QUESTIONS and ANSWERS

Q: When and where is the annual meeting?

A:

Our 2010 annual meeting of shareholders will be held on April 20, 2010, at 10:00 A.M. local time at our offices at 330 West William Street, Corning New York, 14830.

Q: What are shareholders voting on?

A: Election of seven directors - Henry B. Cook, Jr., Michael I. German, Ted W. Gibson, Gregory J. Osborne, Stephen G. Rigo, Thomas J. Smith and George J. Welch.

If a permissible proposal other than the election of directors is presented at the annual meeting, your signed proxy card gives authority to Stanley G. Sleeve, our vice president - administration and corporate secretary, and Firouzeh Sarhangi, our chief financial officer and treasurer, to vote on any such additional proposal. We are not aware of any additional proposals to be voted on at the meeting.

Q:

Who is entitled to vote?

A:

Our record date for the annual meeting is March 10, 2010. Therefore, only holders of our common stock as of the close of business on March 10, 2010 are entitled to vote. Each share of common stock is entitled to one vote at the meeting.

Q:

How do shareholders vote?

A:

Sign and date each proxy card you receive and return it in the prepaid envelope. If you do not mark any selections, your proxy card will be voted in favor of the proposal. You have the right to revoke your proxy at any time before the meeting by:

*

notifying our corporate secretary,

*

voting in person, or

*

returning a later-dated proxy.

If you return your signed proxy card, but do not indicate your voting preferences, Stanley G. Sleve and Firouzeh Sarhangi will vote **FOR** the nominated directors on your behalf.

Q:

Who will count the vote?

A:

Representatives of our transfer agent, Registrar and Transfer Company, will tabulate the votes. Marie Husted and Kathy Rounds are Corning's election inspectors and will be responsible for reviewing the vote count.

Q:

What shares are included on the proxy card and what does it mean if a shareholder gets more than one proxy card?

A:

The number of shares printed on your proxy card(s) represents all your shares. Receipt of more than one proxy card means that your shares are registered differently and are in more than one account. Sign and return all proxy cards to ensure that all your shares are voted.

Q:

What constitutes a quorum?

A:

As of the record date, 1,013,393 shares of our common stock were outstanding. A majority of the outstanding shares present or represented by proxy, constitutes a quorum for adopting a proposal at the annual meeting. If you submit a properly executed proxy card, then you will be considered part of the quorum. If you are present or represented by a proxy at the annual meeting and you abstain, your abstention will have the same effect as a vote against the proposal. "Broker non-votes" will not be part of the voting power present, but will be counted to determine whether or not a quorum is present. A "broker non-vote" occurs when a broker holding stock in "street name" indicates on the proxy that it does not have discretionary authority to vote on a particular matter.

Q:

Who can attend the annual meeting?

A:

All shareholders as of the record date, March 10, 2010, can attend.

Q:

What percentage of stock are the directors, and executive officers entitled to vote at the annual meeting?

A:

Together, they own 250,245 shares of our common stock, or approximately 24.7% of the stock entitled to vote at the annual meeting. (See pages 17 for more details.)

Q:

Who are our largest principal shareholders?

A:

The Gabelli Group beneficially owns 217,290 shares of our common stock, or 21.4% of the stock entitled to vote at the annual meeting, and Michael I. German, our president and chief executive officer, owns 174,680 shares of our common stock, or 17.2% of the stock entitled to vote at the annual meeting.

Q:

When is a shareholder proposal due for the next annual meeting?

A:

In order to be considered for inclusion in next year's proxy statement, shareholder proposals must be submitted in writing by October 29, 2010, to Stanley G. Sleeve, Corporate Secretary, Corning Natural Gas Corporation, 330 West William Street, Corning, New York 14830, and must be in accordance with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (which we refer to as the Exchange Act). (See page 19 for more details.)

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our common stock, to file with the Securities and Exchange Commission (which we refer to as the SEC) initial reports of ownership and reports of changes in ownership of our common stock. Our officers, directors and greater than 10% shareholders are required by

the SEC to furnish us with copies of all Section 16(a) forms they file. In the last fiscal year, Gregory J. Osborne did not timely file a Form 3 upon his election as a director of the Company. Based solely on review of copies of reports furnished to us or written representations that no reports were required, we believe that all other Section 16(a) filing requirements were met in the last fiscal year.

Attendance of the Board of Directors at Meetings

The board of directors met ten times during our 2009 fiscal year. All members of the board of directors participated in at least 75% of all board of directors and applicable committee meetings in the last fiscal year.

Corning strongly encourages members of the board of directors to attend annual meetings of shareholders. All members of the board of directors attended the 2009 Annual Meeting of Shareholders held on April 7, 2009.

Compensation Committee

The compensation committee is composed of Mr. Gibson, Mr. Gregory Osborne and Mr. Rigo, the committee's Chairman. The compensation committee oversees Corning's executive compensation program. In this role, the committee reviews and approves, or recommends for approval by the full board, the compensation that is paid or awarded to our executive officers. The goal of our compensation committee is to ensure that the total compensation paid to our executive officers and significant employees is fair, reasonable and competitive. The committee also administers our 2007 Stock Option Plan. The committee met once in the last fiscal year. The committee does not have a written charter.

Corporate Governance and Community Relations Committee

The corporate governance and community relations committee is composed of Mr. Henry Cook, Mr. German, Mr. Gibson, and Mr. Welch, the committee's chairman. The committee met once during our 2009 fiscal year. The committee is responsible for developing corporate governance principles and practices, considering corporate governance issues, administering our related person transaction policy and assisting the board in the company's compliance with our code of business conduct and ethics.

Nominating Committee

The nominating committee is composed of Mr. German, Mr. Gregory Osborne, Mr. Smith and Mr. Welch, the committee's chairman in the last fiscal year. The committee met once in our 2009 fiscal year. The committee does not have a written charter.

To the extent there are any vacancies on the board or should the nominating committee determine not to re-nominate an incumbent director for election to the board, our president and chief executive officer and our chairman of the board generally will identify a qualified candidate for the committee's consideration. Director nominees are approved by the nominating

committee and recommended to the full board for their approval. Nominees are not required to possess specific skills or qualifications; however, nominees are recommended and approved based on various criteria including relevant skills and experience, personal integrity and ability and willingness to devote their time and efforts to Corning. Qualified nominees are considered without regard to age, race, color, sex, religion, disability or national origin. We do not use a third party to locate or evaluate potential candidates for director.

The committee considers nominees recommended by shareholders according to the same criteria. A shareholder desiring to nominate a director for election at our 2011 Annual Meeting of Shareholders must deliver a notice to our corporate secretary at our principal executive office no earlier than ninety days, and no later than sixty days before the annual meeting. The notice must include as to each person whom the shareholder proposes to nominate for election or re-election as director:

- ◆ the name, age, business address and residence address of the person,
- ◆ the principal occupation or employment of the person,

Edgar Filing: CORNING NATURAL GAS CORP - Form DEF 14A

- ◆ the class and number of our shares of stock beneficially owned by the person, and
- ◆ any other information relating to the person that is required to be disclosed in solicitations for proxies for election of director pursuant to Rule 14a under the Exchange Act;

and as to the shareholder giving the notice

- ◆ the name and record address of the shareholder, and
- ◆ the class and number of our shares beneficially owned by the shareholder.

We may require any proposed nominee to furnish additional information reasonably required by us to determine the eligibility of the proposed nominee to serve as our director.

Code of Business Conduct and Ethics

Corning has a Code of Business Conduct and Ethics that applies to all employees, including our chief executive officer and our chief financial officer who also serves as our principal accounting officer. AUDIT COMMITTEE REPORT

In accordance with its written charter that was approved and adopted by our board, our audit committee assists the board in fulfilling its responsibility of overseeing the quality and integrity of our accounting, auditing and financial reporting practices. A copy of the audit committee charter is available on our website at www.corninggas.com. The audit committee is directly responsible for the appointment of Corning's independent public accounting firm and is charged with reviewing and approving all services performed for us by the independent accounting firm and for reviewing the accounting firm's fees. The audit committee reviews the independent accounting firm's internal quality control procedures, reviews all relationships between the independent accounting firm and Corning in order to assess the accounting firm's independence, and monitors compliance with our policy regarding non-audit services, if any,

rendered by the independent accounting firm. In addition, the audit committee ensures the regular rotation of the lead audit partner. The audit committee reviews management's programs to monitor compliance with our policies on business ethics and risk management.

The audit committee is comprised of Mr. Smith, the committee's chairman, Mr. Henry Cook, Mr. Rigo and Mr. Welch. The committee met five times during the 2009 fiscal year. Mr. Smith, Mr. Cook, Mr. Rigo and Mr. Welch are "independent directors" as defined in the New York Stock Exchange listing standards. In addition, each member of the audit committee is able to read and understand financial statements, including balance sheets, income statements and cash flow statements. The board has determined that Mr. Smith meets the qualifications for designation as an "audit committee financial expert," as defined in SEC rules through his experience as the chief financial officer of Energy Inc., a publicly-held company. The audit committee reviews and reassesses its charter as needed from time-to-time and will obtain the approval of the board for any proposed changes to its charter.

The audit committee oversees management's implementation of internal controls and procedures for financial reporting designed to ensure the integrity and accuracy of our financial statements and to ensure that we are able to timely record, process and report the information required for public disclosure. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed the audited financial statements with management and EFP Rotenberg, LLP, our independent accounting firm. The audit committee also discussed with Rotenberg the matters required by Statement on Auditing Standards No. 61, "Communication with Audit Committees." The audit committee reviewed with Rotenberg, which is responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States, its judgment as to the quality, not just the acceptability, of our accounting principles and other matters as are required to be discussed with the audit committee pursuant to generally accepted auditing standards.

In discharging its oversight responsibility as to the audit process, the audit committee obtained from our independent accounting firm a formal written statement describing all relationships between the independent accounting firm and us that might bear on the accounting firm's independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and discussed with the accounting firm any relationships

that may impact its objectivity and independence. In considering the accounting firm's independence, the audit committee also considered whether the non-audit services performed by the accounting firm on our behalf were compatible with maintaining the independence of the accounting firm.

In reliance upon (1) the audit committee's reviews and discussions with management and EFP Rotenberg, LLP, (2) management's assessment of the effectiveness of our internal control over financial reporting, and (3) the receipt of an opinion from EFP Rotenberg, LLP, dated December 18, 2009 stating that the Corning's financial statements for the year ended September 30, 2009 are presented fairly, in all material respects, in conformity with U.S. generally accepted accounting principles, the audit committee recommended to our board that Corning's audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2009, for filing with the SEC.

Benefit Plans

We provide competitive welfare and retirement benefits to our executive officers as an important element of their compensation packages. Our executives receive medical and dental coverage, life insurance, disability coverage and other benefits on the same basis as our other employees. Our executives are also eligible to participate in our employee savings and pension plans.

Corning Natural Gas Corporation Employees Savings Plan

. All employees of Corning who work for more than 1,000 hours per year and who have completed one year of service may enroll in the savings plan at the beginning of each calendar quarter. Under the savings plan, participants may contribute up to the maximum limits established by the Internal Revenue Service guidelines of their wages each year. Corning will match one-half of the participant's contributions up to a total company contribution of 3% of the participant's wages. Matching contributions vest in the participants at a rate of 20% per year and become fully vested after five years. All participants may select one of ten investment plans, or a combination thereof, for their account. Distribution of amounts accumulated under the savings plan occurs upon the termination of employment or death of the participant. The savings plan also contains loan and hardship withdrawal provisions.

Pension Plan

. We maintain a defined benefit pension plan, the Retirement Plan for Salaried and Non-Union Employees of Corning Natural Gas Corporation that covers substantially all of our employees. We make annual contributions to the plan equal to amounts determined in accordance with the funding requirements of the Employee Retirement Income Security Act of 1974. The benefit payable to non-union employees under this pension plan is calculated based upon the employee's average salary for the four consecutive years of highest compensation with the company. The compensation covered by the pension plan includes only base salary, identified in the summary compensation table as "salary."
