PART III — NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

TVA is unable to complete the filing of its Quarterly Report on Form 10-Q for the quarter ended June 30, 2008, on a timely basis without unreasonable effort or expense because it is currently restating its financial statements. As previously disclosed in a Current Report on Form 8-K filed on August 5, 2008, TVA is restating its financial statements for the fiscal years ended September 30, 2006 and 2007, and the quarters ended December 31, 2006, March 31, 2007, June 30, 2007, December 31, 2007, and March 31, 2008, in order to correct errors in TVA's estimates of unbilled revenue. TVA expects to file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2008, as soon as practicable after filing amendments to the periodic reports for the aforementioned periods.

PART IV — OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification

Kimberly S. Greene, Chief Financial Officer and Executive Vice President, Financial Services, (865) 632-4049

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

TVA is required by Part IV, Item (3) of Form 12b-25 to provide as part of this filing an explanation regarding whether the results of operations it expects to report for the third quarter of 2008 will reflect significant changes from results of operations for the third quarter of 2007. Because of the restatement process described above, TVA is unable to provide a reasonable estimate of either its third quarter 2008 results of operations or its restated third quarter 2007 results of operations. Accordingly, TVA cannot at this time reasonably estimate the changes in its third quarter 2008 results of operations from its restated third quarter 2007 results of operations.
