Item 2.01 Completion of Acquisition or Disposition of Assets.

On March 5, 2013, Health Management Company of America ("HMCA"), a wholly-owned subsidiary of the registrant Fonar Corporation ("Fonar") acquired through Health Diagnostics Management, LLC ("HDM") a limited liability company in which HMCA holds a 50.5% interest, a business managing twelve (12) Stand-Up® MRI Centers and two (2) other scanning centers located in Florida and New York. The acquisition was accomplished through the consummation of a Purchase Agreement, pursuant to which HDM purchased all of the issued and outstanding limited liability company interests of Health Diagnostics Management of America, LLC ("HDMOA") from Health Diagnostics LLC ("HD") for a purchase price of \$34.4 million. The buyer and seller are unrelated parties, but HMCA and HD did have previous business dealings of a cooperative and mutually beneficial nature related to their respective MRI scanning management businesses.

The 12 Stand-Up® MRI centers managed by HDM together with the 11 managed by HMCA now comprise the largest network of Stand-Up® MRI centers in the nation (23). By combining the resources of HMCA and HDM, the Company expects to enjoy the benefits of 1) economies of scale, 2) shared administrative and technical expertise and capabilities, and 3) joint marketing strategies.

In connection with the acquisition, HDM was in part capitalized by an infusion of capital by Fonar through HMCA, including \$14 million in loans made to Fonar by Signature Bank. Fonar in turn lent the funds to HMCA, who in turn contributed the funds to HDM as a capital contribution. The balance of the equity of HDM was provided by outside investors who received 49.5% of the limited liability company interests in HDM. Of the loans made by Signature Bank to Fonar, \$11 million was provided pursuant to a term loan amortized over 60 months, with a preceding six-month period of payments of interest only. Three million dollars (\$3 million) was provided pursuant to a revolving loan facility.

Item 9.01. Financial Statements and Exhibits. To be provided in accordance with the requirements of Item 9.01.
