This notice contains instructions on how to access those documents over the Internet. We direct your attention to the attached Proxy Statement for more information, including instructions on how stockholders can receive a paper copy of our proxy materials, including

our Proxy Statement, our 2017 Annual Report and a form of proxy or voting instruction form. All stockholders who do not receive a notice, including stockholders who have previously requested to receive paper copies of proxy materials, will receive a paper copy of the proxy materials by mail unless they have previously requested delivery of proxy materials electronically. Employing an electronic distribution process will conserve natural resources and reduce the costs of printing and distributing our proxy materials.

We cordially invite you to attend this year's annual meeting of stockholders. It is important that your shares of ICF International common stock be represented at this meeting in order to help ensure the presence of a quorum. Even if you plan to attend the annual meeting of stockholders in person, please vote your shares of ICF International common stock by mailing your completed proxy or voting instruction form, or voting electronically or telephonically, as doing so will ensure your representation at the annual meeting regardless of whether you attend in person. Compensation Highlights

The Compensation Committee (the “***Compensation Committee***”) of the Board of Directors (the “***Board***”) of the Company approved the following actions during fiscal year 2017 and at the beginning of fiscal year 2018 to maintain and improve the pay-for-performance nature of our executive compensation program:

Reviewed the 2010 Incentive Plan, as amended, (the “***2010 Incentive Plan***”), against key institutional investors’ voting policies on equity plans and proxy advisory firms’ equity plan evaluation criteria, which resulted in recommendations for implementing the new 2018 Incentive Plan, as described in this Proxy Statement and which includes the following features: no dividends on unvested equity awards, non-employee director awards being issued under the 2018 Incentive Plan, changes to reflect the Tax Cuts and Jobs Act (the “***TCJA***”), and a limit on director compensation. Approval of the 2018 Incentive Plan will be voted on at the 2018 annual meeting of stockholders.

Supported the continuation of an annual, non-binding, advisory vote of the Company’s stockholders regarding the Company’s overall pay-for-performance executive compensation programs. ICF’s advisory vote regarding overall pay-for-performance at the 2018 annual meeting of stockholders will be the eighth consecutive annual vote by stockholders on this matter.

Continued utilizing performance-based share awards (“***PSAs***”) as a key component of ICF’s long-term incentive program. PSAs are performance contingent awards where executives may earn zero to maximum shares depending on the Company’s actual performance against pre-established performance measures. The performance periods of the PSAs are long-term and, therefore, align executives’ interests with the interests of long-term stockholders. PSAs were first granted to members of ICF’s executive leadership team in 2015, and again in 2016, 2017 and 2018 as a part of the annual equity award program.

Continued adherence to the Company’s Executive Stock Ownership Policy, as amended in May 2014 (the “***Executive Stock Ownership Policy***”), which limits the sale, transfer or disposition of shares of the Company’s common stock by designated executives (including the named executive officers (the “***NEOs***”)) until the executive has met the requisite stock ownership level. As noted below, as of April 10, 2018, each of our NEOs either met the stock ownership guidelines or is expected to meet the stock ownership guidelines within the specified time period, assuming that PSAs are paid at target.

Continued the performance focus in the Company’s annual bonus program rigorously linking pay to performance. Annual threshold, target and maximum performance goals were established with incentive payouts at each level.

Continued to utilize a peer group, which encompasses a range of companies that reflects the evolution of ICF’s business strategy. This peer group provides a relevant basis for benchmarking executive pay level, components of executive compensation, mix of compensation components and metrics used to determine awards. The peer group is reviewed and adjusted annually to remove companies no longer on a public exchange and to add companies, as

needed, for robust data.

Extensively reviewed external executive compensation trends to ensure that the Company’s executive compensation practices align with market best practices.

For additional information on compensation related matters, see the Compensation Discussion & Analysis (the “CD&A”) section of this Proxy Statement, beginning on Page 39.

The compensation of our NEOs in the following table reflects our 2017 performance:

2017 Executive Total Compensation Mix

SOURCES OF TARGET TOTAL COMPENSATION: SHORT TERM vs. LONG-TERM INCENTIVE

Response to Advisory Vote

Approximately 97% of the votes cast at the 2017 annual meeting of stockholders on the non-binding advisory vote on our NEO compensation were voted in support of our executive compensation program. Consistent with its strong commitment to engagement, communication, and transparency, the Compensation Committee continues to regularly review our executive compensation program to ensure alignment between the interests of our senior executives and our stockholders.

Corporate Governance Highlights

ICF has a longstanding commitment to effective governance of its business and affairs for the benefit of stockholders. The Board's Governance and Nominating Committee (the "***Governance and Nominating Committee***") periodically reviews our Corporate Governance Guidelines to maintain effective and appropriate standards of corporate governance.

Board Leadership Structure

Our Board leadership structure currently consists of a Chairman of the Board (the "***Chairman***"), who also serves as our CEO, a Lead Independent Director, and independent committee chairs. The Board believes that ICF is currently best served in combining the CEO and Chairman positions, complemented by a strong and effective Lead Independent Director.

Lead Independent Director

Ms. Eileen O'Shea Auen was re-elected to serve as ICF's Lead Independent Director as of June 2, 2017. Both the Board and management believe that strong, independent Board leadership is a critical aspect of effective corporate governance.

Lead Independent Director responsibilities include, but are not limited to:

Chairing any meeting of the independent directors in executive session;

Facilitating communications between other members of the Board and the Chairman and CEO; however, each director is free to communicate directly with the Chairman and CEO;

Working with the Chairman and CEO in the preparation of the agenda for each Board meeting and in determining the need for special meetings of the Board;

Consulting with the Chairman and CEO on matters relating to corporate governance and Board performance;

Leading the deliberation and action by the Board or a Board committee regarding any offer, proposal or other solicitation or opportunity involving a possible acquisition or other change of control of the Company, including by merger, consolidation, asset or stock sale or exchange, or recapitalization;

In conjunction with the Chair of the Governance and Nominating Committee, overseeing and participating in the annual board evaluation and succession planning process;

Participating in the Compensation Committee's annual performance evaluation of, and succession planning for, the Chairman and CEO; and

Meeting with any director whom the Lead Independent Director deems is not adequately performing his or her duties as a member of the Board or any committee.

Board Committees

The three (3) standing committees established by the Board meet on a regular basis and operate under written charters approved by the Board. Each committee performs an annual self-evaluation to determine whether the committee is functioning effectively and fulfilling its duties as prescribed by its charter. All members of the Audit Committee of the Board (the "***Audit Committee***"), the Compensation Committee and the Governance and Nominating Committee are independent, and each committee has the ability to hire and terminate its own outside advisors.

Board Risk Oversight

Management is responsible for the day-to-day management of the risks we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. Our Board meets regularly to discuss the strategic direction and the issues and opportunities facing our Company. Our Board provides guidance to management regarding our strategy, including in connection with our results of operations and related trends and factors contributing to or affecting our results, long-term strategy, financial reporting, and risks associated with these aspects of the Company's business. The involvement of the Board in setting our business strategy is an important part of determining the types and appropriate levels of risk undertaken by the Company. Management conducts regular enterprise risk assessments that include feedback from the Board, to ascertain and define the most significant risks facing the Company. After assessments are complete, management reports regularly to the Board and Board committees on the status and completion of actions associated with the most significant risks.

We have also established a Code of Business Ethics and Conduct (the "***Code of Ethics***") that establishes standards of conduct and expectations for our employees and the overall manner in which we conduct business. The Code of Ethics, along with our other policies and business standards, and our overall risk and compliance programs are

components of mitigating the risks associated with the operation of our business.

Continuing Education

ICF's Corporate Governance Guidelines encourage all directors to receive continuing education in areas that will assist them in discharging their duties.

Stock Ownership and Holding Period Requirements

The Board believes that designated executives of the Company should have a financial stake in ICF so that their interests are aligned with those of the stockholders, which will cause them to more effectively represent ICF's stockholders. The Executive Stock Ownership Policy requires executives to own ICF common stock in a value equal to, or in excess of the multiple of their annual base salary as shown below:

CEO:	4x
Other NEOs:	2x
Other designated executives:	1x

Proxy Summary - 5

Table of Contents

For designated executives (including NEOs) as of January 1, 2015, ownership levels are to be achieved within five (5) years of that date. For executives appointed after such date, such levels, if not achieved by their fifth anniversary of becoming such an executive, are to be achieved no later than December 31 of that year.

The Board also believes that its members should share stockholders' focus on the Company's long-term value. As such, the Board adopted a Board member stock ownership policy establishing, as a guideline (but not an absolute requirement), that non-employee directors of the Company be expected to own shares of Company common stock valued at five (5) times such director's annual cash meeting retainer, which may include shares of unvested restricted stock (i.e., directors are strongly encouraged to hold common stock valued at \$300,000). Such ownership level is to be achieved over a period of four (4) years after becoming a member of the Board.

As of April 10, 2018, each of our NEOs and non-employee directors either met the above stock ownership guidelines or is expected to meet the applicable ownership guidelines within the specified time period assuming that, for the NEOs, their PSAs are paid at target.

Anti-Hedging and Anti-Pledging

Pursuant to the Company's Policy on Insider Information and Securities Trading ("***Policy on Insider Information***") the Company considers it improper and inappropriate for any employee, officer or director of the Company to engage in short-term or speculative transactions in the Company's securities. The Policy on Insider Information specifically prohibits directors, officers and other employees from engaging in short sales of the Company's securities and transactions in puts, calls or other derivative securities (sometimes referred to as "***hedging***"). Each of the NEOs and directors complied with the Policy on Insider Information during fiscal year 2017.

Individual stock grant agreements prohibit the pledging or assignment of stock grants.

Good Governance Practices

As of the end of 2017, the Board was 88% independent, 25% female, 38% minority and included a female Lead Independent Director.

The Board reflects a range of talents, ages, skills, diversity, and expertise.

Each director attended over 75% of applicable Board/committee meetings in 2017.

The Board has three (3) independent standing committees, each operating under a written charter, chaired by an independent director, and composed entirely of independent directors: Audit, Compensation, and Governance and Nominating.

The Board has adopted comprehensive Corporate Governance Guidelines to guide its oversight and leadership.

The Board conducts an annual evaluation of the CEO.

ICF has stock ownership guidelines for directors and executive officers. We have policies restricting hedging and short sales of ICF International equity securities by directors and executive officers. Individual stock grant agreements prohibit the pledging or assignment of stock grants.

The Board reviews management talent and succession planning annually.

No stockholder rights plan or "poison pill" has been adopted.

The Compensation Committee, in conjunction with an independent compensation consultant, routinely reviews our pay-for-performance executive compensation program.

Neither the Board nor management has engaged in related party transactions.

The CEO's and Chief Operating Officer's severance agreements have a "double trigger" in connection with any compensation, equity or benefits paid in the event of a change of control.

The Board has a strong, Lead Independent Director with clearly articulated responsibilities.

All directors are independent, except the Chairman and CEO.

The Company has a majority voting standard in uncontested director elections.

The Board and committees conduct an annual self-evaluation process.

Table of Contents

Board Evaluation

The Directors participate in an annual evaluation of the full Board and each committee on which they serve, in order to assess the performance and effectiveness of the Board and its committees. The responses and comments are presented to and discussed with the Board and each committee of the Board. The Lead Independent Director and the Chair of the Governance and Nominating Committee periodically supplement the annual evaluation process with individual meetings and peer evaluations with each Director. These supplemental discussions are intended to enhance the existing Board evaluation process and foster even greater discussion regarding the adequacy and effectiveness of the Board and such committees.

Compensation Recoupment Policy

The Company's recoupment policy is set forth in the 2010 Incentive Plan. Under this policy, if any of the Company's financial statements are required to be restated due to errors, omissions, or fraud, the Compensation Committee may direct that the Company recover all or a portion of any award (cash or equity) granted or paid to a participant with respect to such fiscal year which is negatively affected. If so directed, the amount to be recovered from the participant shall be the amount by which the award exceeded the amount that would have been payable to the participant had the financial statements been initially filed as restated, or any greater or lesser amount (including, but not limited to, the entire award) that the Compensation Committee shall determine. In no event shall the amount to be recovered by the Company be less than the amount required to be repaid or recovered as a matter of law (including but not limited to amounts that are required to be recovered or forfeited under Section 304 of the Sarbanes-Oxley Act of 2002).

The proposed new 2018 Incentive Plan will maintain this compensation recoupment policy.

Table of Contents*Stockholder Actions**Election of Three Directors to Serve for a Term Expiring at our Annual Meeting in 2021 (Proposal 1)*

You will find important information in the proxy statement about the qualifications and experience of each of the director nominees whom you are being asked to elect. Advisory Say on Pay Vote Regarding ICF International's Overall Pay-For-Performance Named Executive Officer Compensation Program (Proposal 2)

Stockholders are being asked to cast a non-binding, advisory say on pay (“*Say on Pay*”) vote on our NEO compensation program. Last year, approximately 97% of the votes cast by our stockholders regarding the Say on Pay proposal were in support of our NEO compensation program. In evaluating this year’s Say on Pay proposal, we recommend that you carefully review the Compensation Discussion and Analysis section of the proxy statement, which explains how and why the Compensation Committee arrived at its executive compensation actions and decisions for 2017.

Approval of the ICF International, Inc. 2018 Omnibus Incentive Plan (Proposal 3)

Stockholders are being asked to vote in favor of the 2018 Incentive Plan. The primary changes to the 2018 Incentive Plan from the 2010 Incentive Plan include:

Setting the number of shares available for issuance under the 2018 Incentive Plan at 1,185,000. After adoption of the 2018 Incentive Plan, no further awards will be issued under the 2010 Omnibus Incentive Plan;

providing that equity awards to non-employee members of the Board will be issued under the 2018 Incentive Plan, rather than outside the 2018 Incentive Plan as has been our practice with respect to the 2010 Incentive Plan, and the 2018 Incentive Plan will establish a limitation on awards that may be granted during any year to non-employee members of the Board;

incorporating certain other changes that we believe are desirable, including changes resulting from the adoption in late 2017 of the TCJA; and

dividends will only be paid on issued shares, and not on unvested equity grants.

The proposal was approved by the Board on April 4, 2018. If approved by the stockholders at the 2018 annual meeting, the 2018 Incentive Plan will become effective upon such approval.

Detailed information on Proposal 3 can be found on pages 16 through 22 in the Proxy Statement.

Ratification of the Selection of Grant Thornton as Our Independent Registered Public Accounting Firm (Proposal 4)

The Audit Committee has appointed, and the Board has approved the appointment of, Grant Thornton LLP (“***Grant Thornton***”) as the Company’s independent registered public accounting firm (“***independent auditor***”) for 2018. While we are not required to have stockholders ratify the selection of Grant Thornton as the Company’s independent auditor, we are doing so because we believe it is good corporate governance practice. If stockholders do not ratify the selection, the Audit Committee will reconsider the appointment, but may nevertheless retain Grant Thornton as the Company’s independent auditor. Even if the selection is ratified, the Audit Committee may, at its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such change is in the best interests of the Company and its stockholders.

Submission of Stockholder Proposals or Nominations for 2019 Annual Meeting of Stockholders

Stockholder proposals submitted for inclusion in our 2019 proxy statement pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, must be received by us by December 21, 2018. Notice of stockholder proposals to nominate a person for election as a Director or to introduce an item of business at the 2019 annual meeting of stockholders outside Rule 14a-8 must be received by us no earlier than January 31, 2019 and no later than March 2, 2019.

VOTING AND MEETING INFORMATION

How does the Board recommend that I vote?

Our Board recommends that you vote your shares FOR: (i) the nominees for election to the Board; and (ii) Proposals 2, 3 and 4.

Who is entitled to vote?

Holders of record of our common stock as of the close of business on April 10, 2018, are entitled to vote at the Annual Meeting. At that time, we had 18,795,188 outstanding shares of common stock. We have no other outstanding classes of stock that are entitled to vote at the annual meeting. Voting stockholders are entitled to one (1) vote per share.

Why did I receive a notice in the mail regarding the Internet availability of the proxy materials instead of a paper copy of the proxy materials?

We are pleased to utilize the U.S. Securities and Exchange Commission (the “**SEC**”) rule that allows companies to furnish their proxy materials over the Internet. As a result, we are mailing to many of our stockholders a notice about the Internet availability of the proxy materials instead of a paper copy of such materials. All stockholders receiving the notice will have the ability to access the proxy materials over the Internet and to request a paper copy of the proxy materials by mail.

To reduce the expenses of delivering duplicate notices to stockholders, we are relying upon SEC rules that permit us to deliver only one (1) notice about the Internet availability of the proxy materials to multiple stockholders who share an address, unless we receive contrary instructions from any stockholder at that address. Upon request, whether oral or written, we will deliver a separate copy of the notice about the Internet availability of the proxy materials to any stockholder at a shared address who requests his or her own copy. Requests should be made to ICF International, Inc., 9300 Lee Highway, Fairfax, Virginia 22031, Attention: Corporate Secretary.

How can I access the proxy materials over the Internet?

Your notice about the Internet availability of the proxy materials, proxy form, or voting instruction form will contain instructions on how to view our proxy materials for the Annual Meeting on the Internet. Our proxy materials are also

publicly available, free of charge, at www.proxyvote.com. Our proxy materials will be available at this website through the conclusion of the Annual Meeting.

Your notice of Internet availability of proxy materials, proxy form, or voting instruction form will contain instructions on how you may request access to proxy materials electronically on an ongoing basis. Choosing to access your proxy materials electronically will help us conserve natural resources and reduce the costs of printing and distributing our proxy materials.

How may I obtain a paper copy of the Company's proxy materials, 2017 Annual Report, and/or other financial information?

Stockholders receiving a notice about the Internet availability of the proxy materials will find instructions regarding how to obtain a paper copy of the proxy materials on their notice. Stockholders also may request a free copy of our Proxy Statement and/or our Annual Report on Form 10-K for the year ended December 31, 2017, filed with the SEC on February 28, 2018 (the "**2017 Form 10-K**"), by writing to: ICF International, Inc., 9300 Lee Highway, Fairfax, Virginia 22031, Attention: Corporate Secretary. Alternatively, stockholders can access our 2017 Form 10-K on our Investor Relations website at: <http://investor.icf.com>. We will also furnish any exhibit to the 2017 Form 10-K, if specifically requested.

How do I vote?

You may vote in person at the Annual Meeting, on the Internet, by telephone, or through a proxy or voting instruction form. Stockholders who have received a notice of the availability of the proxy materials by mail may submit proxies over the Internet by following the instructions on the notice. Stockholders who have received a paper copy of a proxy form or a voting instruction form by mail may either:

- (i) submit their proxy over the Internet using their computer or by telephone by following the instructions on the proxy form or voting instruction form; or
- (ii) submit their proxy by mail by signing and dating the proxy form or voting instruction form received and returning it in the prepaid envelope.

What if I hold shares indirectly?

If you hold shares in a stock brokerage account, or through a bank or other nominee, you are considered to be the beneficial owner of shares held in “street name” and these proxy materials are being forwarded to you by your broker or nominee. As the beneficial owner, you have the right to direct your broker how to vote. If you do not direct your broker how to vote, your broker is permitted to vote your shares on the ratification of the selection of the independent registered public accounting firm, even if you do not furnish voting instructions. However, your broker will not be able to vote on other matters.

If your shares are held in “street name,” your broker or other nominee may have procedures that will permit you to vote by telephone or electronically through the Internet.

Can I change my vote?

You have the right to revoke your proxy at any time before votes are counted at the Annual Meeting by:

notifying us at our corporate offices by writing to ICF International, Inc., 9300 Lee Highway, Fairfax, Virginia 22031, Attention: Corporate Secretary;

entering a new vote by using the Internet or the telephone, or by mailing a new proxy form or new voting instruction form bearing a later date, which will automatically revoke your earlier voting instructions; or

voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not in itself constitute revocation of your proxy.

Table of Contents

VOTING AND MEETING INFORMATION

Attending the Annual Meeting

Attendance at the Annual Meeting is limited to stockholders who, as of the record date, are:

stockholders of record;

beneficial holders of ICF International common stock held by a broker, bank, or other nominee; or

authorized representatives of entities who are record or beneficial holders.

In order to be admitted to the Annual Meeting, a stockholder must present a valid photo identification or other satisfactory proof of identification, and the following materials:

stockholders of record must present the top portion of their proxy card, which will serve as an admission ticket;

beneficial holders will need proof of stock ownership. A recent brokerage statement or letter from a bank or broker is an example of proof of stock ownership. If you want to vote your shares of ICF common stock held in street name in person at the Annual Meeting, you must obtain a written proxy in your name from the broker, bank or other nominee who is the record holder of your shares; and

in addition to any evidence required above for record or beneficial holders, authorized representatives must present a letter from the entity certifying as to their status as an authorized representative.

Cameras, recording devices and other electronic devices, and the use of cellular phones or tablets will not be permitted at the Annual Meeting. Representatives will be at the entrance to the Annual Meeting and these representatives will have the authority, on the Company's behalf, to determine whether the admission policies and procedures are being followed and whether you will be granted admission to the Annual Meeting.

What are the requirements and procedures for a quorum, abstentions, and broker non-votes?

Your shares are counted as present at the Annual Meeting if you attend the meeting, if you properly return a proxy by mail, or you vote by telephone or electronically, or if you hold your shares in street name and your broker, bank or other nominee votes your shares on Proposal 4. In order for us to vote on matters at the Annual Meeting, a majority of our outstanding shares of common stock as of April 10, 2018 and entitled to vote must be present in person or by proxy at the Annual Meeting. This is referred to as a quorum. Abstentions will be counted for purposes of establishing a quorum at the meeting and will be counted as voting (but not for or against) on the affected proposal. Broker non-votes will be counted for purposes of establishing a quorum, but will not be counted as voting. A broker non-vote occurs when a broker, bank, or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and/or has not received voting instructions from the beneficial owner. If a quorum is not present, the Annual Meeting will be adjourned or postponed until a quorum is present.

How many votes are needed to approve each item?

For the election of three (3) directors, each for a term of three (3) years:

You may vote in favor of the nominees or withhold votes as to the nominees.

There is no cumulative voting for the election of directors.

For uncontested director elections, directors must be elected by a majority of the votes entitled to be cast with respect to each director in the election of directors, which means that nominee(s) receiving more “for” votes than “withheld” or “against” votes cast will be elected.

Abstentions will have no effect on the outcome of the election.

Election of directors is a non-routine proposal, which means that brokers or other nominees do not have discretion to vote any uninstructed shares. Broker non-votes represent votes not entitled to be cast on this matter and thus will have no effect on the result of the vote.

The Say on Pay vote is only an advisory vote to the Board regarding the compensation of the Company’s named executive officers.

You may vote in favor of or against the Company’s compensation system, or you may abstain from voting.

Since this an advisory vote only, there are no minimum stockholder approval requirements. However, in order for the resolution to pass, a majority of the votes entitled to be cast for this advisory vote must be received. While this is an

advisory vote and it is not bound by it, the Board will seriously consider the outcome.

Abstentions will have the same effect as voting against this proposal.

The approval of this proposal is a non-routine proposal which means that brokers or other nominees do not have discretion to vote any uninstructed shares. Broker non-votes represent votes not entitled to be cast on this matter and thus will have no effect on the result of the vote.

Table of Contents

VOTING AND MEETING INFORMATION

In voting on the 2018 Incentive Plan:

You may vote in favor of or against the proposal, or you may abstain from voting.

Approval of the 2018 Incentive Plan requires the affirmative vote of a majority of the shares entitled to vote thereon present in person or by proxy at the annual meeting.

Abstentions will have the same effect as voting against this proposal.

The approval of this proposal is a non-routine proposal, which means that brokers or other nominees do not have discretion to vote any uninstructed shares. Broker non-votes represent votes not entitled to be cast on this matter and thus will have no effect on the result of the vote.

In voting on the ratification of the selection of Grant Thornton as the independent registered public accounting firm:

You may vote in favor of the proposal, against the proposal, or abstain from voting.

The ratification of the selection of Grant Thornton as the independent registered public accounting firm is an advisory vote only that is performed as a means of good corporate governance, and as such, there are no minimum stockholder approval requirements. However, in order for ratification to occur, a majority of the votes entitled to be cast for this advisory vote must be received. While this is an advisory vote and it is not bound by it, the Board will seriously consider the outcome.

Abstentions will have the same effect as voting against the proposal.

Broker non-votes will have no effect on the voting, although no broker non-votes are expected to exist in connection with this vote as ratification of the independent registered public accounting firm is considered a routine matter under applicable rules.

In order to minimize the number of broker non-votes, the Company encourages you to provide voting instructions to the organization that holds your shares by carefully following the instructions provided in the Notice of Internet Availability of Proxy Materials or voting instruction form and by the organization that holds your shares.

How will voting on any other business be conducted?

We currently do not know of any business to be considered at the Annual Meeting other than the four (4) proposals described in this Proxy Statement. If any other business is properly presented at the Annual Meeting, your signed proxy form gives authority to the named proxies to vote your shares on such matters, including any adjournment or postponement of the meeting, in their discretion.

Who will count the vote?

Representatives of American Election Services, LLC will tabulate the votes and act as inspectors of election.

Where can I find the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of election and published within four (4) business days following the conclusion of the Annual Meeting via a Form 8-K current event filing.

PROPOSAL 1

ELECTION OF DIRECTORS

Our authorized number of directors is presently fixed at eight (8), divided into three (3) classes, Class I, which contains three (3) members, Class II, which contains two (2) members, and Class III, which contains three (3) members.

Our directors are elected to serve three-year terms, so that the term of office of one (1) class of directors expires at each annual meeting.

The Board has nominated the following individuals, each of whom is currently a Class III director, for election as directors for terms expiring at our annual meeting in 2021 or until their respective successors have been elected and qualified.

Ms. Eileen O’Shea Auen

Ms. Cheryl W. Grisé

Mr. Randall Mehl

If any of these nominees becomes unavailable for election, the accompanying proxy may be voted for a substitute, or in favor of holding a vacancy to be filled by the directors. We have no reason to believe that any nominee will be unavailable. The uncontested director nominees will be elected by a majority of the votes entitled to be cast at the Annual Meeting with respect to each director. For the Company’s purposes, “a majority of the votes cast” with respect to each director means that the number of votes for the director exceed the number of votes against or withheld from the director. You may vote for up to the number of nominees named.

Each of the nominees and each continuing director is a seasoned business leader who contributes an array of experience, qualifications, attributes, and skills to the Board. The following pages regarding each nominee and each continuing director provide background information and a summary of some of each person’s key qualifications to serve as a director. Please also see the chart below summarizing how each nominee and each continuing director reflects Board selection criteria adopted by our Governance and Nominating Committee. The age indicated for each individual is as of December 31, 2017.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE DIRECTOR NOMINEES
