- f. The Reporting Person is a United States citizen.

Item 3. Source or Amount of Funds or Other Consideration.

As described below, the shares to which this Schedule 13D relates were received by the Reporting Person as merger consideration and thus no funds were used for such purpose.

Item 4. Purpose of the Transaction.

The Company, IG Acquisition Company, a wholly-owned subsidiary of the Company, and Insider Guides, Inc., doing business as myYearbook.com (“myYearbook”), entered into an Agreement and Plan of Merger (as subsequently amended, the “Merger Agreement”), providing for myYearbook to merge into IG Acquisition Company (the “Merger”). In connection with the Merger, all outstanding securities of myYearbook were exchanged for shares of the Company’s Common Stock and cash. Prior to the Merger, the Reporting Person may be deemed to have beneficially owned 4,218,760 shares of myYearbook common stock (including shares held by the Reporting Person’s wife), which were exchanged for an aggregate of 2,312,378 shares of the Company’s Common Stock and \$2,495,377 in cash.

In connection with the closing of the Merger, the Company’s Board was increased from seven to eight members and two current directors of the Company were required to resign. In connection with the Merger Agreement, the Company is required to include three myYearbook designees on the slate of directors recommended for election to shareholders for three years following the closing of the Merger. The Reporting Person and two other director designees of myYearbook were appointed as directors of the Company.

As disclosed above, the Reporting Person acquired the Issuer's shares in connection with the Merger. Except as may result directly or indirectly from the Merger (including the sale of securities to satisfy tax obligations), the Reporting Person has no present plans which relate to or would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or
- (j) Any action similar to any of those enumerated above.

The Reporting Person may, at any time, review or reconsider his position with respect to the Company and formulate plans or proposals with respect to any of such matters.

Item 5. Interest in Securities of the Issuer.

(a) The Reporting Person may be deemed to beneficially own 2,312,378 shares of Common Stock. This amounts to approximately 6.3% of the outstanding shares as of November 10, 2011 (calculated in the manner prescribed by Rule 13d-3 under the Exchange Act). Included in this number are 1,156,189 shares held by Reporting Person's wife. Neither the filing of this statement on Schedule 13D nor any of its contents shall be deemed to constitute an admission by the Reporting Person that he is the beneficial owner of the shares held by the reporting person's wife for purposes of Section 13(d) or 13(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or for any other purpose, and such beneficial ownership is expressly disclaimed.

(b) The Reporting Person has the sole power to vote or to direct the vote and/or the sole power to dispose or to direct the disposition of 1,156,189 shares beneficially owned by the Reporting Person. The Reporting Person may be deemed to have the shared power to vote or to direct the vote and/or the shared power to dispose or to direct the disposition of the 1,156,189 shares held by the Reporting Person's wife.

Edgar Filing: Herndon Terry O. - Form SC 13D

(c) Except as described in this Schedule 13D, the Reporting Person did not engage in any transactions in shares of the Company's common stock during the past 60 days.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

Except as set forth below, there are no contracts, arrangements, understandings or relationships (legal or otherwise), between any of the persons named in Item 2 and any person with respect to any securities of the Company, including, without limitation, the transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies or any pledge or contingency, the occurrence of which would give another person voting or investment power over the securities of the Company.

In connection with the Merger, the Company and the Reporting Person entered into a Sales Rights Agreement which provides for the Reporting Person (and certain other myYearbook shareholders) to have registration rights with respect to the shares of Common Stock they acquired in the Merger. If during the 24 month period following the closing of the Merger, the Company proposes to sell Common Stock in a public or private offering, the Reporting Person will have the opportunity to participate and sell his shares of Common Stock on a pro-rata basis in the offering.

In addition, the Merger Agreement provided that, of the shares of Common Stock issued to the myYearbook security holders in the Merger, 16.67% will have no resale restrictions and may be immediately sold following the closing of the Merger. Each security holder may sell up to an additional 16.67% each month thereafter. After five months following the closing of the Merger, the resale restrictions lapse entirely and each security holder may sell all of the shares of the Company's Common Stock held by such security holder. However, the security holders may transfer shares of Common Stock at any time during that five month period subject to certain restrictions.
