This Amendment No. 2 to Schedule 13D amends the Schedule 13D initially filed on November 1, 2013 (collectively, with all amendments thereto, the "Schedule 13D") by the Reporting Persons identified therein with respect to shares of Common Stock, par value \$0.01 per share, of Lee Enterprises, Incorporated (the "Company").

Item 4. Purpose of the Transaction.

Item 4 is amended by adding the following as a new penultimate paragraph to Item 4:

In its letter to the Board of Directors of the Company dated November 20, 2013 (attached as Exhibit 2 to Amendment No. 1 to Schedule 13D, filed by the Reporting Persons on November 20, 2013), Lonestar Capital Management LLC ("LCM") expressed its view that the Company should pursue a financing alternative that would include a refinancing of the Company's existing first lien credit arrangements to be secured by a unitary collateral package. LCM advocated the Company's pursuit of such a financing alternative in the belief that it would enable the Company to reduce cash interest expense for the benefit of shareholders.

Since sending the above-mentioned letter, LCM has continued to consider the Company's capital structure, conditions in the debt capital markets and other factors affecting the Company's potential ability to effect a refinancing as described above. In light of those considerations and discussions with management and various market participants, LCM has come to the view that a refinancing of the Company's second lien credit facility also could be an achievable way to redirect cash flow to the benefit of shareholders. Any proposal that allows for rapid deleveraging is an alternative that directors should consider seriously.
