Item 1.01. Entry into a Material Definitive Agreement.

Effective March 31, 2016, the Company established a credit line with access up to \$275 million, featuring a \$225 million base with a \$50 million accordion option (the “Facility”). The Facility has a one-year maturity and replaces the company's existing \$205 million credit facility. Rabobank, a global financial services firm providing wholesale and retail banking, is acting as the lead lender and administrative agent in the syndicate. A-Mark intends to use the Facility for the purchase of precious metals from suppliers and for operating cash flow purposes. Simultaneously with the effectiveness of the Facility, the Company entered into a security agreement with the banks securing the Facility with substantially all of the Company’s assets. For further information and terms, reference is made to the agreements attached as exhibits.
