The Amendment amends the Revolving Credit Agreement to increase the borrowing base from \$385 million to \$450 million based on the lenders’ review of the Company’s proved oil and natural gas reserves at July 31, 2014 and to increase the conforming borrowing base from \$310 million to \$375 million. For a summary of the key terms of the Revolving Credit Agreement, see the Company’s Quarterly Report on Form 10-Q for the quarter ended June 30, 2014, filed with the Securities and Exchange Commission on August 8, 2014.

The foregoing is only a brief description of the material terms of the Amendment and does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment, a copy of which is filed as Exhibit 10.1 to this report and incorporated herein by reference.

In the ordinary course of their respective businesses, certain of the lenders under the Revolving Credit Agreement or their affiliates have in the past performed, and may in the future from time to time perform, investment banking, advisory, lending and/or commercial banking or other financial services for the Company for which they received, or may receive, customary fees and reimbursement of expenses.
