Item 1.01. Entry into a Material Definitive Agreement.

On March 21, 2016, MGP Ingredients, Inc. (the "Company") entered into a Third Amended and Restated Credit Agreement (the "Third Amended and Restated Credit Agreement") by and among the lenders identified therein, Wells Fargo Bank, National Association, as administrative agent for the lenders, as sole lead arranger and as sole book runner, the Company, MGPI Processing, Inc., MGPI Pipeline, Inc., and MGPI of Indiana, LLC, which modifies the Company's senior secured asset based credit facility (the "ABL Facility").

The Third Amended and Restated Credit Agreement contains customary terms and conditions substantially similar to the Second Amended and Restated Credit Agreement and associated schedules with Wells Fargo Bank, National Association, as Administrative Agent (the "Previous Credit Agreement") except as described below. Such terms and conditions include limitations on mergers, consolidations, reorganizations, recapitalizations, indebtedness and certain payments, as well as financial condition covenants relating to leverage and interest coverage ratios. The Company's obligations under the Third Amended and Restated Credit Agreement may be accelerated upon customary events of default, including, without limitation, non-payment of principal or interest, breaches of covenants, certain judgments against the loan parties, cross-defaults to other material debt, a change in control and specified bankruptcy events.

The Third Amended and Restated Credit Agreement added a \$15.0 million term loan to the existing \$80.0 million revolving ABL Facility resulting in a \$95.0 million ABL Facility. The principal of the term loan can be prepaid at any time without penalty or otherwise will be repaid by the Company in installments of \$250,000 each month, commencing on May 1, 2016. Additionally, the Third Amended and Restated Credit Agreement reduced certain restrictions on acquisitions. Under the Previous Credit Agreement, only acquisitions less than \$1.0 million individually and \$7.5 million in the aggregate were permitted. The Third Amended and Restated Credit Agreement eliminated the individual dollar limitation and increased the aggregate limitation to \$35.0 million. The Third Amended and Restated Credit Agreement also added an increased minimum fixed charge coverage ratio of 1.25x (compared to 1.10x in the Previous Credit Agreement) while the \$15.0 million term loan is outstanding, however, the special fixed coverage ratio is only tested if excess availability, after giving effect to such restricted payment, is less than 17.5% of the total amount of the ABL Facility.

The foregoing description of the Third Amended and Restated Credit Agreement does not purport to be complete and is qualified in its entirety by reference to the Third Amended and Restated Credit Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Reference is made to Item 1.01 above.
