara's inadvertent late filing of one Form 3, which did not report any transactions, (ii) Mr. Baumgardner's inadvertent late filing of one Form 4, reporting four transactions, (iii) Mr. Taylor's inadvertent late filing of one Form 4, reporting one transaction, and (iv) Mr. Nuzzo's inadvertent late filing of one Form 4, reporting one transaction.

**EXECUTIVE COMPENSATION
COMPENSATION DISCUSSION AND ANALYSIS**

Overview

This compensation discussion and analysis describes the material elements of compensation awarded to, earned by or paid to each of the Company's named executive officers who served during the fiscal year ended December 31, 2008. This compensation discussion primarily focuses on the information contained in the following tables and related footnotes and narrative for the last completed fiscal year, but also describes compensation actions taken before or after the last completed fiscal year to the extent that it enhances the understanding of the executive compensation disclosure. The Compensation Committee currently oversees the design and administration of the Company's executive compensation program.

The Company's current executive compensation program includes the following principal components: (i) base salary, (ii) cash bonus incentive provided through a short-term incentive plan (STIP), and a long-term incentive plan (LTIP), (iii) perquisites, (iv) the 2008 Incentive Stock Plan and (v) other compensation. In addition, certain of the Company's named executive officers still have unexercised options to purchase shares of common stock that were granted under the 1991 Long Term Incentive Plan. The 1991 Long Term Incentive Plan terminated pursuant to its terms in 2001, although options granted under that plan remain outstanding pursuant to their terms. Outstanding options granted pursuant to the 1991 Long Term Incentive Plan and the 2008 Incentive Stock Plan are detailed below in the Outstanding Equity Awards at Fiscal Year- End Table.

Executive Compensation Objectives

The Company's compensation philosophy aims to balance short-term performance of executives with the achievement of long-range strategic goals resulting in continuously improving shareholder value and to engender and preserve a sense of fairness and equity among employees, shareholders and customers.

In keeping with that philosophy, the objective of the Company's executive compensation program is to:
link a significant portion of annual compensation directly to operating performance;

promote achievement of the Company's long-term strategic goals and objectives;

align the interest of Company employees with long-term shareholder interest; and

attract, retain, and motivate executives critical to the Company's long-term success.

To achieve these objectives, compensation programs have been designed to create a correlation between the financial success of the executive and the shareholders by providing compensation that will support the achievement of the Company's financial goals while attracting and retaining talented executives and rewarding superior performance. The compensation program provides both long and short-term incentives that the Compensation Committee believes align the interests of executives and shareholders and reward executives for value delivered to shareholders and for building value within the Company.

Determination of Compensation Awards

The Compensation Committee has the primary authority to oversee general compensation policies for the Company's employees and is charged with reviewing and approving compensation packages annually for the Company's named executive officers. In performing this function, the Compensation Committee reviews (i) executive compensation surveys and compensation levels of executive officers of companies in competing businesses and in the Company's geographic markets and (ii) the recommendations of Mr. Taylor, the Company's Chief Executive Officer and President. From time to time, the Committee engages independent compensation consultants and others regarding compensation matters.

No specific weight or relative importance was assigned to the various qualitative factors and compensation information considered by the Compensation Committee. Accordingly, the Company's compensation policies and practices may be deemed subjective, within an overall published framework based on both the financial and non-financial factors.

Timing of Compensation

Compensation, including salary base adjustments, incentive plan eligibility, incentive plan goal specifications and incentive plan payments, for the Company's named executive officers are reviewed annually, usually in the first quarter.

Elements of Compensation

The principal elements of the Company's executive compensation are:

base salary;

performance-based incentives;

i. short-term incentives

ii. long-term incentives

perquisites and other compensation.

Base Salaries

Base salary is used to recognize the experience, skills, knowledge and responsibilities required of all the Company's employees, including its named executive officers. When establishing base salaries for 2008, the Compensation Committee considered a number of factors, including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, the base salary of the individual at his/her prior employment and the number of well qualified candidates to assume the individual's role. Generally, the Compensation Committee believes that executive base salaries should be targeted near the median of the range of salaries for executives in similar positions at comparable companies. Base salary levels of executive officers are reviewed annually by the Compensation Committee.

Performance-Based Incentives

2008 Bonus Plan

The 2008 Bonus Plan provides incentives to officers and members of management of the Company and its subsidiaries, including certain of the Company's executive officers, in the form of cash bonus payments for achieving certain performance goals established for them. Participants in the 2008 Bonus Plan who are named executive officers of the Company are James C. Taylor, President and Chief Executive Officer of the Company, and David R. Nuzzo, the Vice President and Chief Financial Officer of the Company.

The Compensation Committee established two components for the 2008 Bonus Plan. The first component is a short-term incentive plan and the second component is a long-term incentive plan. The structure of the 2008 Bonus Plan was designed to provide short-term incentives to participants for achieving annual targets, while also motivating and rewarding eligible participants for achieving longer-term growth goals.

a. 2008 Short-Term Incentive Plan Awards

The short-term incentive plan component of the 2008 Bonus Plan (the "2008 STIP") consists of two components. The first component is based on the achievement of return on invested capital ("ROIC") objectives and the second component is based on the achievement of pre-determined individual objectives. Based on the determination of the objectives under the two components, the maximum percentage of base salary that may be earned by a participant ranges from 20% to 45% of his or her base salary, but may exceed such range in the event that ROIC exceeds the Company's targets. No bonuses are paid under the 2008 STIP if either component is below a predetermined threshold. For the fiscal year ended December 31, 2008, neither Mr. Taylor nor Mr. Nuzzo received a bonus payment under the 2008 STIP.

For the fiscal year ended December 31, 2007, under the 2007 STIP, Mr. Taylor earned a bonus payment of \$151,819 and Mr. Nuzzo earned a bonus payment of \$80,871, which payments were made in March 2008. These bonus payments are reflected in the "Non-Equity Incentive Plan Compensation" of the Summary Compensation Table.

b. 2008 Long-Term Incentive Plan Awards

The Company maintains a long-term incentive plan based on the achievement of certain sales targets and ROIC targets over a three-year time period. An employee must be employed on the date the Compensation Committee approves bonuses for the last year of the three year period in order to be eligible to receive a payment under a long term incentive plan, unless otherwise determined at the absolute discretion of the Compensation Committee. The long-term incentive plan component of the 2008 Bonus Plan (the 2008 LTIP) is based on a combination of the achievement of certain sales targets and ROIC targets over the three-year period ending on December 31, 2010. Based on the determination of these objectives, the maximum percentage of base salary that may be earned by the participants range from 10% to 55% of his or her base salary, but may exceed such range in the event that ROIC exceeds the Company s targets. Bonuses earned under the 2008 long-term incentive plan will be paid following the conclusion of the 2010 fiscal year. A bonus payout under the 2008 LTIP will not occur if either the ROIC or sales component is below 80% of the respective target. The 2008 LTIP is similar to, and runs concurrently with the 2006 long term incentive plan (the 2006 LTIP) and the 2007 long term incentive plan (the 2007 LTIP). The 2006 LTIP and the 2007 LTIP cover the three-year periods ending on December 31, 2008 and December 31, 2009, respectively. Each long term incentive plan contains different targets.

For the fiscal year ended December 31, 2008, under the 2006 LTIP, Mr. Taylor earned a bonus payment of \$136,410 and Mr. Nuzzo earned a bonus payment of \$39,860, which payments were made in March 2009. These bonus payments are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table. For the fiscal year ended December 31, 2008, the Company did not make any bonus payment to any of its executive officers under the 2007 LTIP or the 2008 LTIP.

For the fiscal year ended December 31, 2007, under the 2005 long term incentive plan (the 2005 LTIP), Mr. Taylor earned a bonus payment of \$171,373 and Mr. Nuzzo earned a bonus payment of \$58,284, which payments were made in March 2008. These bonus payments are not reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table as they were previously reported as part of 2005 bonuses paid to Mr. Taylor and Mr. Nuzzo. For the fiscal year ended December 31, 2007, the Company did not make any bonus payment to any of its executive officers under the 2006 LTIP or the 2007 LTIP.

Severance and Change In Control Benefits

The Company provides the opportunity for Mr. Taylor to be protected under the severance and change in control provisions contained in a Change in Control Agreement dated as of May 1, 2001, as amended May 1, 2004 and December 22, 2008 (the Change in Control Agreement). The Company provides this protection in order to attract and retain an appropriate caliber of talent for his position. The severance and change in control provisions that apply for Mr. Taylor are summarized below in Potential Payments upon Termination or Change-in-Control. The Compensation Committee believes that the use of such severance and change in control protections are an essential element of executive compensation and assist the Company in recruiting and retaining talented executives. No other named executive officers are protected by such provisions.

Perquisites and Other Compensation

The Company provides the opportunity for its named executive officers and other executives to receive certain perquisites and general health and welfare benefits. For the last completed fiscal year, the Company provided the following personal benefits and perquisites to certain of its named executives officers: health insurance, life and disability insurance, 401(k) plan and car expense reimbursement.

Other Payments**Options**

In the past, the Compensation Committee has provided long term incentive compensation in the form of stock options, where appropriate, as compensation for its executive officers, including the named executive officers. These options were granted pursuant to the 1991 Long Term Incentive Plan, which plan expired in 2001 in accordance with its terms. Each option granted under the 1991 Long Term Incentive Plan expires no later than ten (10) years from the date the option was granted. Accordingly, options granted under the plan remain outstanding pursuant to their terms. At the present time, the Company's 2008 Incentive Stock Plan is the only option plan in effect. The Company granted options to the named executive officers during the fiscal year ended December 31, 2008. The value of these option grants are reflected in the Option Awards column of the Summary Compensation Table.

Summary Compensation Table

The following table sets forth all compensation awarded to, paid to or earned by the following type of executive officers for the fiscal year ended December 31, 2008: (i) individuals who served as, or acted in the capacity of, the Company's principal executive officer for the fiscal year ended December 31, 2008; (ii) individuals who served as, or acted in the capacity of, the Company's principal financial officer for the fiscal year ended December 31, 2008; (iii) the Company's three most highly compensated executive officers, other than the chief executive and chief financial officer, who were serving as executive officers at the end of the fiscal year ended December 31, 2008 (of which there were none); and (iv) up to two additional individuals for whom disclosure would have been provided but for the fact that the individual was not serving as an executive officer of the Company at the end of the fiscal year ended December 31, 2008 (of which there were none). We refer to these individuals collectively as the named executive officers.

Compensation for the 2007 fiscal year is the amount by which potential bonus payments under the Long Term Bonus Agreement increased during the 2007 fiscal year. The amount of such increase for the 2007 fiscal year was \$124,800.

(6) (a) Amount reflects bonus payment of \$39,860 paid in March 2009 pursuant to the 2006 LTIP. Mr. Nuzzo did not receive a bonus payment under the 2008 STIP.

(b) Amount reflects bonus paid pursuant to the 2007 STIP.

The amount does not include a bonus payment of \$58,284 pursuant to the 2005 LTIP, which represented compensation for the 2005 fiscal year, but was paid in March 2008. That bonus payment was previously reported as part of Mr. Nuzzo's 2005 compensation.

The terms of the bonus plans are described in greater detail above under the heading Performance-Based Incentives.

(7) (a) Amount reflects car expense reimbursement payments in the amount of \$17,315 and premiums paid for group term life insurance in the amount of \$690.

(b) Amount reflects car expense reimbursement payments in the amount of \$15,179 and premiums paid for group term life insurance in the amount of \$690.

Narrative Disclosure to Summary Compensation Table

The compensation paid to the named executive officers includes salary, non-equity incentive compensation and certain other compensation detailed above. The non-equity incentive compensation column does not included any payments under the 2007 LTIP or the 2008 LTIP because these amounts are not deemed earned until the conclusion of the last fiscal year covered by such plans.

In 2008, salaries and bonuses accounted for approximately 69% of total compensation for the Company's principal executive officer and approximately 73% for the Company's principal financial officer.

Grants of Plan-Based Awards

The Company granted options to acquire shares of the Common Stock under the 2008 Incentive Stock Plan to its named executive officers in the 2008 fiscal year. The value of these option grants are reflected in the Option Awards column of the Summary Compensation Table. No stock options were granted in the 2007 fiscal year. The Company did transfer shares of the Common Stock representing matching contributions to the Company sponsored 401(k) plan in the respective amounts of 605.28 shares and 800.39 shares for Messrs. Taylor and Nuzzo in 2008 and 397.9 shares and 435.76 shares for Messrs. Taylor and Nuzzo in 2007.

Grants of non-equity awards pursuant to the Company's performance based incentive plans are described above under Compensation Discussion and Analysis Performance-Based Incentives. The value of these awards are reflected in the Non-Equity Incentive Plan Compensation column of the Summary Compensation Table.

Employment and Other Agreements

Neither of the Company's named executive officers is a party to an employment agreement.

Pursuant to a Long Term Bonus Agreement dated September 1, 2005 (the "Long Term Bonus Agreement"), Mr. Taylor is entitled to receive a bonus (the "Bonus") upon the first to occur of (i) the occurrence of a change in control; or (ii) the delivery of a notice by Mr. Taylor requesting the payment of the Bonus. The amount of the Bonus will be equal to the product of (i) 50,000 and (ii) the amount by which the Common Stock price exceeds \$15.02. The Bonus vests 20% on September 1 of each of 2005, 2006, 2007, 2008 and 2009, or in its entirety upon a change of control. Upon his termination of employment with the Company for any reason, Mr. Taylor will be entitled to receive the Bonus upon delivery of a notice for a period of thirty (30) days following the date of termination, after which time he will have no further right to receive the Bonus.

Assuming that payment of the Bonus was to be calculated using the closing market price on the last day of trading in the fiscal year ended December 31, 2008, which was \$8.80 per share of the Common Stock, the vested portion of the Bonus would have no value. During the fiscal year ended December 31, 2007 the value of the vested portion of the Bonus increased by \$124,800, and is reflected in the "Other Compensation" column in the Summary Compensation Table for that year.

Pursuant to the terms of the of that certain agreement dated as of August 5, 2002 (the "2002 Bonus Agreement"), Mr. Taylor will be paid a bonus equal to the product of (i) 100,000 and (ii) the amount by which the Common Stock price exceeds \$5.45. The right to receive two-thirds of the Taylor Bonus was triggered on December 21, 2007, on which day the closing stock price of the Common Stock was \$20.334 per share. Based on such closing price, Mr. Taylor was paid a bonus of \$992,272 during the 2007 fiscal year. This fiscal 2007 bonus payment is reflected in the "Other Compensation" column, less amounts totaling \$20,000 reported as compensation in connection with this

bonus in prior years.

One-third of the Taylor Bonus (the product of 33,334 and the amount by which the Common Stock price exceeds \$5.45) remains unexercised. The right to receive the remaining one-third of the Taylor Bonus, which is 100% vested, shall be triggered upon the first to occur of (i) the occurrence of a change in control; or (ii) the delivery of a notice by Mr. Taylor requesting the payment of the Bonus. Assuming that payment of the remaining unexercised bonus was to be calculated using the Common Stock closing market price on December 31, 2008, which was \$8.80 per share, the vested portion of the remaining unexercised bonus would equal \$111,666.

Potential Payments Upon Termination Or A Change In Control

James C. Taylor, the Company's Chief Executive Officer and President, is party to a Change in Control Agreement. Pursuant to the Change in Control Agreement, Mr. Taylor will receive a payment equal to two times his annual salary in the event he is terminated as Chief Executive Officer and President without cause or he terminates such employment for good reason within one year of a change in control of the Company or the execution of a definitive agreement contemplating a change in control of the Company. As of December 31, 2008, this amount was equal to \$750,000.

Please see the discussion of the Long Term Bonus Agreement and the 2002 Bonus Agreement with Mr. Taylor detailed above.

Limitation on Liability and Indemnification Matters

The Company's By-laws and Articles of Incorporation provide for indemnification of its directors and officers to the fullest extent permitted by New Jersey law.

Directors and Officers Insurance

The Company currently maintains a directors and officers liability insurance policy that provides its directors and officers with liability coverage relating to certain potential liabilities.

Certain Relationships and Related Transactions

Certain services are provided to the Company by SPL, a company controlled by the former Chairman of the Board of the Company, Warren G. Lichtenstein. The Compensation Committee engaged an independent firm to provide a report and advice regarding the amount of management fees that should be payable to SPL for such services. These fees, other than the payment of a possible bonus, are the only consideration for the services of the former Chairman of the Board, Warren G. Lichtenstein and the current Chairman of the Board and director, Glen M. Kassan, as well as other assistance from SPL.

The services provided include management and advisory services with respect to operations, strategic planning, finance and accounting, merger, sale and acquisition activities and other aspects of the businesses of the Company. In consideration for such services, the fee paid to SPL by the Company was \$475,000 for the 2008 fiscal year.

Although not in writing, the Board engages in discussions regarding related party transactions reflecting its understanding of policies and procedures, which gives the Board the power to approve or disapprove potential related party transactions of directors and executive officers, their immediate family members and entities where they hold a 5% or greater beneficial ownership interest. The Board is charged with reviewing all relevant facts and circumstances of a related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and the extent of the related party's interest in the transaction.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing and financial reporting practices of the Company. Each member of the Audit Committee meets the criteria for being independent under Section 803(A) of the listing standards of the NYSE Amex. During the fiscal year ended December 31, 2008, the Committee met five times and acted by written consent on one occasion.

In discharging its responsibility for oversight of the audit process, the Audit Committee obtained from the independent auditors, Grant Thornton LLP, a formal written statement describing any relationships between the auditors and the Company that might bear on the auditors' independence consistent with the Independent Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the auditors any relationships that might impact the auditors' objectivity and independence and satisfied itself as to the auditors' independence.

The Committee discussed and reviewed with the independent auditors the communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees and discussed and reviewed the results of the independent auditors' examination of the financial statements for the fiscal year ended December 31, 2008.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2008, with management and the independent auditors. Management has the responsibility for preparation of the Company's financial statements and the independent auditors have the responsibility for examination of those statements.

Based upon the above-mentioned review and discussions with management and the independent auditors, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2008, for filing with the SEC.

ITEM 2: RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board has selected Grant Thornton LLP to serve as the Company's independent auditors. Grant Thornton LLP has served as the Company's independent auditors since July 2002. While it is not required to do so, the Board is submitting to shareholders for ratification the selection of Grant Thornton LLP as the Company's independent auditors for the year ending December 31, 2009. Such ratification of the selection of Grant Thornton LLP will require the affirmative vote of the holders of a majority of the shares of the Common Stock entitled to vote thereon and represented at the Meeting. The Board will reconsider its selection should the shareholder votes evidence disapproval.

Audit Fees

The aggregate fees billed by Grant Thornton LLP for professional fees rendered in connection with the audit of the Company's annual financial statements and the reviews of the Company's financial statements included in the Company's Quarterly Reports on Form 10-Q, including services related thereto, were \$663,481 for the year ended December 31, 2008 and \$558,689 for the year ended December 31, 2007.

Audit-Related Fees

The aggregate fees billed by Grant Thornton LLP for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements and are not reported as Audit Fees, including review of the Company's Annual Report on Form 10-K in connection with the acquisition of certain businesses, planning efforts related to the review of the Company's internal controls over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act of 2002 and consultations concerning financial accounting and reporting matters not classified as audit, were \$19,531 for the year ended December 31, 2008, and \$31,107 for the year ended December 31, 2007.

Tax Fees

The aggregate fees billed by Grant Thornton LLP for professional services rendered for tax compliance, tax advice and tax planning were \$0 for the year ended December 31, 2008, and \$5,706 for the year ended December 31, 2007. The services comprising the fees reported as Tax Fees included tax return preparation in various foreign jurisdictions, consultation regarding various tax issues and support provided to management in connection with income and other tax audits.

All Other Fees

There were no other fees billed by Grant Thornton LLP for the years ended December 31, 2008 and December 31, 2007 for products and services, other than those described.

Pre-approval Policies and Procedures

All audit and non-audit services to be performed by the Company's independent accountant must be approved in advance by the Audit Committee. Consistent with applicable law, limited amounts of services, other than audit, review or attest services, may be approved by the Chairman of the Audit Committee pursuant to authority delegated by the Audit Committee, provided each such approved service is reported to the full Audit Committee at its next meeting.

All of the engagements and fees for the year ended December 31, 2008 were approved by the Audit Committee. Of the total number of hours expended on Grant Thornton LLP's engagement to audit the Company's financial statements for the year ended December 31, 2008, none of the hours were attributed to work performed by persons other than permanent, full-time employees of Grant Thornton LLP in the United States and of a member firm of Grant Thornton International in China.

The Audit Committee considered whether the provision of non-audit services by Grant Thornton LLP was compatible with its ability to maintain independence from an audit standpoint and concluded that Grant Thornton LLP's independence was not compromised.

Representatives of Grant Thornton LLP are expected to be present at the Meeting and available to respond to appropriate questions. Such representatives will have the opportunity to make a statement if they desire to do so.
