ITEM 3.03 Material Modifications to Rights of Security Holders.

On January 18, 2017, the board of directors (the "Board") of Panhandle Oil and Gas Inc. (the "Company") adopted resolutions approving an amendment and restatement of the Company's bylaws (the "Bylaws") to affect a change in Section 1.15 of the Bylaws ("Section 1.15") titled Consent of Shareholders in Lieu of Meeting to conform to and be consistent with Section 1073(B) of the Oklahoma General Corporation Act ("Section 1073(B)"). Section 1073(B) provides that an Oklahoma corporation which (i) has a class of voting stock listed on a national securities exchange and (ii) has at least one thousand (1,000) shareholders of record, may not take shareholder action without a meeting unless such action is approved by written consent signed by all of the holders of all outstanding stock entitled to vote on the action.

The previous version of Section 1.15 allowed shareholders to take action by written consent if signed by the holders of at least seventy-five percent (75%) of the outstanding shares of Common Stock of the Company. The amended language in Section 1.15 provides that (i) to the extent that Section 1073(B) applies to the Company, shareholder action by written consent must be signed by the holders of all outstanding shares of Common Stock of the Company, and (ii) to the extent that Section 1073(B) ceases to apply to the Company, shareholder action by written consent must be signed by the holders of at least seventy-five percent (75%) of the outstanding shares of Common Stock of the Company.

The effective date of the amended and restated Bylaws is January 18, 2017.

The foregoing description is qualified in its entirety by reference to the full text of the amended and restated Bylaws attached hereto as Exhibit 3(ii) and incorporated by reference herein.
