Item 2.02. Results of Operations and Financial Condition.

On April 3, 2018, Zendesk, Inc. (the “Company”) issued a press release announcing that it had surpassed a \$500 million annual revenue run rate as measured by annualizing the Company’s revenue for the three months ended March 31, 2018. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The press release contains the Company’s annual revenue run rate, which is based on the Company’s estimated revenue for the three months ended March 31, 2018. The Company annualized such results to estimate the Company’s annual revenue run rate. The Company’s estimate of its revenue for the three months ended March 31, 2018 is preliminary and is subject to the completion of its quarter-end closing procedures and financial review, including review by the Company’s independent registered public accounting firm. The preliminary financial data has been prepared by and is the responsibility of the management of the Company. The Company’s annual run rate is not a comprehensive statement of its financial results for this period and should not be viewed as a substitute for full annual or interim financial statements prepared in accordance with U.S. generally accepted accounting principles. The Company’s revenue for the three months ended March 31, 2018 may differ from the Company’s estimates as a result of the completion of the Company’s quarter-end closing procedures, review adjustments and other developments that may arise between now and the time its financial results for the period are finalized, and such changes could be material. There can be no assurance that these estimates will be realized, and estimates are subject to risks and uncertainties, many of which are not within the control of the Company. In addition, the Company’s revenue for the three months ended March 31, 2018 or annual revenue run rate are not necessarily indicative of the results to be achieved in any future period.

The information in this Item 2.02 (including Exhibit 99.1) shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, regardless of any general incorporation language in such filing.
