ITEM 1 - ORGANIZATION CHART - Concluded

<u>Name of reporting company</u> *	<u>Energy or gas related company</u>	<u>Date of organization</u>	<u>State of organization</u>	<u>Percentage of voting securities held</u>	<u>Nature of business</u>
Entergy Solutions District GP, LLC (ESDGPL)	Energy related business	February 19, 1997	Delaware	100%	General partner of ESDCL.
Entergy Nuclear Services, LLC (ENSL) (new)	Energy related business	June 30, 2004	Delaware	100%	Formed to provide management and operations services for nuclear reactors and environmental remediation services for nuclear facilities (directly or indirectly through project entities).
Entergy Solutions District Cooling, LP (ESDCL)	Energy related business	December 19, 1997	Delaware	100%	Management/servicing of thermal energy and related facilities; production, sale, and distribution of thermal energy products.

* The system companies that directly or indirectly hold securities of each reporting company are set forth in Exhibit 1 to Entergy Corporation's Rule 24 Certificate for the three month period ended June 30, 2004, filed in File No. 70-9123.

EHLLC Activities

During the quarterly period ended June 30, 2004, EHLLC acted as a holding company engaged in investment in energy related companies consistent with Rule 58.

Entergy Thermal Activities

During the quarterly period ended June 30, 2004, Entergy Thermal owned and operated a district cooling and heating system in New Orleans, Louisiana.

EPRS Activities

During the quarterly period ended June 30, 2004, EPRS engaged in the ownership of a 50% interest in RS Cogen.

RS Cogen Activities

During the quarterly period ended June 30, 2004, RS Cogen owned and operated a 425 MW cogeneration facility in Louisiana, constituting a QF under PURPA.

TLG Activities

During the quarterly period ended June 30, 2004, TLG provided cost estimates and field services for the decommissioning of fossil and nuclear plants as well as technical expertise related to environmental testing and remediation.

ESLTD Activities

During the quarterly period ended June 30, 2004, ESLTD was engaged in the sale of power to Texas retail customers.

EKTLP Activities

During the quarterly period ended June 30, 2004, EKTLP engaged in the business of brokering and marketing of energy commodities, including but not limited to electricity, natural or manufactured gas, and other combustible fuels. These services were provided to electric utilities, power marketers, electric and municipal cooperatives, and various other customers.

EWOGP Activities

During the quarterly period ended June 30, 2004, EWOGP acted as a holding company for investing in energy commodity brokering and related services.

EWOM Activities

During the quarterly period ended June 30, 2004, EWOM engaged in the business of marketing the power produced by electric generation assets of affiliates and third-party customers as well as fulfilling the electric energy needs of third-party customers under long-term contracts. The third-party customers are principally electric utilities and municipal cooperatives.

ESOLS Activities

During the quarterly period ended June 30, 2004, ESOLS was in its formative stage. ESOLS was formed for the purpose of providing price-to-beat energy service and electric sales. In July 2004, however, the Public Utility Commission of Texas ordered an indefinite delay in retail open access in the service territory in which ESOLS would provide service. ESOLS and ESSEN merged, effective June 10, 2004, with ESOLS as the surviving entity.

ESSEN Activities

During the quarterly period ended June 30, 2004, ESSEN was in its formative stage. ESOLS and ESSEN merged effective June 10, 2004, with ESOLS as the surviving entity.

Entergy Thermal-UNO Activities

During the quarterly period ended June 30, 2004, Entergy Thermal-UNO was in its formative stage with the intent to engage in the production, sale, and distribution of thermal energy products at the University of New Orleans. Entergy Thermal-UNO was dissolved June 30, 2004.

ENPFS Activities

During the quarterly period ended June 30, 2004, ENPFS acted as a holding company for Entergy's 12.9% member interest in Private Fuel Storage (including a 9.9% Class A member interest with voting rights).

Private Fuel Storage Activities

During the quarterly period ended June 30, 2004, Private Fuel Storage continued efforts relating to obtaining a Nuclear Regulatory Commission license for a proposed spent nuclear fuel storage facility.

ESSLT Activities

During the quarterly period ended June 30, 2004, ESSLT provided energy supply acquisition services to Entergy retail electric providers.

ENES Activities

During the quarterly period ended June 30, 2004, ENES was in its formative stage and in the future intends to provide environmental remediation services for nuclear facilities.

SOURCEONE Activities

During the quarterly period ended June 30, 2004, SOURCEONE provided energy management services and energy commodity marketing services.

EnerSea Activities

During the quarterly period ended June 30, 2004, EnerSea marketed a compressed natural gas marine transportation and storage system called VOTRANS (Volume-Optimized Transport System). VOTRANS is an ocean-going gas delivery service system comprised of large diameter pipes contained within insulated structures integrated onto specially designed and constructed ships.

ESDCL Activities

During the quarterly period ended June 30, 2004, ESDCL owned and operated a district cooling system and provided management, operations, and maintenance services for other thermal energy and related systems.

ESDGPL Activities

During the quarterly period ended June 30, 2001, ESDGP was the general partner of ESDCL.

ENSL Activities

During the quarterly period ended June 30, 2004, ENS was in its formative stage and in the future intends to provide management and operations services for nuclear reactors and environmental remediation services for nuclear facilities (directly or indirectly through one or more project entities).
