Item 1.01 Entry into a Material Definitive Agreement

On February 26, 2013, BIO-key International, Inc. (OTCBB: BKYI) (the Company) entered into a number of agreements with affiliates of InterDigital, Inc. (NASDAQ: IDCC) (InterDigital) relating to a research and development collaboration arrangement (the R&D Collaboration). In connection with this arrangement, affiliates of InterDigital have invested an aggregate of \$900,000 in return for newly issued shares of the Company's common stock (the InterDigital Equity Investment) and the Company's issuance of a senior secured promissory note that will mature December 31, 2015 (the InterDigital Note).

The InterDigital Equity Investment was made pursuant to a Securities Purchase Agreement dated February 26, 2013 by and between the Company and DRNC (the InterDigital SPA). Pursuant to the InterDigital SPA, the Company issued 4,026,935 shares of its common stock at a purchase price \$0.10 per share, for an aggregate purchase price of \$402,693.50. DRNC has anti-dilution rights under the InterDigital SPA that would require the Company to issue additional shares to DRNC on a full-ratchet basis if the Company, within the nine months following February 26, 2013, sells or issues any common stock or common stock equivalents (other than sales or issuances to directors, officers, employees or independent contractors in the ordinary course of business for compensation purposes and stock splits and stock dividends payable in respect of the Company's common stock) having a purchase, exercise or conversion price per share less than \$0.10.

The InterDigital Note was issued pursuant to a Note Purchase Agreement dated February 26, 2013 by and between the Company and DRNC (the InterDigital NPA). Pursuant to the InterDigital NPA, the InterDigital Note was issued in a principal amount of \$497,306.50 and bears interest at a rate of 7% per annum, with a default rate of 9% per annum while a nonpayment default is continuing. The InterDigital Note is secured by a security interest in all of the tangible and intangible assets of the Company, and is subject to acceleration upon an event of default. Under the InterDigital NPA, the Company agreed to comply with certain financial covenants, including a leverage ratio covenant and an annual limit on capital expenditures other than in the ordinary course of business. A portion of the proceeds from the sale of the InterDigital Note were used to repay the Colatosti Note (as defined in the Company's Annual Report on Form 10-K filed with the Commission on April 16, 2012) in full, with the remaining proceeds to be used for other general corporate purposes.

Concurrently with the closing of the InterDigital transactions described above, the Company closed an equity financing with a number of private investors (the Private Investor Investment) pursuant to a Securities Purchase Agreement dated February 26, 2013 by and between the Company and such private investors (the Private Investor SPA). Pursuant to the Private Investor SPA, the Company issued 5,000,000 shares of its common stock at a purchase price \$0.10 per share, for an aggregate purchase price of \$500,000.

On February 26, 2013, the Company issued a press release related to the transactions described above. A copy of such press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference in

its entirety.

Item 3.02 Unregistered Sales of Equity Securities.

The information disclosed in Item 1.01 hereof regarding the InterDigital Equity Investment and the Private Investor Investment is incorporated by reference in this Item 3.02.

The above securities issued pursuant to the InterDigital SPA and the Private Investor SPA were issued and sold pursuant to an exemption from registration under Section 4(a)(2) of the Securities Act of 1933, as amended, as transactions by an issuer not involving any public offering.

Disclosure is included in this report under Item 3.02 because the issuances on February 26, 2013 exceed 5% of the Company's outstanding shares of Common Stock based on the Company's most recent periodic report under the Exchange Act.

Item 9.01. Financial Statements, Pro Forma Financial Information and Exhibits.
