Section 1 - Registrant's Business and Operations

Item 1.01 - Entry into a Material Definitive Agreement

On April 5, 2016, Workiva Inc. (the "Company") entered into a Consent and Fourth Amendment to Loan and Security Agreement (the "Amendment"), which, among other things, amends its Loan and Security Agreement with Silicon Valley Bank to extend the maturity date of the Company's \$15.0 million credit facility (the "Credit Facility") to August 2018. The proceeds of the Credit Facility may be used to fund working capital and general business requirements. The Credit Facility is secured by all of the Company's assets, has first priority over our other debt obligations, and requires the Company to maintain certain financial covenants, including the maintenance of at least \$5.0 million of cash on hand or unused borrowing capacity. The Credit Facility contains certain restrictive covenants that limit the Company's ability to transfer or dispose of assets, merge with other companies or consummate certain changes of control, acquire other companies, pay dividends, incur additional indebtedness and liens, experience changes in management and enter into new businesses. The Credit Facility has a variable interest rate equal to the bank's prime lending rate with interest payable monthly and the principal balance due at maturity. No amount was outstanding under the Credit Facility as of the date of the Amendment.
